A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Our Grand Master, Russell Williams Treleaven, was born in London, Ontario, the son of the Reverend R. J. Treleaven, D.D., and Catherine A. Treleaven. He was educated in the Public Schools at Aylmer and Brantford and in the Collegiate Institutes at Hamilton and Toronto (Parkdale C.I.). Following his high school education he studied law at Osgoode Hall, Toronto, from which he graduated in 1913 and was called to the Bar as a Barrister-at-Law and was sworn in as a Solicitor, all in the same year, 1913.

On October 24, 1914, he married A. Grace Freeman, B.A., of Burlington, Ontario. They have two children, a son and a daughter, both married, also four grandchildren.

As a young man our Grand Master was the winner of three Public Speaking Contests two in the Methodist Young Men's Association in Toronto and one in the Canadian Club, Hamilton.

In May, 1956, he received an Honorary Degree of Doctor of Sacred Letters (S. Litt. D.) from Victoria University.

In 1936 his ability in the field of law was recognized by his appointment as King's Counsel, now Queen's Counsel. And in January, 1946, he was appointed to the Bench as a Justice of the Supreme Court of Ontario, from which he recently retired.

His contributions to public service were many and varied. He was the first President of the Optimist Club of Hamilton, and was later honored by election to the office of District Governor. For ten consecutive years he was elected to the Board of Education in Hamilton, holding the office of Chairman of that Board in 1942. He was twice President of The Hamilton Automobile Club, in 1926 and again in 1944, after serving for many years as a Director

of the Club. He was also a Director of The Ontario Motor League. From 1946 to the present time he has been Chairman of the Commission for the investigation of Cancer Remedies.

His close associations with church work came quite naturally, having been raised in the Manse. He was leader and teacher of the Young Men's Bible Class in Ryerson United Church, Hamilton, from 1916 to 1940, during which time many young men, who became outstanding in their professions and in industry, benefitted from his spiritual guidance. His services were not confined to one church for in 1918 he was elected a delegate to the General Conference of the Methodist Church, which assignment he held until Church Union in 1925. He was one of the Committee of Forty who negotiated the Basis of Union. He then became a member of each General Council of The United Church of Canada until he was appointed to the Bench, in 1946, and was continuously a member of the Executive and Chairman of the Missionary and Maintenance Committee.

We, as Masons, know him from his close associations with Masonry since his initiation in Acacia Lodge, No. 61, Hamilton, in 1919. He became Master of the Lodge in 1937 and District Deputy Grand Master of Hamilton District "B" in 1942. He was elected to the Board of General Purposes of Grand Lodge in 1945 and thereafter until in 1951 he was made an Honorary Member of the Board having served for some years as Chairman of the Committee on Grievances and Appeals. He was elected Deputy Grand Master in July, 1959, and was installed as Grand Master on July 20, 1961.

He is a member of the Murton Lodge of Perfection, the Hamilton Sovereign Chapter of Rose Croix, and the Moore Sovereign Consistory, Ancient and Accepted Scottish Rite of Canada. He was received into the Provincial Grand Lodge of the Royal Order of Scotland in April, 1960. In September, 1960, he was coroneted an Honorary Inspector-General of the Supreme Council, A. and A. S. Rite, 33°.

To the high and important office of Chief Head and Ruler in the Craft he comes well prepared from his vast experience gained in the practice of law, on the Bench and in many phases of church and community service, to which must be added his great love and zeal for all Craft activities and associations.

Clarence MacLeod Pitts, Grand Master, at 8 o'clock in the evening in the Scottish Rite Building, who announced that this Especial Communication of Grand Lodge had been called for the purpose of Unveiling the Corner Stone and Dedicating the new Grand Lodge Memorial Building just recently completed. Grand Lodge was then called off and the procession was formed by the Grand Director of Ceremonies, and, led by the Salvation Army Band, marched to the site where the officers took up the proper positions at the northeast corner of the building. The Ceremonies were as follows:

UNVEILING OF THE CORNER STONE

R.W. Bro. R. C. Berkinshaw, Chairman of the Building Committee: "M.W. Grand Master: It is with great

pleasure that, on behalf of the Special Building Committee, I welcome you and the members of the fraternity of Masons, to unveil, with the time-honored ceremonies of the Craft, the corner-stone of this building. We appreciate your presence and feel honored in your acceding to our request, and trust that while you are with us your visit may be both profitable and enjoyable."

The Grand Master addressed the assemblage.

Grand Chaplain: "O Thou, the Great Architect and Ruler of the Universe, we implore Thee to be with us, Thy servants, in this solemn rite in which we are about to engage. Let the symbolism of the Corner Stone be abundantly impressed on our hearts, and help us in the upbuilding of our minds and characters. May the building which is erected on this site be the dwelling-place of harmony, of love, and of charitable thought; may the uses to which it shall be put ever redound to Thy glory and the good of mankind, and be sanctified by Thy Divine blessing. Glory be to God on high!"

Response: "As it was in the beginning, is now and ever shall be, world without end. So mote it be."

The Grand Master informed the assemblage that the phial containing the coins and other articles have been deposited in the cavity of the Stone by the Grand Secretary during the construction of the building.

Grand Master: "This Stone has been well made, Truly Laid, Well Proved, True and Trusty."

Grand Master unveiled the Stone.

Grand Master: "The brethren will give Grand Honors, taking time from the Grand Director of Ceremonies."

The Architect: "Most Worshipful Sir, I present you with the plans of the building."

Grand Master: "Master architect, the corner-stone of this building having been laid according to the rules

of architecture, and in conformity with the regulations of our fraternity, I now present you with the implements applied to it (*presenting the Gavel, Square, Level and Plumb-rule*), and also the plans: in full confidence that as a skilful and faithful workman you have used them in such a manner that the building has risen in order, harmony and beauty, and that it has established your reputation as a skilful builder, and reflects credit also on those who have selected you for this important undertaking."

Hymn:

All people that on earth do dwell,
Sing to the Lord with cheerful voice,
Him serve with mirth, His praise forth tell,
Come ye before Him and rejoice.

O enter then His gates with praise,
Approach with joy His courts unto:
Praise, laud and bless His name always,
For it is seemly so to do.

For why? the Lord our God is good,
His mercy is forever sure;
His truth at all times firmly stood,
And shall from age to age endure.

Grand Master addressed the Chairman of the Committee.

Grand Chaplain: "May the blessing of the Great Architect of the Universe rest upon us and upon all regular Freemasons; and may the sublime principles of Masonry so enrich their hearts, that Craftsmen throughout the world may have wisdom in all their work, strength in times of difficulty, faith as the foundation of hope, and charity as the fruit of obedience to His revealed will."

Response: "So mote it be."

DEDICATION CEREMONY

The Chairman presented the gold key to the Grand Master.

Chairman: "M.W. Sir, the members of the Committee have furnished this memorial building to the best of their ability, with all the appointments necessary for the work, and in a manner suitable and convenient for Grand Lodge administrative purposes. They desire that this memorial building may be examined by you, M.W. Sir, and, if it meet with your approval, that it may be solemnly dedicated for such purposes in conformity with the usages and customs of the Craft."

Grand Master: Bro. Chairman, in accordance with your request, I will examine this memorial building and try it by the Square, Level and Plumb Rule."

Architect: "M.W. Sir: Having been entrusted with the superintendence and management of the construction of this edifice and having, according to the best of my ability, accomplished the task assigned me, I now beg leave to surrender the implements which were committed to my care, when the foundation of this fabric was laid, humbly hoping that my exertions meet with your approbation."

Grand Master: "Bro. Architect, the skill you have displayed in the execution and management of the trust reposed in you, in connection with this work, has secured the approval of Grand Lodge, and our hope is that this memorial building may continue a lasting monument to the brethren who gave their lives in the cause of freedom and to our departed brethren who have contributed to the growth and vitality of Freemasonry."

Acting Deputy Grand Master: "M.W. Sir, the home of the Craft, and the plan upon which it has been constructed, having met with your approbation, it is the desire of the Craftsmen that it should now be dedicated in conformity with the prescribed form, custom and usage."

Grand Master: "We will now proceed to dedicate the memorial building in conformity with the usages and customs of the Craft. R.W. Bro. G. C., you will read from the Volume of the Sacred Law, how Hiram came out of Tyre to assist in the Building of the Temple."

Grand Chaplain: "And King Solomon sent and fetched Hiram out of Tyre.

"He was a widow's son, of the tribe of Naphtali, and his father was a man of Tyre, a worker in brass: and he was filled with wisdom and understanding, and cunning to work all works in brass. And he came to King Solomon and wrought all his work."

Grand Master: "The Grand Chaplain will now offer the invocation."

Grand Chaplain: "O Thou, Great and Grand Architect of the Universe, the Omnipotent, Omniscient, and Omnipresent Ruler of Heaven and Earth, Designer and Creator of all worlds, without Whom we can neither live, move nor have our being, look down upon us, Thy servants, in this solemn rite in which we are engaged. Grant us, we humbly implore Thee, wisdom to guide us in all our works, and strength to overcome all the difficulties and temptations that beset mankind. Inspire us with the beauty of harmony in all our communications, and, whether in or out of this meeting place, may the spirit of fraternity animate us; and may this solemn service in which we, as Craftsmen, now take part, be sanctified by Thy Divine approval. Glory be to God on high!"

Response: "As it was in the beginning, is now and ever shall be, world without end. So mote it be."

The Grand Director of Ceremonies took from the pedestal the vessel with corn (wheat) and delivered it to the Grand Junior Warden, who presented it to the Grand Master.

Grand Junior Warden: M.W. Sir: It has been the custom in the dedication of Masonic temples to sprinkle

corn on the floor of the lodge as an emblem of plenty. I, therefore, present you with this vessel filled with corn, in conformity with the ancient usages and customs of the Craft."

Grand Master: "In the name of the Great Architect of the Universe, to whom be glory, honour and power, I dedicate this memorial building to Freemasonry."

Hymn:

Genius of Masonry descend,
And with thee bring thy spotless train;
Constant our sacred rites attend,
While we adore thy peaceful reign.

Grand Director of Ceremonies: "The brethren will now give the Grand Honours thrice."

Grand Chaplain: "For he cast two pillars of brass, of eighteen cubits high apiece: and a line of twelve cubits did compass either of them about.

"And he made two chapiters of molten brass to set upon the top of the pillars: the height of the one chapter was five cubits, and the height of the other chapter was five cubits.

"And the nets of checker work, and wreaths of chain work for the chapiters which were upon the tops of the pillars; seven for the one chapter, and seven for the other chapter."

The Grand Director of Ceremonies took from the pedestal the vessel with wine and delivered it to the Grand Senior Warden, who presented it to the Grand Master.

Grand Senior Warden: "M.W. Sir: It has been the custom in the dedication of Masonic Temples to pour wine upon the floor of the lodge as an emblem of joy and cheerfulness. I, therefore, present you with this vessel

filled with wine, in conformity with the ancient usages and customs of the Craft.”

Grand Master: “In the name of the Great Architect of the Universe, to Whom be Glory, honour and power, I dedicate this memorial building to Virtue.”

Hymn:

Bring with thee Virtue, brightest maid,
Bring Love, bring Truth and Friendship here,
While kind Relief will lend her aid
To smooth the wrinkled brow of care.

Grand Director of Ceremonies: “The brethren will now give the Grand Honours thrice.”

Grand Chaplain: “And he made the pillars, and two rows round about upon the one net work, to cover the chapters that were upon the top, with pomegranates: and so did he for the other chapter.

“And the chapters that were upon the top of the pillars were of lily work in the porch, four cubits.

“And the chapters upon the two pillars had pomegranates also above, over against the belly which was by the net work: and the pomegranates were two hundred in rows round about upon the other chapter.

“And he set up the pillars in the porch of the temple: and he set up the right pillar, and called the name thereof Jachin: and he set up the left pillar, and called the name thereof Boaz.

“And upon the top of the pillars was lily work: so was the work of the pillars finished.”

The Grand Director of Ceremonies took from the pedestal the vessel with oil, and delivered it to the Deputy Grand Master who presented it to the Grand Master.

Deputy Grand Master: “M.W. Sir: It has been the custom in the dedication of Masonic Temples to pour

oil upon the floor of the lodge as an emblem of comfort and consolation. I, therefore, present you with this vessel filled with oil, in conformity with the usages and customs of the Craft."

Grand Master: "In the name of the Fraternity of Ancient Free and Accepted Masons, I dedicate this memorial building to Universal Benevolence."

Hymn:

Come Charity, with goodness crowned,
Encircled in thy heavenly robe;
Diffuse thy blessings all around,
To every corner of the globe.

Grand Director of Ceremonies: "The brethren will now give the Grand Honours thrice."

Grand Master: "The Grand Chaplain will now offer the dedicatory prayer."

Grand Chaplain: "O Lord, our God, eternal and Ineffable Being, for there is no God like unto Thee, give Thy blessing to the ceremonies with which we this day dedicate this memorial building to the work of the Craft. Grant that all engaged in, and invested with, the management of the work, may be endowed with wisdom from on high. May this memorial building be the home of Brotherly Love, Relief and Truth, and may we be enabled to conduct our work in full assurance of the fulfilment of Thy great promise. We commend the Craft to Thee. Thou knowest all things, even the secrets of our hearts. Protect us in the daily walk of life. Be with us in all our undertakings, and never leave us nor forsake us; and when we have, in accordance with Thy Divine approbation, finished our work here below, grant us a place in the eternal lodge, the inheritance of those who obey Thy will.

"May this memorial building now dedicated to Masonry, be ever the sanctuary of Virtue, Charity and

Universal Benevolence, and may the Great Architect of the Universe, the Giver of every good and perfect gift, bless the Craftsmen here assembled, and all the brethren throughout the world. May He grant to each of them in needful supply, corn, wine and oil, so that with bread they may feed those that hunger, with wine they may cheer the sorrowful, and with oil pour the healing balm of consolation on those sick and afflicted. Glory be to God on High!"

Response: "As it was in the beginning, is now and ever shall be, world without end. So mote it be."

Hymn:

To Heaven's high Architect all praise:
 All praise, all gratitude be given;
 Who deigned the human soul to raise
 By mystic secrets sprung from heaven.

Grand Master: "V.W. Bro. Grand Director of Ceremonies, you will make proclamation that this memorial building has been solemnly dedicated for the purposes of Masonry, in conformity with the ancient usages and customs of the Craft."

Grand Director of Ceremonies: "Brethren, by command of the M.W. the Grand Master, I proclaim from this Grand East, that this memorial building has been solemnly dedicated for the purposes of Masonry, in conformity with the ancient usages and customs of the Craft. The Craft will take due notice thereof and govern themselves accordingly."

Grand Master: "My brethren, the ceremony in which we have been engaged should recall to our minds the principles upon which our Institution is founded. We implore the Great Architect of the Universe to endue us with wisdom to guide us in our works, and with strength to overcome our difficulties and temptations. We also ask Him to inspire us with the beauty of love and harmony. The memorial building is dedicated to Freemasonry; to impress upon us the duty of cultivating the

great tenets upon which the Craft is founded; to cause us to think seriously of the lessons which are taught in our ceremonies, on our duty to God and to our Neighbour; to impel us to walk uprightly in our lives; and to strive for our own improvement and for the betterment of our fellowmen; that humanity at large may benefit by the cultivation of our fraternal feelings and actions. It is dedicated to virtue, to remind us that we have been taught to practise the four cardinal virtues; that we may be guided by the virtue of Temperance, in a constant endeavour to avoid excess and vice in every form; that we may be strengthened by Fortitude to do our duty as it may be disclosed to us, halting not, but doing right for the love of the right; that Prudence may direct us in our occupations and desires, that our daily tasks may be undertaken and performed with perseverance and faithfulness; that Justice may be our guide in judging others and in our dealings with them socially and materially, and that in all things we may 'do unto others as we would that they should do unto us.' It is dedicated to Universal Benevolence, in the hope that charitable feelings may be the happy masters of our hearts, leading us—nay, compelling us—to remember the unfortunate and afflicted, and to afford them relief and sympathy. My brethren, the practice of these virtues, in their fullest meaning and extent, will conduce to the promotion of fraternal feelings and prosperity in your lodge, will bring upon you blessings untold, and will strengthen the golden chain that links, in fraternal embrace, the members of our great brotherhood."

Grand Director of Ceremonies: "The brethren will now sing the closing hymn."

Hymn:

All hail to the morning that bids us rejoice,
 The Temple's completed, exalt high each voice;
 Give thanks to the Builder with joyful acclaim,
 Resolved to be worthy of Masonry's fame.

Almighty Jehovah, descend now and fill
This lodge with Thy glory, our hearts with good-will;
Preside at our meetings, assist us to find
True pleasure in teaching good-will to mankind.

Our great institution Thy wisdom contrived;
From Thee to support it shall Strength be derived;
And when the creation shall fall to decay,
Its beauty shall rise with the radiance of day.

Grand Master: "The R.W. the Grand Chaplain will pronounce the benediction."

Grand Chaplain: "O God, Sovereign and Creator of all worlds, sanctify this work, in which we have this day taken part. Pour down Thy blessing upon us. Guide us as citizens in the paths of rectitude, and as Craftsmen may we have Thee ever with us to lead and direct us in accordance with Thy revealed will."

Response: "So mote it be."

THE NATIONAL ANTHEM

The procession was re-formed and the brethren returned to the Scottish Rite Building where Grand Lodge was closed in Ample Form.

The brethren, with their ladies, gathered in the banquet room of the Scottish Rite Cathedral where light refreshments were served.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful
the Grand Lodge A.F. & A.M. of Canada, in
the Province of Ontario.

My Brethren:

It is with profound gratitude to the Great Architect of the Universe that we meet today, in peace and security, and acknowledge His guiding hand in the conduct of our affairs in the year just past.

It is with a renewed sense of pleasure that we meet in the City of Toronto for the 106th Annual Communication of our Grand Lodge, and enjoy the warm fraternal fellowship of the brethren of this great City, and call to mind the many happy Annual Communications which have been held here throughout the past years. To the Chairmen and members of the various committees of the area, who have made the necessary arrangements for our comfort and the effective carrying on of our duties, we extend our most grateful thanks. We recognize that it is a tremendous task to arrange the details involved in caring for the registration of 3,500 to 4,000 delegates and all that is connected with our meeting, both as to hotel accommodations and the facilities of this place of meeting at Central Technical School. It is only in Toronto that we find all the things necessary to the efficient conduct of our business and social activities. Therefore, we continue in the debt of the Toronto brethren for their great helpfulness.

I welcome you all to this Annual Communication. We are particularly happy to have so many distinguished leaders and Grand Lodge officers from our sister Grand Jurisdictions, both of Canada and the U.S.A. and beyond the Seas. I trust that they, and their ladies, will fully enjoy the happy associations afforded by our meetings and the social events provided.

NECROLOGY

During the past year, death has again laid a heavy hand upon our membership by calling to the Grand Lodge above 2783 of our brethren. We pause to pay tribute to their memory and to him who was Dean of our Past Grand Masters, Most Wor. Bro. William James Dunlop, a great Mason and a friend of the whole fraternity. An outstanding leader in the field of education, his career and character are both an inspiration and an example to all who were privileged to know him. He is greatly missed in our Council and in his home, and to his widow, as to the loved ones of all our departed brethren, we extend our heartfelt sympathy. We record the following in grateful tribute to the memory of our beloved Grand Master.

**WILLIAM JAMES DUNLOP, B.A., B.Paed.,
F.C.I., LL.D.**

William James Dunlop was born in Durham, Ontario, on June 24, 1881, the son of the Rev'd James Cochrane Dunlop and Agnes (Freel) Dunlop, both of whom are now deceased. At the age of seven he enrolled as a pupil in a little rural school near Durham. When he was ten years old, the family moved to Stayner, where his education was continued in the Stayner Public and Continuation School and then in the Collegiate Institutes at Collingwood and Clinton. He attended the Model School in Clinton and taught for a year in a rural school in the township of Hullett.

Dr. Dunlop entered the University of Toronto in September, 1900, as an undergraduate in the Honour Course in Modern Languages. At the end of his first year, he stood first in the University in English of the First Year and had a high standing in French, German, Latin and Italian. He then left the University and, after teaching for some years, completed the work for the B.A. degree, partly by attendance at a Summer Session at the University of Toronto

and then, after transfer and a good deal of study, was awarded the degree of Bachelor of Arts by Queen's University in 1912.

For three years he was Principal of the Public and Continuation School in Tavistock; then for one year Principal of the King Edward Public School in Peterborough; after that, for two and a half years, Principal of the Queen Alexandra Model School in the same city.

On December 1st, 1910, Dr. Dunlop joined the staff of the University of Toronto Schools where he remained until June, 1918.

In 1912 he became Manager of "The School", a teachers' magazine and, from 1913 to 1921, he was both editor and manager of this educational magazine which, under his direction, built up a nationwide circulation among teachers and inspectors. For some years he was manager of the Canadian Historical Review. The work of editing and managing was carried on concurrently with his duties in the University of Toronto Schools and the Faculty of Education of the University of Toronto. In 1915 and 1916 he was a Lieutenant Instructor in the Canadian Officers' Training Corps. From 1918 to 1920 he was a lecturer in School Management and in Methods in History, Geography, Spelling and Hygiene in the Faculty of Education, University of Toronto.

On July 2nd, 1920, Dr. Dunlop was appointed Director of University Extension and Publicity for the University of Toronto. This was his work for thirty-one years, but, in addition, he was Acting Manager of the University of Toronto Press during World War II. In 1926 he graduated from the University of Toronto with the degree of Bachelor of Pedagogy.

In 1934 Dr. Dunlop founded the Canadian Association for Adult Education; was President of that Association for the first three years and Chairman of the Executive Committee for several years sub-

sequently. He has contributed frequently to educational journals in Canada, in Great Britain, and in the United States. During World War II he was Chairman of the Committee on Education set up by the Citizens' Committee for Troops in Training in Toronto; was in charge of the education of the Troops in Military District No. 2. He was Chairman, at the same time, for Canadian Legion Educational Services. He was Chairman of the Board of Examiners in Optometry for Ontario for ten years. He was a member of the General Committee of the Leonard Foundation and resigned as Chairman of the Board of Trustees of Wycliffe College in 1959. In June, 1942, he was made a fellow of the Canadian Credit Institute (F.C.I.) and in the same month was awarded the honorary degree of Doctor of Laws (LL.D.) by the University of Western Ontario. He was Chairman of the Canadian Legion Committee (Ontario Command) on Education and Citizenship. In June 1953, he was awarded the honorary degree of Doctor of Laws by the University of Ottawa; in May, 1956, by Queen's University; and in June, 1957, by Assumption University of Windsor.

For two years, 1937 to 1939, Dr. Dunlop was Grand Master of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario, and he subsequently was elected as Grand Treasurer in July, 1941, from which position he retired in September, 1959, although continuing to discharge duties in Masonry. For many years he was Superintendent of the Sunday School of St. Paul's Anglican Church, Bloor Street East, Toronto.

In 1905 he married Mary Gillespie, daughter of the late Duncan Gillespie of Stayner, who passed away in July, 1942.

He is survived by his widow, the former Evaleen Kilby, whom he married in 1943.

Dr. Dunlop was appointed Minister of Education on October 2, 1951, and retired from that office on December 16, 1959, but continued to serve in the Cabinet of Ontario as a Minister without

Portfolio until his retirement from that position in November, 1960. At that time, he became Vice-Chairman of the University Co-ordinating Committee, thus making available to the Government of Ontario his great talents and capacity from his experience in the educational field.

At his death he represented the Riding of Eglinton in the Ontario Legislature.

Most Wor. Bro. Dunlop was initiated in Peterborough Lodge, No. 155, Peterborough, on October the 30th, 1908, at the age of 27 years. He was Worshipful Master of University Lodge, No. 496, Toronto, in 1922. He was a life member of University Lodge, No. 496, Toronto, Antiquity Lodge, No. 571, Toronto, Grey Lodge, No. 589, Toronto, Peterborough Lodge, No. 155, Peterborough, Prince of Wales Lodge, No. 630, Toronto, Acacia Lodge, No. 61, Hamilton, Malahide Lodge, No. 140, Aylmer, Nickel Lodge, No. 427, Sudbury, Ulster Lodge, No. 537, Toronto, Kilwinning Lodge, No. 565, Toronto, Remembrance Lodge, No. 586, Toronto, St. Andrew's Lodge, No. 16, Toronto, High Park Lodge, No. 531, Toronto, St. Alban's Lodge, No. 514, Toronto, William James Dunlop Lodge, No. 675, Peterborough, and Melita Lodge, No. 605, Toronto. He was Past First Principal of University Chapter No. 421, Royal Arch Masons, of Toronto, and an Honorary 33° member of the Ancient and Accepted Scottish Rite.

At the funeral service, held at St. Paul's Anglican Church, Toronto, on Monday, February 6th, 1961, the Church was filled with his close relations, the representatives of the Queen, the Federal and Provincial Governments, the Judiciary, the City and Metropolitan Toronto, the Departments of the University of Toronto, and all branches of Masonry. Our Grand Lodge was represented by the Grand Master, Deputy Grand Master, all Past Grand Masters, members of the Board and a host of the brethren and friends. Interment was in Mount Pleasant Cemetery.

So was laid to rest one of the great men and
Masons of our time.

“For all the blessings life has brought
For all its sorrowing hours have taught,
For all we mourn, for all we keep,
The hands we clasp, the loved that sleep;

The noontide sunshine of the past,
These brief, bright moments fading fast,
The stars that gild our darkening years,
The twilight ray from holier spheres;

We thank Thee, Father; let Thy grace
Our loving circle still embrace,
Thy mercy shed its heavenly store,
Thy peace be with us evermore.”

MEMORIAL SERVICE

The Grand Master invited the Grand Chaplain,
R.W. Bro. Rev. R. G. Hazlewood, to the dais. Under
the Grand Chaplain's direction the following Mem-
orial Service was held.

Grand Chaplain:

I heard a voice from heaven, saying unto me,
Write, from henceforth blessed are the dead which
die in the Lord: Even so, saith the Spirit, for they
rest from their labours.

(A brief period of silence will be observed)

Psalm 90: 1-6, 10, 12 14-17 (Read responsively).

Grand Chaplain:

Almighty and Eternal God, who art the Source
of life and health, we remember with thanksgiving
this our Brother, who having finished his course on
earth, has passed to the Grand Lodge Above. We
pray that his life of service and example of faithfulness
may inspire us who follow him to greater and
more fruitful service to Thy honour and glory.
Through Jesus Christ our Lord.

Almighty God with whom do live the spirits of them that depart hence in the Lord and with whom the souls of the faithful, after they are delivered from the burden of the flesh are in joy and felicity: We beseech Thee to hasten Thy Kingdom; that we with all those that are departed in the true faith of Thy Holy Name, may have our perfect consummation and bliss, both in body and soul, in Thy eternal and everlasting glory; through Jesus Christ our Lord.

Almighty God, Father of all mercies, and giver of all comfort; deal graciously, we pray thee, with those who mourn, that, casting every care on Thee, they may know the consolation of Thy love. Through Jesus Christ our Lord.

The Lord bless us and keep us: the Lord make His face to shine upon us and be gracious unto us; the Lord lift up His countenance upon us and give us peace now and for evermore. Amen.

The brethren resumed their seats and the Grand Master continued his Address.

LODGE ROOMS DEDICATED

Last year we dedicated thirteen lodge rooms but this year we have only had the pleasure of taking part in six such occasions; but all of these have been in recognition of the special efforts of the local brethren to replace their facilities, after a disastrous fire, or to improve their location, and we extend our congratulations on the successful culmination of their united efforts.

It should be noted that the plans and locations of these lodge premises have been previously presented and approved by our Grand Lodge Advisory Committee on Lodge Buildings, under the Chairmanship of V. Wor. Bro. George T. Evans, who has devoted a great deal of time in serving most efficiently and effectively in this capacity. His technical knowledge and professional experience as an architect, have added much to the final results achieved in attractiveness and functional usefulness for the comfort of the brethren and the proper working of our ritual. Our lodge premises are becoming increasingly a pride in their respective communities.

The especial Communications of Grand Lodge called for these celebrations have again been well attended, sometimes well in excess of the capacity of the halls, which is a splendid evidence of the interest of the brethren.

The following is a list of the lodge rooms dedicated:

- (a) Merrickville Lodge, No. 55, Merrickville, on December 9th, 1960, by the Grand Master.
- (b) Franck Lodge, No. 127, Frankford, on December 16th, 1960, by the Grand Master.
- (c) Evergreen Lodge, No. 209, Lanark, on May 11th, 1961, by the Grand Master.
- (d) Elliot Lake Lodge, No. 698, Elliot Lake, on May 20th, 1961, by M.W. Bro. W. L. Wright, Past Grand Master.

- (e) St. Alban's Lodge, No. 200, Mount Forest, on May 26th, 1961, by M.W. Bro. H. L. Martyn, Past Grand Master.
- (f) The new Masonic Temple, Thornhill, on June 16th, 1961, by M.W. Bro. H. L. Martyn, Past Grand Master.

LODGE CENTENNIAL CELEBRATIONS

It has been an outstanding year for the number and character of the 100 year anniversaries of so many of our lodges. I have been most happy and delighted to have been present at all thirteen of these special occasions in the life history of these lodges.

Specially noteworthy were the centennial celebrations of Civil Service Lodge, No. 148, Ottawa, which covered three consecutive days and included a service of Divine Worship and Thanksgiving on Sunday, May the 14th, attended by the brethren and their families, a banquet on Monday, and, on Tuesday the centennial meeting of the Lodge with the Memorial Service for the departed members, the dedication of the new regalia, jewels and equipment, and the re-dedication of officers and members to the service of Freemasonry and to their lodge, followed by the presentation of a Veteran's Jubilee Medal and a William Mercer Wilson Medal, and a final banquet. Altogether it was a most memorable occasion.

To all these venerable lodges, I extend the best wishes of Grand Lodge for their continued success and high achievement in the next century of service.

The following is a list of the lodges and the dates of their centennial celebrations:

- (a) Union Lodge, No. 118, Schomberg, on 7th September, 1960.
- (b) Richardson Lodge, No. 136, Stouffville, on 29th September, 1960.

VISITATIONS TO OTHER GRAND JURISDICTIONS AND MASONIC BODIES

We have again been greatly favoured by very warm and cordial invitations to attend the Annual Communications of our sister Grand Jurisdictions in Canada and those of many of the Grand Jurisdictions in the U.S.A. While it has been impossible to accept all these invitations with attendance by the Grand Master, Grand Secretary, or other appointed representatives, nevertheless we have endeavoured to be present and extend our good wishes as often as time and circumstances would permit. On all such occasions, your Grand Master and his representatives were accorded the greatest courtesy and the warmest and most cordial receptions, with overflowing hospitality, which leaves one with the feeling of the inadequacy of simple words to express our deep appreciation. There exists the fullest co-operation and mutual understanding between all

Grand Lodges, which makes our association together most happy and contributes to the general well-being of our beloved Fraternity.

The following is, at least, a partial list of our visitations, with the indication of the time and place and representatives of our Grand Lodge officially present:

- (a) Supreme Council A. & A.S. Rite on the 12th September, 1960, attended by the Grand Master.
- (b) Grand Lodge of Delaware, on 4th October, 1960, by the Grand Master.
- (c) Grand Lodge of Illinois, on 6th October, 1960, by the Grand Master.
- (d) Grand Lodge of West Virginia, on the 11th October, 1960, by the Grand Master.
- (e) Grand Lodge of District of Columbia, on the 20th December, 1960, by the Grand Master.
- (f) Grand Lodge of Pennsylvania, on the 27th of December, 1960, by the Grand Master.
- (g) Grand Lodge of Massachusetts, on the 27th of December, 1960, by M.W. Bro. H. L. Martyn.
- (h) Grand Lodge of District of Columbia, 150th Anniversary, on the 22nd of February, 1961, by the Grand Master.
- (i) Grand Lodge of Minnesota, on the 22nd of March, 1961, by M.W. Bro. J. A. Hearn.
- (j) Grand Lodge of Connecticut, on the 5th of April, 1961, by M.W. Bro. H. L. Martyn.
- (k) Grand Chapter Royal Arch Masons of Canada, on the 18th day of April, 1961, by the Grand Master and the Grand Secretary.
- (l) Grand Lodge of New Jersey, on the 19th day of April, 1961, by the Grand Master.
- (m) Grand Lodge of New York, on the 2nd of May, 1961, by the Grand Master.
- (n) Grand Lodge of Rhode Island, on the 16th of May, 1961, by M.W. Bro. J. A. Hearn.
- (o) Grand Lodge of Indiana, on the 16th of May, 1961, by R.W. Bro. E. G. Dixon, Grand Secretary.

- (p) Grand Lodge of New Brunswick, on the 25th of May, 1961, by the Grand Master.
- (q) Grand Lodge of Quebec, on the 1st of June, 1961, by the Grand Master.
- (r) Grand Lodge of Manitoba, on the 8th of June, 1961, by the Grand Master.
- (s) Grand Lodge of Alberta, on the 14th of June, 1961, attended by the Grand Master.
- (t) Grand Lodge of Saskatchewan, on 21st of June, 1961, attended by the Grand Master.
- (u) Grand Lodge of British Columbia, on the 22nd of June, 1961, attended by the Grand Master.

It will be noted that your Grand Master has been able during his term of office, to attend personally all our sister Canadian Grand Lodges with the exception of the Grand Lodge of Nova Scotia, which causes him the greatest regret because of the close association that has long existed with so many of the members of this Grand Lodge. I hope I may be spared to repair this omission at an early date.

At the Annual Communication in Bathurst, N.B., on May 25th, 1961, your Grand Master was presented with a framed certificate as an Honorary Past Grand Master of the Grand Lodge of New Brunswick, which, as a native son of that Province, will always be greatly cherished by me, and for which I express my grateful thanks.

The kind invitation of M. Wor. Bro. Wallace Kent to attend the Grand Lodge of Michigan on May the 22nd and 23rd, in Detroit, was accepted but had to be cancelled, at the last moment, owing to the sudden death of my cousin, Bro. Hollis J. MacLeod Fiske, of St. Catharines, and the necessity of attending the funeral on May 23rd. My regrets were telephoned to their Grand Secretary when it was impossible to arrange other representation in time over the Victoria Day holiday.

In addition to these visits outside our own Jurisdiction, I had the honour to be the guest of

Rt. Wor. Bro. Scott Lieby, P.G.M. of the Grand Lodge of Pennsylvania, at his 80th birthday party at the Penn-Harris Hotel in Harrisburg, Pa., on the evening of January 19th, 1961, and to have the privilege, in conjunction with the Grand Master of Pennsylvania, Rt. Wor. Bro. Max Balcom, of congratulating Bro. Lieby, one of the great Masons of that great State. Next day, I was the guest of their Grand Lodge at the Masonic Homes in Elizabethtown, Pa., a farm and Masonic home and community of over 1,500 acres and 700 guests, with hospital, rest homes, lodge room, schools and all necessary appurtenances for the convenience and comfort of old and young alike, as well as about 400 employees. It was a bitter winter day, but an unforgettable experience of Masonic fellowship and hospitality. On March 23rd, 1961, at Hershey, Pa., in the Hershey Hotel, another testimonial gathering was held to honour Bro. Lieby, to which your Grand Master was again invited.

On Friday, November 4th, 1960, I was the guest of Valleyfield Lodge, No. 75 G.R.Q., in Valleyfield, P.Q., on the occasion of a testimonial banquet to their Grand Master, M. Wor. Bro. Lionel Robb. It was a great privilege to be present and extend the congratulations and best wishes of our Grand Lodge on such a happy event.

VISITATIONS WITHIN OUR JURISDICTION

It has again proved impossible to accept all the invitations extended to me to be present at all the Masonic functions within Ontario which have been so graciously tendered the Grand Master. In each case I have tried to explain the inability to accept, which was generally, if not always, due to confliction of dates and the impossibility of travelling the necessary distances in the required time. Air travel has made many of my engagements possible, which by car or train would have been out of the question. The Districts and the D.D.G.M's. have been splendid in their co-operation and the receptions tendered

me have been wonderful, and the enthusiasm and attendance most inspiring. I hope the brethren have been equally impressed on these occasions as has been their Grand Master. To all who, by their labour and attention, have contributed to the success of these meetings, for the gifts received and the hospitality enjoyed, I am most deeply grateful.

During my two years in office I have attended receptions in honour of the Grand Master in all 37 Districts and, in this last year, have visited and been received by the following Lodges and Districts, in addition to my regular attendance at my own Dalhousie Lodge, No. 52, in Ottawa, and the centennial celebrations already recorded:

- Algoma District Reception, Port Arthur, September 9th, 1960.
- Western District Reception, Fort Frances, September 16th, 1960.
- Western District Reception, Keewatin, September 17th, 1960.
- Brant District Reception, Waterford, October 22nd, 1960.
- Wellington District Reception, Guelph, October 26th, 1960.
- Nipissing East District Reception, Haileybury, October 28th, 1960.
- St. Lawrence District Reception, Perth, November 2nd, 1960.
- Georgian District Reception, Orillia, November 28th, 1960.
- South Huron District Reception, Mitchell, December 5th, 1960.
- London District Reception, London, December 6th, 1960.
- Toronto Districts 3, 4 and 7 Reception, Scarborough, March 15th, 1961.
- Hamilton Districts A and B Reception, Hamilton, April 7th, 1961.
- Niagara Districts A and B, Niagara Falls, April 24th, 1961.

- Chatham District Reception, Glencoe, April 25th, 1961.
- St. Thomas District Reception, Aylmer, April 26th, 1961.
- Ottawa District Masonic Ball, Ottawa, April 29th, 1961.
- Temiskaming District Reception, Timmins, May 5th, 1961.
- Temiskaming District Reception, Kirkland Lake, May 6th, 1961.
- Nipissing West District Reception, Sudbury, May 13th, 1961.
- Muskoka-Parry Sound District Reception, Huntsville, May 17th, 1961.
- North Huron District Reception, Lucknow, May 18th, 1961.
- Wilson District Reception, Port Dover, May 20th, 1961.
- Peterborough District Reception, Peterborough, May 30th, 1961.
- Dalhousie Lodge, No. 52, Ottawa, Installing Master, June 6th, 1961.

I would be very remiss if I failed to record here my deep appreciation of the many kind offices and courtesies extended to me on all occasions of my visits throughout the Jurisdiction. On many of my trips, I have had the excellent company of the Grand Secretary and, only the fact of his devotion to the office duties, kept us from being more often together. The brethren in the local areas have been most attentive and V. Wor. Bro. William E. Meldrum, Grand Director of Ceremonies, and V. Wor. Bro. Birkett Lishman, Past Grand Director of Ceremonies, have devoted much time in driving with me when car transportation was necessary. My sincere thanks to all these friends and brethren.

CORNER STONE LAYING. PALMERSTON PUBLIC SCHOOL

Our Grand Lodge was invited to lay the Corner Stone of the Palmerston Public School at 3:00 p.m. on May 18th, 1961. The Grand Master, accompanied

by the Grand Director of Ceremonies, V. Wor. Bro. W. E. Meldrum, was present, being enroute to the reception of North Huron District at Lucknow. There was a large gathering of Grand Lodge officers, with the Grand Secretary, R. Wor. Bro. E. G. Dixon, Assistant to the Grand Secretary, R. Wor. Bro. G. J. McQueen, and Bro. C. Newcombe, from the Grand Lodge Offices. Arrangements were under the direction of R. Wor. Bro. (Dr.) Jas. E. Little, D.D.G.M. of North Huron District. The day was cool and blustery and the ceremony was followed by a heavy rain. The Civic and Provincial authorities, with the local School Board and Trustees, 250 children from the school, and many parents, were an appreciative gathering.

Your Grand Master was presented with a silver trowel, suitably inscribed, used in the ceremony, which he returned to the authorities to be preserved in their archives, along with the trowel used by our Past Grand Master, M. Wor. Bro. Sir John Gibson, on the occasion of the laying of the corner stone of the first public school building at Palmerston in 1893.

7TH BIENNIAL CONFERENCE OF CANADIAN GRAND AND DISTRICT GRAND LODGES

Our Grand Lodge had the privilege of being hosts, in Toronto at the Royal York Hotel, on February 16th, 17th and 18th, 1961, to the 7th Biennial Conference of Grand and District Grand Lodges of Canada. Every Grand Lodge was fully represented, together with delegates from the District Grand Lodge of England and the District Grand Lodge of Scotland, which both have jurisdiction in Newfoundland. Very earnest and profitable discussions took place on the various items on the agenda for our meetings, which included the following subjects:

Our Responsibilities as Masons in Everyday Life.

The Masonic Relief Association of United States and Canada.

Penalties of the Craft Degree.

Is Masonic Instruction Efficient Enough Today?

Life Membership.

What are the Privileges and Prerogatives of a Grand Master?

The 8th Biennial Conference is to take place in Winnipeg in February, 1963.

GRAND MASTERS' AND GRAND SECRETARIES' CONFERENCES IN WASHINGTON

Our Grand Lodge was again represented at the Conferences of Grand Masters and Grand Secretaries of North America in Washington on February the 19th to 23rd, 1961, with the Grand Master, M.W. Bro. Harry L. Martyn, and R.W. Bro. E. G. Dixon, Grand Secretary, as our representatives. We were welcomed to Washington by the Grand Master of the District of Columbia, M.W. Bro. Ralph M. Wolfe, and thanked by M.W. Bro. J. Edwin Larson, Grand Master of Florida. After the executive business had been disposed of, we enjoyed an address on "Masonry at Work" by M.W. Bro. W. Wallace Kent, Grand Master of Michigan. The Commission's report on Information for Recognition was presented and the details of conditions in countries where Masonry was seeking recognition were given. Our own M.W. Bro. Harry Martyn is on this Commission and is its Chairman for the coming year. The Commission is performing an excellent service as a vehicle of information, much of it difficult to obtain accurately. Papers for the affirmative and negative were presented on the following subjects:

- (1) Has a Grand Lodge now in amity with a Grand Lodge within a National sovereignty the right to recognize another Grand Lodge within the same country with which the Grand Lodge already recognized is not in amity?

- (2) Should this Conference endeavour to organize an International Masonic Conference?
- (3) Should Lodges of Research be encouraged in our Grand Lodges?

There were no votes taken by the Grand Masters present on these subjects, either for or against, but each had his own opinion after listening to the debate. Visitors were present from the European Continental Countries, The Philippines, South and Central America and Cuba, the latter being in exile on account of political conditions in their country.

The banquet was well attended in the Presidential Ball Room, the principal speaker being the Honorable Sigard Anderson, Commissioner, Federal Trade Commission U.S.A.

The Grand Secretaries' meetings were held concurrently with the Grand Masters' Conference and dealt with matters connected with the office and business administration of Grand Lodge affairs. Their banquet was a great success, less formal in character, but most enjoyable. The speaker was M.W. Bro. Chester Hodges, Past Grand Master of Ohio. Our own Grand Secretary, R. W. Bro. E. G. Dixon, is a Past President and highly esteemed member of this group. I recommend that our Grand Lodge continue its association with this Conference, from which much information and highly desirable personal contacts are obtained.

HONORARY MEMBERSHIP ON THE BOARD

There is one vacancy, under the provisions of the Constitution, in the list of Honorary Members of the Board. R.W. Bro. R. C. Berkinshaw has served on the Committee of Audit and Finance since 1945, and, from 1947, has been Chairman of this very important Committee. He has also been

Chairman of the Special Building Committee, which has completed our beautiful Remembrance Memorial Building in Hamilton. I recommend that he be made an Honorary Member of the Board in recognition of these services, and in anticipation of continued services in the future.

HONORS RECEIVED FROM OTHER GRAND LODGES

I acknowledge, with deep and most sincere appreciation, the honors conferred upon your Grand Master and Immediate Past Grand Master, M.W. Bro. Harry L. Martyn, since I presented my former report to Grand Lodge.

- (a) The Jeremy Ladd Cross Medal for distinguished service by M.W. Bro. Percy H. Bennett, Grand Master of New Hampshire.
- (b) The Christopher Champlin Medal for outstanding achievement by M.W. Bro. Irving L. Tucker, Grand Master of Rhode Island.
- (c) The Honorary Rank of Past Grand Master of the Grand Lodge of Saskatchewan.
- (d) To M.W. Bro. Harry L. Martyn, the Henry Price Medal by M.W. Bro. Laurence E. Eaton, Grand Master of Massachusetts.

These evidences of esteem and good will with which our Grand Jurisdiction is held by our sister Grand Jurisdictions is a thrilling experience, which we will humbly endeavour to merit.

DEDICATION OF NEW GRAND LODGE MEMORIAL BUILDING

On the evening of October the 31st, 1960, in the presence of a large company of present and past Grand Lodge officers, brethren and their ladies, our new Grand Lodge Memorial Building was form-

ally dedicated according to ancient custom. The very inclement weather necessitated the band and most of the more than 350 guests to be sheltered inside the building during the ceremonies, which commenced with the unveiling of the corner stone.

R.W. Bro. R. C. Berkinshaw, Chairman of the Special Building Committee, presented the Grand Master with the gold key of the building. Light refreshments were served afterwards in the Scottish Rite Banquet Room next door.

This wonderful new Memorial Building for the accommodation of our Grand Lodge offices and the seat of our Grand Lodge administration, was first occupied on October 21st, 1960. We occupy the basement and ground floor, and the second floor will be used for rental office space to a suitable tenant in the near future. It is a beautifully appointed building, complete in every detail to make it a worthy memorial to our departed brethren who gave their lives in the cause of freedom in two world wars and, also those who, through the last 105 years, have contributed to the growth, vitality and stability of Freemasonry in this Jurisdiction. I trust that every brother will avail himself of the first opportunity of visiting this memorial, inspecting its facilities, and appreciating the beauty of its architecture, its furnishings and the marble plaque and altar table with the flags as a perpetual evidence of our veneration of the past heroic and faithful services of those who are with us no more.

Last year I authorized the establishment of the Grand Lodge Remembrance Memorial Fund, proceeds of which were to be used to assist in defraying the cost of the land and construction of the building and its furnishings. This year the Fund was continued and the Immediate Past D.D.G.M.'s, with the present D.D.G.M.'s, were to see that every brother in our 37 Districts had an opportunity of making a personal contribution to this Memorial Fund. This would give every member the personal satisfaction

of participating in this project, which incidentally provides the first permanent headquarters for the Craft which our Grand Lodge has ever possessed. I am grateful to R.W. Bro. Walter H. Gibson for assuming the Chairmanship of this Special Committee and the hard work he has put into its guidance.

This Fund has not met with the success which I had expected. At the date of writing this report, the total received is slightly over \$55,000.00, or about one-third of what I had confidently hoped for. Many have been most generous in their contributions, but many have made no response to date. It is intended to be a gift of affectionate devotion, not in the nature of an assessment. Perhaps I erred in suggesting that \$1.00 per member would accomplish our objective in this regard, for it was never intended to impose a ceiling on the tangible evidence of any brother's loyal affection.

Acknowledgement is here made to the donors of the flags and standards which stand at the altar table and the two beautiful paintings in the offices of the Grand Master and the Grand Secretary.

Whether the Grand Lodge Remembrance Memorial Fund shall remain open beyond the present year is a matter for the decision of my successor in office.

GRAND MASTER'S BANQUET

On Wednesday, July 19th, 1961, (this evening at 7.15 p.m.) the traditional Grand Master's Banquet will be held in the Canadian Room of the Royal York Hotel. We hope to accommodate at least 1500 on this occasion and I trust every brother who so desires will find a ticket available. These have been distributed on a pro-rated basis through the D.D.G.M.'s, as in former years. We are again most grateful to the Special Committee on Arrangements, M.W. Bros. J. P. Maher, Joseph A. Hearn,

Harry L. Martyn and R.W. Bros. E. G. Dixon and W. K. Bailey for their services in arranging the programme, the menu, the seating and the distribution of tickets. Our guest speaker is the Very Rev. Dr. Ritchie Bell, of Presbyterian College, Montreal, who combines the very best qualities of an after-dinner speaker with a deep understanding of the problems which beset this generation of men and Masons, and their physical, mental and spiritual needs. You will be both entertained and edified.

SAFE KEEPING OF LODGE RECORDS

We have all our Grand Lodge records now safely deposited in large air conditioned fire-proof vaults in our Memorial Building, but we are seriously conscious of a lack of such suitable facilities for the valuable and irreplaceable records of our local constituent lodges. Experience has proved to us that constant attention must be given by the officers of local lodges to assure that their records are kept in a safe fire-proof place and not left where they can be destroyed by fire or loss through inadvertency. Lodge premises burn with disconcerting regularity and it is suddenly discovered that all the records that cannot be replaced, together with their warrant, have gone. Duplicate warrants can be furnished, but not originals, and the records are gone forever. When it is necessary to establish 100 years of continuous existence and active service, the lodge cannot establish the facts without local records and it has caused considerable confusion and heartache when dates for wearing gold braid under section 262 have to be deferred to a later date which can be fully established. Let Masters, Wardens and Secretaries take note and govern themselves accordingly. Money can be contributed to replace building and equipment but not your valuable records, so do not leave them in unsafe lodge buildings.

LIFE MEMBERSHIPS

Many lodges are taking note of the increasing costs of operating their local affairs and are revising their dues upwards to make income meet ex-

penditures. This means that, in the older lodges particularly, the newer members are having to support the life members who obtained their relief from further dues when costs of operations were much lower. These life members have vested rights, which cannot be interfered with or revoked except by mutual consent. However, lodges should now be looking carefully into their local situation in this regard to assure the present requirements for life membership adequately provide for a continuing income to the lodge on an actuarial basis when the dues from a brother cease but the cost of his membership continues as an expense to the lodge. Grand Lodge last year had to increase the fee for commutation of dues for life membership, and constituted lodges should do likewise as regards their own dues. Grand Lodge has not, to date, written into our Constitution a requirement as regards minimum life membership dues for lodges, as has been done by some other Masonic bodies, but it may be necessary in the not too distant future to give consideration to this problem. This would protect the financial stability of lodges who fail to foresee the dangers in granting life memberships to their members on an uneconomical basis, which will tend to impose an insuperable burden on dues paying members if the time comes when there should be a lack of candidates who would provide fresh fees and dues.

SUSPENSIONS AND RESIGNATIONS

Last year I called attention to the serious situation which was developing in our Jurisdiction with regard to increased suspensions and resignations, which were, to some extent, preventable, and also the heavy increase in deaths, which is a loss beyond our control.

This year, despite the earnest exhortation to watch the "back door" of our lodges, as well as our entrance portals, the record from the Grand Secretary's office is even more disturbing. We have 616 constituent lodges and 1 under dispensation, or 617

in all. Last year we had 948 resignations and this year 1029, an increase of 81. Last year there were 869 suspensions against 981 this year, an increase of 112. This gives a total combined increase in these losses of 199. Death accounted for 2783, compared with 2525 last year, an increase of 258. Reference to the Statistical Report of the Grand Secretary for 1946 to 1960 shows a continuous decline in initiations and a constant and disturbing increase in suspensions, with the result that, for 1960, we show a net gain (for which we are grateful) of 147. In 1946 our net gain was 4891. Our total membership as of December the 31st, 1960, was 136,413.

These figures graphically indicate that there is something wrong. Freemasonry has not lost its appeal for "men who prize honour and duty above the external advantages of rank and fortune". Somewhere along the road of Masonic experience, many of our brethren have lost the way. One can account for some resignations as being occasioned by the brother affiliating with another lodge when he moves to a new location. Affiliations last year were 904 against 964 for the previous year, but 1029 resignations leaves at least 75 who were lost to active membership or were surplus losses over the brethren who join us from other Jurisdictions.

It becomes abundantly clear that we have to stop our losses by N.P.D. and this can only be accomplished by the ardent and personal attention of, not only the Secretary of the Lodge, but the Master and his officers and the brethren who apply themselves to ascertain the cause of the brother's arrears and endeavour to solve his problems, whether they be financial or emotional. Perhaps such intimate attention to these details will discover helpful features to correct conditions in the lodge, which will work to the betterment of all its associations and programs. We must follow the "land marks" and procedures, but we must not fall into a rut of uninteresting, unplanned, and ineffective routines which fail to retain the support and commendation

of the brethren who should look forward to each lodge meeting as the night of nights to be guarded against encroachment.

We cannot solicit for our membership. The candidate must come into Freemasonry of his own free will and accord. But each one of us can so live and act in our daily contact with our fellow men as to interest them in discovering some of the sources of our well being and enthusiasms until it is possible to introduce them into the marvellous fellowship of those who would be "Builders" in a community of men and nations which needs Masons in their speculative capacities as much as they needed Masons in the days of the Cathedral Builders of old.

From now on, let us be determined to have no more losses for N.P.D. than those which come about because the brother has lost all possibility of contact with or by his lodge.

DISCIPLINE

The Master of one of our constituent lodges, in reviewing the lodge records, found that a serious deviation from the Constitution had occurred in connection with the balloting, initiation, passing and raising of one of his candidates. It having been brought to my attention, I appointed a Commission consisting of M.W. Bro. Harry L. Martyn, R.W. Bro. D. J. Gunn, and R. W. Bro. W. K. Bailey to make full investigation of all the circumstances. Their report indicated clearly that there was no evil intent or desire to avoid full compliance with our rules and regulations, but, due to a combination of local circumstances, our requirements with regard to balloting had been overlooked. Under Section 58 IV, I healed the irregularity of the action regarding the brother's reception into Masonry, as he was a perfectly innocent party in all these matters, and I administered a reprimand to the officers of the lodge directly concerned, receiving their assurance that no repetition of such an irregular occurrence could or would occur in the future.

DIVINE SERVICES OF LODGES AND DISTRICTS

It is most gratifying to observe that the practice of holding a District Divine Service is practically universal throughout our Jurisdiction, and, in many of the larger Districts, more than one Service is held to make the attendance of the brethren more convenient. In addition, I am happy to note that individual lodges, or local groups of lodges, have combined to hold Church Services conducted by their Chaplain or local ordained ministers. The spiritual health of our Fraternity is strengthened by these opportunities of corporate worship, which is their primary purpose, but it also is an evidence to the Community of the high purposes and reverent faith of the members of our Fraternity in our reverence for, our submission to, and our adoration of, the Supreme Being, the Great Jehovah and the Incarnate Word. We are most grateful to our brethren, the ministers of religion within our Fraternity, as well as those others who have led our worship in these services of prayer and praise.

VISIT TO CANADA LODGE, No. 3527

One of the highlights of this last year in office was occasioned by the invitation of the Worshipful Master and Officers of Canada Lodge, No. 3527, London, England, to attend the 50th Anniversary of the founding of their Lodge. I was pleased to accept this kind invitation and was present on Tuesday, June 27th, 1961, flying over to London. Arriving the afternoon of June 26th in company with Very Wor. Bro. T. Ashmore Kidd, I was met at the London Airport by Wor. Bro. Willis Cooper, Secretary of Canada Lodge, and we were driven to our separate hotels. Due to engine trouble our plane was seven hours late, but our reception was most gracious. Rt. Wor. Bro. R. C. Berkinshaw was able to attend the luncheon that I missed and he most ably represented Canada. Later, we were entertained at a reception in Freemasons' Hall by the Grand Secretary, Rt. Wor. Bro. James Stubbs, which gave an excellent

opportunity of meeting distinguished Masons from all over the world, and their ladies. The following day, Bro. Stubbs entertained Sir Ernest Cooper and myself at lunch at the Connaught Room adjoining Freemasons' Hall, which afforded an opportunity to talk over Masonic relations and inspect that wonderful building. At 4:00 p.m. the brethren of Canada Lodge and their guests began to arrive, and, after the formal business of the Lodge, your Grand Master, together with the brethren from Canadian Jurisdictions, was formally received and welcomed with full honours, following which the Assistant Grand Master of the United Grand Lodge of England, Rt. Wor. Bro. Major General Sir Allan Adair, was received representing the Grand Master, Most Wor. Bro. Earl of Scarbrough. It was my privilege to present to the Worshipful Master, Ian Percival, M.P., a square and compasses in gold, suitably inscribed, with the congratulations and best wishes from our Grand Lodge as a lasting memento of the occasion. These were immediately put to use as the Great Lights with the V.S.L. Then Rt. Wor. Bro. Ed. H. Rivers, Grand Secretary of the Grand Lodge of Alberta, presented three specially wrought gavels for the Master and Wardens of the Lodge suitably designated and these, too, were put to immediate use following a most interesting and effective ceremony. A very inspiring commemorative address was delivered by Very Wor. Bro. Rt. Rev. Bishop of Dunwick, P.G. Chaplain, most suitable for this semi-centennial celebration, in the course of which he quoted from an address of our own Most Wor Bro. Archbishop Wm. L. Wright. The banquet which followed in the Connaught Rooms will long be remembered by all who were privileged to be present. The Grand Lodge Officers from Canadian Jurisdictions present, in addition to your Grand Master, were as follows:

R.W. Bro. Col. G. W. Morrison, P.D.D.G.M. of Nova Scotia.

R.W. Bro. Dr. R. C. Berkinshaw, C.B.E., B.A., LL.D., P.G.S.W. Canada (Ontario).

- R.W. Bro. Dr. James J. Talman, P.G.S.W. Canada (Ontario).
R.W. Bro. Robert Darby, P.D.D.G.M. Ottawa District, Canada (Ontario).
R.W. Bro. Andrew F. Tannahill, P.D.D.G.M. Toronto District "A", Canada (Ontario).
R.W. Bro. H. D. Fawcett, P.D.D.G.M. District 18, Alberta.
R.W. Bro. Edward H. Rivers, Grand Secretary, Alberta.
V.W. Bro. Thos. E. Jackson, Past District Secretary Wilson District, Canada (Ontario).
V.W. Bro. T. Ashmore Kidd, P.G.S.D. Canada (Ontario).
V.W. Bro. C. S. B. Lait, P.G. Purs., Alberta.
V.W. Bro. S. H. B. Tonkin, P.G.S. Canada (Ontario).
V.W. Bro. Fred Smith, P.G.S. Canada (Ontario).

To these brethren from our Jurisdiction I wish to extend my sincere thanks for their presence and support.

Following the London visit, arrangements had been made to meet the Grand Master and Grand Secretary of the Grand Lodge of Ireland in Dublin, where Most Worshipful Bro. Raymond F. Brooke entertained at a luncheon party Rt. Wor. Bro. George S. Gamble, Deputy Grand Master, R.W. Bro. Major Thomas F. Laurie, Grand Treasurer, Rt. Wor. Bro. James O. Harte, Grand Secretary, Wor. Bro. S. W. Aitken and myself. The next day, Bro. Aitken motored me to Belfast, where we lunched with V.W. Bro. R. H. Dickson, Grand Secretary, Provincial Grand Lodge of Down, before flying to Glasgow where I was again met by another Brother Robert Aitken, and where, at an informal reception, I met the present and past presiding officers of St. Vincent Lodge, No. 553.

On Monday, July 3rd, I was met by the Grand Secretary of the Grand Lodge of Scotland, Rt. Wor. Bro. Dr. Alexander F. Buchan, with two other very distinguished Masons, Rt. Wor. Bro. R. S. Lindsay

and Rt. Wor. Bro. Major R. H. F. Moncreiff, and was taken to the famous lodge room of Cannongate Kilwinning, No. 2 in Edinburgh. We had lunch at an old inn and, later, I was entertained at Culross Abbey House, the home of the Earl and Countess of Elgin. The next evening, after a wonderful day with Dr. Buchan, it was my great pleasure to attend the annual assembly of the Royal Order of Scotland and the banquet afterwards, where your Grand Master was honoured by being asked to deliver the oration on that occasion. Boarding the Empress of England the next day, July 5th, at Greenock, motored there by the courtesy of my host, Most Wor. Bro. The Earl of Elgin, and Bro. R. Aitken, I found special accommodation awaiting me through the kindness of the brethren on board ship. It was an exceedingly great privilege to be asked to take the Chair at an informal gathering, on July 6th, of the Masons from all over the World who were passengers on board, which was the 126th such a meeting on this ship since it went into service. This was a further intimate indication of the universality of Freemasonry. The one disappointment in connection with this wonderful experience was the inability of our Grand Secretary, R.W. Bro. Ewart G. Dixon, to accompany me on the trip because of the pressure of duties in connection with this Annual Communication of Grand Lodge.

CONCLUSION

As I look back over these last two years of service as your Grand Master, I feel humbled by the limitations of what I have been able to accomplish, but thrilled in the knowledge that you judged me adequate to assume the tasks of the office. Providence has been most kind in providing health and strength and the means of carrying on and being available for all the obligations that arose in the course of the years. Without the ready and effective co-operation of all connected with Grand Lodge, either elected or appointed, and the constant helpfulness and experience of the Grand Secretary and

the office staff there, it would be impossible to discharge the duties expected of a Grand Master. Therefore, to R.W. Bro. Ewart G. Dixon, R.W. Bro. George J. McQueen, Bro. Clifford Newcombe, and the office staff, I pay my sincere tribute to their consideration and efficiency.

It has been a great blow to our Grand Lodge to have lost, during my term of office, five Past Grand Masters, all who have been a wonderful strength of wisdom and experience. In the five remaining Past Grand Masters, I have found an ever available source of understanding helpfulness and assured co-operation, which have made these years a happy memory, and, I trust, years of constructive advance. Our Deputy Grand Master, R.W. Bro. The Hon. Mr. Justice Russell W. Treleaven, suffered a severe illness, but we rejoice in his recovery and look confidently to the future of the Craft under his leadership. To him, and to the Past Grand Masters, I extend my thanks for the many occasions when they represented Grand Lodge officially or supported the Grand Master when he was present. It has been wonderful to be associated with such a fine team of administrators and Masons.

Our Grand Treasurer, M.W. Bro. Joseph A. Hearn, has been active in the discharge of his duties, and the problems of finance during his term of office have not been easy. As President of Masonic Holdings, in whose name our new Memorial Building is held, Bro. Hearn has contributed of his great executive ability and qualities of leadership in directing the activities of his board of directors.

To M.W. Bro. Harry L. Martyn, my predecessor in office, has fallen the great responsibility for Ritual, as Custodian of the Work, and the instruction of the D.D.G.M.'s in the proper discharge of their official duties. He has covered the whole Grand Jurisdiction for this purpose and I have had the most enthusiastic reports from all sections of his invaluable service to Freemasonry and the whole-

hearted appreciation of his brethren. It was a great personal pleasure to be present, in Ottawa, at the concluding session of M. Wor. Bro. Martyn's full day of Masonic instruction to the brethren of the Ottawa District on November 5th, 1960. His inspirational directions and advice on ritual, and constitutional matters connected with our Craft, will long be remembered and practised by the large gathering of brethren who were privileged to have shared in these meetings. I would add here my sincere appreciation to the cheerful and efficient assistance of the staff of my office in Ottawa. It is not too simple to exercise executive function in different spheres of activity in offices 300 miles apart, but the problems have been simplified by the constant efficiency and support of V.W. Bro. Birkett Lishman, P.G.D. of C., — an association which has extended over 33 years. To him go my especial thanks.

Our Library continues to serve the members under the very efficient guidance of R.W. Bro. A. E. MacGregor, our Librarian, whose devotion to his work has helped so many to obtain information and reading on many subjects. As editor of our Grand Lodge Bulletin, he renders equally valuable services in the dissemination of news of happenings within the Craft in our Grand Jurisdiction. For such loyalty to his work we are deeply indebted to him.

It is impossible to mention all who have contributed to the pleasure of these years of office. I have tried to express my appreciation, as the occasion offered, for the many gifts, both personal and for the Memorial Fund, and for the many acts of personal kindness and hospitality I have enjoyed, both within and outside our Jurisdiction. One of the great thrills of being Grand Master is the opportunity to stand before great and small gatherings of Masons, to look into their faces and see reflected there the earnest purpose and genuine affection for this wonderful Fraternity of Freemasonry, and to speak a word of greeting from Grand Lodge, and to remind them of the eternal verities and the sound

foundations upon which Freemasonry rests. It is a most arresting thought to consider the tremendous potential of intellectual, moral, and spiritual forces represented at such gatherings, as well as the material capacities. If we are to be true to our vocation, we must not only strive to be happy ourselves, but to communicate that happiness to others. Our Committees on Masonic Education are promoting the former and our Committees on Benevolence are labouring to assist in accomplishing the latter.

We cannot tyle the doors and close our eyes to what is going on in the world today. Rival ideologies are encroaching dangerously on our way of life as laid down for our guidance in the Volume of the Sacred Law. Pressing duties and responsibilities of business, religion, and family life, as well as the insistent calls for relaxation, pleasure and entertainment, would seem to make any summoning to greater fidelity to one's fraternal obligations to the lodge an exhortation to the inconvenient, if not the impossible, in these busy strenuous lives we live. But we should not lose our sense of values. Masonry has tremendous advantages to offer to men today, as it has had in the past, to which we can all attest, but if its true mission is to be accomplished, it requires fidelity, devotion, application and courage, for it is not easy to withstand the forces of evil which oppose or misrepresent our Craft. When the liberty of the individual in society disappears, Freemasonry, as an organization in the community and nation, will likewise disappear.

Masonry is not a religion, nor has it any political affiliations. Well informed Masons know what they stand for in their individual responsibilities to God, to their neighbours and to themselves, and should go out into life and live up to those principles.

In the face of all the statistics, and the trends of our times, we cannot assume an attitude of either

careless optimism or selfish indifference. It is a day of opportunity for those who will work, ever conscious that:

God is our refuge and our strength,
 In straits a present aid;
 Therefore, although the earth remove,
 We will not be afraid.
 The Lord of Hosts is on our side
 Our safety to maintain;
 The God of Jacob doth for us
 A refuge high remain.

Fraternally and respectfully submitted,

C. M. PITTS,
 Grand Master.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

Hearn, seconded by M.W. Bro. W. L. Wright, it was received and adopted.

To the Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

The Address of the Grand Master at each Grand Lodge Communication is the highlight of the meeting, since it is a recording of the various events which have occurred in our Grand Lodge during the past year. With a large Grand Lodge such as ours, having a membership of more than 136,000, it must necessarily involve a lengthy report. In his Address the Grand Master outlines certain of his decisions and rulings and other recommendations and none of these can have effect until formally approved by Grand Lodge. This Committee composed of Past Grand Masters is appointed for the purpose of considering his Address and the matters dealt with therein.

Your Committee feels sure that every heart and voice of the members of Grand Lodge will respond to the fine tribute paid by the Grand Master to the late Most Worshipful Brother William J. Dunlop. He made a great contribution to our Grand Lodge and his death was a severe loss.

The Grand Master has recorded the numerous visitations made by him during the past year:

- (1) To Lodges and Districts in our jurisdiction.
- (2) To other jurisdictions and Masonic Bodies particularly those to our sister Canadian Grand Lodges.
- (3) Those outside of the jurisdiction.

The Grand Master has covered a wide area in such visitations and your Committee commends him upon his splendid efforts which must involve a great influence in cementing goodwill among the various parts of the jurisdiction of our Grand Lodge as well as the Canadian Grand Lodges and other Grand Lodges outside our jurisdiction.

The Grand Master records a number of appointments made by him, including that of Grand Chaplain, Chairman of the Committee on Fraternal Correspondence, and Chairman of the Library Committee, and recommends the awarding of Past Rank to eleven Past Masters who for some good reason have not served their full term. In addition, he recommends a number of appointments of Grand Representatives of our Grand Lodge. Your Committee approves of all of these. The Grand Master refers to seven more Lodges that have

been in existence for over one hundred years and are now entitled to wear gold braid. Your Committee congratulates these seven Lodges and approves of the Grand Master's recommendation.

The Grand Master recommends certain charitable grants all of which your Committee approves. He refers to a dispensation having been granted to one new Lodge and that four other new Lodges have been constituted and consecrated. Your Committee heartily approves of this evidence of progress in the Order and we wish these Lodges success in the years to come.

It is gratifying to hear that six new lodge rooms have been dedicated and we wish to congratulate these various Lodges on the fact that they have now new quarters. We wish them every success and hope their new quarters may be an added incentive to their work. At the same time, the Grand Master refers to the excellent work of Very Worshipful Brother George T. Evans in assisting with the plans and specifications of the various lodge rooms being altered or built and your Committee joins with the Grand Master in commending Very Worshipful Brother Evans for the excellent work he has done and is doing.

The Committee heartily commends the holding of the Biennial Conferences of Canadian Grand Lodges and District Grand Lodges as referred to in the Address of the Grand Master. This is an effort which creates well informed members of the Craft and promotes national unity. We also heartily endorse the attendance of our representatives, including the Grand Master and Grand Secretary, at the Grand Masters' and Grand Secretaries' Conferences in Washington. This is something which tends to promote international goodwill and we heartily endorse it and agree that our Grand Lodge should continue its association with these Conferences.

Your Committee heartily approves of the recommendation that Right Worshipful Brother R. C. Berkinshaw be made an Honorary Member of the Board of General Purposes. Right Worshipful Brother Berkinshaw has done excellent work in connection with the finances of our Grand Lodge and we are sure that he will appreciate this slight evidence of our appreciation of his efforts.

The Grand Master has again this year spoken of the large number of resignations and suspensions that have taken place. This is a disturbing matter and, while we must bear in mind that our Grand Lodge is a large one and there is constant change taking place from time to time, we feel this is a matter which concerns every member and forms a challenge to the officers of each Lodge to investigate any proposed suspensions or resignations and interview the members involved with a view of trying to ascertain what is the cause and endeavour to rectify it or find some solution.

Your Committee concurs in the reference of the Grand Master to the beautiful new Grand Lodge Memorial Building. It is a structure of great beauty which reflects credit on our Order and every member may feel proud of it. Any who have not visited it should do so.

We agree with the remarks of the Grand Master with respect to the establishment of the Grand Lodge Remembrance Memorial Fund. We are aware that this is a project which is close to his heart and we regret his disappointment at the results to date. We recommend to the Grand Master-elect that steps be taken to continue the Committee so that everyone who has not yet contributed may have an opportunity to do so.

The Committee concurs in the reference to the safe keeping of lodge records and agrees with the Grand Master's warning that Masters, Wardens and Secretaries of the Lodges should take note.

We also heartily concur in and endorse his reference to life memberships.

We rejoice in the fact that our Grand Master accepted the kind invitation of Canada Lodge, No. 3527, London, England, to attend the fiftieth anniversary of that lodge and we greatly appreciate the many kind courtesies extended to our Grand Master. It is good to renew friendships in the Old Land whom we all admire.

Your Committee recommends, without reservation, that Grand Lodge confirm all that the Grand Master has reported in his Address. At the same time, we wish to congratulate him most sincerely and most heartily on the manner in which he has conducted the affairs of our Grand Lodge during the past two years and on the unsparing and devoted manner in which he has carried out his duties as Grand Master. With his words of gratitude and commendation to the Grand Secretary and his staff, we heartily concur. Our Grand Lodge is fortunate in its choice in this regard.

With sincere affection and high regard for our Grand Master this report is respectfully and fraternally submitted to Grand Lodge.

T. H. SIMPSON,
Chairman.

LETTERS OF REGRET

The Assistant to the Grand Secretary advised that several letters and communications had been received from Grand Masters, distinguished brethren

and Grand Lodges extending most cordial fraternal greetings and best wishes and expressing regret that they were unable to be present or represented.

RECEPTION OF GRAND REPRESENTATIVES

As the Assistant to the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I beg to report having completed the continuous monthly audit of accounts of the Grand Treasurer and of the Grand Secretary for the year ended 31st May, 1961, and I have verified the statements submitted by the Grand Treasurer showing the receipts and disbursements of the General and the combined Memorial and Semi-Centennial Funds for the year ended 31st May, 1961.

The investment securities of the General, Memorial and Semi-Centennial Funds, as set out in the respective schedules accompanying the Grand Treasurer's report, were produced by the Canada Permanent Trust Company for my inspection. I found them in order.

I wish to extend my appreciation to the Grand Treasurer's Clerk and to the staff at the office of the Grand Secretary for their co-operation during the audit procedure.

All of which is fraternally submitted.

H. FRANK VIGEON, C.A.,
Auditor.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I submit for your consideration the Grand Treasurer's report for the fiscal year, ended May 31st, 1961, which shows in detail receipts and disbursements together with schedules of investments for General and Memorial Accounts.

RECEIPTS:

An analysis of receipts in the General Account indicate an increase over the previous year; income from dues and fees show an increase in excess of \$13,000. The change in dues structure, established last year, is now being reflected, even though, only in effect a half year. Income from investments is up \$7,000, indicating a higher yield.

In the memorial account, the following donations are acknowledged with grateful appreciation:

Estate John Coulson	\$ 2,084.76
Estate Chas. E. Sealey	5,000.00
Clifford Lodge No. 315	25.00
	<hr/>
Total	\$ 7,109.76

DISBURSEMENTS:

By comparison with the budget approved a year ago, it will be noted that we have remained well within the estimates. One non-recurring item is that of furniture and equipment for the new offices at Hamilton, amounting to \$19,174.10 after allowing for trade in of the old furniture. Reserve for this expenditure had been set aside annually for this item for the past three years.

Benevolent grants from the General Fund amounted to \$59,182.34 and from the Memorial Account \$6,175.00, a total of \$65,357.34.

Having occupied our new offices at 363 King Street West, Hamilton, since October, a new basis of rent for Grand Lodge had to be established.

The basis of rent payable by Grand Lodge to Masonic Holdings for the space they occupy has been arrived at by simple mathematics. Grand Lodge must simply take up the differential between the costs of maintaining the new building, taxes, maintenance, insurance, debenture interest, depreciation, and some provision for debenture retirement, less rentals received from tenant occupying the upper floor. On this basis it would appear, that the rent would be \$3,000.00 per month. Included in this year's expenditures is rent based on this formula from November 1st, 1960 to May 31st, 1961.

You will be asked to approve the following charitable donations:

Canadian Masonic Research	\$ 100 00
Boy Scouts, Ontario Division	500.00
Girl Guides, Ontario Division ..	500.00
Cancer Fund, Ontario	500.00
Heart Fund of Canada	500.00
Ontario Crippled Children	500.00
	<hr/>
	\$2,600.00

Last year, you will recall, upon recommendation of the Committee of Audit and Finance that Benevolent grants be paid out of the General Fund up to the amount of the appropriation for such purpose. It would appear that the proportion of dues allocated for benevolence actually increased to \$96,420.63 at

May 31st, 1961, an increase for the year of \$24,206.03. I recommend that a study be made during the coming year to anticipate future requirements and a more realistic division of dues between actual benevolent requirements and general expenses. This would have the effect of making additional funds available for reduction of bank loans with subsequent reduction in bank interest.

In order to facilitate financing of our new offices Grand Lodge has purchased from Masonic Holdings additional debentures of \$172,000 bearing 5% interest or a total to date of \$392,000.00 in the General Account.

It will be apparent that the Memorial Account will accrue a cash surplus each year, now that benevolent disbursements are made chiefly from the General Account. I recommend that such surpluses from interest or maturities be invested in Masonic Holdings debentures or by a transfer of securities already held by the General Fund. This will again make funds available to reduce bank advances. The authority for such action is probably already vested in your Grand Master, the Chairman of Audit and Finance and the Grand Treasurer, but I thought it well to have it on record and your approval.

I want to record here my grateful thanks to the Grand Secretary and the members of his staff, the Auditor and the Grand Treasurer's Clerk for their co-operation during the past year. The many complex problems of financing during our building program have been made much easier by their fullest co-operation.

Respectfully and fraternally submitted,

J. A. HEARN,
Grand Treasurer.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report and the Auditor's Report were received and referred to the Committee on Audit and Finance.

GRAND SECRETARY'S REPORT

This report was presented by R.W. Bro. George J. McQueen, Assistant to the Grand Secretary, in the absence of the Grand Secretary who was ill.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I present herewith my annual report for the year ended May 31, 1961, containing a Summary of Receipts from various sources placed in the General Fund; Details of Receipts in the General Fund and Ledger Balances as at May 31, 1961; a Summary of Receipts for the year; Details of the Returns of Lodges as at May 31, 1961, a Summary of the Receipts and Payments to the Grand Treasurer on account of the Memorial and Semi-Centennial Funds; and a Statement of the Receipts and Disbursements on the Memorial and Semi-Centennial Funds Revenue Account.

As an appendix to the Proceedings I have recorded the details of the Returns of the 616 warranted Lodges and the one Lodge under dispensation, as of December 31, 1960.

For the nineteenth year in succession I am able to report a net gain in membership of 147, but this is a substantial drop in the gain of 802 reported last year. Our total membership, as of December 31, 1960, again reached an all-time high of 136,413.

Deaths this year exceed last year by 258; resignations increased by 81 and suspensions by 112. Can we not do something about resignations and sus-

pensions by a personal interview with these members who perhaps do not appreciate the great privileges which membership brings and which may be so lightly lost for so little? Why not a personal call on these members, not expressly for the purpose of collecting dues but to ascertain what is wrong and to endeavour to rekindle their interest in the Lodge?

Against these losses we record 3,842 initiations, down 120; 904 affiliations, down 60; and 207 restorations, down 2.

This year we constituted and consecrated three new Lodges and have one operating under dispensation, giving a total of 617 Lodges, another all-time high.

OUR NEW MEMORIAL BUILDING

On October 21st, 1960, our hopes were realized when we occupied our new building, and on October 31st the Grand Master, assisted by many Grand Lodge Officers, past and present, and in the presence of many members and their wives, despite the very inclement weather, unveiled the corner stone and dedicated the building. At long last, after 105 years, we have our own administration building in which are now safely deposited in fire proof vaults all of our valuable records since the institution of Grand Lodge in 1855. It is a Memorial Building of which we may all be very proud, in keeping with the dignity and high position our Grand Lodge enjoys in the Masonic world. As I have said so often, there are only ten Grand Lodges in the world, numerically larger than our Grand Lodge.

To date many of our members with their wives have seen through our beautiful Memorial and guests from South Africa, Australia, Germany, many of

the United States and most of our Provinces have been received. I extend to all our members, their families and friends a most cordial invitation to come and see your building. All will be most welcome.

The Grand Master and M.W. Bro. J. A. Hearn will make further reference to this lasting memorial to "Our brethren who gave their lives in the cause of freedom and our departed brethren who have contributed to the growth and vitality of Freemasonry."

SEVENTY YEAR BAR

This year we have pleasure in reporting the awarding of a Seventy Year Bar, in recognition of more than 70 years of membership in the Craft, to:

Bro. J. A. Walker, Shuniah Lodge, No. 287,
Port Arthur, and
Bro. John Brown Liddell, Windsor Lodge, No.
403, Windsor.

FIFTY YEAR BAR

We now have six veteran members living who have been awarded a bar to their Long Service Medal to mark fifty years of service as a Past District Deputy Grand Master. They are:

R.W. Bro. A. J. Whitby, Granite Lodge, No. 352,
Parry Sound.
R.W. Bro. J. E. Francis, Patterson Lodge, No.
265, Thornhill.
R.W. Bro. R. A. Willmott, Beaver Lodge No. 83,
Strathroy.
R.W. Bro. A. M. Fulton, Faithful Brethren
Lodge, No. 77, Lindsay.
R.W. Bro. T. Montgomery, Victoria Lodge, No.
56, Sarnia.
R.W. Bro. A. McLeod, Bay of Quinte, No. 620,
Toronto.

To them, once more, we extend our warmest congratulations and our very best wishes and welcome the last two members to this group.

SIXTY YEAR PINS

During the year 31 of our members have received Sixty Year Pins, in recognition of sixty years or more of membership. Since the adoption of this Pin 294 holders of our Veteran's Jubilee Medal and 21 holders of our Long Service Medal, of whom four qualified again, this year, have received our Sixty Year Pin to their respective medals. We congratulate and pay tribute to these staunch veterans of the Craft.

FIFTY YEAR MEDALS

We are again pleased to note that there is an increase in members qualifying for our Veteran's Jubilee Medal (50 years a Mason). This year 400 have qualified for and have received the Medal, and 15 Past Masters have received our Long Service Medal (50 years a Past Master).

WILLIAM MERCER WILSON MEDAL

Since our last Annual Communication three members have been awarded the William Mercer Wilson Medal for Meritorious Service:

- Bro. J. T. Thomson, Kaministiquia Lodge, No. 584, Fort William.
- Bro. E. Taylor, Cope-Stone Lodge, No. 373, Welland.
- Bro. A. M. Hill, Civil Service Lodge, No. 148, Ottawa.

In all 64 members have been awarded this distinguished Medal since its inception in 1945.

I wish to again record my deepest appreciation of the loyalty and devoted service given so wholeheartedly by every member of the staff. This year has been a very busy one for all as, in addition to the regular work, they have had to sort out, pack, move and relocate the supplies and equipment in addition to 105 years of books, files and other records. There was the fullest co-operation, and to them, individually and collectively, I convey my sincerest thanks.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed V.W. Bro. Robert Strachan, Chairman of the Committee of Scrutinizers to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

**REPORTS OF THE DISTRICT DEPUTY
GRAND MASTERS**

The reports of the thirty-seven District Deputy Grand Masters were presented by the Assistant to the Grand Secretary and on motion of the Deputy

Grand Master, seconded by the Assistant to the Grand Secretary, they were received and referred to the Board of General Purposes.

The Report of every District Deputy Grand Master is addressed to "The Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario." Each begins, "Most Worshipful Sir and Brethren," and every one ends, quite rightly, "Respectfully and fraternally submitted." To save space these formalities are omitted from the beginning and end of each Report.

ALGOMA DISTRICT

For me to have had the privilege of serving my brethren in Algoma District has been indeed a most wonderful experience, and may I now express my appreciation for this distinguished honour which has been bestowed upon me.

The cordial and gracious reception extended in each of the eleven Lodges is evidence of the high esteem and loyalty of the brethren of this District for the Grand Master and Grand Lodge.

The first pleasant engagement after the summer recess, was the reception and banquet for our Grand Master, M.W. Bro. C. M. Pitts, which was held in Trinity Hall, Port Arthur, on September 9th. M.W. Bro. Pitts gave a very inspiring address which was deeply appreciated by all the brethren present. The brethren of Algoma were pleased to have the brethren from Atikokan Lodge of Western District join with them for this occasion.

During the early autumn, Divine Services were held throughout the District, the first being a combined Service for all the Fort William Lodges to the Westfort Baptist Church on October 16th. The Lodges in Port Arthur combined a Service, in Trinity United Church on November 13th, with Bro. Rev. Russell A. Peden, the District Chaplain taking the Service. The Lodges in the outlying area of the District held their Church Services in turn, each attending the Church of their choice and with their local clergyman conducting the Service. I am happy to report that all Services were well attended, which confirms the old adage that "to be a good Mason, one must also be a good churchman."

During the official visits to the Lodges, I was greatly impressed with the high calibre of the degree work being

done throughout the District. In each Lodge, I found the officers, assisted by the Past Masters, carrying out their duties most efficiently and with sincerity and dignity. Business during the meeting was dispatched with carefulness, and the financial condition of the Lodges throughout the area is sound.

Fraternal visits between the Lodges of Algoma and counterparts in the State of Minnesota, U.S.A. seem to be highlights for some of the Lodges, and five of them make this interchange of visits annually.

In the matter of blood donations, it was found that the company towns of the District still head the list per capita, although there has been a great increase in the number of donors throughout the whole area. My sincere thanks and appreciation go to Bro. Harold Lockwood, the Fire Chief of Fort William, who chaired the committee this year.

In the matter of Masonic Education, I found that each Lodge had made progress in this field, due to the interchange of speakers which at present is prevailing within the District. This, along with the papers presented and accompanying the "Travelling Square", which also travels from one Lodge to another, has created great interest in the area and continues to foster a greater bond between the distant Lodges.

There were many highlights during the year, but those of greatest magnitude were:—the presentation of the William Mercer Wilson Medal to Bro. Jock Thomson of Kaministiquia Lodge, No. 584, which is the first one of the District; also the unofficial visit of R. W. Bro. Dr. Eric W. Nancekivell of Hamilton "B" who flew in 900 miles to be present at the initiation of his brother, Dr. Keith Nancekivell into Kam Lodge, Fort William; the visitation of all the Past Grand Lodge Officers of this District, some 28 in number, to Port Arthur Lodge, No. 499, on April 10th; and finally the presentation to Bro. John A. Walker of Shuniah Lodge, No. 287, of the Seventy Year Bar to his Veteran Jubilee Medal on May 2nd of this year.

To the following I must express my sincere appreciation for their very capable assistance during my term of office:—Wor. Bro. W. E. Shaw, District Secretary; Wor. Bro. A. M. Allan, District Supervisor of Masonic Education; Bro. Rev. Russell A. Peden, District Chaplain; and V. Wor. Bro. R. H. Scowen, Grand Steward. My sincere thanks also to the many brethren who have done so much to make my year in office pleasant, as well as contributing towards the well-being and advancement of Masonry throughout the District.

STEWART I. KNOX, D.D.G.M.

BRANT DISTRICT

It was a great honour and a pleasure to have served in this historic Brant District during the past year, and I wish to express my gratitude to the Grand Master and to my brethren of the District for having made this possible.

Early in the year, Brant District was greatly privileged to extend a welcome to the Most Worshipful, the Grand Master, on the occasion of the One Hundredth Anniversary of Wilson Lodge, No. 113, and District Reception. This event, held in the Waterford High School, was largely attended and, thanks to a most active committee from Wilson Lodge, the programme was highly successful. The Grand Master's address was the highlight of the evening.

It is gratifying to report a most successful Masonic year, with harmony existing to a high degree and lodge matters in good hands. Congratulations are due the Masters and their officers for the excellent manner in which the degrees were exemplified. I am sure the candidates in every instance must have been greatly impressed. Special mention must be made of the Lodge Secretaries who are giving so liberally of their time and ability in keeping the affairs of the various Lodges in such good condition.

The loyalty, enthusiasm, and support of the District Officers was of great assistance. I was pleased to have Wor. Bro. Marshall Murphy act as District Secretary and no one could have shown greater devotion to duty in the arranging and completion of so many details.

In like manner Bro. Rev. Dr. J. P. Pryse performed his duties as District Chaplain. He was in attendance at all official visits and contributed to the ceremonies by reading a portion from the Volume of the Sacred Law and leading in a brief prayer. Bro. Pryse also contributed greatly in assisting in the arrangements for the District Divine Service held in the Church of St. John the Divine, Cayuga. The Service was in charge of Bro. Percival Mayes with the address being given by Bro. Pryse on the subject "In Whom Do We Trust". There was a very large attendance and the church was packed to the doors.

Wor. Bro. H. E. Jones, as Supervisor of Masonic Education, gave a demonstration at each official visit on what can be done in a two minute talk on various items of Masonic lore. Wor. Bro. Jones also assisted in making arrangements for the holding of a Lodge of Instruction. Through the kindness of the Master and officers of Scotland Lodge, the First Degree was exemplified at this Lodge of Instruction in a masterful and impressive manner. Every opportunity was taken to draw attention to essential points as the work pro-

gressed. This event was also largely attended with an overflow crowd in the anteroom. A special word of appreciation should go to Rt. Wor. Bro. R. W. E. McFadden and Wor. Bro. Len Taylor, as well as the Master and officers of the Lodge, and the Masters', Past Masters' and Wardens' Association for making the whole evening so successful and worthwhile.

Brant District has a very active Masters', Past Masters' and Wardens' Association with Wor. Bro. William Ferguson, having been President during the past year. In addition to the event just mentioned above, this organization was fortunate in having Rt. Wor. Bro. John H. Eydt of Hamilton address the Annual Meeting when he gave a most inspiring address on Masonic matters.

It was a great pleasure to attend the 100th Installation Ceremony conducted by Rt. Wor. Bro. Bert Stobbs at St. George Lodge. This distinguished brother, who has served his own Lodge and Masonry in general so well, has achieved an enviable record of service as Installing Master. The large attendance on this occasion by representatives of so many Lodges, both in and out of the District, testified to the high esteem in which Rt. Wor. Bro. Stobbs is held.

Approximately \$1,000.00 was paid out in relief by various Lodges of the District. All known cases were given careful attention. Arrearages and suspensions for non-payment of dues have caused some concern. This may in a measure be a reflection of the times but the situation is not out of control and Lodges are doing everything in their power to effect a remedy.

This report would not be complete without mentioning two other activities. Rt. Wor. Bro. S. E. Painter readily accepted the Chairmanship of the Remembrance Memorial Fund and urged the brethren of the District to support this worthy cause. The donations were not as high as anticipated but extenuating circumstances in some cases at least did interfere. The other activity was in connection with the Blood Donors' Committee. V. Wor. Bro. Wes. Clark assumed the Chairmanship of this work and made a special and direct appeal to each member in the District to contribute in this way. Great credit is due him for his efforts.

Lodge premises have been found in good repair and adequately covered with insurance.

In conclusion, I am pleased to report that Masonic Lodges in Brant District are making a real contribution to the life of the Community in which they serve. It has been my earnest hope to have promoted a deeper interest in making Masonry an integral part of the life of each member.

A. GORDON SKINNER, D.D.G.M.

BRUCE DISTRICT

As one begins the year of District Deputy for the Grand Master, one first thinks of the obligations he took at the time of installation. Will he be worthy of the confidence the Brethren placed in him, and can he add anything to the principles of Masonry which his predecessors had exemplified? However, after spending a few hours with Past Grand Master Bro. Harry L. Martyn, Custodian of the Work, one felt encouraged and strengthened to adapt himself to the duties of this highly esteemed office to which the Brethren had elected him. Now, as my year of office ends, it is my duty to give a report of my stewardship, hoping that I have proved a favorable representative of our Grand Master in the District of Bruce.

I was accompanied on all my visits by Wor. Bro. Robt. Cruickshank, a life member of Burns Lodge, whom I appointed District Secretary. His reports were favorable for all Lodges and showed increases in membership in eleven, with all Lodges showing a desire to encourage high standards of efficiency in their work. Most lodge rooms were neatly decorated and well lighted, giving an appeal of welcome to all Brethren.

I was favored in having Bro. Rev. Clifford Manning as District Chaplain. His past experience far excelled his appointment this year, as he was Grand Chaplain of the Grand Lodge in Quebec during 1958-59. It was an honored occasion for me to invest him with a Past Grand Chaplains' Jewel in St. Lawrence Lodge, Southampton on February 14th.

Wor. Bro. G. Walker, District Treasurer, took care of the finances of the District in a capable manner. Wor. Bro. John Veals, whom I appointed District Supervisor of Masonic Education, and a group of Brethren, with special mention going to Bro. Stoppard of Hanover Lodge, visited every Lodge in the District and gave educational talks.

Many Lodges throughout the District held Ladies' Night. While not being able to attend all, owing to some being held on the same night, my wife and I are very grateful for the kind hospitality we received as honored guests. Several Lodges in Bruce District held local Divine Services, which I also tried to attend, and all report a good attendance. Our District Divine Service held on June 4th in Hepworth United Church with Bro. Manning officiating, was attended by Brethren from every Lodge in the District.

On October 31st, I was privileged to attend Grand Lodge in Hamilton at the Unveiling of the Corner-Stone and Dedication of our new Memorial Building, which every Brother is urged to visit at his first opportunity. I was honored in

assisting Most Worshipful Bro. Pitts in laying the cornerstone at the new Public School in Palmerston on May 18. This was followed by a banquet in Lucknow in the evening being a guest of Rt. Wor. Bro. J. Little of North Huron District. I also assisted Past Grand Master Bro. Harry L. Martyn, in the dedication of the new lodge rooms in Mount Forest, Grey District, the guest of Rt. Wor. Bro. P. McTavish.

A favorable response has been given to the Memorial Fund and also to the Blood Donors' Bank, both worthwhile efforts which I stressed on all official visits. It has been very helpful having Rt. Wor. Bro. S. MacKenzie, Member of Board of General Purposes, attend many of my official visits. I also presented Wor. Bro. John White of Burns Lodge with a Fifty Year Medal.

In conclusion, I wish to thank the Wor. Masters, Secretaries, and Brethren of Bruce District for their faithful support and co-operation in making this a year to be remembered by me, looking for a bright future for Masonry in Bruce District.

WILLIS I. SPENCER, D.D.G.M.

CHATHAM DISTRICT

In submitting my report on the year's activities I would like first of all to acknowledge with gratitude the honour of representing the Grand Master in our District. It has been a rewarding experience and one of the happiest years of my life. To the Wor. Masters, officers and members who made it so I extend my thanks.

Of great interest to me, at the start of my term, was the meeting called by Most Wor. Bro. Harry Martyn, at which we were given a wealth of instruction and had an opportunity of becoming better acquainted with our neighbouring District Deputies.

My District Secretary, Wor. Bro. W. A. Munro, carried out his duties in a very commendable manner, and accompanied me on all my official visits. We are happy to report all the Lodges have their work up well and have their books in good order. Many are readjusting their dues and fees to cope with rising costs and expenses. Several of our Lodges are enjoying new or renovated quarters, and others are planning changes which augers well for the future of Masonry.

I had the honour of presenting a 60-year Pin to Wor. Bro. Henry Bloom of Bothwell, No. 422. There were also several 50 Year Medals presented during the year and on one occasion, Dyer Doyle of Merlin, No. 457, had his son

and grandson, both of whom are active in his own Lodge, present. I am also happy to report that Lorne Lodge, No. 282's centenarian member (age 103) now residing in Michigan paid a visit to his home Lodge and is still getting about very well.

Our District was saddened by the passing to the Grand Lodge Above of our Senior D.D.G.M. of Chatham District, Rt. Wor. Bro. Angus Graham of Thamesville, No. 245, also V. Wor. Bro. Harry Harvey of Wardsville, No. 327. To their families and all those bereaved throughout the year we extend our sympathy. We cherish their memory in our hearts.

Wor. Bro. Alex McKellar, Chairman on Masonic Education, reports that this phase of Masonic Work is finding increased favour among our Lodges, and we would recommend that it be continued as it gives an opportunity for more members to assist the regular officers in lodge work; and to stimulate interest.

Our schedule was so arranged that we were able to accept many invitations to our neighbouring districts which included several receptions for our Grand Master which we enjoyed most heartily. This was climaxed when seven District Deputies paid a return visit to our District on the occasion of the Reception for our Grand Master when they and 300 brethren sat down to a banquet in his honour on April 25. M. Wor. Bro. C. MacLeod Pitts, addressed the gathering in his very capable manner with wit and inspiration.

My wife and I are most grateful for the kindnesses accorded us when we were honoured at the Social Evenings and Ladies' Nights at the various Lodges.

A fitting climax to a wonderful year was the District Divine Service on May 28, at the Glencoe United Church, where our District Chaplain Wor. Bro. Rev. Harry Mahoney, chose as his subject "Strength and Beauty in Masonry".

I would be remiss if I completed my report without a word of thanks to the 28 Lorne Lodge members, (one of the largest groups registered at Grand Lodge) for their most capable support at the meeting, and to all the brethren of the District who have so ably supported me throughout the year. My only hope is that I have fulfilled my duties and in some way contributed a bit to the future of Masonry.

I extend my sincere good wishes to my successor and his officers.

H. W. BAUER, D.D.G.M.

EASTERN DISTRICT

The rewarding experience of serving as D.D.G.M. in this the home District of the Grand Master has been an experience I shall cherish with pleasure and gratification.

The cordial and gracious reception extended by the Lodges is evidence of the fraternal feeling and affection the Masons of Eastern District have for the Grand Master as well as the Grand Lodge. This was particularly evident in Hawkesbury, No. 450, the mother Lodge of our Most Worshipful Grand Master.

The appointments of Wor. Bro. Graham Garlough, as District Secretary, and Wor. Bro. Rev. E. B. Bugden, as District Chaplain, proved to be excellent choices.

To my District Secretary who gave so generously of his time to accompany me on all visits, I give special thanks for his assistance.

To the District Chaplain my sincerest commendation for his advice and guidance.

Due to illness I was unable to conduct my scheduled official visit at Vankleek Hill and so warmest thanks to Rt. Wor. Bro. F. T. Shaver of Farran Ault Lodge, Ingleside, who assisted me on that occasion.

My District Secretary reports that the records and finances of the Lodges are in excellent condition, with a minimum of member in arrears.

I am pleased to report that Masonry in this District is enjoying prosperity and the lodges are under capable leadership which has a direct relationship to the excellence of our institution and the qualifications of its members.

The work as observed throughout the year was of uniformly high standard and with few exceptions evidence of careful preparation.

I feel that special mention should be given Henderson Lodge, No. 383, and Friendly Brothers' Lodge, No. 143, each of which are building Masonic Temples this year. I have recently visited both sites and find construction well advanced and that each expect to be ready for dedication this fall.

I would like to pay tribute to Rt. Wor. Bro. F. T. Eaton of Cornwall for the excellent work he is doing in connection with the Past Masters' Association.

Divine Service was also a highlight of the year and I mention it specifically in order to bring special attention to

Wor. Bro. Rev. Bugden who has been so outstanding in exemplifying Masonry in its true light. I have received several communications of congratulations for the exceptionally impressive Divine Service which he conducted at the United Church, Williamsburg.

Finally I am happy to state that a fine spirit of friendship and brotherly love prevails throughout the District.

WILL W. SMAIL, D.D.G.M.

FRONTENAC DISTRICT

I beg to submit herewith my report on the condition of Masonry in Frontenac District.

It was a privilege and an honour to serve as the D.D.G.M. of Frontenac District during the past year. I made many new Masonic friends and I hope these friendships will grow steadily over the years as we meet about the Altar of "Brotherly Love".

I was indeed, fortunate to have the following ardent and well-skilled brethren serve as District Officers:

District Secretary—W. Bro. E. G. Carmichael

District Chaplain—W. Bro. J. A. MacLeod

Supervisor of Masonic Education—R.W. Bro. T. J. Donnelly

Chairman, District Blood Donors' Committee—Bro. Leonard E. Ede.

I wish to thank these brethren for the service they rendered to Frontenac District and for the help and co-operation they gave me in trying to make this a successful year.

The District Secretary accompanied me on all my official visits at which times he inspected the records of each Lodge with the willing assistance of the Secretaries concerned. He reported that the records and registers were kept carefully and neatly and that the financial position of each Lodge appeared to be sound. Lodge reports showed a low number of suspensions for non-payment of dues, no suspensions for other causes, benevolent assistance granted wherever need was found, increased attention given to Masonic Education and a general increase in membership.

The District Chaplain also accompanied me on all my official visits and on most of them he gave a short talk on Masonic Education. The subjects of his talks were chosen carefully to suit his office as Chaplain and all were well received by the brethren. He organized a very successful District Divine Service at the Church of the Redeemer,

Kingston, on April 23rd, and was also present at a number of Divine Services held by the various Lodges.

I am pleased to report that Masonry is in a healthful and thriving condition throughout the District. I was courteously received and thoughtfully treated on all occasions. All Lodges have capable and enthusiastic officers who are upholding the highest tradition of our fraternity. On my official visits the meetings were started on time; the work was done correctly and promptly; and the evenings were brought to a close at a respectable hour. During each visit I gave the Lodges the benefit of the very useful knowledge I had gained from M.W. Bro. H. L. Martyn, Custodian of the Work, so that the uniformity of the Work was promoted throughout the District. Also, as a member of the Committee on Masonic Education, I emphasized the importance of this matter and suggested numerous sources of information, including the excellent bulletins sent out by R.W. Bro. W. K. Bailey. I made a point of talking with the candidates before each meeting and of addressing a few remarks to them in open Lodge at the end of the degree work. I took every opportunity to urge the brethren to support the Remembrance Memorial Fund as a token of their respect for those who died for our freedom and also as a token of their respect for Grand Lodge. I found all Lodge premises to be in good order and properly covered by insurance.

I stressed the importance of punctuality, of planning the meeting carefully beforehand, and of allowing the brethren to get home at a reasonable hour. I endeavoured to set an example by having my remarks well prepared and to the point and most of all by speaking for no longer than fifteen minutes during my main address. The effectiveness of this procedure was shown in some measure, by the exceptionally good attendance at the meetings at which the D.D.G.M. made his official visit.

I attended the centennial celebrations of Prince of Wales Lodge, No. 146, at Newburgh, in April of this year. Although small in numbers, the officers and members of this Lodge deserve credit for marking the one hundredth year of their existence by holding a special Church Service and Banquet. Also, during the year I had the honour of presenting several Veteran Jubilee Medals to deserving brethren of the District. I attended as many Lodge Divine Services as time and circumstances permitted.

The Masons of Frontenac District were saddened by the death of three past D.D.G.M.'s during the year in the persons of R.W. Bro. Hayden Stanton of Rideau Lodge, No. 460; R.W. Bro. Harvey J. Milne of Minden Lodge, No. 253; and R.W. Bro. P. G. C. Campbell of The Ancient St. Johns Lodge, No. 3 and Queen's Lodge No. 578. The contribution these worthy

brethren made to Masonry in this District will not be soon forgotten. May they rest in peace.

Mrs. Whiting and I appreciated the invitations of the various Lodges to attend their "Ladies' Nights". While it was not possible to accept them all, we did appreciate being asked and, when we were able to attend, we enjoyed ourselves thoroughly.

This has been a busy but happy and fruitful year thanks to the wonderful support given to me by the Past D.D.G.M.'s, the District Officers, the W.M. and Officers of Queen's Lodge and all the brethren of the District. I have benefitted greatly from experiences of the past year and hope that I have fulfilled the duties of D.D.G.M. to the satisfaction of all concerned.

JAMES F. WHITING, D.D.G.M.

GEORGIAN DISTRICT

I wish to report a very inspiring year as D.D.G.M. of Georgian District.

As soon as possible after assumption of office, I appointed W. Bro. G. R. Lane of Karnak Lodge, No. 492, Coldwater, as my District Secretary, Bro. Robert Wilson as my District Chaplain and W. Bro. Dennis Athron as my Director of Masonic Education.

On October 31st, 1960, my District Secretary, W. Bro. Lane, and I attended the unveiling of the Corner Stone and Dedication of the Grand Lodge Memorial Building at Hamilton and were both much impressed with the beautiful building and service of Dedication.

I have attempted to impress the brethren of the various Lodges visited of the worthiness and importance of the Grand Lodge Memorial Fund and hope that my efforts have met with success.

Accompanied by my Secretary, I visited all the Lodges in the District at least once and at all meetings I was impressed by the enthusiastic reception received. At each of the meetings one of the three degrees was conferred and I am pleased to report that the officers and members of the various Lodges show real enthusiasm in their work, which was for the most part of a very high calibre.

It is gratifying to know that Northern Light, Stayner, is completing new lodge buildings, which I understand they are starting this fall.

W. Bro. Lane and I attended several Ladies' Nights accompanied by our wives and enjoyed the evenings very much.

Several 50 Year Medals were presented and one 60 Year Pin. It was very gratifying to participate in honouring these older brethren, who have done so much for the welfare of their Lodges in years past.

On November 28th a District Reception to M.W. Bro. C. M. Pitts was held at the Stephen Leacock Pavillion in Orillia. This meeting was well attended by all the Lodges of the District and the Masters of all but two Lodges were present and received real inspiration from the fine address delivered by the Grand Master.

The Masonic Officers' Association was again under the Chairmanship of Bro. (W) Mallion and has been active in promoting instruction and inter-Lodge visitation.

At the request of R.W. Bro. Shannon, I appointed W. Bro. J. M. Heslip, of Nitetis Lodge, Creemore, as Chairman of the Masonic Blood Donors' Committee for the District and wish to thank him for the capable manner in which he has handled this project.

The District Director of Masonic Education reports that 19 of the 20 Lodges in the District have Committees on Masonic Education and are making progress in this important branch of Masonry. The importance of Masonic education was stressed at my regular inspections.

My District Secretary accompanied me on all but one of my visits and reports that the finances of the various Lodges in the District are in a healthy condition with two or three exceptions. Efforts are being made to improve conditions in the latter.

On June 11th, a District Divine Service was held at Coldwater United Church under the able direction of Bro. Rev. Robert Wilson, District Chaplain. A very fine Service was participated in by Masons from all parts of Georgian District.

In conclusion, I wish to thank all the brethren of the District who have given me their whole-hearted support. I specially wish to thank W. Bro. Lane for the very capable way he handled the office of District Secretary.

GEORGE W. HALL, D.D.G.M.

GREY DISTRICT

I have the honour and pleasure to present herewith my report on the condition of Masonry in Grey District for the past Masonic year.

May I first of all be permitted to express my very deep appreciation of the high honour conferred upon me by the brethren of the District in electing me to the important office of District Deputy Grand Master. I wish also to thank the brethren of my own Lodge for proposing and supporting me at my election and during the past year.

The reception accorded to me on my official visits was most courteous and sincere in each of the twelve Lodges. This I believe, is an indication of the esteem that the fraternity holds for the Most Worshipful, the Grand Master and the Grand Lodge, of which we are a part. In particular, the Masters of the Lodges and their Secretaries are to be commended for their co-operation.

I have been ably assisted by Wor. Bro. Stanley Goulding, District Secretary, who accompanied me on all visits. Wor. Bro. Leonard Kerr filled the office of Supervisor of Masonic Education and a layman, Wor. Bro. Allan Snowe, capably performed the duties of District Chaplain. To these brethren I wish to record my thanks.

At eleven of the official inspections a degree was conferred and the work of the officers and those assisting was very well done. The ritual was strictly maintained and only constructive suggestions could be offered. On one visit Masonic education was the work of the evening and this was exceptionally well presented and well received. Usually the theme of my own remarks at the banquet table was an endeavour to associate the application of Freemasonry to the problems of the world of to-day. At several of my visits it was my pleasure to have with me one or two D.D.G.M.'s from adjacent Districts and it was also my pleasure to visit with them.

On May 26th St. Alban's Lodge, Mount Forest, dedicated their new lodge building. M. Wor. Bro. H. L. Martyn very ably represented M. Wor. Bro. Pitts who was unable to be present. I am grateful to M. Wor. Bro. Martyn, the Grand Secretary's office, and the many present and past Grand Lodge officers who made this ceremony the success that it was. My congratulations also to the officers and brethren of St. Alban's Lodge on their accomplishment. Two more new lodge buildings are in the planning stages in this District.

On June 4th the Annual District Church Service was held in St. Andrew's Presbyterian Church, Arthur. We were

honoured to have the Grand Chaplain, Rt. Wor. Bro. Hazlewood, present to give us an excellent sermon on the three well known truths of Masonry, "Faith, Hope and Charity". There was a good representation from most of the Lodges of the District and the social hour that followed the Service added greatly to the enjoyment of the occasion.

At the beginning of my term I had hopes of continuing the work of Rt. Wor. Bro. Fyfe in forming a Masters', Past Masters' and Wardens' Association in Grey District. Due to the pressure of my private duties and the lack of enthusiasm of some of the brethren contacted I have made little progress. I hope I may lend assistance in the future to this worthy project which has been discussed in this District for over twenty-five years.

In conclusion, let me say that the year just past has been the highlight in my Masonic experience and will ever remain in my memory and be considered as such. I would bespeak for my successor the same wholehearted encouragement and support which has been so generously accorded to me. The condition of Masonry in Grey District is good and I am confident that every member will strive to keep it so.

PETER C. McTAVISH, D.D.G.M.

HAMILTON "A" DISTRICT

As my term rapidly draws to a close and I look back upon this Masonic year I do so with many fond memories. To me this past year has been one of experience and satisfaction. One only receives out of Masonry what one puts into it. This can be very well applied to everyday living; if a job is worth doing at all, it is certainly worth doing well.

I was most fortunate in having W. Bro. R. C. Cunningham accept the office of District Secretary. R.W. Bro. W. L. Sommerville kindly consented to act as chairman for Masonic Education. W. Bro. Fred Scott acted as chairman for the Blood Donors' Committee. R.W. Bro. John E. Piercy took command of the Grand Lodge Memorial Building Fund. Bro. The Reverend Lockie Royal accepted the duties of District Chaplain assisted by Bro. John McKay. These brethren mentioned above certainly have been a tower of strength to me. However, I am very sorry to report that Bro. Royal departed from our midst in the middle of December on receiving a call from the Presbytery in the Town of Goderich. This was certainly a sad loss for me, but what has been our loss in Hamilton District "A" will certainly be a decided gain for the District of South Huron.

I visited each of the nineteen Lodges in my District at least once, and several of them again on special occasions.

On the evening of my official visit one of the three degrees was conferred in a manner which was good to excellent. The greater majority of the Lodges allocate the work of the degree in such a manner that by the time an officer reaches the Master's Chair he has derived a commanding knowledge of the work. A short talk on Masonic Education was given at practically every meeting and the Manual for the instruction of the candidate was presented with few exceptions at the completion of the degree. It was also quite apparent that many of the Lodges include their young members in their work. I was accompanied on each official visit by a rural Lodge to an urban Lodge, and vice versa by an urban Lodge to a rural Lodge, which I think tends to promote a feeling of good will between city and country. Divine Services were held by the Lodges many of which I had the privilege to attend in my own District, and also in other Districts.

In the field of Masonic Education, three meetings were held under the supervision of R.W. Bro. W. L. Sommerville. The first of these took place in October in Claude M. Kent Lodge, No. 681, Oakville, when R.W. Bro. W. K. Bailey the Chairman of the Grand Lodge Committee for Masonic Education was the guest speaker. During the month of February a second meeting was held in Waterdown Lodge, No. 357, Millgrove, where the speaker of the evening was R.W. Bro. Reverend Gordon Hazlewood, Grand Chaplain. The third meeting was the locale of my Mother Lodge, St. Clair, No. 135, Milton, and on that occasion M.W. Bro. C. P. Seeley, Past Grand Master of The Grand Lodge of Saskatchewan, addressed the brethren. At these three meetings there was an attendance of four hundred and fifteen brethren.

A Lodge of Instruction on the First Degree was held on June 2nd in Burlington Lodge, No. 165, under the supervision of R.W. Bro. J. N. Creen, R.W. Bro. D. K. Wright, and W. Bro. C. D. Reading. The attendance was most gratifying. The purpose of the meeting was to correct any deviations which might creep in.

The many "at Homes" held by the various Lodges of the two Hamilton Districts, which Mrs. Cunningham and I attended and thoroughly enjoyed, were some of the most pleasant activities of my year. I have had many invitations to other Districts where I was welcomed most graciously. I have accompanied the Ontario Provincial Police Degree Team for District No. 3 on occasions when they have initiated one of their own men into the Craft. Several fraternal visits were exchanged with our brethren in the United States where Masons from this Grand Jurisdiction are held in very high esteem.

The response to The Grand Lodge Memorial Fund has not been as great as anticipated, but we hope it will steadily increase before the closing date.

I have had the pleasure of presenting several Fifty Year Medals to our brethren of declining years, to whom we owe a debt of gratitude for long service in the Craft. They are the real pillars of Masonry, who dispatch light and knowledge to our younger brethren, and who lend a helping hand in whatever field they are called upon. We regret that some members of the Craft have of necessity been suspended for non-payment of dues, and we deeply regret the sudden passing of several to the Grand Lodge Above.

In the two Hamilton Districts the Past Masters' Association with its President W. Bro. G. B. Cowan, and Secretary V.W. Bro. Robt. Strachan and the Masters' and Wardens' Association under the Presidency of W. Bro. R. F. Billington for 1960 and W. Bro. Len Hewitt for 1961 have contributed much to the advancement of Masonry, and have supported me whole heartedly. The manner in which they supervised the reception to M.W. Bro. Clarence MacLeod Pitts is certainly to be commended.

The following are a few of the many highlights of my year.

On the 29th of September, M.W. Bro. C. M. Pitts visited my Mother Lodge, St. Clair, No. 135, on the occasion of its one Hundredth Anniversary.

October 31st. The unveiling of the Corner Stone and Dedication of the Grand Lodge Memorial Building in Hamilton. This was not only a very impressive and educative ceremony as carried out by the Grand Lodge Officers, but also gave the many visitors from other Districts an opportunity to witness for themselves, how it can rain in the ambitious city when it so desires.

December 5th. The celebration in Claude M. Kent Lodge, No. 681, Oakville, of her fifth anniversary.

January 25th. The remembrance ceremony of Robbie Burns' two hundred and second birthday in St. Andrew's Lodge, No. 593, Hamilton.

April 6th. The official visit to my own Mother Lodge, St. Clair, No. 135, Milton was an evening I will remember and cherish in the years to come. W. Bro. Charles Fay welcomed the visitors to our midst on that occasion. Of the nineteen Lodges in my District, seventeen were represented by their Masters. There were thirty-seven Lodges represented and many of the visitors were present and past Grand Lodge Officers. The total attendance was over two hundred.

April 7th. The two Hamilton Districts held a reception for M.W. Bro. C. M. Pitts, when over four hundred Masons were on hand to greet him, many coming from other Districts.

In conclusion, may I express to the officers of Grand Lodge, every Mason in my District, as well as those in other Districts my sincere thanks and appreciation for the many courtesies extended to me during my term of office.

"May each one of you be endowed with every good and perfect gift, while travelling along the rugged path of life. And may God be with us all until we meet again".

J. C. CUNNINGHAM, D.D.G.M.

HAMILTON "B" DISTRICT

May I submit my report on Hamilton Masonic District "B" and say what a rare privilege and rewarding experience it has been to represent our Grand Master in this area.

I was most fortunate in my choice of District Officers this year which were as follows: District Secretary, Wor. Bro. Tom Bacon; District Chaplain, Bro. the Rev. W. H. Simpson; Assistant District Chaplain, Wor. Bro. George Abel, and District Supervisor of Masonic Education, Wor. Bro. Frank Shoebridge. Wor. Bro. Bacon accompanied me on every one of my 20 official visits and was always ready to perform any task requested of him.

Rt. Wor. Bro. Harrison Martindale was chairman of the Grand Lodge Remembrance Memorial Fund and Bro. Mervyn Bolstad continued on as Chairman of the Blood Donors' Committee. To both of these brethren, we are greatly indebted.

I visited each Lodge in my District officially and was received always with great respect and honour. My wife and I also were pleased to be present at approximately twenty Ladies' Nights. We enjoyed these evenings immensely and particularly appreciated the flowers sent to my wife.

I was able to attend eight of nine Divine Services held, and at most of them was honoured to read a lesson. The religious aspect of Masonry in this area is flourishing as witnessed by the good attendance at these Services.

I attended three receptions to our Grand Master, two of which were centennial celebrations at Waterford and Port Dover, and the other was our own Hamilton Reception. The deep respect in which our Grand Master is held, and the great admiration for his ready wit and tremendous vitality were much in evidence.

I had occasion to visit our Deputy Grand Master, Rt. Wor. Bro. R. W. Treleaven on several occasions and to ob-

serve how eminently well-fitted he is to occupy the highest office of Masonry. May I wish him health, happiness and a deep sense of achievement in the two years which lie ahead.

One of the happiest duties of my year of office was to travel to Fort William and assist in initiating my brother Keith, who is a surgeon, into Kaministiquia Lodge, No. 584.

We are very fortunate in Hamilton in having in our city the Grand Lodge Administrative Building and I would like to acknowledge gratefully the ready counsel and advice freely given by our Grand Secretary, Rt. Wor. Bro. E. G. Dixon, and his assistant, Rt. Wor. Bro. George McQueen. We in Hamilton are extremely proud of our beautiful new building and the Memorial to our departed brethren which it represents.

It may not be too much to hope that in the not too distant future a new Hamilton Masonic Hall may be erected in that area.

There are functioning in this area two very active and efficient Masonic organizations, the Past Masters' Association and the Masters' and Wardens' Association and it has been my privilege to work closely with them this year.

Hamilton Masonic District "B" held a night of Masonic Education this year on the 31st of May and the evening was devoted to "The Music of the Ritual". It was well attended and an excellent address was presented by Wor. Bro. F. Shoebridge. An idea was presented to form a Hamilton Masonic Choir and this I heartily endorse.

May I, as a doctor, conclude by pronouncing the Body of Masonry in Hamilton Masonic District "B" very fit indeed and further state that the prognosis is excellent.

If I have, during my term of office, done anything to reflect the enthusiasm and dedication to Masonic Principles which our Grand Master, M. Wor. Bro. Pitts, epitomizes, then I am profoundly grateful to the Great Architect of the Universe who guides and directs us in all that we think and say and do.

ERIC W. NANCEKIVELL, D.D.G.M.

LONDON DISTRICT

Every Mason is taught that Masonry is a progressive science. It therefore becomes every Mason's duty and responsibility to make an evaluation of his stewardship in this great Fraternity, and record any progress which Masonry

has made because of his daily advancement in the Order. As my term in the London District draws to a close, it is my pleasure to report the progress of Masonry in this District.

Foremost in my mind is the devotion and enthusiasm of the Worshipful Masters and Officers of the twenty-four Lodges of this District. They are serving their Lodges faithfully, diligently guarding the ancient landmarks of the Order and always attempting to perform the ritual in an accurate and dignified manner. Candidates cannot help but be deeply impressed when degrees are conferred with such excellence.

Equally as impressive to the initiates and visitors of the various Lodges is the spirit of brotherly love which they experience. A friendly handshake and a kindly greeting are always extended to them.

The care and protection which the brethren are continuing to give to their Masonic Temples, lodge rooms and furnishings clearly reflect their great pride for Masonry. During the past year many of the Lodges have made commendable improvements to their premises and are planning more during the coming year.

One of the great concerns of the Grand Master is the great loss the Craft suffers through suspensions. It is most gratifying to note that the number of suspensions in the London District is steadily decreasing. Fourteen of the Lodges reported no suspensions. At the time of my inspection many of these same Lodges reported a relatively small number of members who were twelve months in arrears in their dues. Of the three Lodges who had no dues in arrears, one was a large city Lodge, and another was a Lodge which for seven consecutive years has had no arrears in dues. Those Lodges experiencing some difficulty in this regard would be well-advised to examine the effective methods employed by these three Lodges.

In the London District, as well as in many of the other Districts, one of the great problems of each Worshipful Master is that of the attendance at lodge meetings. Various means have been used to try to maintain the interest of those who attend regularly, and to revive the interest of those who have not attended Lodge for some time. Roll Call and Memorial Services, members' degree teams and visiting degree teams, interesting educational programmes, and fraternal visits among the Lodges of this District and surrounding Districts have contributed greatly in this regard. One of the Lodges honoured all members who had twenty-five or more years of continuous membership in the Craft. This stimulated great interest especially among these older brethren. The Worshipful Masters are to be commended for their resourcefulness in the careful planning of such meetings.

The District Supervisor of Masonic Education, Wor. Bro. John Higgins, and his committee are to be congratulated on the fine leadership which they gave in Masonic Education. Our thanks go out to the Worshipful Master, Officers and Members of Nilestown Lodge, No. 345, for being host for our District Masonic Education Meeting. We are most grateful to R. Wor. Bro. J. E. Piercy of Hamilton for his excellent address, and to the panel members for their part in the programme.

There has always been an intimate relationship between Masonry and the Church. Most of the Lodges of the District are continuing to foster this close association by holding Divine Services. It was a pleasure to attend these. The District Divine Service was held in Calvary United Church, London, Sunday evening, May 7th. The District Chaplain, Rev. Wor. Bro. Harold Snell, who has given such fine spiritual leadership during his term of office, gave a most inspiring message to the large congregation of brethren, their families and friends. He was ably assisted in the Service by two former District Chapiains. Bro. Rev. Dr. E. G. Turnbull, minister of Calvary United Church, and V. Wor. Bro. Walter Kiteley.

We are fortunate in the London District to have a very active Past Masters', Masters' and Wardens' Association. It has continued the monthly visitations to the Dearness Home for Senior Citizens, and has also sponsored a Masonic Blood Donors' Clinic. This first clinic proved very successful, and regular clinics are being planned for the future.

The London District Reception for the Most Worshipful the Grand Master highlighted the Masonic Year. The brethren of this District and the large number of visitors from other Masonic Districts were greatly inspired by the challenging address delivered so eloquently by Most Wor. Bro. C. M. Pitts.

Reference was made earlier to the fine contribution made by Rev. Wor. Bro. Harold Snell, District Chaplain, and Wor. Bro. John Higgins, District Supervisor of Masonic Education. I would also like to pay tribute to the District Secretary, Wor. Bro. Jack Atkins, for his loyal support and capable assistance. I value highly the opportunity of working so closely with such congenial and faithful Masons.

In conclusion, I wish to thank most sincerely the Grand Master and the brethren of the London District for granting me this privilege of serving Masonry in this District. I am most grateful to the Present and Past Grand Lodge Officers, the Past Masters, the Worshipful Masters, the Officers and members of the twenty-four Lodges for their inspiration and support. The many courtesies and kindnesses extended to

my wife and myself on so many occasions were greatly appreciated. I sincerely hope that my stewardship in this office has proved worthy of your confidence.

A. CARMAN WHITMORE, D.D.G.M.

MUSKOKA - PARRY SOUND DISTRICT

My year as representative of the Most Worshipful The Grand Master has been most satisfying. No D.D.G.M. could have received better support from the members than I. My District Secretary, Wor. Bro. J. W. Nickalls, relieved me of much of the detail of the work by his efficient handling of the secretarial duties and by assisting at each official meeting.

Rt. Wor. Bro. Rev. H. O. Hutcheson, District Chaplain, with his great Masonic experience and his ability, was a guiding hand to me and to the District. Unfortunately R.W. Bro. Hutcheson became ill during the year and has been unable to accompany me since April 1st, but his advice has enabled me to carry on to a successful conclusion.

Wor. Bro. W. W. Johns, Director of Benevolence, has also been of great assistance having assisted at each meeting with a talk on behalf of the Blood Donors' Committee.

At each meeting the brethren were reminded of the Masonic Memorial Building in Hamilton. All Lodges of the District have now made contributions to this building. They were also asked to make contributions of blood for the Blood Bank. There was also a plea for better attendance at Grand Lodge at the Annual Communication. Already 30 members have signified their intention of attending. Last year 13 was the total attendance.

During the year I had the honour of presenting several of the Past Masters with their jewels as well as presenting 50 Year Veteran Jubilee Medals to Wor. Bro. W. Fennell of Golden Rule Lodge, Gravenhurst and to Bro. Henry Bailey of Unity Lodge, Huntsville.

One event of significance took place during the year, which was unique. Algonquin Lodge, Emsdale, initiated three Marshall brothers in one evening. This is the second time three brothers have been initiated in this Lodge at the same time; the previous occasion was in October, 1908, when the three McPhail brothers were initiated, on this occasion none of the brothers knew the others had applied.

The work in all the Lodges of the District was excellent. The officers are, in the main, young, vigorous men who are

all a credit to the Craft. I found the sons of many of our Past Masters and of three of the past D.D.G.M.'s preparing themselves to be Masters of their Lodges.

At my official visit to my own Lodge, Unity, I was honoured by the presence of Rt. Wor. Bro. Hector E. Wilson, Grand Senior Warden, whose visit was greatly appreciated. The message he delivered on that occasion was well received by the brethren.

A Lodge of Instruction, under the direction of Wor. Bro. E. V. Elliott, was held from 2.00 p.m. to 5.30 p.m., Wednesday, May 17th, in the auditorium of the Huntsville Memorial Community Centre. There were 180 in attendance from all parts of the District and it was most successful. The co-operation of M.W. Bro. Harry L. Martyn in arranging this very instructive function is greatly appreciated.

The highlight of this day was the visit of The Grand Master, M.W. Bro. C. M. Pitts. Wor. Bro. J. D. Nickalls, District Secretary, and I had the privilege of entertaining him in the afternoon preceding the banquet in his honour. The attendance at this banquet was large and enthusiastic. The address was excellent. Muskoka-Parry Sound District was honoured by his presence. M.W. Bro. Pitts was accompanied by V.W. Bro. W. E. Meldrum, Grand Director of Ceremonies.

I sincerely hope that Grand Lodge Officers will continue the practice of visiting this District in the future, as they have this year. In the past these visits have been few and far between. Their visits are great morale builders for us and a great benefit to the Craft.

The individual Church Services were well attended. The District Church Service was outstanding. This was held Sunday, June 4th, at 7.30 p.m. at Trinity United Church, Huntsville. Bro. Rev. Norman Thomas of Granite Lodge, Parry Sound, delivered the sermon, his text "The Golden Bowl". This Service was well attended. Many Masons brought their wives and it was gratifying to have them with us.

My year as District Deputy Grand Master was most gratifying because of the loyal support of the officers and members of the Lodges of the District, of my own Lodge, of the Wardens', Masters' and Past Masters' Association and the Grand Master, the Custodian of the Work and the other Grand Lodge Officers who gave their assistance. For all this I am humbly grateful.

SIDNEY G. AVERY, D.D.G.M.

NIAGARA "A" DISTRICT

It has been a very rewarding experience for me to serve as D.D.G.M. during the year. The esteem and respect for the Grand Master is reflected by the sincerity with which I was received throughout the District.

The appointment of W. Bro. Edward R. Lewis as District Secretary proved to be a most excellent choice. He performed the duties of his office with an enthusiasm that merited every promise and trust which I had for him and he has certainly won for himself the sincere esteem of his brethren. While the D.D.G.M. perhaps, is the recipient of great honour, we must not forget the great contribution to the District which is given by the District Secretary.

Wor. Bro. Rev. James L. Blair consented to act as District Chaplain, and our Annual District Divine Service was held May 7th in Grace Anglican Church, St. Catharines.

Wor. Bro. A. V. Hammond acted as District Chairman of Masonic Education, and was most enthusiastic in the discharge of his duties.

On all of my official visits I was greeted with well filled lodge rooms. I noticed an increasing number of the brethren taking part in the work, which had added to the interest, while the Past Masters were ever ready to assist the Worshipful Master in his labours and to instruct their junior members.

The Secretaries of the District continue to give outstanding service to their individual Lodges and also, give the finest leadership at all times.

I visited each Lodge several times during the year, and have been impressed with the very excellent degree work done in this District; the standard is exceptionally high. Along with my Secretary and our wives we have been happy to accept invitations to many social functions in the District, and we have enjoyed very much the opportunity of meeting so many of the brethren and their ladies. We will certainly retain the most pleasant recollections for years to come, from the friendship in evidence at these occasions.

As a climax to our year Niagara "A" District joined with the brethren of Niagara "B" District on April 24th, when we had the Grand Master's Banquet and Reception. The splendid talk by our Most Worshipful Brother Clarence MacLeod Pitts, will long be remembered by the members of Niagara Districts. Our only regret was, that Rt. Wor. Bro. E. G. Dixon, our Grand Secretary, who, through sickness, was unable to be present.

In conclusion, may I say that I appreciate so much the genuine and sincere co-operation which I have received during the year. The many friends which I have made, and the kindness of so many brethren have given me great encouragement, and I sincerely wish to thank my brethren for the great privilege which has been mine.

FRED R. ALLISON, D.D.G.M.

NIAGARA "B" DISTRICT

In a very short while, my term as D.D.G.M. will pass into history, thus bringing to a close the most inspiring, educational and pleasurable year that I have ever experienced in Masonry. For me to have had this happy privilege to serve the Lodges in Niagara District "B" has indeed been a most wonderful and rewarding experience.

My year of office has been made most pleasant by the sincere co-operation and understanding of the Masters and Officers of each Lodge in the District. The cordial and gracious reception accorded me on my official and fraternal visits to each of the fourteen Lodges, is sincerely and gratefully acknowledged.

I feel greatly indebted to Wor. Bro. G. K. Chapman, who served me as my Senior Warden during my year as Master, and has served me once more, and most capably, as the District Secretary. Sincere and devoted to the duties of his office, Wor. Bro. Chapman has added in no small measure to any success which may have been attained. He accompanied me on all my official visits and I do appreciate his untiring assistance.

Brother, Rev. T. E. Hancock of Seymour Lodge, No. 272, Ancaster and now residing in Fort Erie, and Minister of Central Ave. United Church, acted as the District Chaplain. He accompanied me on as many occasions as his duties would permit and endeared himself to all. On our visit to Centennial Lodge, No. 679, he dedicated an Altar Cloth donated by the father and mother of their late son who had been a member of the Lodge less than a year. Bro. Hancock also conducted the District Divine Service in his and my church on Sunday afternoon, May 28th, with a splendid attendance. Bro. Hancock chose as his subject "The Certainty of God", and delivered a most inspiring address. Also assisting in the Service, my daughter, Faye Cornell, sang a solo, which was much appreciated by Dad and the brethren.

I appointed Wor. Bro. E. W. Spencer of Palmer Lodge to act as the Supervisor of Masonic Education. Wor. Bro. Spencer accompanied me on most of my visits and gave in-

formative talks on Masonic Education. He was also invited to individual Lodges to give Educational addresses, which he did most credibly.

I appointed V. Wor. Bro. F. E. Wilson of Adoniram Lodge, Niagara Falls, to act as Chairman of the Blood Donors' Committee for the District, and he has this work much better and more fully organized than previously.

I visited each of the fourteen Lodges once officially, and most of them a second time fraternally. On the occasion of each visit I was much impressed with the dignity with which the Masters of each Lodge, assisted by the Past Masters and Officers, conferred the three degrees. Practically every Officer was sincere and created an impression on the candidates. I also make favourable comment regarding the care and exactness with which the candidates had prepared their work for advancement to the Fellowcraft and Master Mason Degrees. It was indicative of the fine tutoring which they had received.

The books and records of all Lodges were inspected and were found to be well kept and in order. The Secretaries are to be commended for the manner in which they zealously perform their duties.

The Masters' and Wardens' Association held two meetings during the year which were both well attended. Last Fall one was held in Palmer Lodge, Fort Erie, at which P.D.D.G.M. W. E. McDonald of Mountain Lodge, Thorold, gave a most interesting and inspiring address. At the Spring meeting, held in Clifton Lodge, Niagara Falls, we were privileged to have P.D.D.G.M. A. W. Bedwell of Hamilton speak on "Ancient Masonry", and this was most inspiring and educational.

Every Lodge holds its individual Divine Service either in the Spring or Fall of the year and the attendance at all these Services is most gratifying.

On April 24th, the two Niagara Districts "A" and "B" were highly honored with a visit from the Grand Master, M.W. Bro. C. MacLeod Pitts, and this was truly the highlight of my term of Office. This reception and dinner, which was held in Niagara Falls, was well attended, and the address of the Grand Master, together with his dynamic personality, made a lasting impression on everyone present.

The majority of the Lodges in the District, held "Ladies' Nights". Mrs. Cornell and I, as well as the District Secretary and Mrs. Chapman, appreciate the numerous invitations to join the Lodges on these occasions and, while we were not able to attend all of these, we certainly did enjoy the genuine hospitality extended to us when we were able to be present.

During the year, I had the happy privilege to present a Sixty Year Pin to Wor. Bro. F. T. Pattison of Palmer Lodge; a Fifty Year Past Master's Long Service Medal to Wor. Bro. P. A. Rice of Cope-Stone Lodge; also eight Fifty Year Veteran's Jubilee Medals throughout the District. The reminiscences of these Brethren were very enlightening.

Several International visits with our Brethren of the United States further cemented our already friendly Masonic relations. The highlight in this regard was at Fort Erie Lodge, when the Wor. Master held a "Hands Across the Border" night. The Wor. Masters and the three D.D.G.M.'s of the three Erie Districts of Buffalo were invited to Fort Erie Lodge, when the Wor. Masters of Niagara District "B" occupied the Chairs and very efficiently conferred the First Degree. This was a new venture but it was so well thought of we are hoping to make it an annual function.

I am very grateful to Rt. Wor. Bro. E. G. Dixon, Grand Secretary, and his office staff, for their valued assistance throughout the year. Many thanks are extended also to those many faithful Brethren throughout the District who accompanied me on my Official Visits. Masonry in this District is indeed in good hands.

In conclusion, I should like to sincerely thank the Brethren of Niagara "B" District for the honour and privilege of serving as their D.D.G.M. The Masters, Officers and members of all Lodges have made for me a year that will always be remembered. The many kindnesses extended to me are deeply appreciated and it is my sincere hope that I have, in some small way, strengthened the bonds of friendship among the Lodges of Niagara District "B". "The Most High Has Prospered our United Endeavours".

G. ERLE CORNELL, D.D.G.M.

NIPISSING EAST DISTRICT

As my term of office is fast drawing to a close, I take this opportunity of expressing my very sincere appreciation for the privilege of presenting this report.

The courtesies and welcomes I have received at all times reflect the dignity and respect our District holds toward the Grand Master and Grand Lodge in general.

The highlight of the year was our privilege of extending a welcome to the Most Worshipful the Grand Master, Most Wor. Bro. Clarence MacLeod Pitts, at a banquet held in the United Church at Haileybury in his honour on October 28th. A reasonable number of the brethren from the District

attended and enjoyed a very interesting address given by the Grand Master.

It was most fortunate that I had as District Secretary, Wor. Bro. H. C. Coull, who accompanied me on all my visits less one, and was able to obtain all necessary information from the Secretaries of the Lodges.

Rev. Bro. Wilmut Wipprecht, Pastor of Cobalt United Church, accepted the position of District Chaplain and carried out his duties in a very efficient manner.

Rt. Wor. Bro. J. S. Smorthwaite of North Bay Lodge, No. 617, accepted the position of Chairman of Masonic Education for the four Southern Lodges in the District, Very Wor. Bro. G. E. McKelvie of Temiskaming Lodge accepted the same position for the four Northern Lodges. Both these men did much to create a better understanding of the principles of Masonry, as well as making our regular meetings more interesting.

A special meeting was held in Haileybury Lodge in which the entire evening was devoted to Masonic education. Short addresses were given by well skilled brethren from various Lodges which was followed by a panel discussion on each subject. Some very interesting information was derived from this and I would like to see this kind of a meeting continued so that the brethren may become acquainted and that attendance at our regular meetings might be increased.

During the year, four Past District Deputy Grand Masters have passed to Grand Lodge Above. Their passing has caused a distinct loss in the District, as well as a challenge to those of us who are left to carry on the good work. We cherish their memories in our hearts.

A District Divine Service was held on May 28th in Cobalt United Church for the four Northern Lodges which was attended by forty-three of the brethren. Bro. Rev. W. Wipprecht delivered a very interesting sermon.

A Divine Service is planned for the Southern section of the District on June 18th in North Bay, at which the District Chaplain will deliver the address. I am pleased to note that all Lodges have at least one Divine Service each year.

Senior Wardens' Night was held in North Bay Lodge on May 12th at which time I attended and found it very successful.

All Lodges in the District appear to have had a very busy and successful year and the calibre of applicants coming

into the Order at the present time will no doubt reflect credit to our Fraternity.

In closing, I wish to thank all those who assisted me during my term of office. I will always remain a faithful servant of the Craft and will have very happy memories of my Masonic career.

THOMAS G. TULLOCH, D.D.G.M.

NIPISSING WEST DISTRICT

To have been District Deputy Grand Master for Nipissing West District during this past year has been a wonderful, challenging, rewarding, and, quite frankly, a very pleasant experience. Therefore it is with a great deal of pleasure that I submit this report of the year's activities in this great and vigorous District. I have many pleasant memories of the evenings spent on my official visits to the seventeen Lodges of Nipissing West District. The warm and cordial receptions on all occasions, the fraternal atmosphere could not but help to strengthen the knowledge that Masonry is strong and flourishing in this District.

The appointment of Wor. Bro. Onni J. Timber as District Secretary was most fortunate as he was of the utmost assistance, accompanying me on all official visits and performing his duties in a most capable manner. The records of each Lodge were carefully examined and found to be in good order. The general financial structure of the Lodges was excellent and the insurance where necessary seemed adequate. The three Lodges in Sudbury, Nickel, No. 427, Sudbury, No. 658, and Bethel, No. 699, have since found it necessary to try to increase their membership dues. It was noted that in some Lodges the life memberships may in the future impose a financial burden on these Lodges and a suggestion was made that a more realistic attitude should be considered towards this problem.

Rt. Wor. Bro. James F. Boucher, District Supervisor of Masonic Education, accompanied me on most occasions and was of great assistance. Bro. Canon S. M. Craymer, District Chaplain, accompanied me on several visits, but due to serious illness was forced to curtail his activities. He is now on the way to recovery and I wish him better health in the future.

Rt. Wor. Bro. M. F. Lees, my immediate predecessor, graciously consented to act as District Chairman of the Remembrance Memorial Building Fund, and in this capacity he worked unceasingly, visiting with me on many occasions, and for this and his advice and assistance I am indeed grateful.

It was a pleasure and a privilege to have visit with me many of the District Past Grand Lodge Officers and their zeal and wisdom made these events an inspiring experience.

It was a distinct pleasure to assist M.W. Bro. W. L. Wright, P.G.M. dedicate the new temple of Elliot Lake Lodge, No. 698, on May 20th. On this occasion nearly every Lodge in the District was represented, with Rt. Wor. Bro. Canon F. W. Colloton again performing the duties of Grand Chaplain so splendidly. The brethren of Elliot Lake Lodge on this occasion were highly praised for their excellent work on their new quarters and for the well organized and well attended banquet where the brethren heard an inspiring address from M.W. Bro. W. L. Wright the principal speaker.

The visit of M.W. Bro. C. MacL. Pitts, G.M. to a District Reception in his honour at Sudbury on May 13th was another great event for the Masons of our District. The words of wisdom of the Grand Master were an inspiration to all the brethren and will long be remembered.

On all official visits I witnessed degree work with only one exception and in most Lodges it was conducted in a very capable manner. I noticed a great many doing work besides officers and Past Masters, which is a very good trend for the future in this District. Attendance at some Lodges could be improved. Masters should try to see that the brethren can be out of the banquet room by 11 o'clock. On special occasions the practice of having the banquet before the lodge meeting, rather than after as is now the custom, would be a great help to the older brethren and those who have to travel a long way home.

The growth of Masonry in Nipissing West District is progressing steadily and solidly as each year passes, and as we look to the future a number of brethren in the Levack area are inquiring as to the procedure in starting a Lodge and are investigating the possibility of lodge quarters. The brethren of Woodland Lodge are considering plans to enlarge their present quarters and the Masons of Sudbury area are also giving thought to some changes in their lodge facilities in the foreseeable future.

In conclusion, I wish for my successor the same loyal support that was extended to me. I shall remember this year as the highlight of my Masonic career. I wish to thank the Grand Master and my brethren for the honour they have bestowed on me, and I hope, from a very humble and thankful heart, that I have been of some small service to them during my term of office.

KEN. R. SHORE, D.D.G.M.

NORTH HURON DISTRICT

I am pleased to offer the following report on Masonry in North Huron District. I would like to offer my appreciation to the Brethren of North Huron District for giving me the privilege of acting as D.D.G.M. of North Huron.

One of my first duties was to appoint Wor. Bro. W. E. Collyer as District Secretary; he has carried out his duties very carefully and thoroughly and has been a great help to me, as well as an enthusiastic worker for the good of Masonry in the District.

I appointed Bro. W. L. MacKenzie as Chairman of Masonic Education for the District, a position in which he has distinguished himself very much as he has been requested by members of the Lodges outside our District to give talks to them during the coming year on Masonic Education.

Wor. Bro. Rev. H. W. Strapp kindly accepted the position of District Chaplain and has fulfilled it in a very creditable way.

R.W. Bro. H. Linklater kindly continued in his position as Chairman of the Blood Donors and reports that he has had an increase in the number of donors this year, over the previous year, giving proof of his capable leadership.

R.W. Bro. Ken. Saxton kindly accepted the position as Chairman of the Remembrance Memorial Fund and, under his guidance, the Fund has shown a substantial growth this year.

The Officers of North Huron District and I had the pleasure of being in attendance at Centennial Celebrations and the Grand Master's Reception of Tudor Lodge, Mitchell, where we enjoyed the address of the Grand Master very much.

During my official visit to the twelve Lodges of the District, I found that whatever work was put on, the officers and members of each Lodge did it in a dignified truly Masonic manner and each Master seemed to be an enthusiastic Mason.

During my official visits, the District Secretary examined the books, etc., of each Lodge and found that the Lodges in the District were in a healthy condition. Some of the Lodges have found it necessary to increase their fees; this will enable them to present a better financial statement in the future.

The Chairman of Masonic Education accompanied me on all official visits, except one due to illness, and gave a talk

on Masonic Education to each Lodge, usually on something relating to the degree that had been exemplified that evening.

The District Chaplain accompanied me on all but one official visit and gave a short talk on each visit.

The Chairman of the Memorial Fund and the Chairman of the Blood Donors accompanied me whenever they could and gave talks on their respective work.

I had the pleasure of visiting with R.W. Bro. Joe Bryan of South Huron District on six different occasions, at different meetings in his District, and I had the pleasure of welcoming him at some of my meetings in North Huron. I visited twice in London District with R.W. Bro. Carman Whitmore and he was able to be with me twice in North Huron. I visited twice in Bruce District with R.W. Bro. Willis Spencer, and had the pleasure of welcoming him twice to North Huron. I visited with R.W. Bro. Herman Bauer of Chatham District on the evening of their Reception for the Grand Master and again heard a wonderful address from our Grand Master. R.W. Bro. Bauer was able to be with me in North Huron. I visited R.W. Bro. Peter McTavish of Grey District during the dedication of the new Lodge Hall at Mt. Forest which was carried out by Past Grand Master H. L. Martyn in a very dignified manner. R.W. Bro. Peter McTavish was also able to be with me in North Huron.

I presented a Fifty-year Jewel to Wor. Bro. Wm. Donaldson of Bernard Lodge, Listowel, and also the sad duty of attending several Masonic Funeral Services for Brethren of the different Lodges in the District.

The high-light of my year was on May 18th. In the afternoon I was with the Grand Master at the Laying of a Corner Stone of a new Public School at Palmerston. In the evening, we had the pleasure of a Reception in Lucknow in honour of our Grand Master, accompanied by Very Wor. Bro. Meldrum, Grand Director of Ceremonies. The Grand Master gave a very instructive talk on Masonry which was enjoyed by all.

Our District Divine Service was held on May 28th in Lucknow United Church at 11 a.m. when our District Chaplain, W. Bro. H. Strapp, gave an inspiring address on "the Hidden Quarries". I attended several Church Services of the different Lodges in the District.

Two Past Masters' meetings were held, one in Fordwich, where R.W. Bro. Geo. Jeffry of Clinton gave an interesting talk on the Number Three, the other in Tiverton where Kincardine Lodge put on the Second Degree. Both meetings were well attended.

In closing, I wish to thank all the Officers and members of each Lodge for the wonderful support they gave me, giving me a year I shall never forget.

JAMES E. LITTLE, D.D.G.M.

ONTARIO DISTRICT

During the past Masonic year, I have been deeply enriched and rewarded. My receptions in the District Lodges were a reflection of the deep feeling of love, and respect of the brethren, for the office, and deep appreciation for the responsibilities of the Most Worshipful the Grand Master.

Freemasonry is in a healthy state in Ontario District. On my official visits, all Lodges were found to be in good financial standing. Dues were, for the most part, up to date, with a minimum of non-payments outstanding. It was found necessary to urge one Lodge to take measures to collect a disturbing amount of outstanding dues.

I have been rather discouraged at the slowness of the brethren to respond to the appeal for donations to the Remembrance Memorial Fund. In all fairness, I must report that a number of the Lodges have done well.

I retained the Chairmanship of the Blood Donors' Committee, and received encouraging figures throughout the District.

Having visited Lodges with different starting hours, I can heartily endorse the early and punctual opening hour. With regard to conformity in ritual, I found the Lodges generally to be excellent. It was found necessary to make very few corrections. Particularly pleasing were the efforts of the Worshipful Masters to create a balance of Past Masters and brethren in the work.

A very successful Lodge of Instruction in the First Degree was held under the auspices of Ontario Lodge, No. 26, with Rt. Wor. Bro. E. J. McKeever in charge.

During the year a Wardens' Association was formed and received excellent advice for future Worshipful Masters from Rt. Wor. Bro. James Jackson, P.D.D.G.M., and Rt. Wor. Bro. W. K. Bailey, our Grand Lodge Chairman of Masonic Education.

The District Divine Service was held, May 28th, in St. Peter's Anglican Church, Cobourg. A very fine sermon was preached by the District Chaplain, Bro. Rev. J. D. C. Jack.

Two District Lodges, Hope, No. 114 and Lebanon, No. 139, celebrated their centennial year. We deeply appreciate the honour of having the opportunity to receive the Most Worshipful the Grand Master on these two memorable occasions.

I am indebted to the Lodges for being able to share with my wife the hospitality of "Ladies' Nights". We were sorry that conflicting dates made it impossible to visit more.

I had the privilege of attending the centennial of Franck Lodge, No. 127, and the Dedication of their new Temple. The ceremony was conducted by the Grand Master and it was a rewarding visit to Prince Edward District.

I entertained and attended Lodge with Rt. Wor. Bro. Frank Peek, Past District Grand Junior Deacon of the District Grand Lodge of Canterbury, New Zealand. It proved to be an evening well-spent with a delightful brother Mason from the Antipodes on a visit to Canada.

During the year the District suffered the loss of two distinguished Masons, Rt. Wor. Bro. Harvey Mitchell and Rt. Wor. Bro. Charles Tyrrell, both Past District Deputy Grand Masters of Ontario District.

I feel bound to say a grateful "thank you" to all who assisted me during the year; to Wor. Bro. H. R. Quantrill, District Secretary, Wor. Bro. Ben Spicer, Director of Masonic Education and to Bro. J. D. C. Jack, who accompanied me as often as his pastoral duties would allow.

I must also express my gratitude to the brethren of the District who accompanied me on my visits. Their continued presence had a most stimulating effect.

In my talks to the brethren I endeavoured to speak on an educational topic and received many favourable comments, thereby sensing a feeling of some accomplishment.

In conclusion, may I express my appreciation to all who helped to make the past Masonic year so richly rewarding in so many ways.

W. C. WAKELIN, D.D.G.M.

OTTAWA DISTRICT

It was a great honour for me to be elected D.D.G.M. of the Ottawa District, one which I shall cherish always. It was a most rewarding experience, and I was proud to represent our Grand Master in his own District. I was very happy to have Wor. Bro. R. J. Parlee accept the office of

District Secretary. I also appointed Bro. Rev. Dr. J. D. McCrae as District Chaplain and Wor. Bro. W. G. Strong as District Supervisor of Masonic Education.

One of the highlights of the year was the visit of Most Wor. Bro. Harry L. Martyn to Ottawa, on November 5, 1960, when he conducted a Lodge of Instruction. This consisted of an exemplification of all three degrees with a very detailed explanation of the symbolism and floor work connected with each. This meeting was very well attended by representatives of all the Lodges and throughout the year it was a great satisfaction to me to see how all the Masters and officers had profited by Most Wor. Bro. Martyn's instruction.

Two District Divine Services were conducted by the District Chaplain, one in Chalmers United Church, Ottawa, and the other in Almonte United Church, both of which were very well attended. In addition Divine Services were held by many of the Lodges, all of which were of an inspiring nature.

I held two meetings of instruction for the Lodge Masters, one in Ottawa and the other in Arnprior, at which I passed on, as much as possible, the instruction given to me both at Toronto and at a subsequent meeting with neighbouring D.D.G.M.'s in Brockville. In addition Wor. Bro. Strong distributed about twenty-five short talks on Masonry to all the Lodges.

Among the highlights of the year were the centennial celebrations of Pembroke Lodge, No. 128, and Civil Service Lodge, No. 148. Pembroke Lodge observed its centenary with a week of activities commencing with Divine Service on September 25. An R.C.M.P. degree team conferred a First Degree on Monday evening, a team of Grand Lodge officers a Second Degree on Wednesday, and a team of Past Masters of the Lodge a Third Degree on Thursday. The celebration was concluded by a banquet and reception to the Grand Master, Most Wor. Bro. C. M. Pitts. Civil Service Lodge, No. 148, started its celebration with a Divine Service in the Masonic Temple, Ottawa, on Sunday, May 14th (the actual date of its centenary). The Service was conducted by the District Chaplain, Bro. Rev. Dr. J. D. McCrae, and the sermon was preached by Most Wor. Bro. Canon Crothers, Past Grand Master of the Grand Lodge of Quebec. On Monday, May 15th, a banquet and reception was held, and on Tuesday the regular Lodge meeting was held at which the new regalia and furnishings were consecrated and the officers and members rededicated themselves to the service of Freemasonry. The Grand Master, Most Wor. Bro. C. M. Pitts, was present at all three events.

The Past Masters', Masters' and Wardens' Association was most active and enjoyed a very successful year under the presidency of Wor. Bro. C. C. Dale. At one of its assemblies

members were honoured by having the Deputy Grand Master, Rt. Wor. Bro. R. W. Treleaven, as the guest speaker. Under the auspices of this Association a committee on Masonic Education has been formed which works in conjunction with the District Supervisor of Masonic Education. It also arranged with the Red Cross to have a blood donors' clinic at the Ottawa Temple.

I addressed the Senior Wardens of the year at their annual dinner and it was most gratifying to see how they were preparing for and looking forward with anticipation to their year as Masters.

The annual Masonic Ball was a great success, with almost seven hundred brethren and their ladies in attendance. Again it was a great joy to have Most Wor. Bro. Pitts present.

I paid official visits to all twenty-nine Lodges and found the work of a very high standard and it was a pleasure to witness all three degrees. All Lodges are in good financial condition, the books well kept and, observing the calibre of the junior officers, I feel sure that Masonry in this District is in good hands for many years to come.

I was present at twenty-seven Ladies' Nights accompanied by my wife, and the cordial reception extended to us will long be remembered. The District Secretary and Mrs. Parlee also accompanied me on these occasions.

I was very happy to accept the invitation of Rt. Wor. Bro. Geo. Jackson, D.D.G.M. of the St. Lawrence District to be present at the dedication of the new lodge rooms at Merrickville and Lanark. I was also present at the dedication of the new Grand Lodge Building in Hamilton, and, despite the rain, it will be an evening long remembered.

During the year it was my privilege to present a number of Veteran's Jubilee Medals, but the highlights in this respect were when I had the pleasure of pinning a 60-year pin to the Past Master's Medal of Wor. Bro. Angus S. Williams of Civil Service Lodge and of presenting a 50-year Past Master's Medal to our dean of D.D.G.M.'s, Rt. Wor. Bro. A. H. McKee, of The Builders Lodge.

In closing, may I express my deep appreciation to the Masters, their wives, the District Secretary, the District Chaplain and the District Supervisor of Masonic Education for their great help and many courtesies which all helped to make this a most memorable year.

E. D. BERRY, D.D.G.M.

PETERBOROUGH DISTRICT

It has been an honour and a great privilege for me to have served as the representative of the Grand Master in the Peterborough District. The many courtesies, the gracious hospitality, the co-operation and support I have received from the officers and brethren on my official and fraternal visits are gratefully and sincerely acknowledged and will long be remembered.

I am also indebted to the District Officers for their support, encouragement and assistance. The District Secretary, Wor. Bro. George Brooks, accompanied me on all my official visits and performed the duties of his office with fidelity. The information contained in his reports was of invaluable assistance to me.

The work done by R.W. Bro. Chas. B. Plant, the District Supervisor of Masonic Education, was outstanding. He also accompanied me on all my visits and, in addition to distributing the Bulletins from Grand Lodge, he sent out monthly short talks on various Masonic subjects. R.W. Bro. Plant is a keen student of Masonic history, philosophy and symbolism, and his talks were widely used and enjoyed by all the Lodges in the District. I am pleased to report that all Lodges have an active committee on Masonic Education and are doing excellent work in this important field.

The District Chaplain, Bro. Rev. J. Stanley Gibson, gave unselfishly of his time in the interests of the Craft. He conducted the District Divine Service in St. Andrew's United Church and delivered a very inspiring sermon. We were honoured by the presence of R.W. Bro. H. Haggarty, D.D.G.M. of Prince Edward District who assisted at the Service. Many of the Lodges in the District also held Divine Services and these were well attended.

I appointed W. Bro. Percy Moore Chairman of the Blood Donors' Committee and, although he has been in the hospital for some time, he has taken a keen interest in this endeavour and reports that many members actively support this worthy project.

I visited each Lodge at least once and most of them on two or more occasions. I was greatly impressed by the sincerity of the officers and the interest of the members. The conferring of the various degrees was, almost without exception, done in a most efficient and impressive manner. It was gratifying to see, not only the officers, but the Past Masters and the Master Masons taking an active part in the work. I am pleased to report that attendance has improved considerably, particularly in the smaller Lodges. This is probably due to the increased inter-lodge visiting, the intro-

duction of special nights and the emphasis placed on Masonic Education.

The lodge buildings throughout the District are well equipped and maintained. All but four Lodges in the District own their own buildings. Three Lodges, Percy, No. 161, Havelock, No. 435, and Keene, No. 374, have recently completed extensive repairs and improvements to their premises.

The number of candidates being admitted to the Lodges does not appear to have decreased materially. I was greatly impressed by the high calibre and the receptive attitude of the candidates. At my official visit to J. B. Hall Lodge a father and son were initiated, a rather unusual event.

When visiting a Lodge, it was my practise to present to the candidates, a copy of The History of Grand Lodge, with the hope that a year hence we will have at least fifteen Masons in the District who are well-informed on the history of our Grand Lodge.

The District has been saddened by the passing of many of our most faithful members. We remember particularly M. Wor. Bro. William James Dunlop, one of the great men of our time, who was initiated into Masonry in Peterborough Lodge, No. 155, in 1908. His name and memory will be perpetuated by the youngest Lodge in the District, William James Dunlop Lodge, No. 675. He was very interested in this Lodge and always took an active part at its anniversary celebration. He will be sadly missed, not only in our District but throughout the whole jurisdiction.

In reviewing the reports of the Lodges, it is disturbing to note that the expenses almost equals the income. It would appear that the financial standing of the Lodges would be greatly improved if the dues and initiation fees were raised to a level more in keeping with economic conditions.

The highlight of the year was the official visit to the District of our Grand Master, M. Wor. Bro. C. MacL. Pitts. This was combined with the Centennial Celebration of J. B. Hall Lodge, No. 145, Millbrook. The large attendance at this meeting was ample evidence of the esteem in which our beloved Grand Master is held. His visit has done much to advance the interests of Masonry in this District.

Several meetings held during the year are worthy of note. The seventh Anniversary of William James Dunlop Lodge, No. 675, was held, as usual, in October. At this meeting the P.D.D.G.M.'s conferred the E. A. Degree. Our only regret was that M. Wor. Bro. Dunlop, for the first time since the Lodge was instituted, was unable to be present.

In February Corinthian Lodge, No. 101, was host to a rather unique degree team composed of members of Supreme Council of the A. & A.S.R. under the direction of R. Wor. Bro. R. F. Downey. At this meeting I presented a Fifty Year Medal to R. Wor. Bro. Downey. In March the same Lodge invited the Wor. Masters of the District to confer the E.A. Degree. This meeting met with such enthusiastic support that it was decided to make it an annual event. It will be held next year in Golden Rule Lodge, No. 126, Campbellford.

Finally, I would like to express my sincere appreciation to the Grand Master for the honour and privilege of representing him in this District, to M. Wor. Bro. H. L. Martyn, the Custodian of the Work, for the helpful instruction he so kindly gave me and to the Grand Secretary, R. Wor. Bro. E. G. Dixon, and his staff for their direction, guidance and co-operation. As long as such men continue to give so unselfishly of their time and talents to Freemasonry the future of our beloved Craft is assured.

W. H. MORTLOCK, D.D.G.M.

PRINCE EDWARD DISTRICT

The privilege of having been the representative of the Grand Master in Prince Edward District has been a pleasure and high honour, and I would like to take this opportunity to thank all those who made it possible.

I appointed Wor. Bro. Preston Chase as District Secretary and Wor. Bro. Edward Nelson as District Chaplain. They accompanied me on almost all my inspections. However, I am sorry to report that Wor. Bro. Nelson suffered a severe illness in April and is still in hospital. I also appointed Wor. Bro. Charles Fair as District Chairman of Masonic Education and Wor. Bro. James Pow as District Chairman of the Blood Donors' Committee.

I made an official inspection of each of the seventeen Lodges in the District and was received very cordially in all cases. I witnessed all degrees on these occasions, and would describe the work as from very good to excellent in fifteen Lodges. However, I feel that two Lodges need a little guidance, and possibly one of them, a little more effort. I discussed this with them after the Lodge was closed. I am pleased to report that the minutes and records of all Lodges were found to be exceptionally well kept and also that adequate insurance is carried in the case of all buildings owned by the Lodges.

The highlight of my year was on December 16th. when my Mother Lodge Franck, No. 127, had a reception for the

Grand Master, Most Worshipful Bro. C. M. Pitts, on the occasion of celebrating our 100th anniversary, and also for the purpose of dedicating our new Masonic Temple. This momentous occasion was attended by an exceptionally good number of Grand Lodge Officers.

Belleville Lodge, No. 123, was completing the celebrating of its 100th anniversary, and also Moira Lodge, No. 11, celebrated its 160th anniversary, as well as Prince Edward Lodge, No. 18, its 150th anniversary. M.W. Bro. Harry L. Martyn was the guest speaker at both the latter occasions, and I would like to give a special thanks to M.W. Bro. Martyn for attending these functions and also for his assistance as Custodian of the Work throughout the year.

The fact that the Grand Junior Warden, R.W. Bro. J. R. Grant, was a member of Moira Lodge, No. 11, was cause for special nights which I enjoyed to the utmost. One of the pleasant duties which I was asked to perform was to present W. Bro. Dave Bell of Marmora Lodge, No. 222, with his Medal as 50 years a Past Master.

We have a very active, Past Masters' Masters' and Wardens' Association, and in March we held our annual meeting, sponsored by Lake Lodge, No. 215, which was attended by 128 members of the Association.

During my term I visited nine Districts and one other Grand Jurisdiction. Besides many regular nights I attended seven installations and Mrs. Haggarty and I were warmly received at eight Ladies' Nights. On May 28th, we held our District Divine Service in Wooler United Church, when the Grand Chaplain, Rt. Wor. Bro. Rev. R. G. Hazlewood, delivered the sermon. There were about 300 Masons in attendance.

On June 6th, United Lodge, No. 29, sponsored a P.D.D. G.M.'s Night, which was attended by 17 Past District Deputies of Prince Edward District, as well as many from other districts.

As I finish this report, I have just returned from my father's funeral.—the saddest event in my life thus far. I want to thank the Masons of the various districts for the fine tribute they paid to my father, last night, when they held a Masonic Service, which was attended by 225 brethren.

In conclusion, may I say that I hope my endeavours this past year have in some way benefited Masonry in this District. To all my brethren of Prince Edward District, my very sincere thanks.

H. D. HAGGARTY, D.D.G.M.

SARNIA DISTRICT

It has been a pleasure and source of valuable experience for me to serve as the representative of the Grand Master for Sarnia District for the past year.

The enthusiasm with which I was received on all official visits reflects the loyalty and esteem in which Grand Lodge is held.

The highlights of the Masonic Year in the Sarnia District were many. The first one was held early in the fall at Petrolia, in which the two Lodges at Petrolia played host to the Masters and Senior Wardens of the District at a dinner in which they were presented to the new D.D.G.M. It was a pleasure to meet them personally and plan the work of the year before I paid my official visit.

I had the pleasure of presenting Rt. Wor. Bro. Tom Montgomery of Victoria Lodge, No. 56, with a bar for his Long Service Medal to mark fifty years of service as a Past District Deputy Grand Master and he was eligible to receive his pin in May for sixty years of service in the Craft. As he is still in Bermuda, he has not received it as yet. Several other members received their Fifty Year Medals.

I appointed Wor. Bro. Evan Denning as my District Secretary and he reports that the books and records of the various Lodges are kept in a most efficient manner. I am greatly indebted to him for his assistance and co-operation throughout the year as he was with me on all my official visits.

Wor. Bro. Clarence Winter has done an excellent job as Chairman of Masonic Education. Under his guidance and help in securing speakers, Masonic Education has made splendid progress in the District.

Rev. Bro. H. L. Jost, Th.B., as District Chaplain, conducted the District Divine Service at Alvinston Presbyterian Church on Sunday, May 21, when he gave an inspiring address on the "History in the Making and Masonry." The attendance from all over the District was a splendid tribute to Bro. Jost, who is very active in Masonic circles as a speaker on Masonic Education.

Rt. Wor. Bro. Harry Russell, Chairman of the Blood Donors' Committee, reported a very good response to his appeal. He urged all brethren who are physically able to support the various blood banks.

The Past Masters', Masters' and Wardens' Association held three very successful meetings in the District. Rt. Wor. Bro. J. C. Walden is the President. At the first meeting a

degree was conferred by the Past Grand Lodge Officers. The second was a night of Masonic Education, with addresses by prominent speakers in the District. The third was held in my Mother Lodge, Ionic 328, when we had the pleasure of hearing an address by Rt. Wor. Bro. J. A. Irvine of London.

I visited the twenty-one Lodges in the District and was most cordially received on every occasion. I witnessed degree work in each Lodge and have found the work to be done in a capable manner with a great degree of accuracy and precision and felt it was very impressive to the candidate. I was particularly pleased to see the Junior Officers and the Young Members giving the lectures in the three degrees instead of having the Past Masters do the work.

The majority of the Lodges held "Ladies' Nights" most of which Mrs. Rowe and I were able to attend. The warm welcome and hospitality made these visits more pleasant and added enjoyment to my year.

Each Lodge held its own Divine Service, the majority of which I attended also.

Although we did not have the honour of having the Most Worshipful the Grand Master in our District this year. I had the pleasure of being in six other Districts in which he was so honoured.

I had five District Deputy Grand Masters visit with me on several occasions in my District. It was my privilege to return those visits whenever time would allow.

As our communities grow, so do our Lodges, and unfortunately as our Lodges grow, a smaller percentage of its members have the opportunity to participate in the work of the Lodges. I have tried to impress on each Lodge the importance of giving the junior members some small part in the degree work, or give a short talk on Masonic Education, so as to make them more interested, so that a closer bond of fellowship may be established. Masonry has too many virtues to exclude a brother from playing his part in the work of the Craft.

The ready assistance, co-operation, and fraternal feeling which I have encountered, clearly indicates the splendid Masonic spirit that prevails in Sarnia District.

In closing, I wish to thank Sarnia District for giving me the privilege and pleasure of serving them as District Deputy Grand Master.

STEWART C. ROWE, D.D.G.M.

SOUTH HURON DISTRICT

During this year it has been my desire to especially encourage participation by all the District Lodges in the Grand Master's Remembrance Memorial Fund, the establishment of Local Benevolent Funds, encourage Masonic Education, encourage a closer bond between the District Churches and Lodges, and encourage inter-lodge visitations. Cooperation has been outstanding in all these projects. Relationships within the District and with the adjoining Districts are exceptionally good.

Attendance at the Official Visits was most gratifying with the average attendance taken over the 17 Lodges of over 100. The secretarial duties in every Lodge are being capably handled. There is an earnest desire on the part of every Secretary to maintain a high standard of efficiency. The Craft may sometimes tend to overlook the faithful service of the Lodge Secretaries who quietly and efficiently keep the many records of our Lodges.

The Grand Master, Most Wor. Bro. C. M. Pitts, honoured South Huron at the celebration of the Centennial of Tudor Lodge, No. 141, Mitchell, by his presence in the lodge room and at the banquet that followed.

I was present at Lebanon Forest Lodge, No. 133, Exeter, when my eldest son-in-law, Bro. Lorne Ford was initiated into Masonry. Later, on the occasion of my official visit to my Mother Lodge, Granton, No. 483, I had my other son-in-law, Bro. Jack Riddell, initiated into our beloved Craft.

Illness struck two of my most faithful brethren during the year. Our District Chairman of Masonic Education, V. Wor. Bro. Sid Goring of Tavistock Lodge, No. 609, was laid up with a heart condition. Our District Chaplain, Rev. Bro. Wm. J. Maines, was also laid up with a heart condition. I am pleased to report that, thanks to the Great Architect, both of these beloved brethren are now well on the road to recovery.

While the facilities of all the District Lodges are clean and comfortable, I feel that particular attention should be drawn to the refurbishing of Huron Lodge, No. 224, Hensall. When their present programme of renovation is completed they will have a most modern centre of Masonic activity.

The Worshipful Masters and Senior Wardens gathered together at an open air barbecue at my farm early last Fall so that we might get to know one another. This created a fellowship that carried through the year and I especially appreciate the loyal following led by these brethren that

inspired me on my visitations. No D.D.G.M. could hope to have better support from the Officers of his District.

I presented Grand Lodge Regalia to V. Wor. Bro. James Feagan at Morning Star Lodge, No. 309, Carlow, and to V. Wor. Bro. Kenneth Hodgins at Lebanon Forest Lodge, No. 133, Exeter, and I complimented V. Wor. Bro. Freeman Hodgins of Doric Lodge, No. 233, Parkhill, on his appointment to Grand Steward. The presentation of Fifty Year Medals was also a pleasure I shall never forget as I participated in the presentation of this outstanding award to two old faithfuls at Morning Star Lodge, No. 309, Carlow, in the persons of R.W. Bro. Hugh Hill and V. Wor. Bro. J. Robertson, at one of the most colourful Masonic meetings of the year. On my official visit to Elma Lodge, No. 456, Monkton, I presented this Medal to Bro. Thomas Hurst, a brother who, through the years, has been a great source of strength to Masonry.

Our Past Masters' Association held their Annual District Ladies' Night at St. Marys. It was very well attended, although we regret to state that just prior to the Meeting our Guest Speaker Rev. Bro. Alex Nimmo passed away. R. Wor. Bro. Bruce Foster graciously came to our aid and presented a very interesting talk and challenge to us as Masons to encourage education. Our sincere sympathy is extended to the family of the late Rev. Bro. Nimmo.

During the year our Past Masters' Association has been active developing the thought that the time could be approaching when the name of an outstanding District Mason should be offered to Grand Lodge for possible election to the Board of General Purposes. It is my sincere desire that this be the case as interest in Grand Lodge is keen in this District and we have many worthy Masons who could serve the Craft on a higher level. The Past Masters' Association also sponsored a Lodge of Instruction at Stratford under the direction of Rt. Wor. Bro. Molson Cain. This was most educational and the large attendance justified the effort to make this evening possible.

The District Divine Service was held in the Granton United Church and, in the absence of the District Chaplain, Rev. Bro. Wm. J. Maines, due to illness, we were most fortunate to have the Service under the direction of Rt. Wor. Bro. D. M. Guest, Past Grand Chaplain. He was ably assisted by Wor. Bro. Padre Moore of Centralia Airport and Rev. Bro. Alex Campbell of St. Marys. This Service was very well attended and I am happy to report as well that most District Lodges have also held Divine Services.

Family and Ladies' Nights were held in many of the District Lodges and these were successful and operated on the highest level of propriety.

In concluding this report, I wish to thank Grand Lodge for their ready assistance in all matters requiring clarification, Rev. Bro. Wm. J. Maines for his inspirational presence and guidance, and my efficient Secretary, Wor. Bro. Bruce Grant, for his willing and very capable assistance.

JOSEPH E. BRYAN, D.D.G.M.

ST. LAWRENCE DISTRICT

The honour of serving as the representative of the Grand Master in St. Lawrence District has been a distinct pleasure and a very rewarding experience. The esteem and regard for the Grand Master was clearly shown by the cordial reception and support I enjoyed on my visits to the nineteen Lodges in the District.

I was pleased to appoint Wor. Bro. R. L. Patterson as District Secretary, Bro. Rev. S. Kerrison as District Chaplain, Rt. Wor. Bro. O. E. Keene as District Chairman of Masonic Education, and Wor. Bro. C. E. Marshall as the District Chairman of the Blood Donors' Committee.

The District Secretary and the District Chaplain accompanied me on all my visits with only one exception. I am especially grateful for the very capable assistance I received from these brethren during the year.

The need for Masonic Education was stressed very forcibly throughout the year and, under the able guidance of the District Chairman, a very notable increase of interest in this phase of our work was evident. The District was divided into four sections geographically, and for each section a Supervisor was appointed. It was his duty to assist the local Chairman in his particular area of the District. This arrangement worked very smoothly with the result that all the nineteen Lodges devoted some period to Masonic Education at their meetings.

On my official visits to all the nineteen Lodges I found the degree work to be exemplified in a very efficient manner. The officers and other brethren taking part in the ritual were very proficient and I can say in all sincerity that Masonry in St. Lawrence District is in a very healthy condition.

The calibre of the brethren being admitted to our great fraternity is of a high standard and there is no doubt at all that Masonry in this District will be in very capable hands in later years just as it is at the present time.

It was indeed a pleasure and a privilege to have three visits to the District by the Grand Master during my term of office. The District of St. Lawrence entertained Most Worshipful Brother C. M. Pitts at a reception held at Perth on November 2nd. This reception was very well attended despite the time of the year. The Grand Master's address on this occasion was, as always, an inspiration to all those who were privileged to hear him and he was accorded a standing ovation by all present at the completion of his message.

I was particularly pleased to have assisted the Grand Master on the occasion of the Dedication of my Lodge, Merrickville, No. 55. The Grand Master was accompanied by a number of past and present Grand Lodge officers and in spite of the inclement weather a very good attendance was recorded. Merrickville Lodge has now been completely restored after a very disastrous fire (the work of an arsonist) which destroyed our premises, records and regalia.

Another highlight of the year was the Dedication of Evergreen Lodge, No. 209, Lanark, by the Grand Master and again I had the pleasure of assisting in the ceremony. On this occasion the Grand Senior Warden and the Grand Junior Warden were present together with Rt. Wor. Bro. Geo. McQueen and other present and past Grand Lodge officers. Prior to the ceremony of Dedication a very delightful banquet was enjoyed in the banquet room of the Temple. On this occasion the Grand Senior Warden, Rt. Wor. Brother H. E. Wilson, presented to the Grand Master a gavel which was hand tooled and carved by an old craftsman and is indeed a masterpiece of an almost lost art. During the course of the banquet it was pointed out this was the first occasion in ninety-two years that a Grand Master had visited with his brethren of Evergreen Lodge. I would be very remiss if I did not commend the brethren of Evergreen on their new Temple. The old Lodge was lost during the very disastrous fire which destroyed more than half of the Village of Lanark. Despite this great loss the spirit of Freemasonry was still strong and the new Temple will be an everlasting memorial to those who took upon themselves the almost impossible task of re-building. St. Lawrence District is deeply grateful to our beloved Grand Master for the three visits, especially when we assess the amount of time and travelling involved throughout this Grand Jurisdiction during his tenure of office.

Throughout the entire District complete harmony prevails and the interchange of visits between Lodges is cementing more closely the fraternal friendship and brotherly love which are the bulwarks of our ancient fraternity.

All the nineteen Lodges in the District held a Church Service, and on May 28th, the District Divine Service was

held in Merrickville. The Service was conducted by the District Chaplain and there was a good attendance. His address was most impressive and a challenge to those who were present.

The District Blood Donors' Committee is still doing a splendid job under the able guidance of Wor. Bro. C. E. Marshall and further donations of blood have been made this year.

The Masters', Past Masters' and Wardens' Association is very active under a very capable Secretary, Rt. Wor. Bro. F. J. Latham, and a strong executive drawn from all sections of the District, in further promoting the cause of Freemasonry throughout the Diistrict.

It was my pleasure, accompanied by Mrs. Jackson, to attend several 'At Homes' together with my District Chaplain and his wife and also the District Secretary and his wife. I am most grateful for the many courtesies shown us during these visits and particularly those I was permitted to share with my wife.

Finally, Most Worshipful Sir, I say thank you for the privilege of having represented you in the District of St. Lawrence and I will continue in my efforts to serve Freemasonry to the best of my ability. To the brethren of St. Lawrence District my sincere thanks for the very high honour conferred on me. My sincere thanks, also, to the Grand Secretary and his staff for the prompt and efficient action given to my correspondence and queries. To the Custodian of the Work, for his patience and counselling when instructing the incoming D.D.G.M., I offer my sincere appreciation.

GEORGE JACKSON, D.D.G.M.

ST. THOMAS DISTRICT

It has been a very pleasant experience for me, during the past year, to make an official visit to each of the eleven Lodges in the St. Thomas District, and to record my sincere appreciation of the warm welcome and loyal support given me by all the Lodges in the District.

My appointments were District Secretary, Wor. Bro. W. Gordon Agar, District Chaplain, Wor. Bro. Earl Fulmer, and Director of Masonic Education, Wor. Bro. Hugh Silcox. These brethren assisted me very much and were with me on most all my official visits.

All Lodges in the St. Thomas District, except one, have their own Temple Building and two Lodges are debt free, which I am very proud of.

For the District Divine Service in Central Baptist Church in St. Thomas there was a large turn out and the Church was well filled. Rev. Harmer, not being a member of the Craft, brought us a wonderful message. After the Service we were addressed by Rt. Wor. Bro. John Ryan, P.G.S.W. from Chatham. Some Lodges also held a Service of their own.

Masonic Education was taken care of by the District Chairman, Wor. Bro. Hugh Silcox, in a very good manner and he spoke at a number of meetings during the winter. He also had one special meeting where he had all the Lodges in the District take part drawing a large turn out, but making a long evening.

Many veterans were honored during my year. The first official visit I had at St. Thomas Lodge, No. 44, I presented nine Fifty Year Medals and one Sixty Year Pin which represented a total of 510 years of Masonry.

The real highlight for the year was the Centennial of Malahide Lodge, No. 140, at Aylmer. On this occasion we had with us the Grand Master, C. M. Pitts, who dedicated their gold braid regalia. This makes four one hundred year Lodges out of eleven in St. Thomas District.

I was with the Grand Master on his visit to London District and Chatham District. His address on all these visits was very helpful and enlightening. He has a way with him which seems to give one such a good understanding and is a great help in one's work.

I visited with the D.D.G.M.'s of South Huron, London, Sarnia and Chatham Districts. They all visited back in the District with me.

During my term I have seen degrees conferred in all the Lodges except one. This Lodge raised and lowered in the three degrees in a very satisfactory manner. Work throughout the District is kept very close to the ritual as we have a number of old P.D.D.G.M.'s who are very active and alert.

A number of the Lodges held Ladies' Nights which Mrs. Tolman and I had the pleasure of attending and associating with the brethren and their wives.

We have a Past Masters' and Wardens' Association in the District which I feel is a great help to the brethren. The Association is also a great help in keeping our ritual uniform in the District.

I cannot conclude without expressing my deep thanks to the Masters and Secretaries of the District for their kind support in helping me to perform my duties as D.D.G.M.,

also to M. Wor. Bro. H. L. Martyn and Rt. Wor. E. G. Dixon for the way they have helped and instructed me.

The year being at an end it has been a great honor for me to have had the pleasure of serving in the St. Thomas District. I am sure it will be one year of my life which I shall never forget.

JOHN O. TOLMAN, D.D.G.M.

TEMISKAMING DISTRICT

I have the honour to submit herewith my report on the condition of Masonry in the District of Temiskaming.

My duties commenced with the appointment of Wor. Bro. William G. Little as District Secretary and he has handled the duties of his office most capably, renewing and making a host of friendships along the way.

Wor. Bro. L. C. Murphy was appointed District Chairman of Masonic Education and his work in bringing this subject to the attention of the brethren on each official visit by way of a short talk was most outstanding. These interesting lectures (10 in all) were later prepared in bound form and made available to all Lodges and to the many individual members who expressed interest in them. Wor. Bro. Murphy's work in this regard is most welcome and commendable.

Bro. Rev. R. E. Adams was appointed District Chaplain and conducted Divine Worship at two District Church Services, one held in Kirkland Lake under the auspices of Corinthian Lodge, No. 657, for the southern part of the District, and the other in Cochrane under the auspices of Cochrane Lodge, No. 530, covering the northern section. I am happy to report that both these functions were most successful.

Continuing a petition signed by members of Golden Beaver Lodge, No. 528, and others last year and presented through Rt. Wor. Bro. D. J. Paterson for the creation of a new Lodge, I was happy to receive from the Grand Master a dispensation creating a new Lodge and the ceremony of instituting this new Lodge to be known as "AURUM" was duly carried out on October 5, 1960, with Wor. Bro. A. K. (Archie) Graham as the first Master. This is the first new Lodge instituted in this District in fourteen years and the skill and zeal of their officers and Masters augers well for the new Lodge's future.

I visited all Lodges in the District officially once and and some of the Lodges unofficially more often, and without exception I found the degree work being performed in a

most impressive manner and in accordance with the highest traditions of the Craft.

On November 14 I was received in Englehart Lodge, No. 534, working under Wor. Bro. E. Vipond, the Master. During the evening Grand Lodge regalia was presented to Very Wor. Bro. Lloyd Netherton, Grand Steward, following which Very Wor. Bro. Netherton led the brethren in a memorial service for those who had journeyed to the Grand Lodge Above. This Lodge had just added a new natural gas heating unit to their building and the Lodge and their members are a credit to the Community.

On December 1, I visited South Porcupine Lodge, No. 506, working under their Master, Wor. Bro. W. J. Marshall, and his officers who conferred the First Degree in a most excellent manner.

Corinthian Lodge, No. 657, Kirkland Lake, was visited on December 6 and their work under the Master Wor. Bro. W. Ray Jones was outstanding.

I was received in my mother Lodge, Cochrane, No. 530, on December 9, where the degree work under the Master, Wor. Bro. E. M. Taeger, is of a high calibre.

Doric Lodge, No. 623, Kirkland Lake, working under the Master, William J. Beard, was visited January 12 and a most enjoyable evening was spent in their midst. This Lodge occupies the Temple jointly with their Sister Lodge, Corinthian, and are noted for their many special nights with the work being performed by Masons who are closely allied with the candidate. Their efforts in continually creating special interest in the work and the efforts of their members in the affairs of their community are worthy of special mention.

I was received into Abitibi Lodge, No. 540, working under the Master, E. C. Jack, on January 20. They proceeded to confer a Second Degree in a most acceptable way. Their lodge quarters have been newly decorated and indicate the interest the membership has in the Craft.

Golden Beaver Lodge, No. 528, Timmins, occupies the Temple jointly with Aurum Lodge, U.D. and I was received by their Master, Wor. Bro. Harry Poole on April 12. The work of their members in extending the principles of the Craft into their daily lives cannot fail to benefit the town of Timmins.

The Grand Master., Clarence MacLeod Pitts, honoured the District with an official visit and was tendered a reception at the McIntyre Arena on Friday, May 5th, sponsored by the Lodges in the northern section of the District. The

following day the Grand Master travelled to Kirkland Lake where a similar reception was held by the Lodge in the southern section. On both these occasions the Grand Master received an enthusiastic welcome and the addresses he delivered on both these nights enshrined him in the hearts of his brethren.

My final visit was made to Spruce Falls Lodge, No. 648, at Kapuskasing, where I was received by the Master, Wor. Bro. E. Kennedy, on May 8th. This, our most westerly Lodge serves an ever increasing territory now expanding to the north where the Ontario Hydro is developing the power site at Little Long Rapids. A visitor to this Lodge cannot fail but be impressed by the friendliness and sincerity of the membership.

Special mention of the work of Wor. Bro. Karl H. Redden as District Chairman of our Blood Bank services should be made. This is the second year his services in this capacity have been used and he has performed his duties with distinction.

Under the direction of competent Masters and officers, aided by a membership inspired by the high principles of the Craft, Masonry has steadily forged ahead in contributing to the rapid development of this vast northland.

WALTER H. QUINN, D.D.G.M.

TORONTO DISTRICT "1"

As I review the many activities of Toronto District "1" during the past year I am conscious of the fact that one cannot possibly put into words the degree of fellowship and the feeling of welcome enjoyed by the representative of the M.W. the Grand Master during this year of office. Nor is it possible to express the very great admiration and respect in which Grand Lodge is held throughout this District.

My duties and responsibilities were made easier and much more enjoyable by the wonderful cooperation and assistance of the District Secretary, Wor. Bro. George E. Boydell, the District Chaplain, Wor. Bro. Joseph W. Stewart, the Chairman, Wor. Bro. C. W. Wonfor, and the Secretary, Wor. Bro. E. H. Smith of the Committee on Masonic Education for the District and Wor. Bro. W. A. Campbell, Chairman of the Blood Donors' Committee. My thanks and appreciation as well as those of the whole District are extended to these faithful brethren.

There are 19 Lodges in Toronto District "1" and on each and every one of 19 visits with the District Secretary,

it was most gratifying to find that a near perfection of word and movement, as well as a true sincerity of portrayal was achieved in every degree. The enthusiastic support and participation of Past Masters, Officers and Members, is being reflected in a slow but constantly increasing attendance at both regular and emergent meetings. In every case the District Secretary found a well-planned effort towards a wise control of lodge finances and all books and records very well kept.

The Annual Divine Service was held Sunday evening, April 16th, at Wesley United Church, Mimico, under the direction of Wor. Bro. Joseph W. Stewart, District Chaplain. This was an exceptionally well attended service and a most inspirational sermon was delivered by the District Chaplain.

Another highlight of the year was the Annual Educational Night held December 28th in the Annette Street Temple. So great a crowd was in attendance that only a very small floor area was available for the actual work of the evening. The program was most informative and was presented in a very interesting manner. Credit for this great event should be given to the Committee on Masonic Education who received the utmost cooperation and support from Toronto District "2" and the Wardens' Associations of both Districts. A special note of thanks is extended to Rt. Wor. Bro. Jack Irvine who travelled from London, Ontario, to be the speaker at the banquet hour and he made an outstanding contribution to the success of this occasion.

Most of the Lodges and brethren of Toronto District "1" were conscious of their responsibility to the Remembrance Memorial Building Fund and have taken the opportunity of having a personal part in this very worthy memorial.

The limitations of space prevent a full report on all the events of the past year but it was my very enjoyable privilege to have had Most Wor. Bro. Harry L. Martyn present in the District on several occasions. The District Church Service, the presentation of Long Service Medals in Anthony Sayer Lodge and the Past Masters' Night in Memorial Lodge are but a few such occasions. I recall with a great deal of pleasure two evenings as well as Ladies' Night in Kilwinning Lodge when one of their members, Bro. Tom Ross, was present. This very regular attender at Kilwinning Lodge celebrated his 100th birthday last Christmas and is still regular in his attendance at his Lodge.

Both Mrs. Stewart and I had the pleasure of attending many of the Ladies' Nights throughout the District. These were most enjoyable and certainly were conducted in a manner to reflect credit on all Masons and their ladies.

Among the many rewards received during this year of office was the cooperation and the resulting warm personal friendships that have developed between all the District Deputy Grand Masters of the Toronto Districts and this, plus the rewarding experience of becoming closer in friendship and fellowship with all of my brethren of Toronto District "1", represent just a part of the benefit I have derived from the great invaluable privilege of serving as the representative of the Grand Master in Toronto District "1".

For this memorable year I extend my thanks and appreciation to all my brethren.

WM. A. STEWART, D.D.G.M.

TORONTO DISTRICT "2"

It has been a great honor to represent the Grand Master in Toronto District "2", and will always be remembered as a most happy and rewarding year.

The friendly and gracious reception extended in every Lodge was a definite indication of the affection and esteem in which the Grand Master and Grand Lodge is held by the brethren in this District.

Immediately upon assuming my duties it was my privilege to appoint a group of outstanding Masons to assist on the various committees, so important to the efficiency of any District.

For the outstanding contribution made in the advancement of Masonry in Toronto "2", my sincere appreciation and thanks is extended to W. Bro. Percy C. Bolton, District Secretary, Bro. the Rev. Gordon C. Smyth, District Chaplain, W. Bro. Leslie Salisbury, W. Bro. David Forrester, W. Bro. Harvey Weston, W. Bro. Andrew Nesbitt, Jr., and W. Bro. M. Buckingham.

The ready assistance and sound counsel of M.W. Bro. Harry L. Martyn, in his capacity of Custodian of the Work, were very much appreciated and contributed greatly in making the past year one of profit and pleasure.

I attended the Dedication Ceremony of the Remembrance Memorial Building in Hamilton on October 31. Truly it is an edifice of which every Mason in our Grand Jurisdiction may be justly proud.

On November 29th, it was my privilege to assist M.W. Bro. Joseph A. Hearn in the Consecration of The Lodge of the Pillars, A.F. & A.M. No. 703 in Weston Temple and to welcome this fine Lodge into the fold of Toronto District "2".

I visited every Lodge in the District at least twice, receiving a warm and friendly welcome on each visit.

I am most happy to report, after observing all 18 Lodges at labour, that the standard of Masonry as practiced by all Lodges in Toronto District "2", is of a very high standard. The work is conducted with sincerity and enthusiasm, and I sense a great thirst for Masonic knowledge, particularly among the officers. All Lodges are showing a great deal of concern, regarding poor attendance, and the majority either have or are instituting plans they hope will bring their members out in greater numbers.

I made every attempt to stimulate the interest of the brethren in contributing to the Remembrance Memorial Building Fund and, while the initial response was slow, I feel confident that, when the final figures are tabulated, this District will have made a very creditable contribution.

Toronto Districts "1" and "2" combined, on two occasions, holding a District Educational Meeting, organized and conducted by the District Educational Committees with the assistance of the Wardens of both Districts. The first combined meeting was held in Annette Street Temple on December 29th, under the auspices of Toronto District "1" with Temple, No. 525 as the host Lodge. The second combined District Educational Meeting was held in York Temple, sponsored by Toronto District "2", with Transportation, No. 583, as the host Lodge. This meeting, for Master Masons only, followed the theme, "What every newly raised Master Mason should know." We were fortunate in obtaining R.W. Bro. Arthur V. Piggott, P.D.D.G.M. of the Grand Lodge of Manitoba, Winnipeg District 1, as the speaker at the banquet hour. Both District Meetings were exceptionally well attended, straining the facilities at both Temples to the full.

Our Divine Service, held at Yonge Street United Church on Palm Sunday, under the leadership of our District Chaplain, Bro. the Rev. Gordon C. Smyth, was an outstanding event, with the Church filled to near capacity.

I was able to attend the majority of Installation Ceremonies in the District, missing only those where the dates conflicted.

My year as your representative finished on a very high note, having the privilege of initiating both of my sons into Freemasonry, at Fidelity Lodge, No. 575, on May 17th.

Assisting me in this ceremony were M.W. Bro. Harry L. Martyn, all Toronto District Deputy Grand Masters and R.W. Bro. Hector E. Wilson, the Grand Senior Warden.

I am very proud of the Lodges in Toronto District "2", as without exception they are striving to advance the principles of Freemasonry and to maintain its high standard.

May I thank you sincerely for permitting me to serve as your representative in Toronto District "2" during the past year. I have tried to serve you well and trust the year has met with some measure of success.

WALTER E. SILLS, D.D.G.M.

TORONTO DISTRICT "3"

To have served as the first District Deputy Grand Master of Toronto District "3" has indeed been a rewarding and wonderful experience. Everywhere I visited in the fifteen Lodges of this District my reception was most cordial, and the warmth of true Masonic fraternal fellowship was always in evidence. Full respect was accorded to the Grand Master and Grand Lodge at all times.

After my installation, I made the following District appointments:

- Wor. Bro. H. V. Watson — District Secretary
- Bro. Rev. Hugh Macdonald, M.A. — District Chaplain
- Wor. Bro. W. Furlong — Chairman of District Masonic Education
- Wor. Bro. J. Watt — Secretary of District Masonic Education
- Rt. Wor. Bro. T. H. W. Salmon, P.D.D.G.M. — Chairman of the Blood Donors' Committee
- Rt. Wor. Bro. T. J. Arthur, P.D.D.G.M. — District Chairman of the Remembrance Memorial Building Fund for Grand Lodge.

These brethren have been most helpful to me in the discharge of my duties and have given generously of their time.

During the year I paid one official visit to each Lodge in the District, was present at all Lodges for the Installations, and made other unofficial visits. On each official visit I witnessed a degree being conferred and, without exception, found the work of the highest order and in accordance with that approved by Grand Lodge.

The District Secretary, Wor. Bro. H. V. Watson, after inspection of records of each Lodge, reported that all books, records and registers were carefully and neatly kept and that he had received every assistance from the Secretaries. All of the Lodges in the District appear to be in a fairly sound financial position. Fire protection in most of the Lodges is satisfactory, but, unfortunately, not in all. In such cases, it has been brought to their attention.

During the year Toronto Districts "3" and "4" held two joint educational meetings; one in the Fall under the Chairmanship of Wor. Bro. Stanley Cecil, Past Master of Dentonia Lodge, District "4", assisted by Wor. Bro. W. Furlong, Past Master of Orient Lodge, District "3", at John Ross Robertson Lodge; the second meeting in the Spring at Richardson Lodge, under the Chairmanship of Wor. Bro. W. Furlong, District "3", assisted by Wor. Bro. S. Cecil, District "4". On both occasions these brethren were assisted by Wor. Bro. Jas. Watt, of Caledonia Lodge and Wor. Bro. F. Vigus of John Ross Robertson Lodge, secretaries of their respective Districts. Both of these Masonic educational meetings were interesting and instructive, and were well attended. Our sincere thanks and appreciation to all brethren who took part.

During the first part of my year I had the privilege of representing Toronto District "3" at the receptions given to the District Deputy Grand Masters in Toronto Districts, 1-2-4-5 and 7, and in return they honoured District "3".

At a regular meeting in September, Richardson Lodge, No. 136, Stouffville, celebrated their Centennial. The highlight of the evening was the presence of the Grand Master, M.W. Bro. C. MacL. Pitts, who was presented with a Life Membership in Richardson Lodge by Rt. Wor. Bro. A. E. Weldon, P.D.D.G.M.

At the end of October, I represented Toronto District "3" at the Official Unveiling of the Corner Stone and Dedication of the Grand Lodge Memorial Building in Hamilton.

My association with the Masters and Wardens of District "3" has been a close and happy one. Their help and assistance during the year has been invaluable to me.

The District Divine Service was held in Trinity United Church, Uxbridge, on Sunday, April 30. Bro. Rev. Hugh Macdonald, the District Chaplain of Fallingbrook Presbyterian Church, Scarborough, conducted the Service. Rt. Wor. Bro. L. S. Beak, D.D.G.M. of Toronto District "4" also assisted in the Service which was largely attended.

I presented a Long Service Medal to V.W. Bro. A. Thorne of Orient Lodge, No. 339. This was the first Long Service Medal to be presented in Orient Lodge. Five Veteran Jubilee Medals were also presented during the year in District "3". These are the brethren who have made Masonry respected both inside and outside of the Lodge.

On March 15 Toronto Districts "3" - "4" - "7" had the honour of tendering a joint reception to the Grand Master. This reception and banquet was attended by many present and past Grand Lodge Officers. About four hundred and

fifty brethren demonstrated their loyalty and esteem by presenting the Grand Master with a cheque in aid of the Remembrance Building Fund. The brethren were richly rewarded by a most interesting address ably delivered by M.W. Bro. C. MacL. Pitts.

Early in February we were saddened with the sudden passing of the Dean of our Past Grand Masters, M.W. Bro. William J. Dunlop. A loss so great cannot fail to be severely felt throughout our Grand Jurisdiction.

Mrs. Gould and I, as well as the District Secretary and Mrs. Watson, appreciate the numerous invitations received to attend "Ladies' Nights". These we accepted and we enjoyed the wonderful hospitality extended to us on all occasions.

I can say that Masonry throughout Toronto District "3" is in splendid condition. The Worshipful Masters and the officers are carrying out their duties with honour and dignity.

Fulfilling the office of District Deputy Grand Master of Toronto District "3" has been a most exciting and pleasant experience and one that I shall always remember.

W. H. GOULD, D.D.G.M.

TORONTO DISTRICT "4"

It is with feelings of much regret and great humility that I approach the end of my tenure of office in Toronto District "4". The experience gained in performing my duties has considerably broadened my understanding of the true meanings of Freemasonry and the inner workings of the Craft.

I feel that I must express my thanks to the Grand Master for the privilege and honour of being his representative, and I am firmly convinced that my personal associations with him have left a memorable and distinctive impression upon me, which I hope, will enable me to expand my contribution to the Craft.

To the Present and Past Grand Lodge Officers, the Worshipful Masters, Past Masters, Officers and brethren of the Lodges in Toronto District "4", my appreciation for their many kindnesses, assistance, co-operation and forbearance.

I appointed W. Bro. Wm. L. Stricker as District Secretary, Bro. Rev. B. Brightling as District Chaplain, and W. Bro. Stanley Cecil as Chairman of the Educational Committee.

Throughout the year I witnessed the performing of all three degrees, and the uniformity of the work speaks highly

of the supervision in the past. It was noticed, on several occasions, that the participation of the members was being encouraged, and this, I believe, cannot help but result in better attendance records.

The District Secretary reported that the books and records of the Lodge Secretaries and Treasurers were being kept in a clear and efficient manner. While on the whole the Lodges were in very good financial condition, we were concerned with the amount of outstanding dues, and advised them to make a determined effort to correct these delinquencies and to return the lost brethren to the fraternal fold.

The reports of the District Secretary also confirm the general trend of a decline, or at least a slow down, in the progress of our membership, and though the majority of the older Lodges suffered losses in memberships, the rapid expansion of the younger Lodges more than offset them. The end result was that the District as a whole, enjoyed a net gain of approximately 30 members.

The annual District Divine Service was held on October 16th, in the Church of the Resurrection, Woodbine Avenue, Toronto, and it was most gratifying to have such an attendance as to almost fill the Church.

In conjunction with Toronto District "3", two Educational Nights were held, one in the City of Toronto and one in the Village of Stouffville. The attendance at these meetings was approximately 428, and at this time I wish to acknowledge the very worthwhile contributions of W. Bro. G. W. Furlong and W. Bro. Stanley Cecil, Chairmen of the Educational Committees of Districts "3" and "4".

Unquestionably the highlight of a very active year, was the Reception of our Grand Master, M.W. Bro. Clarence MacLeod Pitts, which was held on March 17th in the Thomson Collegiate on Lawrence Avenue East, Scarborough. Toronto Districts "3", "4" and "7" participated in this memorable occasion, and the more than 400 brethren present were tremendously impressed by the enthusiasm, dignity, poise and sincerity with which our Grand Master is performing the duties of his high office.

On Monday, April 24th, M.W. Bro. Harry L. Martyn officiated at the "Sodturning Ceremonies" for the new Scarborough Masonic Temple, construction of which is now underway and is expected to be completed before the end of the present year. Later, on the same evening, M.W. Bro. Martyn addressed the brethren of Scarboro Lodge, No. 653, and many visitors, and during his most enthusing, stirring, inspiring talk, he stated that the challenge encountered

in a project such as this invariably resulted in greatly increased Masonic activities and interest. This appears to be confirmed, for I have since been approached with a petition for a dispensation to form a new Lodge, to be called Universe Lodge, and it can be expected that the next 12 months will see the formation of yet another Craft Lodge, as well as a unit of one of the other corporate bodies of our Fraternity.

In all, I have found Masonry worthy of its high ideals, abounding in good fellowship, and it is my most earnest prayer that I be granted health and strength that I may continue to be of service to our great Fraternity for the many privileges it has bestowed upon me.

LEWIS S. BEAK, D.D.G.M.

TORONTO DISTRICT "5"

It is indeed an honour to report to you on the condition of Masonry in Toronto District "5". It has been a great privilege to serve my brethren. The cordial reception given me on all occasions evinced the loyalty and esteem of the brethren for the Grand Master and Grand Lodge. I wish to thank all those who have made this year a most rewarding year for me.

Toronto District "5" is now composed of thirty Lodges with approximately seven thousand members. During the year I made an official visit to each Lodge, and I am pleased to report that Masonry throughout the District is of a very high calibre. All Lodges are working in the authorized manner, and there is a great desire for excellence in the degree work. This I tried to encourage when speaking to the brethren in the lodge rooms.

Early in the year I had the pleasure of appointing Wor. Bro. W. Stewart Blizzard, a Past Master of Rowland Lodge, as District Secretary, Bro. Rev. Duncan White as District Chaplain, Wor. Bro. Robert T. Moore as Chairman of Masonic Education, and Wor. Bro. James Manuel as Chairman of the Blood Donors' Committee. Wor. Bro. Blizzard, who served as my Senior Warden during my year as Master, accompanied me on all official visits and assisted me greatly in the discharge of my duties. His thorough examination of the records of the various Lodges enabled me to make useful and accurate comments when I summarized the findings to the brethren.

In September I had the honour of accompanying Most Worshipful Bro. Harry L. Martyn and assisting in the constituting and consecrating of the Lodge of Fellowship. I am also pleased to report that Patterson and Kroy Lodges have

built a new Temple at Thornhill. It is a very fine building; the Lodge room has a seating capacity of approximately 140 permanent seats; the basement is finished as a banquet room; there are parking facilities for 150 cars. I will again have the privilege of accompanying Most Worshipful Bro. Martyn on June 16th when he will be dedicating the new Temple.

During the year I attended most of the Church Services held by the Lodges in the District. On these occasions I was called upon to read the lesson. A District Church Service was held in Trinity United Church at Newmarket, the Church of our District Chaplain, Bro. Rev. Duncan White, who conducted the Service. It was well supported by the brethren of the District and their families. There were two District meetings on Masonic education. One was held in a city Lodge and the other in a suburban Lodge. Most meetings were well supported with approximately four hundred attending. I also found that in every Lodge in the District there is some program on Masonic education. At the District meeting in July, 1960, a committee of five P.D.D.G.M.'s were appointed to draft a plan for dividing the District. A draft of the proposed redistribution was presented to the Masters, Past Masters and Wardens for discussion at a meeting in January. It was regularly moved that the plan be accepted and that each Lodge be polled by letter. Most of the Lodges reported favourably. The proposed plan now awaits the approval of Grand Lodge. During the year my wife and I attended many Ladies' Nights with the District Secretary and Mrs. Blizzard. We were graciously received on all occasions. May I express to the brethren of these Lodges our appreciation for the many courtesies extended to us. The Past Masters', Masters' and Wardens' Associations are very active. I believe this speaks well for the harmony that exists among and within the Lodges of the District.

I wish to pay tribute to all those who were always ready and willing to assist wherever possible, to the Masonic Education Committee. M.W. Bro. H. L. Martyn. Custodian of the Work, to the Masters, Wardens and brethren of the District, to one and all my very sincere thanks.

Finally, Most Worshipful Sir, thank you for the privilege of having represented you in this District. It is a year that I shall cherish and remember as long as I live.

J. ALLAN CRONE, D.D.G.M.

TORONTO DISTRICT "7"

The last few grains of sand are slowly trickling away in the hour glass that measures my year as the representative of the Most Worshipful the Grand Master in Toronto District "7". It is with mixed emotions that I write this report,

my final duty to as fine a group of men as it has ever been my privilege to serve—the brethren of Toronto District “7”. The honour that has been bestowed on my Mother Lodge, Mizpah, No. 572, in giving it the first District Deputy Grand Master in its 40 year history will be long remembered and appreciated, and I, as the one to carry this honour, have incurred a debt that I shall never be able to repay. My memories of all the gracious and friendly welcomes in the Lodges of this District shall remain forever green as reminders of my indebtedness and of the spirit of goodwill and brotherly love that exists in such abundance in our Craft.

My duties were made very much easier by the District Secretary, Wor. Bro. T. J. A. Gamey, who accompanied me on all occasions and provided the encouragement and friendly advice that one so often needs, in addition to carrying out the particular requirements of his own office. His wise counsel and ready assistance made him invaluable to me, and I am most grateful to him.

The duties of Chairman of Masonic Education were carried out in a very commendable manner by Wor. Bro. George Lennox of Simcoe Lodge, No. 644. He proved by his own enthusiasm and leadership that this office can enjoy a successful term, and made this especially apparent by holding a well-planned and executed meeting for the District under the auspices of Remembrance Lodge by dispensation granted to Wor. Bro. W. A. King, its Master, to whom I offer my sincere thanks on our behalf. I felt from the information contained in the reports from the Lodges on this subject that Masonic Education had received added stimulus and had made very satisfactory progress.

We had the very good fortune to have Rev. Charles C. Murray, a member of Huron-Bruce Lodge, No. 611, as our District Chaplain. A very well attended District Divine Service was held in his church, Leaside United, on March 12th, the fourth Sunday in Lent, followed by a social hour in the church auditorium. Most Wor. Bro. Harry L. Martyn and the D.D.G.M. took part in the Service. I was also able to attend seven other Divine Services both in and out of the District.

The Blood Donors' Service was very capably handled by V. Wor. Bro. Victor Ridgway, of Tuscan Lodge, No. 541, assisted by Wor. Bro. George Rider of Alpha Lodge, No. 384. Many appeals and contacts were made throughout the District by these representatives and a very substantial increase in donors was the reward of their efforts, and I thank them for their generous assistance and trust that their efforts may be continued in the future since this is a very worthwhile service. The number of donors registered at the time of this report is 523, an increase of 69 over the previous year—

approx. 15.3%. Congratulations to V. Wor. Bro. Ridgway and Wor. Bro. G. A. Rider.

I would offer my sincere thanks to my immediate predecessor, Rt. Wor. Bro. A. E. Calverley, for his splendid management of the Remembrance Memorial Building Fund. Without mentioning figures, I feel that Most Wor. Bro.. C. MacLeod Pitts, our Grand Master, will be very pleased with the contribution submitted by Toronto District "7" at the time of final reckoning. It would be of great delight to me if this Fund reached the goal set for this District, but, if it doesn't, I know it will come very close, and would like to express my appreciation to all the Lodges and their Fund Chairmen for their efforts and congratulate them on their success.

Many pleasant and rewarding experiences were enjoyed as the year progressed, starting with the visit of Most Worshipful Bro. Pitts to Union Lodge, No. 118, on the occasion of their 100th Anniversary, September 7, 1960. It was my pleasure to accompany the Grand Master on this trip and to listen to his inspiring remarks and feel that the warmth with which we were received by the brethren will long be remembered by us. Another meeting of great import was the celebration of University Lodge's 50th Anniversary. However, this bright milestone in her history was to be dimmed by the loss of one of her greatest Masons in the person of Most Wor. Bro. W. J. Dunlop. University's loss has been and is being deeply felt throughout the whole jurisdiction and in the public life of our whole community in general and we all mourn the passing of a great man and a greater Mason. We are the richer for having known him and for his great contribution to all of us. Space does not permit recounting the many courtesies and pleasant associations of the year just closing, but one of the many highlights was an evening spent in Fidelity Lodge. This was the occasion when Rt. Wor. Bro. Walter Sills, D.D.G.M. of Toronto District "2", initiated his two sons and the D.D.G.M.'s of Districts "1", "3", "4", "5" and "7" all took part in the ceremony in company with many other Past and Present Grand Lodge officers. I think this occasion is unique in the annals of Masonry. A very interesting and informative address was delivered by Most Wor. Bro. H. L. Martyn at the banquet hour.

This year Toronto District "7", in conjunction with District's "3" and "4", held a reception in honour of the Grand Master. A very fine attendance enjoyed the dinner and the programme following. New surroundings and a somewhat different handling of the evening drew many favourable comments from those who attended.

It is with considerable pride and pleasure that I report on the splendid manner in which the Masters and officers

of the Lodges of Toronto District "7" are carrying out the work of their respective offices as witnessed at the inspections, all of which I was granted health to carry out. Very little criticism was required by me in my remarks concerning the work. Very fine attendances by the Past Masters are being enjoyed, and the enthusiasm of the officers is having the gratifying effect of increasing the attendance of members. The work is being carried out with dignity and sincerity without allowing the evening to carry on to a late hour in most cases.

The District Secretary was able to report that the Lodge Secretaries are most co-operative and are keeping splendid and complete reports of all matters pertaining to their office. The issuing of lodge summonses to the District Secretary and myself were punctual and regular, and I offer our sincere thanks for this and other courtesies all through the year.

In company with the District Secretary several Ladies' Nights were attended on invitations extended by the Lodges of the District, and we both found that these were conducted in a manner that would meet with the approval of the most severe critic. This was also true in connection with the banquet held by the Senior Wardens' Association after their meeting to organize for the year. Considerable agitation is afoot regarding Temple facilities with a few groups actually in the process of planning or building new Temples. The same reasons for these activities exist as in former years—poor parking—increasing rents—present accommodation, etc. On the other hand, most Lodges are reconstructing their finances to try and catch up with their present expenses and so attempt to have a better balanced budget. Increases in dues and initiations are being imposed as part of the answer to their problems.

I would conclude my report by saying that in my opinion Masonry in Toronto District "7" is enjoying renewed health and vigor and is endeavouring to comply with all the rules laid down by the Constitution, and that those participating in the work are performing a very commendable service. My only hope is that in some small way I may have contributed something to the promotion of our great art, and that I have not lowered the dignity of the office that I have been permitted to occupy through the generosity and courtesy of my brethren.

In closing I give you this homely farewell: "May you always take the right turn at the fork in the road. May the wind always be at your back and may the Good Lord take a likin' to you—but not too soon".

J. HOWARD GAHAGAN, D.D.G.M.

VICTORIA DISTRICT

I have the honour to submit herewith for your consideration my report on the condition of Masonry in Victoria District for the year 1960-61.

I express my appreciation to the brethren of my Mother Lodge, Verulam, No. 268, Bobcaygeon, for selecting me as their candidate for this high office, to the brethren of Victoria District for electing me District Deputy Grand Master and to you, Most Worshipful Sir, for your confirmation of that election.

My first official duty was to appoint Wor. Bro. A. E. Woollard as District Secretary. He accompanied me on my official visits and his assistance and co-operation, so cheerfully given, have been a real value and I sincerely appreciated his loyal support. It was also my privilege to appoint Bro. R. C. Hopkins as District Chaplain and his assistance was greatly appreciated. For the Director of Masonic Education I selected V. Wor. Bro. Kenneth Johnson who in the past has contributed a great deal to Masonic education in Victoria District.

Wor. Bro. Dr. W. D. Thomas was appointed District Blood Donor Chairman. While no results were obtained in this field of human endeavours his efforts may accomplish future results.

During my term of office I visited the thirteen Lodges in the District and on every occasion received warm and fraternal welcomes. In almost every Lodge I witnessed degrees conferred in which the Masters and officers seem to take a great interest. One thing that impressed me most was the number of young officers carrying on the work of the Lodges. Indications on every hand pointed to a high standard of degree work in all Lodges of the District. Masonic Education has been promoted as far as possible throughout the District. I have found that most of the Lodges have been pressed for the necessary time to give proper attention to this important subject, due to the extent of degree work that was exemplified. The Secretary, Wor. Bro. A. E. Woollard examined the records, by-laws, Auditors' reports and the Examining Board's report of all Lodges. Insurance coverages, financial statements and minute books were found in excellent order in all instances.

Divine Services have been held by the majority of the Lodges in the District during the year and showed a marked increase in attendance. A District Church Service was held May 21, at the United Church, Bobcaygeon. A most gratifying representation from the Lodges of the District attended this Service. The District Chaplain, Bro. R. C. Hopkins, gave the brethren a very educational message.

Invitations to attend various functions were extended to me from practically every Lodge in the District, and I regret that I was unable to attend all such events due to the pressure of personal and other Masonic duties. When I was able to attend these enjoyable events I found the same approved Masonic conduct prevailing that Grand Lodge desires. Such social gatherings assist to build goodwill among the brethren of the various Lodges.

During the year it was my sad duty to report the passing of Past District Deputy Grand Master Rt. Wor. Bro. G. C. Graham of Spry Lodge, No. 406, Fenelon Falls. This brother was well known and highly respected in the District. Verulam Lodge, No. 268, Bobcaygeon, lost the oldest member in the passing of Wor. Bro. W. A. Davis. He was initiated February 24, 1893, a member of the Craft for 67 years and a Past Master for 60 years. His memory will be cherished by Verulam Lodge. Wor. Bro. John Revell, Master of Victoria Lodge, No. 398, Kirkfield, passed away in December, 1960. He will be remembered throughout the District for his activities in Masonry. Several other brethren of the District passed to the Grand Lodge Above. We cherish their memory.

It is of interest to mention that the District has four Past District Deputy Grand Masters and two Very Worshipful Grand Stewards acting as secretaries. The guidance and continued interest in the Craft of these Grand Lodge members has promoted a high standard of degree work and efficiency in their particular Lodges and throughout the District.

It was with sincere regret that I learned early in my year that our District would not be visited by our Grand Master this year. Victoria District will be looking forward to this pleasure during the coming year.

To the brethren of Victoria District, the guest speakers at my official visits and Grand Lodge Officials, I extend my sincere thanks with the hope that the same fine spirit of fraternal help may be afforded my successor.

WILLIAM J. MULLIGAN, D.D.G.M.

WELLINGTON DISTRICT

Surrounded and supported by a host of Past Grand Lodge Officers, very active Worshipful Masters and Junior Officers and keen brethren in all the Lodges of Wellington District, the year, since my election at Grand Lodge, has been a very enriching experience for me, and has inspired me to greater efforts in all my duties.

Without exception, all who were chosen for specific responsibilities have fulfilled their tasks to the utmost and it has been a rewarding fellowship working together.

The appointment of Wor. Bro. L. W. (Len) Lovell as my District Secretary proved to be a good choice. Len has not only given unstintingly of his time, but has been a friend and counsellor on all our official and fraternal visits throughout the District. His records and books have been up-to-date at all times and I found him just as dependable and trustworthy as when he was my Senior Warden in 1952 when I was the honoured Worshipful Master of Walker Lodge, No. 321.

The re-appointment of Wor. Bro. A T. Prestwich for a second term as Supervisor of Masonic Education was a wise one both for the District and myself. He chose for his theme "A search for Masonic Knowledge", giving ample scope for a variety of subjects. Five well attended meetings, consisting of smaller groups (four or five Lodges) convened by a sub-district chairman, were held in November. Twenty-six brethren presented the various topics for discussion which took place at all meetings, and a great deal of interest was created. On May 24th a "District Masonic Education Meeting" was held in Speed Lodge, Guelph, presided over by Wor. Bro. Prestwich, who outlined a suggested approach to enlist the talents of newly initiated members in the field of Masonic Education. Wor. Bros. Thos. Niven and Jim Spark arranged an exemplification of four sections of the ritual in the First Degree to demonstrate a uniformity of performance on the floor of these particular parts of the work. Rt. Wor. Bro. George McQueen gave a very impressive and thought-provoking discourse on our responsibility as Masons as we make our "Search for Masonic Knowledge". Every Lodge has a committee on Masonic Education and many Lodges make this a part of every meeting. It is our hope that progress has been made in this most important part of our Masonic life.

Bro. (Rev.) Andrew H. McKenzie, as District Chaplain, gave freely of his help and guidance at all times, accompanying me on many of my official visits. At the "District Divine Service" in Knox Presbyterian Church, Acton, on May 14th, he delivered a timely and inspiring message to one of our largest congregations of Masons and friends. We are grateful to Speed Lodge Masonic Choir, which assisted in the musical portion of the Service. A number of Divine Services were held in the District and were well attended.

Our Past Masters', Masters' and Wardens' Association is a very active group in this District, working diligently to promote goodwill. This Association was a prime project of the late Very Wor. Bro. Amos Shoemaker, whose untimely death in January shocked the District. A 'Senior Wardens'

Night' in Galt last fall planned by this Association was very successful and every one was pleased to welcome Rt. Wor. Bro. Hector Wilson, G.S.W., Toronto. This Association meets on fixed dates during Fall and Spring and procedure for much of our District Masonic work is planned and approved by them. Wor. Bro. Earl Wilson is at present President, and Wor. Bro. William Murphy is Immediate Past President. I am very grateful to this group for their help this past year.

Very Wor. Bro. Lyle Miller, Baden, served faithfully as Chairman of the Blood Donors' Committee and reported that results were on a par with last year.

Among the highlights of the year were:

The visit of the Grand Master, Most Wor. Bro. C. McL. Pitts, to Wellington District at a reception and banquet held at the Royal Hotel, Guelph, and capably convened by Rt. Wor. Bro. Bruce Omand. All Lodges, except one, were represented by the Worshipful Master and many distinguished guests and brethren attended. It was my privilege to attend four similar receptions, and on each occasion the Grand Master inspired us with his personality and challenging message.

The unveiling of the corner stone and the dedication of the Grand Lodge Memorial Building on October 31 was a thrilling experience I shall not soon forget.

The installation ceremony of Wellington Lodge, Toronto, and seven similar installation ceremonies in Wellington District were happy fellowships at the New Year time.

The reunion of the brethren, with their ladies, of the eight Temple Lodges of Ontario, held at Kitchener on May 27th, was a memorable day for all, climaxing in a banquet at the Granite Club, with Canon Robert P. Dann, St. Paul's Cathedral, Toronto, as guest speaker. All eight Lodges took part in conferring a First Degree in Waterloo Lodge.

The attendance, with my wife, at some Ladies' Nights, was greatly enjoyed, and the hospitality and kindness extended to us were appreciated.

Masonry in this District is in capable hands and in good condition in every way. There has been a faithful attendance, particularly of the Officers, Past Masters and many of the members, and all are participating and contributing in some way for the betterment of Masonry. It was a privilege to serve on the Benevolent Committee as your D.D.G.M.

In conclusion, may I express my sincere gratitude to the Grand Master for confirming my election, to Rt. Wor. Bro. Dixon and his associates, and all brethren of the District for their assistance and co-operation; and especially to Wor.

Bro. Wingate, of my own Walker Lodge, who arranged for transportation on all my official visits; and to all who graciously volunteered to carry out this task. As I earnestly believe that as man soweth, so doth he reap, it is my hope that some of the 'seeds for thought' that I have tried to sow on each official visit may have fallen on receptive hearts so that my humble contribution may produce some good for Masonry.

ALLAN J. BUCHANAN, D.D.G.M.

WESTERN DISTRICT

To be District Deputy Grand Master for Western District has been a pleasant experience, an honour I appreciate very much.

Early last fall, we, in Western District, were fortunate in having a visit by our Grand Master, Most Worshipful Brother C. MacLeod Pitts, accompanied by Right Worshipful Brother E. G. Dixon, Grand Secretary, and Bro. N. Byrne. A Reception and Dinner was held at Fort Frances on September 15th and at Keewatin on September 16th. This gave the brethren in the South and North an opportunity to meet our distinguished brother and hear his interesting and informative addresses. We are grateful for the time he took to come so far to be with us.

Upon assuming office, I appointed Wor. Bro. D. Henry as District Secretary and he has fulfilled his duties in a very capable manner. Visiting the various Lodges, he has examined the books, obtained the Pre-visit Forms and supplied me with the information required.

Wor. Bro. Rev. L. H. Sanders, Minister of the church I am a member of, was District Chaplain. He was in charge of the District Divine Service at Emo and preached a Sermon which will be remembered by all.

Wor. Bro. M. F. Hemmens was District Supervisor of Masonic Education and Bro. F. R. Taylor, District Chairman of the Blood Donors' Committee and both are deserving of my appreciation.

My visits to Lodges throughout the District have been gratifying indeed. There seems to be an air of enthusiasm and sincere friendship and certainly respect for Grand Lodge. I was received with respect and dignity in each Lodge. I visited each Lodge once and some twice. Distances here are great and therefore it is difficult to make many visits.

I witnessed work in all degrees and would say that, the work is quite uniform and of high quality. The Officers have shown proficiency in their work and encouragement has been given brethren on the sidelines by having many of them take part in the work. I have been impressed by the Junior Officers in many Lodges, which indicates that the immediate future of Masonry is in good hands throughout the District. The financial condition of all Lodges is good. Attendance has been good at all meetings I have attended and the over-all percentage appears good. Yet most Lodges are concerning themselves with better attendance. Evidence of good fellowship was demonstrated in each Lodge. This could not escape my attention. I have recommended to all Lodges that more attention should be given towards inter-lodge visitations, especially between those farthest apart, such as Red Lake and Rainy River, Sioux Lookout and Fort Frances. These I feel, would tend to stimulate interest and a desire to excel in the degree work.

When competition for the Past Masters' Shield was held at Keewatin, I attended and feel this form of Masonic Education (Question and Answer) is excellent. The Competition was between Pequonga, Keewatin and Lake of the Woods Lodges with Keewatin the winner this year.

I have given some thought to Masonic Education and have suggested to the brethren that Western District form a Past Masters' and Wardens' Association which could meet once or twice each year even though distances are great. The time spent would give great rewards as it would be a means, perhaps, of more co-ordination with respect to Masonic Education, Grand Lodge and District projects.

On September 24th, I attended the Grand Lodge of Minnesota Area Conference at International Falls, Minn. Wor. Bro. Rev. Sanders, District Chaplain, gave the invocation at the afternoon meeting and at the evening banquet. Most Worshipful Brother Clyde E. Hegman, P.G.M. and other Grand Lodge Officers were in attendance. I expressed the deep regrets of Grand Lodge at their loss in the passing of Rt. Wor. Bro. E. Gruber, D.G.M. of the Grand Lodge of Minnesota, informing them our Grand Master had paid his respects personally at the Church in Duluth on September 15th, the day of the funeral.

On November 4th, I visited Hematite Lodge, Chisholm, Minn. and again extended personal greetings to the brethren assembled.

The Masons of this District have to date contributed 183 bottles of blood. It is gratifying to see the brethren responding so well.

Members of all Lodges have contributed to the Remembrance Memorial Fund. An amount of \$548. has been remitted and we trust more will be contributed by June 30th.

I would be remiss if I did not express my appreciation to Most Worshipful Brother H. L. Martyn, P.G.M., Custodian of the Work for his instruction and guidance.

Even though distances are great (I have travelled approximately 3,150 Miles in visits and District Meetings) I feel there is a feeling of nearness with all Lodges. Although my term is at an end, I will say that I desire to visit with the brethren in all Lodges whenever the opportunity allows me to do so. I trust I may be able to contribute to Masonry for many years to come, something worthwhile and helpful.

NORMAN E. JOHNSON, D.D.G.M.

WILSON DISTRICT

It has been my privilege to represent the Grand Master as D.D.G.M. for the past year and it has been a most rewarding experience. The courteous manner in which I was received in each of the twenty-three Lodges in Wilson District clearly demonstrated the high esteem and affection the brethren have for the Grand Master and Grand Lodge.

I appointed Wor. Bro. Harold R. Scruton, District Secretary, and he fulfilled all his duties in a most capable manner. His sincere attention to every detail of his office was much appreciated. Wor. Bro. Elmer W. Lewis accepted the office of District Chaplain and accompanied me on all my visits except one. He received valuable advice and assistance from Very Wor. Bro. Canon D. J. Cornish, a Past Assistant Grand Chaplain, which aided him greatly in his work throughout the District.

The appointment of Wor. Bro. H. J. H. Barrett as Director of Masonic Education proved a wise choice as he did great work in the Lodges, giving short lectures on the different degrees which were appreciated by the brethren. We have tried on each of our visits to stress the need for more Masonic Education and feel that our efforts have been worth while.

Each Lodge conferred a degree on my official visit and the work was well exemplified in each Lodge. The Masters and their Officers take pride in their work and I feel that the work in the District is of high standard.

At the regular meeting of Erie Lodge, No. 149, Port Dover, on September 19th, I had the pleasure of presenting

a Fifty Year Medal to Wor. Bro. Guy Teeple, one of our oldest and most respected Past Masters. Again, on March 27th I presented a Fifty Year Medal to Bro. Thos. Dunbar, also of Erie Lodge.

One of the highlights of the year was the ceremony of Constituting and Consecrating Ashlar Lodge, No. 701, Tillsonburg. The Grand Master, with several Grand Lodge and Past Grand Lodge Officers, conducted the ceremony in a very impressive manner.

Several of the Lodges held Ladies' Nights and Mrs. Smith and I were privileged to attend some of these pleasant gatherings. We were made very welcome on all occasions and thoroughly enjoyed meeting the brethren and their ladies. Also, several of the Lodges held Church Services which were well attended.

There is an active Past Masters' and Wardens' Association in our District and I appreciated the assistance they have given me and the Lodges throughout the District. At their meeting on May 1st a Lodge of Instruction was held, the First Degree being exemplified by a number of Past Masters under the direction of Very Wor. Bro. Jas Long of Oak Branch Lodge, Innerkip. The Question and Answer period, following the Degree, brought out some interesting ideas.

On Sunday, May 14th, the District Church Service was held in Grace United Church, Port Dover, which was attended by a large number of brethren. We were pleased to have the Grand Chaplain, Rt. Wor. Bro. R. Gordon Hazlewood, present to deliver the sermon.

The most enjoyable event of the year was held in Port Dover on May 20th, when 250 brethren gathered in the Public School Auditorium to greet the Grand Master on the occasion of the Wilson District Reception to the Grand Master, Most Wor. Bro. C. M. Pitts, and the One Hundredth Anniversary of Erie Lodge, No. 149. After a delicious fish dinner the usual Toast List was given with the Grand Master delivering a wonderful address to the brethren. This meeting proved a fitting climax to a most enjoyable year in which I have endeavoured to contribute something to Masonry in Wilson District. I trust that I have succeeded in some small measure.

I wish to thank Erie Lodge, No. 149, and Wilson District for giving me the honour of serving as D.D.G.M. and express my thanks to the Grand Secretary and his staff for their kind assistance which was much appreciated.

W. HAROLD SMITH, D.D.G.M.

WINDSOR DISTRICT

The honour of serving as D.D.G.M. for Windsor District has been a very gratifying and rewarding experience for me. I would like at this time to take the opportunity of thanking the brethren for the faith they have had in electing me to that office to represent the Grand Master, Most Wor. Bro. Clarence MacLeod Pitts.

I appointed Wor. Bro. Albert H. Shaw, Tilbury, as my District Secretary and Rev. Canon B. A. Silcox, Windsor, as District Chaplain. I am deeply indebted to these brethren for their help and support.

I appointed Wor. Bro. J. Jarrett, Windsor, Chairman for the city Lodges and Wor. Bro. Robert McAlorum, Tilbury for the county Lodges for Masonic Education, who did excellent in their field of endeavour.

Early in September I had the pleasure of visiting Palace Lodge, No. 604, Windsor, and seeing Cleveland Lodge from Ohio exemplify the First Degree which impressed me and which was entirely different. In talking to the Wor. Master of Cleveland Lodge he said that in Pennsylvania which borders their state the work is entirely different.

On my official visit to King Edward Lodge, No. 488, Harrow, I had a very pleasant duty to perform, at the end of the lodge meeting in having to pin two Fifty Year Medals on two brethren who were initiated the same night and both are in fairly good health.

I attended Windsor Lodge, No. 403, when they had a Senior Warden Night for the District. They will make very good Masters for the coming year as they performed excellently.

I was invited to Glencoe by Rt. Wor. Bro. Herman Bauer to attend a dinner in honour of the Grand Master. There were eight D.D.G.M.'s at the dinner.

On May 27th. Naphtali Lodge, No. 413, Tilbury, celebrated their 75th Anniversary with a dinner held in the United Church Hall, delightfully served by the ladies of the Church. Our guest speaker, Dr. A. B. Lucas, of London, Director of Education, gave a very interesting talk of his early days of education and as Inspector of Schools, and also on Masonry. Members were present from Chatham, London and Windsor.

On the following morning May 28th, our own Lodge attended Church Service at Valetta Presbyterian Church, a small community near Tilbury, which is the home church of several of our brethren. That evening the District Church

Service was held at St. Paul's Anglican Church, Windsor, and was conducted by Rev. Canon B. A. Silcox, our District Chaplain. All District Lodges were represented and a very interesting sermon was enjoyed by all.

In conclusion, I would like to say at this time condition of Masonry throughout Windsor District is in very good hands. I stressed very strongly on Masonic Education throughout the District. I suggested that each Lodge should have a chairman and two other brethren active in Masonic Education, I think this will take a year or two to materialize before there will be good results.

WILLIAM E. LUMLEY, D.D.G.M.

REPORT OF THE COMMITTEE ON WARRANTS

This report was presented by R.W. Bro. J. A. Irvine. Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Allan, it was received and adopted.

To the Most Worshipful the Grand Master. Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Warrants begs to present its report for the year ended May 31st, 1961.

It is unfortunate that we had only one application during the year. Aurum Lodge U.D. of Timmins was granted a dispensation by the Most Worshipful the Grand Master.

Without trespassing on the domain of the Committee on the Condition of Masonry, which Committee is so ably chaired by Rt. Wor. Brother B. B. Foster, may we respectfully suggest that there is a great opportunity for the inception of new Lodges. A quick glance at our Proceedings of 1960 indicates that we have some 56 Lodges with a membership of over four hundred, and one with as many as seven hundred and thirty-five members. Lodges of this size are very unwieldy to administer, and present limited opportunity for the new member to become an active part of the Craft. It is the feeling of this Committee that we would be in a much stronger position with the institution of fifty or more Lodges in the immediate future.

If your Lodge is one of these mentioned, we suggest that you give thought toward taking immediate steps leading to the formation of a new Lodge.

The Petition, Books and Records of the one Lodge under dispensation, making application for warrant, have been examined and we are pleased to recommend that a warrant be granted to:

Aurum Lodge U.D., Timmins, Instituted October 5th, 1960, to be numbered 704 and to be placed in Temiskaming District.

We again repeat some of the important recommendations made by Rt. Wor. Bro. J. N. Allan and his Committee of last year. We believe them to be of major importance:

1. To remind all Secretaries of the advantages of always starting at the top of the page to record the minutes of each meeting, and likewise of the desirability of making marginal notes indicating the subject matter of each paragraph. This practice will prove exceedingly useful in ascertaining information regarding items recorded in the minutes.
2. That copies of lodge summonses should be retained and periodically bound. This is a small effort and enables such interesting data in connection with the Lodge to be available in an easily accessible form.
3. That new Lodges appoint an interested and well qualified brother to record the history of the Lodge each year. We suggest that a plan be developed which will assure that such historical notes will be completed each year and placed with the records of the Lodge.
4. That consideration be given by every new Lodge to the provision of a fireproof receptacle which will accommodate the Warrant, the minute book, the by-laws and the history of the Lodge. The Warrant and the records of the Lodge become increasingly valuable as the years pass. It must be realized that the originals can never be replaced.

May we congratulate the members of Aurum Lodge and welcome them to this Grand Lodge. We wish for them that the Sunlight of Masonic Brotherhood may forever shine brightly upon them and assist their officers in dispensing Brotherly Love, Relief and Truth.

Respectfully and fraternally submitted,

J. A. IRVINE,
Chairman.

**REPORT OF THE COMMITTEE
ON BENEVOLENCE**

This report was presented by R.W. Bro. J. N. Allan, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Allan, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to submit the report of the Committee on Benevolence for the year ended May 31, 1961.

Details of the Grants are as follows:

275 Grants approved and authorized by Grand Lodge in July, 1960	\$	64,475.36
Interim Grants during the year		3,650.00
	\$	68,125.36
Less cancellations and reductions		3,625.00
	\$	64,500.36
Emergency Grants		893.42
Total Grants	\$	65,393.78

It is expected \$500 advanced as an Emergency Grant will be repaid to Grand Lodge.

The usual Pre Grand Lodge meeting of the Committee was held in our new Remembrance Memorial Building in Hamilton. General approval of this innovation was expressed by all Members of the Committee. The attendance was excellent. We seemed to feel at home and the environment was conducive to thorough and sympathetic consideration of all

applications. We had also the pleasure of lunching with our Deputy Grand Master, R.W. Bro. R. W. Treleaven, and our Grand Secretary, R.W. Bro. E G Dixon, at The Scottish Rite Club.

R.W. Bro. Geo. McQueen, our Supervisor of Benevolence, presented 259 applications for consideration; 40 were new ones, some of which had received an interim grant during the year. The total number of applications was 16 less than last year. I would like to assure you, however, that every application considered worthy of a grant was approved.

Your Committee wishes to express their hearty and sincere appreciation to R.W. Bro. McQueen for his never-tiring interest in the welfare of those who receive benevolence and also for the faithful and capable discharge of his duties. R.W. Bro. McQueen's parish is a very large one — extending as it does over the entire Province. We, therefore, suggest that officers of the Lodge and Members of Committees be diligent in their effort to cooperate with and assist our Supervisor of Benevolence in his work.

R.W. Bro. McQueen, in his report to your Committee, emphasized the great value of sympathetic guidance and assistance provided in many instances by officers of the Lodge and by Committee Members on behalf of dependents. He stated that he was deeply appreciative of this service. He was grateful too for the cooperation of those Brethren who regularly forward information with respect to individual cases and thereby enable him to keep his file up-to-date.

Your Committee learned with regret at their June meeting that, in some instances, Application for Benevolence Forms were not completed as fully and as carefully as they should have been. I have been asked to urge Lodge Officers to exercise the greatest possible care in this regard. Lack of information or a return received too late may result in hardship for the applicant, while full information received in good time, enables the Committee to give prompt and thorough consideration to the application.

Your Committee commends many individual Lodges for their generous grants to dependents for whom they are responsible. This, of course, is as it should be. It is, therefore, with regret that we find it necessary to state that in a few instances this is not so. We are confident that the Lodge will benefit from sharing in all Benevolent efforts. It is, therefore, the hope of your Committee that they will be able to state at the next Annual Communication of Grand Lodge that every Lodge in our Grand Jurisdiction is cooperating with Grand Lodge in the support of their dependents.

Information presently at hand indicates that grants for Benevolence in the coming year will be approximately of the same order as during the year just past which amount is considerably less than was provided a few years back. It would appear that the overall decrease is brought about through the implementation of the improved services provided by the several levels of Government, in the provision of hospital and medical care, as well as up-to-date and low rental housing in many parts of our Province, particularly for our senior citizens. This, along with improved allowances and pensions, has been the chief contributing factor in relieving the distress and general need of our dependents as well as providing a greater sense and source of security.

Your Committee has considered all applications with the utmost care and recommends that the sum of \$72,000 be provided for Benevolence in the year 1961-62.

We wish also to record our appreciation for the following contributions and bequests received:

Estate of John Coulson	\$2,084.76
Estate of Charles E. Sealey	\$5,000.00
Bro. Frank B. Wenger	\$ 25.00

We also recommend the continuance of our membership in the Masonic Relief Association of the United States and Canada.

I have deeply appreciated the thoughtful guidance and assistance of all Members of the Committee and express to them my sincere thanks.

All of which is respectfully and fraternally submitted.

On behalf of the Committee,

JAMES N. ALLAN,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. B. B. Foster, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Foster, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. and A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege, on behalf of the Committee, to present the report on the Condition of Masonry in this Grand Jurisdiction at this One Hundred and Sixth Communication of Grand Lodge.

Outlining the Masonic highlights in our Fraternity during the past year is a pleasure because of the exemplary co-operation of the District Deputy Grand Masters. Their reports present a detailed picture of events throughout the Jurisdiction.

All District reports speak of the indispensable work done by the District Secretaries. They look after the routine details and thus make it possible for the District Deputy Grand Masters to concentrate on the larger issues. The faithful service of Masters and Officers is highly praiseworthy. Appreciation is also given to Lodge Secretaries and Treasurers for their continued efforts on behalf of their Brethren.

The gracious receptions tendered the M.W. the Grand Master on his many visits exemplify the loyalty and affection he is accorded by his Brethren. A typical statement made by the D.D.G.M. of Hamilton District "B" can be said to represent those from other reports when he stated, "the deep respect in which our Grand Master is held, the great admiration for his ready wit and tremendous vitality were much in evidence". Attendance at District receptions, Centennial celebrations, Dedications, and Divine Services illustrate the great devotion to duty that our Grand Master has maintained. He has travelled an astounding number of miles during these past two years.

The number of Ladies' Nights reported indicates that the social side of our fraternity is being adequately looked after. Most of these reviews tell of the pleasure accruing from these activities to all who attended. Apparently we have not changed too much since the days Milton speaks of in "L'Allegro" when he describes the enjoyment of the company of

"Ladies, whose bright eyes
Rain influence, and judge the prize".

One could not write a report on the Condition of Masonry without expressing the sense of loss felt by the entire membership, and mentioned in many of the reports, at the passing of still another of our Past Grand Masters in the

person of M.W. Bro. W. J. Dunlop. Our regret was made more acute because he had participated in those phases of Masonic activity that touched the lives of so many members of the Craft. We will miss his advice and his enthusiasm.

It is gratifying to note that there is a continuing check on the candidates who seek admission to membership in our Lodges, that only those who are known to believe in and support the basic principles of our Craft are permitted to knock at our doors and ask permission to enter, and that care is taken to see that when they have entered, they are taught the philosophy of the Fraternity.

In all districts reporting, the ritualistic work is described as excellent. The several Lodges of Instruction held last year will certainly contribute to the perfection of the work. We congratulate all those who took part in this activity. The officers of the great majority of Lodges are constantly showing their resourcefulness in planning for future meetings. This is a most commendable state of affairs for the fundamental ingredient which promotes interest in our Masonic society is a well prepared programme. Some Lodges might benefit perceptibly from the suggestion that their officers meet once a month to discuss the work to be done during the following month. By doing so, the junior officers learn to plan ahead and the Lodge will profit from the conferences.

Lodge attendance occupies a prominent place in many reports. Several suggestions are offered to implement a revival of interest in the work of the Fraternity. From London comes this: "Roll call and Memorial Services, members' and visiting degree teams, interesting educational programmes, and fraternal visits among Lodges contribute greatly in this regard." One Lodge honoured all members who had twenty-five or more years of continuous membership in the Craft. The following suggestions come from letters sent to me by the Grand Lodge Librarian: "formation of choirs to lead in the musical ritual, personal letters by active members to absentees, and a greater participation by members in the business of the Lodge."

The sound financial position of most Lodges is reassuring to all in authority. I hasten, however, to draw attention to a cautionary thought from Peterborough District: "It is disturbing to note that the expenses almost equal the income. It would appear that the financial standing of the Lodges would be greatly improved if the dues and initiation fees were raised to a level in keeping with economic conditions." From this statement we must conclude that there are still a few Lodges which might profitably review their financial position.

Masonic Education goes forward at varying rates of speed in the several districts. The pace varies with the enthusiasm and leadership given by the Lodge Chairmen. The Grand Lodge Committee, under the capable leadership of R.W. Bro. W. K. Bailey, has continued to furnish material and ideas for the improvement of the programme. All District reports indicate that there is an expanding use of this and other materials in the cause of educating our brethren. In an effort to refute the repeated excuse of lack of time for Masonic Education, the D.D.G.M. of Brant District says, "At each visit the Supervisor of Masonic Education gave a demonstration of what can be done in a two-minute talk on various items of Masonic lore". Perhaps this course might be followed in some other districts next year.

The reports of this committee in 1956-57-58 and 60 mention the problem of the Lodge with a large membership. On checking this year we find that we have forty-nine Lodges with a membership between 400 and 499, eleven between 500 and 599, six between 600 and 699, and one over 700. The success of any organization is proportional to the number of members who are 'active'. We must conclude, therefore, that the smaller the group which can economically operate, the more successful it becomes. We must further conclude that a small Lodge where dues and initiation fees are adjusted to sound financial practices will make a greater contribution to the true education and enlightenment of the individual Mason than a larger one.

We are happy to record the continuing efforts of the Blood Donors' Committee. This is one area in which all Masons might display their greatest charity for they are giving only of themselves. Western District reports contributions averaging one in every ten members, an excellent record.

Past Masters', Masters' and Wardens' Associations continue to lead in many fields of Masonic endeavour. Those mentioned are Lodges of Instruction, Masonic Education, Blood Donors' Clinics, planning Receptions to the Grand Master, and monthly visitations to Homes for Senior Citizens. Active Past Masters' Associations thus give much guidance to individual Lodges and their Officers and furnish a place for more Masons to be engaged in Masonic endeavours.

All the District Deputy Grand Masters report their pleasure in the presentation of Long Service Medals to our Masonic veterans. It is heartening to learn that most of these still attend their Lodge meetings regularly and take part in them.

The Grand Lodge Bulletin remains a unifying force among the Lodges of the Jurisdiction. The messages from the M.W. the Grand Master, and other members of Grand Lodge renew our determination to further the interests of the Craft. The news items contained in the Bulletin keep us all aware of interesting occurrences which we all like to share. R.W. Bro. A. E. MacGregor, the Grand Lodge Librarian, deserves our appreciation and applause for his unceasing efforts to disseminate this news and for his efficient operation of the Grand Lodge Library. We would do well to remember, in this connection, Sir William Osler's comment that 'Money invested in a library gives much better returns than mining stock'.

The completion and Dedication of our new Grand Lodge Memorial Building during the past year has increased our pride in the accomplishments of our Order. This building will stand as a monument to those Masons who laboured so hard to bring this to fruition. We owe a great debt of gratitude to R.W. Bro. R. C. Berkinshaw, Chairman of the Special Building Committee and to R.W. Bro. E. G. Dixon for their untiring efforts on our behalf in the construction and furnishing of this fine structure.

Every District report indicates that each Lodge is accepting its obligation and privilege of attending Divine Services. It is satisfying to see that each D.D.G.M. has appointed a District Chaplain to lead the Brethren in their quest for light. Many of these have accompanied the D.D.G.M.'s on their visits of inspection and have taken an active part in the evening. Large attendances are reported at all District and local Divine Services and serve to show our constant devotion to the Most High. Rt. W. Bro. R. Gordon Hazlewood, the Grand Chaplain, has filled the office with distinction. He has contributed much by his presence at Dedications, and his fine messages at District Divine Services have strengthened our belief in the external Fatherhood of God.

Masonry has progressed in this Grand Jurisdiction, even though the increase in number may be small. We most certainly must accept our responsibilities to our Faith and our Craft that we may move forward in the future and become a part of our 'adventure in development'. Let us be a part of a flowing tide and not of a wave. The wave recedes but the tide keeps moving in. Let us continue to obey the admonition: "Let there be Light."

Respectfully and fraternally submitted,

B. B. FOSTER,
Chairman.

REPORT OF ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by V.W. Bro. Geo. T. Evans, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Evans, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I beg to present the fourth annual report of the Advisory Committee on Lodge Buildings.

As most of you are aware, in 1958 M.W. Bro. Harry L. Martyn, the then Grand Master, recommended that a committee be set up to formulate requirements and regulations to govern the erection of new Masonic Temples, or the remodelling of existing ones.

Since its inception, our committee has examined plans for 63 lodges which have been built, are being built, or are to be altered or added to. This is an average of 31 a year, which is very gratifying.

Our procedure is, that the lodge contemplating new building work shall first submit a rough sketch of what they propose to do. This sketch is carefully examined and any required alterations are marked directly on the sketch with explanatory notations and returned to the lodge for revision.

In some cases where the sketch plan seems hopelessly out of line or can be re-arranged to better advantage, we prepare a rough draft sketch plan showing our suggested changes.

In every case a written comment accompanies the corrected sketch outlining the reason for the required changes and explaining the advantages of following our suggestions. In some cases we are able to suggest types of construction to meet unusual conditions. After the lodge makes the required changes to the sketch or plan it is then resubmitted to our committee and if found to be satisfactory, it is approved.

Some cases can be disposed of quickly with but two or three letters and a few changes to the plan. In other cases, the work is protracted over many months with several plans and many letters passing between the lodge and our committee.

In order to assist the lodges in preparing plans, we will supply to them, on request through the Grand Secretary, several bulletins termed "Requirements for Lodge Buildings", explaining in detail the points to be observed in preparing plans. These bulletins cover such items as the planning and the required ceiling heights of the lodge room, the anteroom, banquet room and kitchen, also the requirements regarding fire escapes, stairs, toilet rooms, furnace rooms, lighting, ventilating and other matters having to do with the safety, convenience and comfort of the brethren.

The Lodge Building Bulletins which we furnish are as follows:

L.B.2 — dealing with the planning and construction of the building.

L.B.3 — dealing with the PROCEDURE to be followed by building committees, and outlining the various steps to be taken from the appointing of the initial committee on planning down through the securing of the property, financing, the submission of plans, the securing of tenders and final approval.

L.B.4, our most recent bulletin — deals with electrical work and is accompanied by a diagram plan showing all the necessary outlets for general lighting, altar lights, Master and Wardens lights, exit lights, and other special lights required in a properly equipped lodge room.

Regarding the submission of plans, we repeat what we have stated in all of our previous Annual Reports, that it is necessary for lodges contemplating new buildings or altering existing ones, or making even minor changes in buildings, to FIRST write to the Grand Secretary requesting copies of the various bulletins aforementioned BEFORE any move is made to prepare sketches or set up financial arrangements. This will save the lodge officers much time and effort and will save the Advisory Committee many hours in trying to revise unsuitable plans and explain details which are already set out in the various bulletins.

Another point we wish to stress is, that unfortunately, there have been one or two cases in which lodge committees have not seen fit to follow our directives. Whether this is from thoughtlessness, wilfulness or plain defiance, we cannot be certain, but we DO know our requirements are reasonable and in the best interests of the safety and comfort of the brethren. We have many letters and personal messages from so many lodges expressing their appreciation of the assistance and guidance given by our committee in their building problems.

To any lodge committee which thinks our requirements are unrealistic, or are going to work a hardship, we strongly urge that they arrange, through the Grand Secretary, for a meeting with our committee before they embark on any undertaking which could prove to be to the detriment of their lodge.

We congratulate the many lodges on their efforts to improve their temples and wish them much pleasure and satisfaction in their endeavours.

We solicit inquiries from all lodges contemplating building and assure them of our constant desire to offer them every assistance. Needless to say, there is no charge for such services.

Respectfully and fraternally submitted,

GEO. T. EVANS,
Chairman.

At the conclusion of the Report the Grand Master expressed to V.W. Bro. Evans the appreciation of the members and of himself for the valuable services rendered by the Committee, and particularly to Bro. Evans, as architect, in the planning and supervision of the erection and completion of our beautiful Grand Lodge Memorial Building. The brethren joined in this expression with applause.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. W. K. Bailey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bailey it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Masonic Education for the year 1960-1 composed of M.W. Bros. W. J. Dunlop, W. L. Wright, H. L. Martyn, R.W. Bros. E. G. Dixon, B. B. Foster, M. C. Cain, H. E. Wilson, Wellington Smith, R. G. Hazlewood, A. C. Whitmore, W. A. Stewart, E. D. Berry, S. C. Rowe, J. F. Whiting, W. H. Quinn, W. E. Sills, G. J. Patterson, and W. K. Bailey as Chairman, beg to present the report to the

One Hundred and Sixth Annual Communication of Grand Lodge.

With deep regret we record the passing during the year of a very valued member of the Committee, M.W. Bro. W. J. Dunlop, Past Grand Master. M.W. Bro. Dunlop was chairman of the committee appointed by M.W. Bro. J. S. Martin in 1929 to study the problem of Masonic Education. On his election to the Board of General Purposes in 1931, he was appointed as Chairman of the Committee on Masonic Education and continued in this capacity until his election as Deputy Grand Master in 1935. His contribution to the expansion and effectiveness of the work of this Committee in thirty years of service cannot be overestimated and certainly will scarcely ever be equalled.

M.W. Bro. H. L. Martyn, Custodian of the Work, and a member of this Committee, has done a great deal through the instructional meetings with the District Deputy Grand Masters to set the stage for the promotion of Masonic Education throughout the thirty-seven Districts. From his personal and first hand knowledge of the particular areas and their problems in connection with Masonic Education over the years, he was in a position to make specific and concrete suggestions.

During the year five general communications have been forwarded from the Chairman's office to the Members of the Committee and to the District Deputy Grand Masters. Sufficient copies were supplied to the latter to make a copy available to each District Supervisor and Lodge Chairman. Copies of the two issues of the "Syllabus of Instruction" have been distributed through the Grand Secretary's office. We are indebted to M.W. Bro. H. L. Martyn, R.W. Bros. G. J. Patterson and A. C. Whitmore, members of this Committee, for preparation of three of these communications. Thanks are extended to the Grand Secretary for arrangements for printing and mailing the copies of Syllabus of Instructions.

It would appear from the District reports that these publications are being used to good advantage by at least two-thirds of the Lodges in this Grand Jurisdiction. It is especially encouraging to note that the syllabus is being used to guide and direct the study groups of younger Masons in many of the Lodges. We commend perusal and contemplation of the publications of Grand Lodge, Book of Constitution, Manual for Instructors and Students, History of Grand Lodge and Grand Lodge Proceedings.

The general success of the Masonic Education programme carried on in each District is largely attributable to the wise selection of the District Supervisor, and to the generous support by the District Deputy Grand Master. On the local Lodge level in working with small groups the responsibility

rests with the Lodge Chairman and Worshipful Master. The Committee would like to express its sincere appreciation to the District Deputy Grand Masters, the District Supervisors, Lodge Chairmen, and all the brethren who have assisted us this year.

A study of the reports on Masonic Education as submitted by the District Deputy Grand Masters shows that there has been a marked increase in the numbers of meetings which included some Masonic Education and also in those devoted entirely to this facet of Masonry. The most frequent suggestions for the promotion of Masonic Education were short talks and question and answer periods.

One report suggested that the District Deputy Grand Master and District Supervisor should meet early in the year with the Worshipful Masters, Lodge Chairmen, and Wardens of the Lodges to acquaint them with the overall programme for the year. All too often we direct our education towards the neophyte Mason and neglect the instruction and induction of the Worshipful Master, Officers, Committee members and older Masons. It calls for much persistence and patience on the part of those who do the teaching and it includes a willingness to be taught on the part of the neophyte. And all the indoctrinating will have been in vain if it fails to bring about this final keystone of the arch, the thing that we pray for in our Lodges "let us practise outside the Lodge those excellent precepts which are ever inculcated within it."

It is the responsibility of a Masonic Education Committee — wherever its labours are expended in Local Lodge, District Committee or Grand Lodge — to constantly endeavour to improve our understanding of Masonry. Secondly, we need to be constantly improving the methods by which we impart this knowledge to the officers, leaders, and members of the Craft. The Grand Lodge Committee is primarily concerned with assisting the local and district committees to plan and carry out an effective Masonic Education programme.

Brethren, the future of Masonry is in the hearts and minds of each one of us today. We, who have seen the light of Freemasonry and are willing to be guided by it, must pass the torch of freedom of learning and thought to our younger Masons. These men who are in our Order now and those who will be entering during the next few years will be occupying our places to-morrow and will be charged with the leadership of our Craft.

Can we whose souls are lighted
By wisdom from on high
Can we to men benighted
The Light of Masonry deny?

Respectfully and fraternally submitted,

W. K. BAILEY,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. F. D. Shannon. Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Shannon, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is a list of the districts, together with the District Deputy Grand Masters, the District Chairmen, and the number of donors reported from each district, compared with last year's report:

Out of a membership of 136,266 this constitutes one donor in every 30 Masons. Surely there are more in this great Brotherhood of Men who can spare a little blood, that someone else might live.

Let us briefly consider the above table:

For the second year in succession Niagara A has headed the list, and we commend W. Bro. C. R. Buss, the District Chairman, on his excellent work. 17 Districts showed an increase in donors, 8 reported a decrease, and 12 districts failed to report any donors. Ten District Chairmen, appointed in good faith by the District Deputy, failed even to acknowledge their appointment, while 2 District Deputies took no action and failed to have the courtesy to answer our letters. Some of the representatives, along with the pressure of their regular duties, filled the position of Chairman as well while others contributed very greatly to the program, and we heartily commend them for their assistance. Rt. W. Bro. S. I. Knox of Algoma District is to be particularly congratulated. His district is one of the more scattered, where travel is difficult, and yet, largely by his own efforts, he was able to produce 425, or the second largest number of donors in the jurisdiction. Toronto 7 was in second place last year but failed to produce any this year. In spite of this, the Toronto Districts as a whole, still showed an increase of 124.

Our thanks and gratitude go to all who have assisted in any way in the preparation of this report. The District Deputy Grand Masters have been most helpful in their addresses, and in their careful selection of Chairmen. The Chairmen have, for the most part, been pillars of strength, and we hope their experiences have been both enjoyable and stimulating. Finally, our appreciation goes to the Grand Secretary and his staff for many services rendered during the year.

In these troubled times of threatened nuclear warfare, let us prepare ourselves against whatever may befall in the future. Let us develop the habit of giving blood. The Red Cross is still unable to keep up the necessary supply. Let us practice this greatest of all Masonic Charities, and as we do so, let us have faith and hope that Freedom to do so, may prevail in our land from generation to generation. Let us ever remember, that **THE PINT YOU GIVE TODAY MAY SAVE YOUR LIFE TOMORROW.**

Since this report was submitted to the Grand Master for his consideration, seven further reports have been received, and I present this appendage to bring the figures up to date.

District	Previous	New Report
Brant	4	130
Georgian	156	188
Niagara "B"	81	239
North Huron	135	138
Peterborough	0	220
Western	119	158
Toronto "7"	0	523

This last figure was received since the beginning of this Grand Lodge Communication, and places Toronto "7" at the head of the list, and gives the Toronto Districts an increase of 77% over last year.

The total number of Masonic Donors in Ontario, then, for the year 1960-61 is 5,609, compared with 4,235 for the previous year, or an increase of 32%. This indicates one Donor in every 24 Masons.

Respectfully and fraternally submitted,

FRANK SHANNON, M.D.,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. W. L. Wright, in the absence through illness of M.W. Bro. T. H. Simpson, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Wright, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws begs leave to report as follows:

1. No notices of proposed amendments to the Constitution have been presented to your Committee.

2. Robertson Lodge, No. 292, King City, in Toronto District No. 7, has petitioned asking that it be granted concurrent jurisdiction with those Lodges in the City of Toronto and in the Metropolitan Area of Toronto which now have concurrent jurisdiction. Ninety-seven of the Lodges in the area have approved of the petition. Three have not approved but have asked for information regarding initiation fee and annual dues. None has objected. The vast majority of the Lodges in the area have already approved. Your Committee, therefore, recommends that Robertson Lodge, No. 292, King City, be granted concurrent jurisdiction with all the Lodges in the City of Toronto and in the Metropolitan Area of Toronto which now have concurrent jurisdiction, such change to be effective forthwith.

Respectfully and fraternally submitted,

T. H. SIMPSON,
Chairman.

REPORT OF FRATERNAL CORRESPONDENCE

M.W. Bro. H. L. Martyn, Chairman, presented this report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Martyn, that the report be received and adopted. The motion was carried.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

In presenting this report to Grand Lodge the Committee would like to record the deep sense of loss we feel in the passing of our senior member, M.W. Bro. W. J. Dunlop. His wide knowledge of the Masonic world rendered his service to the work of this Committee invaluable. We miss him very much.

During the year the Committee have examined requests for recognition from several Grand Lodges. Some of these are new and some have been laid over from other years. We recommend that recognition be accorded the following Grand Lodges:

1. The United Grand Lodges of Germany. In 1957 we recognized the United Grand Lodge of Germany which was a revival of the Masonic Lodges in West Germany that had existed before World War II. Since 1957 a Union has been effected between the United Grand Lodge of Germany and the Land Grand Lodge (Swedish Rite). The united body has taken the name "United Grand Lodges of Germany".

2. The Grand Lodge of F. & A. Masons in Finland. This Grand Lodge was consecrated by the Grand Lodge of New York in 1923. It has been working regularly since its inception and it is widely recognized. Its recognition include fourteen Grand Lodges in the United States, Nova Scotia and Prince Edward Island in Canada, and England, Ireland and Sootland in Europe.

3. The Grand Lodge of Greece. This is one of the Grand Lodges that suffered during the time of World War II. In 1947 the Masonic Lodges of Greece were revived, particularly through the generous efforts of the English and American Masons. Its recognitions include 46 Grand Lodges in the United States, Quebec and Nova Scotia in Canada, and England, Ireland and Scotland in Europe.

4. The Grand Lodge of Free and Accepted Masons of Japan. This Grand Lodge was organized in 1957. At their Annual Communication held March 17, 1961, it was reported that there were 2,766 Master Masons on the rolls. A charter for Lodge No. 17 was issued to the newest Lodge. The request for recognition came before our Committee in 1958. At that time our Committee reported, "The newly formed Grand Lodge of Japan is still at odds with the Grand Lodge of the Phillipines. We shall be glad to learn that the difficulty has been amicably adjusted." At the present time recognition has been accorded this Grand Lodge by all Grand Lodges in the United States except Maine, four of the Canadian Grand Lodges, the Grand Lodge of Scotland and the Grand Lodge of the Phillipines.

The Committee recommend that requests for recognition from the Grand Lodge of Belgium and the Grand Lodge of Colombia-Occidental Cali, be laid over for further examination and investigation.

We have received disturbing information about the Masonic situation in Cuba. At the present time we can only report the situation in the light of the reports we have from

the Commission on Information for Recognition as they reported it to the Grand Masters' Conference last February. Late in 1960 "the Grand Master of Cuba after conference with all the Past Grand Masters, deemed it advisable to declare the constituent Lodges in recess, depart from Cuba to the United States, and seek to set up a Grand Lodge of Cuba in Exile. Since that time the Grand Master of Florida has issued a proclamation to all his Lodges which reads in part; "and the Grand Lodge of Cuba be, and it is hereby granted permission to have its official residence and home within the boundaries of the Grand Jurisdiction of Florida, and the Most Worshipful Grand Master of Masons in Cuba and the Grand Lodge of Cuba be, and they are hereby authorized and permitted to take such official and fraternal action in Masonic affairs as is appropriate under the circumstances to the same extent and in full measure as they would or could do within the boundaries of the Grand Jurisdiction of Cuba."

In the meantime it would seem that Masonry in Cuba continues under "leadership presumed to be dominated by influences not in accord with Masonic principles, with the former Senior Grand Warden acting as the Grand Master." I think that one further quote from the Commission's report will express the position we find ourselves in at the present time in relation to this matter. "Certainly it seems that our Grand Lodges cannot accept communications coming from the Havana group as coming from a recognized Grand Lodge. Perhaps in time a Grand Lodge in Exile can be recognized, but in our opinion it would be well for our Grand Lodges to let more time elapse before final commitments are made." Your Committee on Fraternal Relations subscribe to the idea expressed in this last quotation.

Respectfully and fraternally submitted,

H. L. MARTYN,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by M.W. Bro. J. A. Hearn, for M.W. Bro. J. P. Maher, who was absent on account of illness. On motion of the Deputy Grand Master, seconded by M.W. Bro. Hearn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Library Committee have pleasure in submitting this, our 29th Annual Report. Its members appreciate the honor and the opportunity to serve, and we feel certain that we can assure you that our Library has served the Craft well and truly over the year just passed.

A studious Brother in New South Wales has given us this thought: "Like all systems of philosophy, Masonry is concerned principally with the purpose and aim of life, and incidentally with the individual and group conduct of peoples. Our first duty as Craftsmen is, therefore, to become familiar with the Masonic conception of life, and to this end it is necessary that we first acquire, at least, an elementary knowledge of all the powerful forces which, common to and inherent in all men, constitute the means by which the human race is impelled towards its distant, unknown goal."

"Advancement without sustained effort is impossible, and effort without direction is wasted; therefore Masonry emphasizes in every part of its practice the need for the individual Craftsman to apply himself, with zeal to the problems of life. The brain is like a muscle,—use gives it increasing strength and power,—and conversely, lack of its use will cause it to atrophy. Only the work we perform ourselves will build our bodies, and only the knowledge we acquire by our own independent efforts will strengthen and develop our minds."

The foregoing sentences surely are a sound brief or justification for the continued and improving use of our Library. Our task is to aid and inspire the enquiring mind of any of those who seek our help. To accomplish this, we have on our shelves the best Masonic lore, whether it be two or two hundred years old.

It is quite proper to point out that our Library, while permanently situated in Toronto, serves the Craft in that

metropolitan area as well as Lodges throughout the length and breadth of this Jurisdiction. It also has frequent and friendly contacts with not only those others in Canada, but with many near and far in English speaking Grand Lodges. We have visitors come to see us from many parts of the republic to our south; we receive, and have on file, the printed records of research societies and Lodges, not only here in Canada, but in Britain, Australasia and the United States. These are our valuable possessions and resources.

Our Library functions as an information centre for the Craft at large. Daily, we have enquiries by telephone, letter, or personal visit from members of the Craft who may be visiting our city,—(this is particularly so during the summer months,)—and to all of these we are able to give definite help. And it should also be mentioned that quite frequently our office receives a call from someone, not yet a member of the Order, who wishes to have some suggestions as to what he has to do to apply for membership.

Perhaps the best way to sum up these activities is to give it in figures, and these are from our records:

Books loaned out to Toronto Lodges	674
Books loaned out to others in Ontario	238
Letters written in reply to enquiries	94
Visitors registered on our record	670

Donations: We have received donations and valuable books from the estates of our last Past Grand Masters, Hamilton, Hart and Dunlop. Other donations which we are pleased to acknowledge are these from Wor. Bro. John Fox on behalf of the estate of the late William P. Ryrie, and a number of other generously disposed members of the Craft.

Your Committee is also pleased to report that it was host to the 30th meeting of the Canadian Masonic Research Association on May 16th. Your Librarian is a member of this Association, and also is one of the Correspondence Circle of Lodge 2076 Quatuor Coronati, the premier research Lodge in the Masonic world. He will be pleased to give details of the necessary requirements for membership in this, and also for the research Lodges of Leicester in England and Sydney in Australia. Membership dues in all of these is but a nominal fee.

Your Committee find that there are quite a number of books in our Library that are duplicates of those in customary circulation. It is thought that if these are not actually needed for our use, that such books might be sent out on permanent loans to Lodges anywhere in the Jurisdiction that might be interested in setting up a Lodge Library.

Your Committee also feel that they should call the attention of all borrowers to the Library rule regarding return of books at the proper time. It has been found that every year a number of books have not been returned and in consequence, some other would-be borrower has been unable to obtain the book of his choice.

The Committee expresses their grateful appreciation of the services of our Librarian, R.W. Bro. MacGregor. What began, some eleven years ago, as a part time function has now developed to an almost full-time service. The increased demands for the use of the Library facilities by members of the Craft who are pursuing some avenue of research, or some particular field of information, is fast becoming an every day affair. Our Librarian, however, cheerfully carries on in his devotion to his task.

And in conclusion, your Committee would like to voice their confirmation of a writer of years gone by who said that "a good book is the precious life-blood of a master spirit, embalmed and treasured up on purpose to a life beyond life. You, O books, are the golden vessels of the temple,—burning lights to be held ever in the hand."

Your Committee has been proud of the opportunity over this past year to have acted for you as your right hand in dissemination of Masonic learning.

Respectfully submitted on their behalf,

JAMES P. MAHER, P.G.M.,
Acting Chairman

REPORT ON THE REDISTRIBUTION OF TORONTO DISTRICT "5"

The report of the Special Committee on the redistribution of Toronto District "5" was presented by R.W. Bro. W. K. Bailey, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bailey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario,

Most Worshipful Sir and Brethren:

Your Committee to consider the proposed redistribution of Toronto District "5", composed of M.W. Bros. J. P. Maher, J. A. Hearn, and H. L. Martyn; R.W. Bros. D. J. Gunn, M. C. Hooper and W. K. Bailey begs to present their report.

At a meeting held on May 8, 1961, the Committee examined all the documents presented in support of the petition to divide Toronto District "5" into two districts. Having had the experience of the Committees which had recommended the division of Toronto District "A" in 1954, and Toronto District "B" in 1956, and since the requested redistribution follows the pattern adopted in these districts, the Committee found the task comparatively routine.

A word of commendation is due R.W. Bros. F. C. Cook, H. A. Jackson, F. E. Malcolm, J. B. Stevenson and H. T. Blumsom, (Chairman) for the excellent way in which they had carried out their assignment and had prepared the documents for presentation to this Committee.

The documents support the facts that of the 30 Lodges in the District, 29 Lodges are in unanimous agreement with the proposed division, and one favourable to the proposed redistribution, providing there is a minimum of confliction in regular meeting nights. R.W. Bro. Blumsom and his Committee discussed this question and were unanimously agreed that due consideration had been given to the few conflictions of lodge communications.

Having due regard to the foregoing information this Committee recommends to the Grand Master, the Board of General Purposes and to Grand Lodge as follows:

1. That Toronto District "5" be divided into Toronto District "5", and Toronto District "6".
2. That this division be effective at the Annual Communication of Grand Lodge in 1962.
3. That these Districts be composed of the following Lodges:

Toronto District "5"

Toronto District "6"

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This report was presented by R.W. Bro. D. J. Gunn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gunn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On July 9th, 1856, M.W. Bro. William Mercer Wilson presided at the first annual communication of this Grand Lodge meeting in the City of Hamilton, when there were fifty-one delegates present representing thirty-three lodges. On July 20th, 1960, M.W. Bro. Clarence MacLeod Pitts presided at the one hundred and fifth annual communication meeting in the City of Toronto, when there were three thousand and two hundred and ninety-five delegates registered representing six hundred and three lodges.

The mere recital of these significant figures testifies most eloquently to the faithful and devoted service of former members of this Grand Lodge who in their day and generation gave so freely of their time, talents and substance and helped to make possible the Masonic inheritance which is ours today. It is therefore most fitting that at each annual communication the living members should endeavour to pay tri-

bute to the great host of spiritual witnesses by which we are surrounded and gratefully remember our debt to those who have gone before.

Once again it is the sad duty of this committee to record the passing to the Grand Lodge Above of stalwart Masons who had been our companions in other years and whose wise counsel and genial personalities will be sorely missed. As always, some of these brethren were among the leaders of the Craft, also many others who were happy in serving their own lodges and districts. We must never forget that healthy Craft lodges are the foundation of Masonry, and those ardent and unselfish Masons who were the pillars of their own lodges are worthy of our grateful remembrance.

The ranks of our past Grand Masters, already sadly reduced in the previous year, suffered a further loss in the death of M.W. Bro. W. J. Dunlop in February of this year. No doubt the Most Worshipful the Grand Master will deal more fully in his report with the life and achievements of our late distinguished Past Grand Master. While not enjoying the close association with our late brother that his colleagues in the Grand East were privileged to have, the Chairman of this Committee wishes to record pleasant memories of the unflinching courtesy and kindly help received on numerous occasions from the late M.W. Bro. Dunlop. Not only this Grand Lodge but also a host of Masons whom he was ever ready to encourage and counsel mourn his passing after a long and notable career as a widely known educationist, outstanding Mason and devoted Churchman.

It is most fitting that we pay our tribute of esteem and respect to those who have laboured with the working tools of Masonry in their symbolic sense and by precept and example have removed many of the sharper edges from the rough Ashlars of their minds and characters. It is beyond the capacity of any man to achieve even a close likeness to the perfect Ashlar, but who of our number has not witnessed a steady chipping away of the rough corners of a fellow Mason's personality when by devotion to the Craft and absorption of its teaching he has given our great fraternity the opportunity it must have have to do its work effectively. Our sense of loss as we mourn for those devoted brethren is all the greater because we realize that an outstanding Mason is the product of years of growing in Masonic knowledge and therefore in grace of character.

Man, we are told, and know full well, has but a short time to live and sooner or later each of us must stand before the Great Architect to give an account of our lives and actions. Here let us state again that Masonry is not a religion and makes no claims to the salvation of the human soul. However, it is a splendid and inspiring philosophy of

life and countless thousands of men have been greatly influenced by the teachings concealed in its symbols and allegories.

In this day and age of space missiles and the strenuous and untiring efforts of philosophies alien to our traditions and beliefs to capture the minds of a large portion of the world's population, it is well for us to be sure that we adhere most firmly to the teachings of the Craft. Surely it was never more important for Masons to support the institution to which each of us owes so much for the lessons we have been taught and the eternal principles which our ritual so eloquently expresses.

At this time we might profitably recall to our minds a few of the fundamental truths that our Craft has impressed upon us. First, a belief in a Supreme Being — a belief denied by millions of our fellow men. Without this rock on which we stand, there could be no Freemasonry as we know it and all Masons should so govern themselves, both in deeds and in words, that the world at large may be in no doubt as to where we stand.

Secondly, a belief in the worth and dignity of every man regardless of colour, creed or material possessions. We know too well that all men were not created equal in abilities or opportunities. It is our firm conviction, however, that every man is entitled to our respect and that the state was made for man and his betterment. We deny most strongly the false gospel that man's chief end is to serve his temporal rulers and that individually he counts for nothing.

Thirdly, the development of the mental capacities of every Mason so as to utilize as much as possible of the inherent abilities with which the Creator has endowed us. Along with this duty is the further obligation to endeavour to progressively improve the soundness of our judgment and to be ever mindful of the wealth of significance underlying the four cardinal virtues.

If this report appears to speak more to the living than of our departed brethren, it is because we believe that the unseen cloud of witnesses, whose presence we feel this day, would not wish us to spend our time in undue mourning. Rather, having paid our respects to their memories and gratefully acknowledged their contribution to the cause of Freemasonry in their lifetime, they would perhaps impatiently remind us of the tasks uncompleted, of Masonic duties yet before us, and urge us in the strongest terms to press onward. Let us therefore heed their admonition and obey their unspoken challenge to us all.

Thus, we say our farewell to those who have laboured well and gone to their eternal reward in the Grand Lodge above. May we remember the words of the poet:

“How fast they fall, those we have known,
As leaves from Autumn branches blown so quickly sear,
Yes, one by one they drop away
As leaves that fall, and stray and disappear.
Sleep on, dear friends, such lives as thine
Have not been lived in vain,
But shed an influence rare, divine,
On those who here remain.”

Let us now pay a silent tribute to our **Departed Brethren** as we bear in mind the following:

These Tablet Pages
 are inscribed and fraternally dedicated
 in memory of
Our Departed Brethren

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. M. C. Hooper, Acting Chairman, in the absence through illness, of R.W. Bro. J. R. Rumball, Chairman. On motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Grievances and Appeals submits its report in the following parts:

1. SIMCOE LODGE, No. 644, versus BRO. IVAN B. GROSE.

In the Proceedings of this Grand Lodge for the year 1959, p. 202, it is recorded that Bro. Ivan B. Grose, a member of Simcoe Lodge, No. 644, had pleaded guilty to a charge of armed robbery on December 20, 1958, and had been sentenced to a term of three years in Kingston Penitentiary. On the basis there stated it was determined that Bro. Grose was guilty of unmasonic conduct. He was accordingly suspended and notified to appear at the Annual Communication of Grand Lodge in 1960 to show cause why he should not be expelled.

At the time of such Annual Communication Bro. Grose, having been paroled after serving 18 months of his term and parole having expired, was in hospital following an operation. Representations were made on his behalf and, as a result, action regarding expulsion was deferred until this Annual Communication of Grand Lodge, and in the meantime his suspension was continued.

A petition has now been received from Bro. Grose for restoration to membership. The petition states that Bro. Grose has been reunited with his family for the past year and a half and that he has reestablished himself in the community in all respects except one — presumably his membership in Masonry.

The petition has been submitted to Simcoe Lodge, No. 644, after consideration by its Committee of General Purposes, and was balloted on and passed at a Regular Meeting of the Lodge held in May 11, 1961.

In addition to the resolution of his Lodge your Committee has received a Communication from Dr. M. A. Fischer, the psychiatrist who examined Bro. Grose shortly after the offence occurred. Bro. Grose has also been invited to appear before your Committee and has appeared with two of his Past Masters who informed us that the meeting of the Lodge on May 11, 1961, was well attended after due notice and that the vote in favour of restoration was practically unanimous.

Your Committee is of the opinion that Bro. Ivan B. Grose made a courageous return to his place in the Community and should be permitted to complete the process by resuming his membership in the Craft. Your Committee

therefore recommends that the suspension of Bro. Grose be lifted and that he be permitted to resume his membership in his Lodge.

2. CORINTHIAN LODGE, No. 669 versus BRO. WALTER EARL LASHWAY.

The Proceedings of Grand Lodge for the year 1960 (page 227) record that Bro. Walter Earl Lashway, initiated in Eureka Lodge, No. 283, Belleville, in 1952, and an affiliated member of Corinthian Lodge, Cornwall, in 1957, had been accused of an offence under the Criminal Code in that he did in the City of Cornwall—between October, 1957, and July, 1958, by fraudulent conversion to his own use of the sum of \$500.00 thereby steal the same contrary to the Criminal Code.

The accused pleaded guilty at the trial in the County Judge's Criminal Court and was released upon suspended sentence upon entering into certain recognizances.

A charge of unmasonic conduct having been laid and accepted in Corinthian Lodge, a Committee appointed under Rule 20 reported that the charge of unmasonic conduct laid against Bro. Lashway under Rules 1(n) and (p) was fully substantiated.

Prior convictions of the accused were on record extending from October, 1940, to April, 1958. Concern is here expressed that a number of these convictions antedate Bro. Lashway's entry into Masonry and evidently were not disclosed to or discovered by Eureka Lodge at the time of his application for membership, nor by Corinthian Lodge prior to his affiliation.

The decision of the Lodge, based on the report of its Committee, was that Bro. Lashway was guilty of the charge as laid and recommended that he be expelled from the Craft.

This Committee, a year ago, concurred in the finding of the Lodge and recommended that Bro. Lashway be notified to appear at this Communication of Grand Lodge to show cause why he should not be expelled. He has been so notified. He has not appeared.

Your Committee now recommends that Bro. Walter Earl Lashway be expelled.

3. SIMCOE LODGE, No. 644 versus BRO. ROBERT HUNT.

The Proceedings of this Grand Lodge for 1960, p. 228, contain the report of previous proceedings in this case.

Bro. Robert Hunt, a member of Simcoe Lodge, No. 644, was convicted of indecent assault under the Criminal Code and sentenced to six months' imprisonment, psychiatric treatment being suggested by the Magistrate.

A charge of unmasonic conduct was laid in the Lodge under Rule 1(s) and, on the request of the Lodge, the charge was dealt with by a Commission appointed by the Grand Master. The Commission found the accused guilty of the charge and recommended indefinite suspension from the Craft.

Grand Lodge acting on the recommendation of this Committee one year ago ordered that Bro. Hunt be notified to appear before this Annual Communication of Grand Lodge to show cause why he should not be expelled and suspension was continued in the meantime.

He has been so notified. He has not appeared.

Your Committee therefore recommends that Bro. Robert Hunt be expelled.

4. HAMMOND LODGE, No. 327, versus W. BRO ALVIN V. ESSELTINE.

W. Bro. Alvin V. Esseltine, the Treasurer of Hammond Lodge, No. 327, in the year 1959, was found by the Auditor of the Lodge to be short in his accounts to the extent of \$578.44. On December 18, 1960, the succeeding Treasurer charged W. Bro. Esseltine with the theft by conversion of funds belonging to Hammond Lodge during his term of office as Treasurer. No charge was laid in the Courts.

The charge was printed in full in the lodge summons for January, 1961, and, presumably, was read and accepted by the Lodge at its regular meeting on January 16, 1961. A special meeting was ordered for the trial of W. Bro. Esseltine on March 13, 1961, and at such meeting 14 members of the Lodge were in attendance. The accused did not attend the meeting and the material before this Committee discloses that he was duly served with an attested copy of the charge and of the time and place of trial thereof.

The Minutes of the meeting state that "W. Bro. Esseltine was absent and no reason given".

The Master appointed a Past Master to act as representative of the accused and the trial was proceeded with. The evidence consisted of the Auditor's report for the year 1959, disclosing a shortage of \$578.44 in lodge funds. The succeeding Treasurer of the Lodge in evidence reported admissions of misappropriation made by the accused to the Treas-

urer and Secretary together and promises of restitution, presumably never fulfilled.

The Lodge found W. Bro. Esseltine guilty and ordered his indefinite suspension with a recommendation of expulsion.

This Committee has carefully considered the proceedings in Hammond Lodge and agrees in the finding of guilt made by the Lodge.

Your Committee therefore recommends that Wor. Bro. Alvin V. Esseltine be notified to appear at the next Annual Communication of this Grand Lodge to show cause why he should not be expelled, and that in the meantime his suspension be continued.

5. DORIC LODGE, No. 382, versus BRO. SYDNEY A. McCracken.

Bro. Sydney A. McCracken, a member of Doric Lodge, No. 382, was charged in Magistrates Court in Hamilton that he did without colour of right convert to his own use sums of money varying in amounts from \$37.67 to \$482.96 from seven different individuals within one year prior to February 8, 1958. The trial took place in Magistrates' Court and on April 11, 1958, he was found guilty on six charges and sentenced on April 16, 1958, to three months in gaol concurrent on all charges.

Subsequently a charge of unmasonic conduct was laid under Rule 1(p) in Doric Lodge, No. 382. Notice to appear at the meeting of the Lodge on June 20, 1960, to show cause why he should not be suspended for unmasonic conduct was served by registered mail at the last known place of address of Bro. McCracken under Rule 5. The letter was returned undelivered and Bro. McCracken did not attend the meeting. A trial was ordered and a certificate of conviction from the Magistrates' Court was produced.

The Lodge found Bro. McCracken guilty of a Masonic offence as charged and by a ballot resolved that he be suspended indefinitely.

This Committee has carefully considered the record of the proceedings in the Court and in the Lodge and finds lack of compliance with the Rules of Procedure of Grand Lodge in certain particulars. Following the practice adopted by this Committee, with the approval of Grand Lodge in certain cases previously decided, when all the requirements of the Constitution and Rules of Procedure have not been observed, but where guilt has been established beyond question by conviction in a Court of competent jurisdiction, this Committee recommends that the Grand Master and Grand

Lodge by virtue of the inherent power and jurisdiction vested in them do confirm the suspension of Sydney A. McCracken imposed by the Lodge, and further recommends that he be notified to appear at the next Annual Communication of this Grand Lodge to show cause why he should not be expelled, and that in the meantime the suspension be continued.

6. TUSCAN LODGE, No. 541, versus W. BRO. WILLIAM H. HARRIS.

A charge was laid in Tuscan Lodge, No. 541 against W. Bro. William H. Harris of carrying on a continuous adulterous association with the wife of another member of Tuscan Lodge. The charge was accepted by the Lodge which requested that the Grand Master appoint a Commission to deal with the charge.

At the hearing the accused brother was present and pleaded not guilty. Oral evidence was heard "in Camera" but in the presence of the accused wherein the said wife of a member of Tuscan Lodge voluntarily stated under oath that she had engaged in numerous acts of adultery with the accused in the period and at the places alleged in the charge. The complainant stated on his honour that the accused had admitted the offence to the complainant.

The accused declined to make a statement.

The Commission found the accused guilty of the charge, such being a Masonic offence under Rule 1(s) and suspended him from Masonry until this Annual Communication of Grand Lodge.

The Commission also recommends that W. Bro. William H. Harris be expelled.

This Committee concurs in the finding of guilt made by the Commission and recommends that W. Bro. Wm. H. Harris be notified to appear at the next Annual Communication of Grand Lodge to show cause why he should not be expelled, and that in the meantime his suspension be continued.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Acting Chairman.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This report was presented by R.W. Bro. R. C. Berkinshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Berkinshaw, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has reviewed the reports of the Grand Treasurer, the Grand Secretary and the Auditor, which have been referred to it for consideration at this Annual Communication of Grand Lodge.

These reports appear to fully and accurately set out all pertinent details relative to the financial position of this Grand Lodge for the year ended May 31, 1961, including all items of Receipts and Disbursements in respect to the General Fund and the Combined Memorial and Semi-Centennial Funds, full details of all transactions and changes in the Capital Account which have occurred during the year under review and complete schedules of the securities in which Grand Lodge funds were invested as of the above mentioned date.

Receipts in the General Account for Fees on initiation, per capita dues, commutations of fees, interest on investments, etc., but not including bank loans, amounted to \$212,227.61, or \$7,272.39 less than estimates submitted a year ago, mainly because the amendments to Section 245 of the Constitution approved by Grand Lodge at its Annual Communication in July 1960 did not take effect over the full period of the past fiscal year and the increase in interest from investments over the estimates did not entirely offset these lower revenues.

Subject to some variation, as far as individual items are concerned, total disbursements under the General Account are reasonably in line with the budget, considering the fact that the extraordinary circumstances marking the completion

and moving into the new Grand Lodge Memorial premises under entirely new conditions of occupancy made it difficult to accurately forecast the amount required by Grand Lodge to meet its financial obligations for the fiscal year which ended on May 31, 1961.

The audited statements presented by the Grand Treasurer show total disbursements under the General Account of \$276,369.33, including demand notes paid to the Canadian Bank of Commerce in the amount of \$68,000.00. If these payments are excluded, all other expenditures, including rent paid to Masonic Holdings and the purchase of equipment and furnishings for the new Grand Lodge Memorial Building, were actually less than estimated by over \$12,000.00.

It should be noted that the par value of total investments under the General, Memorial and Semi-Centennial Funds was \$189,905.00 over that of the previous year and that the resources of this Grand Lodge show an over-all increase of \$29,036.00. Considering the exceptional conditions prevailing during the past year, this is a very commendable result.

We draw to the attention of the members of Grand Lodge —

- (a) that the schedule of investments under the General Fund, as of May 31, 1961, includes Series A and B 5% Debentures of Masonic Holdings to the extent of \$392,000.00;
- (b) that on May 31, 1961, General Fund investments to the par value of \$458,500.00 were held by The Canada Permanent Trust Company for the account of The Canadian Bank of Commerce, Hamilton, Ontario, as security for estimated loan requirements to finance the new Grand Lodge Memorial Building and that as of the above mentioned date, the liability to this bank covered by demand notes amounted to \$187,000.00.
- (c) that the net resources shown in the General Fund Investment Account include a sum of \$96,420.63, which is available for benevolent purposes only, in accordance with Section 245 (M) of the Constitution.

Grants for benevolent purposes amounted to \$65,357.34, as compared with \$64,784.00 for the previous year. These were paid out of the General Account, with the exception of an amount of \$6,175.00, which was disbursed from the Memorial Fund.

Requirements for benevolent grants for the current year are estimated at \$72,000.00 and although these could all be

paid out of the General Account, your Committee recommends the following apportionment:

from the General Fund	\$ 50,000.00
from the income and invested income of the Combined Memorial and Semi- Centennial Funds	22,000.00

in order to reduce in so far as practicable the extent of such bank borrowings as may be necessary until the financing of the new Grand Lodge Memorial Building has been completed. Estimates of Income and Expenditures for the current year, as appended to this report, provide for an apportionment on the above basis.

We record our support of the Grand Treasurer's recommendation that a study be made at an early date of the funds held and applied or to be applied by Grand Lodge for Benevolent Purposes only vis-a-vis its possible future obligations and commitments in these respects under conditions which are likely to prevail for some years to come.

It is appropriate that we should again record the appreciation of this Grand Lodge for the kindly, conscientious and considerate manner in which these important activities are administered by the Chairman and members of the Committee on Benevolence, with special reference to the Supervisor, R.W. Bro. George J. McQueen.

Your Committee recommends approval of the six donations totalling \$2,600.00, as reported by our Grand Master and itemized in the audited statement.

Your Committee has reviewed the details of insurance coverage placed by Grand Lodge and is satisfied that all necessary precaution is taken to ensure that Grand Lodge property, wherever it may be situated, is adequately covered against loss by fire, theft or other hazards.

In its review of the matters covered by this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary, the Grand Treasurer and the Auditor and formally recommends to Grand Lodge the adoption, without amendment, of the reports submitted by the above mentioned officers. They are to be commended on the conscientious and faithful performance of the duties of their respective offices. The interesting, informative statements which they have presented deserve the thoughtful consideration of all Brethren in this Jurisdiction.

Following the customary practice, your Committee now submits for consideration and approval an estimate of Income and Expenditures for the year ending May 31, 1962:

GRAND CHAPLAIN'S REPORT

This report was presented by R.W. Bro. R. G. Hazlewood, Grand Chaplain, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hazlewood, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

To have been chosen to serve as Grand Chaplain in this Grand Jurisdiction has been an honour and a privilege. I am most grateful to have had the opportunity. It has been an experience that I will always cherish and remember with joy. The many acts of kindness, the courtesy and the cordial reception accorded me at all times are acknowledged with

gratitude. I hope that I have been able to uphold the traditions and standards of Grand Lodge.

To the District Deputy Grand Masters I express my sincere appreciation for their assistance. In the majority of Districts the District Deputy Grand Masters were able to appoint ordained clergymen as District Chaplains, and where this was impossible the laymen chosen were of high calibre, respected and revered in their home communities, men holding high place in the church of their choice. On behalf of Grand Lodge I thank the District Chaplains for their fine leadership.

During the year I had many opportunities of having fellowship with my brethren on special occasions. Included in these were Constituting and Consecrating of new Lodges, Dedication of new Temples and Lodge Rooms, and the Ceremony of the laying of the Corner Stone of the Public School at Palmerston. The last Dedication of a new Temple in which I took part was that of St. Alban's Lodge, Mount Forest. This was unique in that a few years ago I was a member of St. Alban's. I was the speaker at a number of Lodges and a number of Ladies' Night Banquets. The high light of the year was the Dedication of the new Grand Lodge Building in Hamilton, on October 31st. It was indeed an honour to be Grand Chaplain in the year of the Dedication and to have had a part in it.

A custom that is becoming almost universal in this Grand Jurisdiction, a custom which cannot be too highly commended, is that of holding District Divine Services. I had the privilege of preaching at three District Services, Wilson, Prince Edward and Grey Districts. What an opportunity for Masons to witness to their fundamental faith in the Great Architect of the Universe. I also had the honour of being the special speaker at the Service of Worship during the Centennial Celebration of Tudor Lodge, No. 141, Mitchell, and the regular Divine Service of Tuscan Lodge, Hamilton. I am sorry that I was unable to accept certain other invitations because of the call of duty in my own church; I hope the brethren will understand.

To the Grand Secretary and his staff I express my deep appreciation. Always they were ready to help me and advise me in the performance of my duties. I will always hold in high esteem their personal friendship.

To my successor I offer my sincere congratulations. May his term of office bring him much joy and happiness in the great work of Masonry. I hope he will feel free to call upon me at any time if I can be of assistance to him.

Respectfully and fraternally submitted,

R. GORDON HAZLEWOOD,
Grand Chaplain.

REPORT ON THE NEW GRAND LODGE OFFICES

This report was presented by M.W. Bro. J. A. Hearn, and on his motion, seconded by the Deputy Grand Master, it was received and adopted.

MASONIC HOLDINGS REPORT

Many of you will remember that at our last Annual Communication I remarked that I hoped our Grand Lodge Memorial Building should be ready for occupancy by late October.

You will be pleased to know that Grand Lodge is now in full possession of the ground floor and basement since October 31st, 1960, marking the final step of a home of our own for the first time.

The upper floor is now being made ready for two incoming tenants. The laying of the floor tile, the installation of the ceiling and electrical fixtures are proceeding rapidly.

In order to facilitate two tenants it was necessary to subdivide into two areas. The leases will run for three years plus an option to renew for two years.

At a meeting of Masonic Holdings held at the close of Grand Lodge, Thursday July 20th, 1961, the following directors were elected:

Jas. N. Allan, R. C. Berkinshaw, E. G. Dixon, Q.C., Geo. T. Evans, Walter H. Gibson, J. A. Hearn, H. L. Martyn, C. M. Pitts, T. H. Simpson, Q.C., Grand Master, Ex-Officio, Deputy Grand Master, Ex-Officio.

At a subsequent meeting the following officers were elected:

President, J. A. Hearn; Vice-President, R. C. Berkinshaw; Vice-President, H. L. Martyn; Secretary-Treasurer, E. G. Dixon, Q.C.; Auditors, H. Vigeon and Company.

The following members were named to the Special Building Committee:

R. C. Berkinshaw, Chairman; E. G. Dixon, Q.C.; W. H. Gibson; C. M. Pitts; President of the Board of Directors, ex-officio; Grand Master, ex-officio; Deputy Grand Master, ex-officio.

There is an open invitation to members of the fraternity to visit your new Memorial Building. It is well worth seeing.

Respectfully submitted,

J. A. HEARN,
President, Masonic Holdings

REPORT ON THE REMEMBRANCE MEMORIAL FUND

This report was presented by R.W. Bro. W. H. Gibson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gibson, the report was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Remembrance Memorial Fund Committee is able to report that now almost all of the Lodges have participated in the Fund and we are deeply grateful to those District Deputy Grand Masters and Immediate Past District Deputy Grand Masters who have assisted in bringing the Fund before our membership.

On July 17th, 1961, our Fund totalled \$57,718.33 and, while it was intended that the Fund should be closed at this time, there have been so many requests received that the date be extended, the Grand Master has consented to hold the Fund open until December 31st of this year, when it will definitely close.

The Committee would urge therefore that each Lodge publicize this extension to its members and endeavour to forward all monies received from our members to the Grand Secretary by December 31st, 1961.

Respectfully and fraternally submitted.

WALTER H. GIBSON,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Fraternal Correspondence for the Masonic year of 1960-61, composed of M.W. Bro. W. L. Wright, R.W. Bro. R. W. Treleaven, R.W. Bro. E. G. Dixon and M.W. Bro. H. L. Martyn, Chairman reports as follows:

FOREWORD

Few men have contributed to Masonry more than did the Past Grand Master who was the Chairman of this Committee up to the time of his passing a little over five months ago. Many of the Reviews were completed before his illness and they are recorded in the pages that follow. The Committee wish to join the other Committees of Grand Lodge in recording the deep sense of loss we feel at his passing. This generation of Masons can feel proud that they were privileged to know and work with a Mason such as the late M.W. Bro. William James Dunlop.

The Committee was able to prevail upon R.W. Bro. J. J. Talman, P.G.S.W. of London, Ontario, to write the remainder of the reviews. Our sincere thanks and appreciation are extended to him for undertaking this task and carrying it through to its completion.

Our Grand Lodge recognizes ninety-four Grand Lodges in the various parts of the world. These reviews that are presented each year come from the Grand Lodges on this continent and some from others in the English speaking world. If you read these reviews carefully and thoughtfully, we are sure that you will get an appreciation of the workings of Masonry in the various parts of our Masonic world.

The problems that face the different Grand Lodges seem to be common rather than isolated. The chief ones appear to centre around attendance or the lack of it. Coupled with this one comes the decrease in membership. The decrease in membership would seem to centre in the main in the Grand Lodges in the northeast part of the continent. The larger the Grand Lodge the more apparent would seem to be the decrease. These trends are important so they should be studied. Closely allied to this problem is the problem of poor lodge attendance. This does not appear to be isolated to any particular area. Interesting comments appear in the

reviews as to cause and remedy. The 11.30 p.m. leaving time that the Grand Master of New South Wales asks for, is worthy of note.

The benevolent work of each Grand Jurisdiction is always of interest to the Masonic reader. This topic is dealt with in detail by all Grand Lodge Proceedings. In the main the Masonic Home is supported in nearly all Grand Lodges in the United States. This is so different to our own approach that from time to time some of our members desire us to change. However, a thorough understanding of our system will soon convince the sceptic that our approach meets our problem efficiently and effectively.

It is of interest to note the number of reviews that record the fact that the Grand Master laid corner-stones for buildings other than Masonic Temples. A few that stand out are Delaware, California, Arkansas and Missouri. This is of interest to us at the present because of the fact that our Grand Master presided at a corner-stone ceremony during this last year for a public building. It is many years since this has happened in our Grand Jurisdiction.

California records an interesting comment on the demands that are made on the Grand Master's time. Arizona reports a scheme of three level control in the administrative duties of senior officers of Grand Lodge. These may initiate some serious thought in the minds of our readers. Do we make too many demands on the time of the Grand Master?

The Grand Lodges of Australia seem to be concerned about the dignity that should prevail at Masonic meetings. It is interesting to note the comments on what is appropriate dress for members attending lodge.

In a closing comment, we feel that these reviews show evidence of inspired leadership in the Masonic World. One cannot fail to be impressed by the fact that Masonic leaders are giving their best to promote the interests of the Craft in their respective jurisdictions.

Respectfully submitted,

HARRY L. MARTYN, P.G.M.,
Chairman.

Unfortunately, the losses totalled 749; 253 demitted; 143 were suspended; 353 passed on. In spite of this, there was a nice increase. (What can be done about suspensions?)

The Committee on Masonic Education recommended greater use of the Grand Lodge Library and of the Bulletin and suggested that discussion periods could be built up on the material therein available. The Proceedings of the Banff Conference were recommended also for study. During the year several talks on Masonic Education were given to local Lodges.

Special Communications were held for the purpose of constituting and consecrating two new Lodges and dispensations were issued for the formation of another two Lodges. (Good progress, if we may say so.)

In the course of a most interesting and comprehensive Address the Grand Master did not hesitate to reprimand where he considered that necessary and desirable. For example, though he attended, with the Grand Secretary, all the District Meetings, the attendance was not at all satisfactory and for this situation he, quite properly, holds the District Deputy Grand Masters and the Masters responsible. He remarks that the District Deputy Grand Masters have seven or eight months to organize their meetings. At each meeting a degree was conferred; careful attention was given to wording; and there was a question and answer period. In Alberta there are two Rituals in use, the Canadian and the York Rite. The Grand Master did not overlook Yellowknife Lodge, No. 162 in the Northwest Territories where a candidate was raised who had flown 200 miles to attend the Meeting. This Lodge, with 110 members, prospers remarkably.

Further, he said: "The first and highest allegiance of every Mason should be to his Blue Lodge. From her he draws his Masonic life. He promised her allegiance before he became acquainted with any other organization called

Masonic." He urged attention to voice and enunciation; "Make words live", he said. He had a sharp reprimand for those brethren who tell the candidate crazy stories of what takes place during a degree and he pleaded for dignity, pointing out that in the York Rite there is sometimes unnecessary roughness. He condemned the telling of "shady stories" at the banquet. All in all, the Address was refreshing, sensible, and down to earth. (One of the finest we have read.)

In presenting the Report of the Committee on the Work, my friend of many years' standing, M.W. Bro. F. P. Galbraith, delivered a pithy and forthright foreword on the necessity of impressing on the candidate the lessons we purport to teach.

In 1960-61 twelve bursaries will be available for university students and sixteen in each subsequent year. The fund is contributed by the Lodges.

The condition of the Craft is most healthy. Many Lodges have raised their fees in recognition of the continual climb in the cost of living. The Grand Master recommended that all Lodges which had not already raised fees consider doing so. Masonry is growing in Arizona and the Grand Master felt that means should be found of keeping up this growth.

One important committee appointed was that for investigating and finding a suitable location for a permanent Grand Lodge building.

The Grand Master was disturbed to learn that many petitions were being signed by members who had known the petitioners for only a few months. He recommended the adoption of a regulation that a signer must know a petitioner at least one year before signing his petition.

He recommended also that Arizona be divided into three districts, with the Deputy Grand Master, the Senior Grand Warden, and the Junior Grand Warden each being assigned to a district. As an officer moved upward he would be assigned to a new district, and in this way, when and if he became Grand Master, he would have become familiar with the whole jurisdiction. The plan, he felt, would not interfere with the office of Grand Master or take away any of his prerogatives. But it would relieve him of a host of small details.

The year saw several emergent communications for the purpose of laying cornerstones. All but one of these were for Masonic Temples and Halls. On May 27, however, the Grand Lodge met to lay the cornerstone of a new United States Post Office and Court House. On this occasion the Grand Orator told something of how this particular ceremony has declined. "Cornerstone ceremonies once were big events in the lives of communities. A century ago cornerstone ceremonies attracted thousands of persons from near and far whether it was to be held in a large city or in a humble community. Religious differences were forgotten in great displays of tolerance; and it was significant that the ceremony of cornerstone laying for an insane asylum was apt to draw almost as many persons as the ceremony of cornerstone laying for a state capitol. As examples, when the cornerstone was laid for the Cassville Female Academy in Little Cassville, Georgia, on May 10, 1835, 3000 people gathered from all over the state for the ceremony. And when Springfield, Ohio, laid the cornerstone for its city hall on June 24, 1849, the crowd was estimated to be from 10,000 to 15,000 in number. On July 4, 1848, more than 10,000 visitors flocked to the cornerstone laying for the Washington Monument. And other examples could be given."

On this occasion 500 attended.

Disaster struck the Hall of Center Ridge Lodge, No. 475. Just a year and a half before the brethren had spent \$5,000 on buying and remodelling their building. This was all lost in a tornado. The members raised an additional \$2,000 and an appeal for eight cents per member in the Grand Jurisdiction had reached practically the full amount required by the time of the meeting of the Grand Lodge.

The campaign to raise \$1.00 per member to assist the young men of the Acacia Fraternity in the erection of a new Fraternity house on the campus of the University of Arkansas was the subject of a special appeal by the Grand Master.

The Grand Master was asked for only one ruling and this was his answer: "No Lodge may hold a meeting on a

Sunday." He commended the work of the committees on Masonic Education in the constituent Lodges and reproved members and Lodges for circularizing in order to influence the opinion of others in favour of their own pet projects. It was his view that it is the prerogative of the Grand Master, and of him alone, when Grand Lodge is not in session, to determine questions of usage and procedure. He stressed the importance of the work of committees of enquiry and urged great care in admitting applicants.

The amount spent on relief during the year was well over \$15,000 and more than twice that amount remains in the fund in addition to the capital sum of \$768,010.27. In the contingency fund there is \$111,509.83 and the general fund is in excellent condition. This is really security and prosperity!

There is a "Canadian Working" in use and also an "American Working"; the latter is being revised. Somewhere, sometime, we heard that there are other "Workings" under the Grand Lodge.

To this Reviewer it has been a great pleasure to see that our powerful and sagacious friend of years ago, M.W. Bro. Frank Burd, is still active in Grand Lodge. Through the decades he has been a pillar of strength to Freemasonry. Long may he flourish! (For us it has been unfortunate that last year's Proceedings did not reach us.) We are grateful for the fine review given our Grand Lodge.

The Committee on Masonic Education reported a year of continued increase of interest and activity. There are supervisors of education in the Lodges and there are Lodges of Instruction in Vancouver and in Victoria. The "Masonic Bulletin" has received full support from the constituent Lodges. The appropriation for the Bulletin was increased to \$2,700. and we wondered how 27,000 copies per month could be published so inexpensively but we discovered that the Lodges contributed over \$5,400, presumably in subscriptions. This seems to be a thoroughly worthwhile project which deserves abundant success. Everywhere Masonic Education is receiving attention.

The special committee appointed to investigate the feasibility of creating a fund to provide bursaries and Scholarships for needy sons and daughters of members requested more time to study the proposition. (In any Province this is a complicated problem.) There were 9 requests to initiate petitioners with physical disabilities and only one was approved.

The Grand Lodge of British Columbia is well managed, is active and optimistic and is really a credit to Canadian Freemasonry.

CALIFORNIA—1960

111th Annual Communication—September 26-30.

Grand Master, 1959-60—M.W. Bro. J. L. Shell
Grand Master, 1960-61—M.W. Bro. A. F. Breslauer

Lodges, 696. Membership, 241,819. Gain, 1,691.

This Grand Lodge had a most active year. There were twenty-eight Special Communications for the purpose of Constitution of five new Lodges, the Dedication of twelve new Masonic Temples, the laying of five cornerstones for new public school buildings or new civic buildings, and for one most unusual cornerstone ceremony, that of laying the cornerstone for a new Church building. "The latter ceremony," said the Grand Master, "at the request of the authorities of the California Heights Methodist Church in Long Beach, was a most gratifying one by reason of the display of cordial feeling between our brethren and those of the Church."

In addition to these ceremonies six new Lodges were instituted.

The Grand Master pointed out the great demands of the office and the consequent exclusion of some outstanding members from it. "The year has been a busy one. I have no doubt that as time passes by, the number of appearances by the Grand Master will necessarily increase, as has been true in the past years.

"In this respect, I humbly express to the Grand Lodge the opinion that the affairs of Masonry in this Grand Jurisdiction have grown in volume and importance to the point where we should begin to think of relieving our Grand Master of much of the detail attendant upon the office. I think I may safely say that the Fraternity has, in recent years, been deprived of the service of several of our outstanding brethren who are very active in their respective occupations or professions and so not in a position which would permit them to retire therefrom, and who, knowing the demands which would be made upon them for their time have, upon inquiry, necessarily refused the distinction of election to a line office. I do not propose that action be taken at this time to afford immediate relief, but I do suggest that the appropriate committees of the Grand Lodge, particularly the Committees on Policy and General Purposes and Jurisprudence, give consideration to the problem.

"My brethren, I do not complain. I have thoroughly enjoyed the year. The compensation in satisfaction has been immeasurable, but I honestly extend my sympathy to suc-

cessive Grand Masters, knowing that they will be called upon to make sacrifices beyond any I have been required to make. I am retired from the bench and have had my full time to devote to the activities and the voluminous correspondence, but the full time of other Grand Masters may not be available."

The rulings of the year maintained a high level. One group was not permitted to run a lottery. Another ruling stated that the manufacture and sale of ash trays bearing the square and compass and other masonic emblems was contrary to regulations and that even though such merchandise were given away "it would be in the utmost bad taste."

The non-political character of Freemasonry was reaffirmed in an edict ordered to be read at each Stated Meeting of each Lodge, including November meetings.

The Grand Secretary recorded the largest number of affiliates of any time during the past forty years. This situation may well be due to the excellent work of the Sojourners Committee of Grand Lodge which draws in members from other jurisdictions resident in California. The Committee concentrated on encouraging Lodge officers to give their attention to sojourners. A great variety of efforts were used, including special nights, booklets, and attempts to secure names of Masons who move to California from other Grand Jurisdictions from the Grand Lodge concerned. So far the last method, which one would think might be quite fruitful, has not been enthusiastically received by other jurisdictions on the grounds that they might lose members to California. The Committee, it would seem justifiably, remarked: "This is unfortunate because we feel that to do himself and the Fraternity any positive good by virtue of his Masonic membership the brother should actively associate himself with a Lodge in his residence area. Perhaps some day we may make progress in this direction."

The Hawaiian Islands, although now admitted to statehood, form part of the territorial jurisdiction of the Grand Lodge of California. The Grand Master recommended to the incoming Grand Master that he appoint a special committee to study the propriety and feasibility of adding "and Hawaii" to the name of the Grand Lodge.

The Committee on Policy and General Purposes, having thoroughly discussed the importance of preserving the precious and priceless records, artifacts and mementos of early California Lodges, strongly recommended that a Special Committee be adopted by the Grand Master to study and to recommend to Grand Lodge means and procedures by which Grand Lodge might aid early California Lodges when aid is needed in preserving invaluable Masonic possessions for the enlightenment of generations to come. The recommendation was adopted.

COLORADO—1960

99th Annual Communication—January 26 - 27

Grand Master, 1959-60—M.W. Bro. C. J. Gobble

Grand Master, 1960-61—M.W. Bro. C. M. Ray

Lodges, 165.

Membership, 46,863.

Gain, 373.

The total losses were 1,437, including 894 deaths, 307 demits, and 232 suspensions. In spite of this, there was a nice increase.

There were 13 Special Communications, chiefly for constituting Lodges and one for laying the corner-stone of a primary school and another for laying the corner-stone of a church.

The Grand Master was impressed with the fact that Masonry is progressing with the great influx of population into Colorado. He is convinced that Freemasonry is not a decadent institution but is a live and vibrant organization. He refused a request from a Lodge which proposed to receive the petition of a man who was totally blind.

To requests from a bowling league to be allowed to use the word "Masonic" in its name and to a similar request from the management of a park he sent in each case a refusal as he did when another organization, not Masonic but composed of Masons, wanted to serve a malt beverage donated as an advertisement. Still another outfit of Masons, but not a Lodge, wanted a Masonic day at the horse race track and a similar organization wanted a list of the members for circularization. Very properly he refused these as well.

A rather influential section of the members of Grand Lodge pressed for the establishment of a Masonic Home. The Grand Master appointed a committee to study the suggestion but cautioned the brethren that if a Home were decided on, there would be a substantial increase in the per capita tax. The committee recommended in favour but the report was not adopted for several reasons, among which were these; (a) Public and private funds will provide adequate facilities; (b) Numerous other Masonic Homes have been abandoned by other Jurisdictions; (c) Many aged and needy Masons do not desire and will not accept institutional care. All this was in accordance with the Grand Master's opinion.

However, he proposed the adoption of a system of appointed District Deputy Grand Masters and wished to appoint a committee to study the proposal. The Board disapproved without giving reasons. The fee for degrees varies from \$50 in 22 Lodges to \$150 in two Lodges; the

annual dues range from \$3 to \$15. In 17 districts 32 schools of instruction were held during the year with a total attendance of 480. The Committee on Masonic Education reported, in part; "Far too many officers in our Lodges seem to think that the sole purpose of Masonry is to confer degrees, that all Masonry is contained in the ritual work and that there is nothing else to learn". Seven service letters were published and distributed during the year. Benevolence receives due attention and there is an upward trend in fees and dues. (A live and growing Grand Lodge.)

CONNECTICUT—1960

172nd Annual Communication—April 6-7

Grand Master, 1960-61—M.W. Bro. R. H. Milnes

Lodges, 132. Membership, 47,940. Loss, 155.

The Masonic Home and Hospital has been in operation for seventy years. It is now a three-and-a-half million dollar installation, providing comfort to over 300 guests, with the most modern hospital conveniences and home facilities. However, expansion must be planned to accommodate the increasing demand. Financing also is becoming more difficult owing to rising costs. Costs have gone up 150% in ten years. Per capita dues pay only 40% of the total.

A Committee on the Financial Condition of Lodges, during 1958 and 1959, studied the finances of all Lodges. The Committee concluded that 15% of them were in excellent condition, 70% were "skating on thin ice", and the remaining 15% were in some financial difficulty. A permanent committee to review the financial condition of Lodges was set up. The Grand Master also suggested that the possibility of raising dues or fees be considered.

One surprising discovery during the year was that the original charters of two Lodges could not be found, while six others were locked in the private vaults of members and so were not available for the members.

One of the problems encountered in the Grand Jurisdiction was the exodus of members from cities to suburban towns. Lodges nearer their places of residence where there were no parking problems benefitted. The merging of some Lodges and the extension of concurrent jurisdiction were suggested as partial remedies.

One Lodge sought dispensation to waive a Grand Lodge regulation and to permit use of the German language in part

of the work. The Grand Master did not feel that the request was born of necessity and refused the dispensation. One might wonder how circumstances would arise which would justify such a request or how it would be implemented if granted.

The Special Committee on Lodge attendance put forward several proposals to stimulate interest. Punctuality and proficiency were two of the remedies proposed, amongst many others.

The long existence of the Grand Lodge was pointed up by a resolution to arrange for the setting up of a committee to present tentative plans for celebrating the 175th anniversary of the Grand Lodge in 1964 with appropriate ceremonies.

The Appendix presented the seventh installment of a history of Freemasonry in Connecticut. The serial history, which has been appearing in the Grand Lodge Proceedings over several years, brought the account to 1950.

Although a small Grand Jurisdiction in comparison with many others in America, few show greater activity. No fewer than seven Special Communications were held, and as was the case in 1959, several were for the purpose of laying cornerstones of non-Masonic buildings. One was the cornerstone of a city hall, a second of a State Board of Health building, and a third of a fire hall.

The percentage increase in membership continues to decrease but it is the opinion of the Grand Master that World War Two and the Korean conflict caused abnormal increases.

The Masonic Home and system of scholarships continued to flourish.

ENGLAND—1960

Quarterly Communication—March 2

Annual Investiture—April 27

Quarterly Communication—June 1

Notice of Meetings, dated May 21 and August 27

Grand Master—The Rt. Hon. The Earl of Scarbrough, K.G.

Grand Secretary—V.W. Bro. James W. Stubbs

At the March Communication reference was made to the absence of R.W. Bro. Sir Ernest Cooper who was for many years chairman of the Board of General Purposes. Sir Ernest was born in Clinton, Ontario, and graduated from the University of Toronto in 1891. Lord Scarbrough was unanimously re-elected Grand Master. The dates of the Quarterly Communications were changed from the first Wednesday to the second Wednesday of March, June, September and December. Admission to the Annual Investiture is by ticket only but "possession of a ticket will not, of itself, ensure admission."

The Grand Lodge of England has not recognized the Grand Orient of France since 1878 when that body rejected "the existence of God and the immortality of the soul" and substituted "absolute liberty of conscience." Nor does England recognize the Grand Lodge of France because it does not require that the Volume of the Sacred Law be present at its meetings; but England does recognize the French National Grand Lodge (65, Boulevard Bineau, Neuilly-sur-Siene) but not the organization of the same name which broke away some time ago and set up headquarters at 5 Avenue de l'Opera, Paris. A complete statement on all this was made and the brethren were warned against visiting in Lodges not recognized or receiving in any English Lodge visitors from Lodges under any unrecognized Grand Lodge. (Canadian Grand Lodges have, in matters of recognition, followed England.)

In presenting the report of the Board of General Purposes, the President referred to "the zeal and energy" with which Sir Ernest Cooper had made new and most satisfactory financial arrangements.

The Grand Masters of England, Ireland, and Scotland met three times to discuss the advisability of taking steps towards the formation of an independent Grand Lodge of India and have appointed a committee which has already made progress toward the desired end. England has 181 Lodges in India.

The Board of Benevolence reported that, in May, 31 petitioners were relieved to the extent of about \$12,000; in June, 61 petitions received over \$24,000; and, in July, 44 received over \$15,000. It was recommended that \$3,000 be granted in 1960 to the Masonic Institutions.

It is interesting and profitable always to read of the doings of the United Grand Lodge of England, "the Mother of Us All." Every ceremony is carried out in meticulous old-time fashion and the great cause of benevolence is always to the fore. England, Ireland, and Scotland are great examples for us.

An indication of progress and development is the list of nineteen Lodges warranted since the previous Quarterly Communications. These are numbered from 7713 to 7731, and include one new Lodge in Bombay, another in Ghana, and one in the Transvaal; four are in London and the others in various parts of England.

Quarterly Communication, September 7th and December 7th,
1960

The reports of only two of the four Quarterly Communications show that no fewer than thirty-six Warrants have been granted. The newest Lodge at the end of 1960 was No. 7731 Philip Bull, Twickenham, (Middlesex). All but five of the new Lodges are in the United Kingdom. Eight have London addresses and several others are in that general area. The New Lodges outside the United Kingdom are in Bombay, India; Johannesburg, South Africa; Salisbury, Rhodesia; Port Antonio, Jamaica; and Tema (Accra), Ghana. The last reflects the rise of a new city at the new man-made harbour at Tema, a few miles from Accra. The United Grand Lodge of England continues to expand.

One recorded loss closed a chapter in the history of the Grand Lodge which had lasted more than a century. The Northern Lodge of China, No. 570, Shanghai, ceased to meet and its Warrant was returned. The Lodge had been constituted in 1849 and was the sole survivor of the District Grand Lodge of Northern China "which was formed in 1877 upon the division of the District of China into the Districts of Northern China and of Hong Kong and South China. The District flourished for many years, but after the end of the war in 1945 the number of Lodges diminished due to the decline of British business interests, and in 1951 the remaining Lodges in the District were formed into a Group under a Grand Inspector. The Northern Lodge of China, Shanghai, was the last Lodge of this Group to survive and it had upheld the best traditions of English Freemasonry in that part of the Far East for a period of more than 100 years. It had continued to meet undisturbed by outside pressure but with increasing difficulty owing to shortage of members until recent months, when it became clear that it could no longer command a quorum: the members have therefore resolved to close the Lodge and surrender the Warrant."

Statistics regarding the United Grand Lodge have not been frequently published. In the Proceedings of the Grand Lodge of South Australia, however, the Grand Secretary, R.W. Bro. F. J. Ellen, reviewed the Annual Communication held at London, March 2, 1960. He recorded that at that time the United Grand Lodge of England had a roll of 6,943 Lodges, 600,000 members, and a net increase of 59. This is a long way round to get the information and we record our

thanks to R.W. Bro. Ellen for it. We trust that he will forgive our quoting one further paragraph.

"The proceedings do not disclose anything of particular moment during the year. The Grand Lodge pursues the dignified, even tenor of its ways and continues to be the hub of the Masonic World. The four great institutions—the Royal Masonic Institution for girls, the Royal Masonic Institution for boys, the Royal Masonic Benevolent Institution and the Royal Masonic Hospital are shining examples of benevolence maintained almost entirely by voluntary contributions by the Brethren."

FLORIDA—1960

131st Annual Communication—April 19-21

Grand Master, 1960-61—M.W. Bro. J. E. Larson

Lodges, 280. Membership, 67,185. Gain, 1,747.

The Proceedings bear out the statement of the Grand Master, "The Grand Lodge of Florida is growing stronger every day. Peace and harmony prevail." Seven charters were delivered to new Lodges and dispensation was granted for the formation of five Lodges and one was renewed. Finances of the Grand Lodge are in excellent shape.

In 1959 the Grand Lodge created a Budget Commission composed of the four elective officers in line. (In Florida the Grand Master comes up the line from Junior Grand Warden.) The Commission was of inestimable value in handling the financial affairs of the Grand Lodge. Some sticklers, however, were disturbed over the arrangement and raised the question as to whether the Craft had violated the prerogatives of a Grand Master, guaranteed him by the Ancient Landmarks, by establishing a Budget Commission. The Grand Master ruled "No." But in arriving at his decision he carried back his reasoning a long way. According to him the essential characteristic of a Landmark is that it must have existed from "time whereof the memory of man runneth not to the contrary." He went on:

"The Old York Constitutions of 926 are the oldest of Masonic records, passed down to us, and were in the nature of 15 Articles and 15 Points, which were concluded by an additional Ordinance which provided that a General Assembly should be held every year, and that they (Masons assembled in General Assemblies) must renew their obligation to keep these Statutes and Constitutions, which had been ordained by King Athelstan, the appointing Power.

"It would be impossible for any Landmark to regulate the handling of Grand Lodge Finances because there was no provision for a Grand Treasurer, to handle funds, until the year 1722. Records indicate there was some semblance of Freemasonry under General Assemblies or Grand Lodges from 926 to 1722 without the need of a Treasurer. Therefore, it seems clear that ordinarily there were no funds to be handled. There is no suggestion that financial matters are to be controlled under a prerogative of a Grand Master, guaranteed by a Landmark, and such rule would fail to meet the first requisite for it to be a Landmark."

A second point made by the Grand Master was that the Grand Master is not authorized to make law. He is the presiding officer of the Grand Lodge. He is subject and amenable to the Constitutions and Regulations of the Grand Lodge. He has two prerogatives: to preside over Masons in meetings and to issue dispensations. And the dispensations are regulated by law. Consequently the Grand Lodge was within its rights in setting up the Commission. The argument, however, occupied almost three full pages.

The question of members engaged in the selling of alcoholic beverages came up several times, and the Grand Master supported the regulation that no Mason owing allegiance to the Grand Lodge of Florida could engage in the sale or manufacture of alcoholic beverages with more than 3.2 alcoholic content by weight.

Altogether the Grand Master made more than one hundred rulings. Two questions raised brought out facts of interest. The first was, "Can a man rejected seven years ago in a Pennsylvania Lodge be accepted in Florida?" The other was, "Can a petition be accepted by a Florida Lodge from a man rejected in a Lodge in Massachusetts in March, 1957?" The answer to the first was "No. The Grand Lodge of Pennsylvania claims and asserts perpetual jurisdiction over all rejected material" and to the second was "No, the Grand Lodge of Massachusetts claims and asserts jurisdiction over rejected material for five years."

The Grand Master reported on action taken toward the building of a new Grand Lodge Temple. A committee was appointed to look into the matter. The speaker concluded: "It is my conviction that Grand Lodge should have a home where no one could tell us to get out. I think we should have a Temple standing as a monument to the high ideals and philosophies which we teach and which are dear to the hearts of every Mason who believes in the freedom of men. We will decide this question in a democratic way. The Five Year Planning Committee will present a detailed report."

GEORGIA — 1960

174th Annual Communication — October 25-26

Grand Master, 1959-60 — M.W. Bro. E. A. McWhorter
 Grand Master, 1960-61—M.W. Bro. J. A. Dunaway

Lodges, 480 Membership, 100,235 Gain, 532

For the first time in the history of the Grand Lodge a member, W. Bro. R. L. Swatts, attained his seventy-fifth anniversary as a Master Mason. The occasion was fittingly celebrated. The records of Grand Lodge reveal that for thirty-nine years Bro. Swatts had held some office in his Lodge. During the year one hundred and seven fifty year awards were made.

Another "first" in the history of the Grand Lodge was the rise of total membership above 100,000.

The Report on the Masonic Home shows that additional dormitories have been built for twenty boys and twenty girls. The higher education fund has aided nine students in college courses. In addition, the report continues "singly and often in small groups, destitute children between the ages of five and thirteen seek the kindly ministrations of the Home." The doors are open to non-Masonic dependent children. Altogether there are ninety-five children in the Home.

The Educational and Historical Commission reported that they had decided on the text of the Roger Lacey Marker and had agreed to erect it at Thunderbolt. The text of the marker gives a most succinct account of the beginnings of Freemasonry in Georgia.

Roger Hugh Lacey
 First Provincial Grand Master of Georgia

Roger Hugh Lacey, who arrived in Savannah on February 1, 1734, came to the Colony of Georgia on his own account and not as a charge of the trustees. He had served as one of the Stewards of the Grand Lodge of England in 1730. He was appointed Provincial Grand Master of Masons in the Province of Georgia by the Most Noble and Most Worshipful Thomas Thynne, Lord Viscount Weymouth, Grand Master of the Grand Lodge of England in 1735. the appointment being made to Mr. Roger Hugh Lacey, Merchant. During the administration of Provincial Grand Master Lacey, Lodge No. 139 of English Registry was constituted at Savannah in "ye Province of Georgia."

Roger Hugh Lacey died in Savannah on August 3, 1738, and was buried with military honors at Thunderbolt, on the land which had been granted him by the Crown.

May the Masons of Georgia ever hold dear the memory of OUR FIRST GRAND MASTER.

MARKER PLACED BY—

The Educational and Historical Commission of the Grand Lodge of Georgia, F. & A.M.

In these days, when historic sites are rapidly giving way before the development of the continent, one might be permitted to wonder if there are some historic sites in other Grand Jurisdictions which might be as tastefully and discreetly marked.

IDAHO—1960

94th Annual Communication—September 20-22

Grand Master, 1959-60—M.W. Bro. E. E. Nelson
Grand Master, 1960-61—M.W. Bro. J. C. Herndon

Lodges, 84. Membership, 14,894. Gain, 32.

As usual the Grand Lodge of Idaho enjoyed a successful year with few problems. The Grand Master attended an International Night when Brethren attended from Canada. The Proceedings show that there is much fraternization across the international boundary. The Grand Master also reported his attendance at a type of meeting not known in Ontario. He stated: "Your Grand Master had the privilege of witnessing the sixteenth annual outdoor meeting on Mt. Harrison sponsored by Burley Lodge No. 68. The Third Degree of Freemasonry was conferred upon Brother Dennis Johnson by the Burley Lodge officers who did an outstanding job. Brother Sherman J. Bellwood of Rupert Lodge delivered a very interesting Masonic talk after which all in attendance enjoyed a very fine picnic lunch."

The list of dispensations granted shows that a second Lodge, Hailey No. 16, received permission to hold their Annual Communication on the summit of Bald Mountain, near Sun Valley, Idaho, for the purpose of exemplifying the Master Mason degree. "The usual precautions to be observed for the preservation of the secrecy of the work."

Eight Lodges received authority to amend their By-Laws to raise annual dues. The new figure in most cases was \$10.00.

One ruling it might well have been expected would have been made earlier than the 94th year of the history of the Grand Lodge stated that it was not necessary to install a Treasurer who had been elected to succeed himself in office. The "Code and Digest" of Idaho states "officers of a Lodge shall hold office until their successors are installed."

The Grand Master recommended that the incoming Grand Master appoint a committee to prepare an appropriate ceremony for the observance of the One Hundredth Anniversary of the Grand Lodge of Idaho during the year 1966. Wisely, the Grand Master added: "I realize 1966 is six years hence, but time passes swiftly and it is not too soon to start formulating plans." The forthcoming anniversary shows how early Freemasonry moved West.

The Grand Orator appears to hold a prominent place in the Grand Lodge and his oration, on this occasion was given to the question "What should a Mason know about Freemasonry?" After covering many points which might or might not occur to most Masons he presented a most succinct history of the Craft: "I firmly believe that every Mason should know the essential facts of authentic Masonic history. He should realize that modern speculative Freemasonry is a direct continuation of the great operative Masonic Guild of the Middle Ages, and that some of our existing Scottish Lodges have written records reaching back in unbroken continuity to the days of the operative Craft. And he should certainly understand how, during the transition period of the seventeenth century, the operative Craft was gradually transformed into the Speculative Society of the present day. He should know how the original Grand Lodges of the British Isles were formed, the first in London in 1717 and the second forty years later, and should realize that these original Grand Lodges are the source of all legitimate Freemasonry in the world today, and that if he is a member of a Lodge of Free and Accepted Masons it descended from the first, while if a member of a Lodge of Ancient Free and Accepted Masons it came from the second. A later union of these two Grand Lodges made Masonry one big family."

The list of elective Grand Lodge Officers shows that the Grand Master in 1899, M.W. Bro. J. C. Muerman, was still a member of Grand Lodge.

ILLINOIS—1960

121st Annual Meeting—October 7-8

Grand Master 1959-61—M.W. Bro. P. R. Stephens

Lodges, 909. Membership, 239,913. Loss, 3,435.

This volume is without a doubt one of the most attractively printed Proceedings emanating from any Grand Lodge.

The type is large and clear and the editor uses different sizes of type with good effect.

The report of the Committee on Masonic Correspondence compiled by M.W. Bro. E. L. Lawrence, Past Grand Master, gives an excellent review of sixty-two Grand Jurisdictions. In addition, a topical index is provided to page and line in the Proceedings.

Once again there was a severe loss in totals of Lodges and members. On this subject the Grand Master remarked: "If I were to speak in generalities, I would say that all is peace and harmony but in going over the annual reports and seeing the activity of a lodge in black and white, changes my mind. Activity in Masonry is indeed spotty; a number of lodges show an intense effort being made to improve. Several apparently are lacking in leadership, a most important asset; many lodges have conferred no degrees, some because of the location of their temple which is in an undesirable neighborhood. Many are continuing to make little effort to save suspensions. Some have taken too seriously that an appointment in line means certain advancement.

"May I suggest that each Lodge take an inventory of its place in Masonry and devote more activity to filling that place with honour and integrity. We are living too much on our illustrious past and are not giving enough thought to the future we seek."

The Proceedings give a list of all defunct Lodges which once existed in the State. Of the 266 names three were transferred to other states. The remainder disappeared or were consolidated with other Lodges. The process is by no means new and constant shift does suggest a movement of population and possibly the immigration of groups which do not apply for membership. Certainly the Grand Lodge rather than repining is consolidating on a firmer base than apparently has been the case heretofore.

INDIANA—1960

143rd Annual Communication—May 17-18

Grand Master, 1959-60—M.W. Bro. J. C. Humphrey
Grand Master, 1960-61—M.W. Bro. J. H. Jefferson

Lodges, 546.

Membership, 185,010.

Loss, 107.

The Grand Master for 1960-61, M.W. Bro. J. H. Jefferson, not only bears a name distinguished in American history but comes from a family with a lengthy Masonic tradition. His father was a Mason for sixty-three years. The Grand Master, being a seventh son, has even that fact in his favour.

The year was plagued by repercussions from the troubles reported in the Fraternal Reviews, 1960, but the Grand Lodge dealt firmly with problems. Though there was a loss in total membership it was not large and there was much evidence of solid gain. Grand Lodge officers officially re-dedicated four of the six Lodges which celebrated their centennial years. They also took part in the dedication of six new Masonic Temples and laid the cornerstone of another.

Among the resolutions was one to set up a Sesqui-centennial Commission to outline advance plans for the celebration of the 150th anniversary of the organization of the Grand Lodge, in 1968.

The Report of the Grand Secretary presents Lodge statistics in a great variety of ways. By no means the least interesting table is the list of the largest Lodges with a membership of over 1,500. No fewer than fourteen come in this category. One Lodge, Englewood, No. 715, located in Indianapolis, has 2,101 members. The Lodge showing the greatest net loss (of 69, or almost two-thirds of the loss of the whole Grand Jurisdiction) has a membership of 1,772. From this fact it might be argued that in size there is weakness. On the other hand the Lodge with the greatest net gain, Millersville, No. 126, has a large membership too—1,180.

Twenty-two Lodges conferred no degrees. Of these only one had more than two hundred members (224) and seven fewer than one hundred. From these statistics it would appear that the optimum number of members lies somewhere above two hundred. Actually sixty-nine per cent of the Lodges in Indiana have between 100 and 399 members, a suggestion of a healthy underlying condition.

IOWA—1960

116th Annual Communication—September 15-16

Grand Master, 1959-60—M.W. Bro. W. W. Bishop
Grand Master, 1960-61—M.W. Bro. E. B. Delzell

Lodges, 548. Membership, 93,594. Loss, 787.

When M.W. Bro. W. J. Dunlop reviewed the Proceedings for Iowa for 1959 he remarked that he had long been familiar with the names of Bro. H. L. Haywood and Bro. E. B. Delzell and long ago placed Iowa on a pedestal, especially in Masonic Education. Bro. Dunlop must have been pleased with the election of Bro. Delzell as Grand Master for 1960-61. Since a Grand Secretary does not often become Grand Master, the election of Bro. Delzell, Deputy Grand Secretary, 1940-45, Grand Secretary, 1945-59, is noteworthy.

The Grand Master, like his predecessor, was disturbed over the decline in total membership. In order that the Grand Lodge of Iowa might move forward a special committee was set up to assist the Grand Master in the discharge of his duties. The new committee, to be known as the General Purposes Committee, had already begun work and made several recommendations regarding the reorganization of committees.

The Grand Secretary is also the Librarian. From the Report the purpose of the Library is made abundantly clear. "The Grand Lodge Library continues to hold top priority in the plan of 'service to the Craft.' There has always been a backlog of work needing to be done, and this backlog has received major attention the past year. Nearly 600 volumes (with many times this number yet to process) have been properly catalogued and 3 to 45 reference cards per volume placed in the file for ready subject reference."

In addition to cataloguing 600 volumes, and evidently in a most professional manner, the Library collects and circulates clipping files. Five hundred clippings were added in the year. That these volumes and clippings are used is evidenced by the 1,228 volumes and 2,168 clipping files which were lent during the same period. Nearly 3,400 persons visited the building during the year.

The longstanding high quality of the Proceedings has been sustained by the present Grand Secretary, R.W. Bro. R. E. Whipple. For example, he has compiled a most comprehensive two-page analysis of membership statistics for the United States and Canada. The totals for 1959-60 which could be compiled from the figures given in these reviews under each province and state bear repeating here.

United States:

Lodges, total	15,797
Membership, total	4,104,003
Net gain in year	2,946

Canada:

Lodges, total	1,557
Membership, total	259,197
Net gain in year	1,591

From these figures it may be seen that the United States with a population approximatey ten times that of Canada has ten times as many Lodges, but just under twenty times as many members. The gain, however, of 1,591 compared with 2,946 appears to be significant.

IRELAND — 1960

Annual Report of the St. John's Day Meeting and the
Annual Communication of Grand Lodge,
held in Belfast in October.

Grand Master — M.W. Bro. Raymond F. Brooke

The reports to the Grand Lodge had running through them the same story of satisfactory progress through the year and confidence in the future. Subscriptions to Charities showed a marked increase. The Grand Master told of the move towards constituting a Sovereign Grand Lodge of India. The idea had received the wholehearted sympathy and support of the three Grand Masters of England, Scotland and Ireland. The assumption was that Grand Lodge of India would be constituted in 1961. There are fifteen Lodges holding warrants from the Grand Lodge of Ireland. The Grand Lodge of England has 181 and the Grand Lodge of Scotland 75.

The Grand Lodge of Instruction had a good year. The demonstrations showed excellent working. The attendance was good and the numerous questions showed a real desire to adhere strictly to the Irish Ritual.

The Masonic Benevolent Institutions had a successful year. Two of these are the Masonic Girls' School and the Masonic Boys' School. There are 93 pupils in the former and 108 in the latter school. The Victoria Jubilee Masonic Annuity Fund has 330 annuitants on the register.

ISRAEL — 1960

Annual Communication — October 25, 1960

Grand Master — M.W. Bro. Max Seligman

Lodges, 48.

This Grand Lodge, established in 1953, now has forty-nine Lodges on the roll, adding two during the year. One of the most important undertakings to be credited to Grand Lodge is the Mutual Insurance Fund, which now numbers 1,850 members. It is reported that this figure represents 90 per cent of the Brethren in good standing. Thus there must be over 2,000 members of the Craft in Israel.

Another institution is the Old Aged Home. Here it is not possible to provide all the accommodation desired and a number of applicants have been turned away.

The new Masonic year began with the consecration of the Temple in Tel-Aviv. The first floor was completed one year after the foundation stone was laid, on November 20, 1958. The Temple, now completed, fills a vital need of the Tel-Aviv Lodges.

The greatest enterprise ahead is the building of a Temple of Peace in Jerusalem. There have been some delays in advancing this project, but a committee has been set up to begin the project in two parts: one a Temple for the use of Jerusalem Lodges and the other a universal Temple of Peace.

The **Freemason**, the organ of the Grand Lodge of Israel, reports:

"For some time a keen desire has been expressed by a large number of Brethren residing abroad to become members of a Lodge in Israel in order to be more closely associated with the Grand Lodge of the State of Israel.

"In order to meet this desire, Grand Lodge has resolved to establish a special Lodge to be called Lodge of the Holy Land, No. 50, membership in which will be open to Brethren residing abroad, who are in good standing of Lodges belonging to recognized Constitutions, as well as our own senior Grand Lodge Officers. The Lodge of the Holy Land will meet from time to time and particularly when groups of Freemasons from abroad will be in Israel."

The first Master of the Lodge will be R.W. Bro. M. Silverstone, Deputy Grand Master.

The April issue of "The Freemason", printed half in English and half in Hebrew by the Grand Lodge of the State of Israel of Ancient, Free and Accepted Masons.

After reporting that the Grand Master and the Deputy had gone on a mission to North America, the editor went on to say; "There are three main objectives behind the journey of the Grand Master. The first, and most important, is to represent our Grand Lodge at the Grand Masters' Conference in Washington and convey the message of Israel Freemasonry to them. The second is to strengthen the ties of brotherhood and friendship between our Grand Lodge and Grand Lodges elsewhere. And, finally, to continue all those important Masonic activities which had been commenced by earlier Grand Masters."

In February one hundred and thirteen brethren and their wives arrived from England and spent fourteen days in Israel. The Mayor of Jerusalem, who is not a Mason, said, in part; "I know that Jerusalem is the cradle of the

Freemasons and that the man chosen to be your president sits on the throne of King Solomon." Further, he said; "I regret that I cannot invite you to visit the eastern part of our city which is divided into two parts. Let us hope that the city will not always be divided between two peoples, between two countries and that we shall live to see the fulfilment of the prophecy of End of Days as foretold by our righteous prophets." . . . "Not so long ago I had the honour to receive a group of pilgrims, a group of Freemasons from the U.S.A." During their stay the English brethren attended lodge meetings in Jerusalem, Haifa, and Tel-Aviv. They were pleased, they said, with the high standard of the work they saw.

Some time earlier, the Earl of Eglinton and Winton, Grand Master Mason of Scotland, speaking on the subject of "Tolerance" said inter alia; "I can give you no better example than that of the Grand Lodge of Israel, which was founded only a few years ago, where despite what appears to mark hatred between Jews and the Arabs, our brethren of both races still live and labour Masonically in complete peace and harmony and this is only due to what Tolerance can produce if the urge is there".

The 49th Lodge is shortly to be installed. The magazine carries a good picture of Sir Walter Scott who, says the writer of the sketch, "was the first English author who acted as a protagonist of the Jews, particularly in his novel, "Ivanhoe".

It will be interesting to observe the growth and the progress of this active Grand Lodge.

KANSAS—1960

104th Annual Communication—March 9 - 10

Grand Master, 1959-60—M.W. Bro. A. C. Irby
Grand Master, 1960-61—M.W. Bro. R. W. Kinzie

Lodges, 440. Membership, 100,042. Loss, 817.

The industrious Fraternal Correspondent, M.W. Bro. F. S. Ecord, has gleaned some interesting facts from his perusal of the various Proceedings. He found that, of the 38 United States Jurisdictions that he reviewed, 26 operate Masonic Homes, 12 do not, two are studying the proposal and one has rejected the idea. "The problem everywhere," he reported, "seems to be lodge attendance and lodge representation at Grand Lodge Communications. Many Jurisdictions are increasing the tempo of the Masonic Education

activities and report that this is helping to build lodge attendance." "The District of Columbia has a custom which requires its Grand Master to teach the Sunday School lesson on two different occasions in two different churches." "South Carolina has a Committee on Education which is investigating the possibility of purchasing and operating a college." He has three pages of such facts.

At the Annual Communication 288 Lodges were represented and 152 were not represented. (Apathy has made inroads?)

Forty-Seven dispensations were issued permitting shortening of the time between degrees but some Lodges shortened the time without waiting for a dispensation and were quite properly reprimanded.

It is a pleasure to read of Special Communications for such purposes as laying the foundation stone of a Court House; placing the corner-stone of a Federal building; dedicating two new Post Office buildings and placing a memorial plaque therein. Such public appearances enhance the prestige of Freemasonry.

Not by any means all of the Grand Master's recommendations were approved and adopted by Grand Lodge but two interesting proposals were made law. First, a member of a Lodge in Kansas may join another Lodge outside the State though dual membership is prohibited in Kansas. This was intended largely for the benefit of members of the Armed Forces. Another was that any constituent Lodge that has not been officially represented at the Annual Communication of Grand Lodge for three consecutive years may be cited to show just cause why disciplinary action should not be invoked. (This seemed a most necessary change.)

Attendance at the Schools of Instruction was not what it should be, the Committee reported, and went on, "We regret to report that we still have a few Lodges whose officers take their work very lightly and make no effort to attend the district meetings."

Throughout the Proceedings there is no hesitation in stating facts but there is optimism and confidence in every report.

LOUISIANA — 1961

150th Annual Communication — February 6-7

Grand Master, 1960-61 — M.W. Bro. Frank Brown

Grand Master, 1961-62 — M.W. Bro. Morris Shapiro

Lodges, 276

Membership, 51,203

Gain, 221

The Grand Master reported that the overall picture of Freemasonry in Louisiana is encouraging and on a definite

uptrend. In his opinion attendance is a little better but not up to par.

The programme of Masonic Education is making great progress. A Southeastern Masonic Conference, comprising eight Southeastern states has been organized. This Conference will take up all Masonic problems common to all jurisdictions, especially Masonic Education.

The Masonic Home for children in Alexandria is in good condition. The Foundation is now producing sufficient revenue from investments to educate several older children who can qualify for college.

The Sesquicentennial Committee reported on the programme planned to commemorate the 150th anniversary of the organization of the Grand Lodge of Louisiana. Extensive plans were laid to take the historical observance to several sections of the State

MAINE—1960

141st Annual Communication—May 3 - 4 - 5

Grand Master, 1958-60—M.W. Bro. J. M. Littlefield

Grand Master, 1960-62—M.W. Bro. L. M. Sanborn

Lodges, 208.

Membership, 47,805.

Loss, 159.

This Grand Lodge, like many others but not all, includes its Reviews in its Proceedings and the Reviews are written by a veteran, Ralph J. Pollard, P.G.M. who has had fifteen years' experience in this service and who is a master hand. Writing of our Grand Lodge's Annual Communication he quotes extensively from the report presented by our late M.W. Bro. Copus who he says, expressed his own views exactly. He quotes also from our Grand Master's Address. This versatile brother is also Chairman of Masonic Education and is well known as a Masonic scholar and a writer of renown on Masonic topics. "Lodges using the educational program in its entirety are much pleased with the results which needs the full co-operation of every Master to make it effective."

For the first time since 1942 Maine shows a loss in membership of 159. During the year 116 fewer candidates were raised than in the previous year and there were 54 more deaths. The membership is 10.5 per cent of the male population of the State.

Three District Deputy Grand Masters received a gentle reprimand for failing to comply with instructions to arrange district meetings. (How far can apathy go?)

Every year some Lodges ask for a dispensation to hold the Annual Meeting though the officers expect that there will not be a quorum present and every such request is refused.

The Constitution of the Grand Lodge of Maine opens with this statement: "Freemasonry is a charitable, benevolent, educational and religious secret society, adhering to its own peculiar, ancient Landmarks. Its methods of recognition and of symbolic instruction are secret and thereby a test of membership is provided, though a brother be travelling in foreign countries and among those who would otherwise be strangers."

"The Grand Master called upon M.W. Bro. Clarence M. Pitts to respond for the distinguished guests at the completion of which he presented him with a Josiah Hayden Drummond Distinguished Service Medal." (Maine is one of the finest—careful, conservative, dignified.)

"The Trustees of the Grand Lodge Charity Fund approved 69 applications for assistance from 55 Lodges during the year ending March 31st, 1960. The total amount of assistance granted was \$22,395. It was with real satisfaction that funds were made available in response to every application." The grants ranged from \$100 to \$1,000. 46 of the 69 recipients were over seventy years of age and 38 were members of the Fraternity. The Lodges paid from their own funds \$20,127 for charity as compared with \$16,674 reported last year.

The Grand Lecturer deplored the prevalent tendency to horse-play and pleaded for dignity and decorum though some exuberant spirits criticized him from time to time and said he had "gone soft."

MANITOBA—1960

85th Annual Communication—June 1 - 2

Grand Master, 1959-60—M.W. Bro. W. D. G. Runions
Grand Master, 1960-61—M.W. Bro. A. J. Sawatzky

Lodges, 120. Membership, 16,358. Gain, 12.

The Grand Secretary suggested that concentrated effort might reduce the number of suspensions. He viewed with alarm the number, 1,801, of members in arrears and pointed out that the smaller Lodges were, on the whole, doing better than the larger ones except that one Lodge with a member-

ship of 276 had only two members in arrears for \$16.00 and had only one suspension in 6 years.

Reciprocal legislation was suggested by which a member who had for example, taken his demit from a Lodge under a recognized Grand Lodge in another Province, could receive recognition for his total membership, perhaps 10 years in one Province and 40 years in another Province. (Of course, why not? Let's be logical and be kind as well. The fifty-year medal is highly prized. Let it continue to be so.)

Manitoba is a carefully managed, expertly managed, Grand Lodge. Besides the General Fund, there is a Benevolent Endowment Fund (\$350,000); a Beneficiary Fund (\$69,000); a Masonic Disaster Relief Fund (\$28,000); and a Masonic Brotherhood Disaster Fund (\$18,000). This Grand Lodge is ready for any kind of Masonic weather!

A Past Master, who is now secretary of his Lodge and has guided it over most difficult times, was awarded the rank of Honorary Past District Deputy Grand Master in recognition of his unusually valuable services and was presented with the appropriate regalia. His Lodge is situated in the far North.

Reviews are published of the Proceedings of 32 Grand Lodges, ours among them. The Reviewer commends the action of our Grand Lodge in having an advisory committee on lodge buildings and on stressing Masonic Education. He describes our Grand Master as "an inspiring, energetic, able, and far-seeing leader of men who is known throughout Canada and far beyond."

This Reviewer was greatly grieved to read of the passing of his old friend, M.W. Bro. Wm. D. Lawrence, who was Grand Master in 1939. In a comprehensive and inspiring Address, Grand Master Runions expressed his pleasure over the increasing attendance at Masonic Church Services. He mentioned the fact that, in the Province's hinterland, there are five Lodges under the personal supervision of the Grand Master; he visited them all and found Masonic virility, warmth of fellowship, and realistic optimism. The Masons in those isolated communities are open-handed, open-hearted, and respond generously to the claims of benevolence.

The District Meetings in the rural Districts drew larger attendances than did the city meetings, though half the total membership is in Greater Winnipeg. To me, one of the supreme highlights of the Proceedings is as always the History by M.W. Bro. Wm. Douglas.

MASSACHUSETTS—1959

4 Quarterly Communications, 21 Special Communications,
and Stated Communications.

Grand Master, 1959—M.W. Bro. Andrew G. Jenkins

Grand Master, 1960—M.W. Bro. Laurence E. Eaton

The Grand Master's term is three years.

Lodges, 343.

Membership, 134,937.

Gain, 737.

Really inspiring it is to read of the many varied activities of this front-rank Grand Lodge, generally conceded to be the oldest in North America and certainly one of the most progressive, always adhering strictly to Masonic tradition and procedure. Our Grand Master attended; received the Henry Price Medal; and delivered an eloquent address. Our relations with this Grand Lodge have always been of the closest; it was our model for the introduction of Masonic Education in 1931.

The Grand Master indulged in no over-statement but simply stated a fact when he said, in thanking the brethren for their co-operation in observing the 225th anniversary in 1958, that they had "contributed in great measure to the high regard in which the Grand Lodge of Massachusetts is universally held."

The twenty-two Special Communications were held for several purposes: such as burning mortgages on Temples, constituting Lodges, celebrating fiftieth and one hundred anniversaries and laying corner-stones. These occasions were highlights in the experience of each of the Lodges concerned.

At the Quarterly Communication in March, one member was expelled; a complaint against another was dismissed; and four brethren were re-instated. At the Quarterly Communication in June, recognition was granted to the United Grand Lodges of Germany "in substitution for the recognition previously granted to the United Grand Lodge of Germany."

At the same Communication, the Committee on Charters and By-laws recommended that Henry Price Lodge be permitted to reduce its initiation fee from \$200 to \$150 but that permission be not granted to provide that the son of a member of the Lodge be required to pay a fee of only \$100. Such a practice would be termed "discrimination" and could not be approved. Six brethren were re-instated at this Communication and in September four others were similarly dealt with. In October, with elaborate and appropriate ceremony at a Special Communication, my good friend, M.W. Bro. Roger Keith was presented with his Veteran's Medal. It may not be generally known that, like the Grand Lodges of the

British Isles, Massachusetts has constituent Lodges abroad—7 in the Canal Zone, 3 in Chile, and one in Japan.

Comment on the Proceedings of Massachusetts would be far from adequate without mention of Education, Service, Relief, Library and the Museum. The attendance at Lodges of Instruction was good, 33,020. Though candidates' attendance showed a decrease, officers' attendance was higher than in the previous year. The scope of Masonic Service has been broadened to include sick and hospitalization, car pools, telephone contact, Masonic reading and many others listed in the Masonic Service Manual. The Blood Program continues to increase. Though finding employment is believed to be the duty of the local Lodges, some positions were found by the Service Director. The Chairman reported, "We feel that in our Grand Jurisdiction Masonic Service has risen to greater heights than ever before. This progress will continue just so long as every Mason feels that he is a vital part of a great on-going and out-reaching program."

In the Masonic Home there were 21 guests at 90 years of age or over; 68 between 80 and 89; 27 between 70 and 79; and 3 under 70, the total number of guests being 57 men and 62 women while in Juniper Hall there were 12 men and 14 women. The Library and the Museum are among the very best on the Continent.

One can only repeat that it is most inspiring to read of the admirable achievements of the Grand Lodge of Massachusetts.

MEXICO (YORK) — 1960

95th Annual Communication—March 19
(Numbering changed since last year)

Grand Master—M.W. Bro. M. M. Covo.

Lodges, 10.

Membership, 618.

Loss, 28.

The Grand Master assumed the chair for the second time, his previous incumbency being 1955-56. He found that some "interim" or special Communications had, in past years, been counted as Annual Communications and so he recommended that the next one, in 1961, be known as the 96th in order that the One Hundredth would be held in 1965 on the 100th anniversary of the founding of the Grand Lodge. One new Lodge was instituted during the year.

"In 1911, in order to protect the constituent Lodges as well as the interests of foreign Jurisdictions, the regular Grand Lodge adopted the name 'York Grand Lodge of Mexico,

F. and A.M.' with English as the official language and with jurisdiction limited to members of its constituent Lodges. Since that time this Grand Lodge has been working harmoniously under Masonic Laws similar to those that prevail in the Grand Jurisdictions of the U.S.A. and following the same Ancient Landmarks that have governed the Craft from time immemorial." It is interesting to note that, though English is the official language, the Grand Master was born in Italy of old Spanish lineage on his father's side and his mother is Italian. (We congratulate him.)

On the Grand Master's recommendation, recognition was granted to the Grand Lodge of Finland. The Grand Secretary moved that Mackey's definition of a member be adopted and only those who had received the third degree be considered members of the Lodges. This motion was seconded but, after discussion, was lost. The Grand Secretary also suggested that the term of office for Grand Lodge officers be two years. This was carried. The Committee on Lodges was unanimously against the institution of a new Lodge to work in the Spanish language.

The objective of the Committee on Masonic Education is "to bring up wholeheartedly dedicated and well-instructed Freemasons." The Committee found that long-winded discussions defeat their own purpose. It also found that "the younger Mason is insufficiently informed on the structure of Freemasonry as a universal fraternity and also even on the organization of his own Grand Lodge". The Committee on Work and Ritual expressed the opinion that there is authority to "permit the formation of Lodges to work in any language, although the official language is English". After lengthy discussion it was decided that 750 copies of the Ritual should be printed at an estimated cost of \$1.56 each. The proposed re-printing of the Constitution was postponed, pending reports.

It is most interesting to read of the progress and the problems of this Grand Lodge which carries the banner of Freemasonry under difficulties unknown in most parts of the world.

MICHIGAN—1960

134th Annual Communication—May 24-25

This report shows a high purpose in the Grand Lodge of Michigan, from the Grand Master down. The Grand

Master, M.W. Bro. R. P. Sackett, in addressing Grand Lodge stated that in twelve months he had travelled in excess of fifty thousand miles throughout the Grand Jurisdiction. To reach this total he had to travel just over 137 miles every day, a figure which reveals the extent of his efforts while in office. The Grand Master holds office for only one year.

As in the previous year the question of lotteries arose once more and again the Grand Master declared that the law and decisions of earlier Grand Masters were clear. No lodge or its officers should consider this type of activity. One interesting ruling was that "The ballot shall be cast only in a Lodge open on the Master Mason Degree." One would think that such an important ruling would have been made by a Grand Master earlier than the 109th.

Lodges of Instruction evidently play a significant role in Michigan. The Worshipful Master of one Lodge and the Worshipful Master and two Wardens of another were ordered to appear before the Grand Master to show cause why they should not be disciplined for their failure to attend such Lodges of Instruction. The Grand Lecturer reported that he had visited every District in the State and in many cases held more than one District Lodge of Instruction in order to reduce travelling by Lodge officers. No fewer than 452 Masters attended such Lodges.

The determination to maintain the high quality of Freemasonry in Michigan is shown in an amendment, proposed to clarify the language and intent of existing regulations: "A Lodge shall advance a candidate only after an examination in open Lodge as to his proficiency in the preceding degree and a unanimous ballot cast in favor of his proficiency and continued worthiness."

The Report of the Committee on Fraternal Relations described activity in South Africa, interesting not only to Michigan but also to Canadian Masons: "Michigan is probably aware that the Union of South Africa does not possess an independent Grand Lodge nor has there, until recently, been any real desire on the part of South African Masons to establish their own Grand Lodge.

"In recent months, however, the Masonic press, of this part of the world, has been filled with the pros and cons relative to the formulation of a Grand Lodge for the Union of South Africa.

"At this point it is interesting to observe that the Masonic field in the Union is occupied by the Grand Lodges of England, Ireland, Scotland, and the Netherlands and it is possible to visit Lodges under any and all of these Jurisdictions, in almost any part of the country.

" . . . Should a consolidation come, it would probably be done with the blessing of the parent Grand Lodges."

MINNESOTA—1960

107th Annual Communication—March 23, 24.

Grand Master, 1959-60—M.W. Bro. C. E. Hegman
Grand Master, 1960-61—M.W. Bro. M. H. Voss

Lodges, 293. Membership, 69,866. Gain, 302.

Presiding over the Annual Communication under review was a really dynamic Grand Master, physically and mentally alert, productive of ideas and capable of putting ideas into action. He undertook to "pep" up his Lodges with competitions; he advocated "father and son" nights, past Masters' nights, social functions for ladies and friends, birthday celebrations of all kinds, inter-Lodge visitation, new Masons' nights, Masonic veterans' nights, educational nights. Awards were presented to the two Lodges in each District who did the best work in arranging "fellowship activities" of this kind.

This Grand Master was also a most terrific visitor and he did not overlook our country; he visited our Annual Communication, also Manitoba and Alberta. Seven visitors from Manitoba returned his courtesy by attending the Annual Communication as did two from Alberta and two from our Grand Lodge. In his plans for his own Lodges he met with tremendous success; he must have been a full-time Grand Master.

A few quotations are significant. "It is my considered opinion that most lodge problems can be solved by careful selection and development of lodge leaders." "In some urban areas, Lodges are so large they are almost asleep in their obesity." "Our visitation work in the hospitals at Rochester, which has been carried on for 39 years, is a privilege given to you and me as Minnesota Masons. This is an opportunity, such as is found nowhere else in these United States, to put Masonry in action." "Minnesota Masonry's voluntary campaign for gifts made possible the building of Masonic Memorial Hospital at the University of Minnesota. This million-dollar hospital with 80 beds is a haven of hope to those who are being cared for and treated there".

The Grand Master stressed the importance of and the necessity for the best degree work possible and urged that every officer crusade for impressive ritualistic rendition. He recommended a year before and put into action a committee on publicity which rendered excellent service. It was recommended that Lodges adopt the "counsellor" or "mentor" plan.

The per capita tax was raised to \$3.00 effective 1962. There is an excessive amount of unpaid lodge dues but this will soon be corrected. The Grand Lodge of Minnesota has entered on a new era.

MISSISSIPPI—1960

142nd Annual Communication—February 9 - 10

Grand Master, 1959—M.W. Bro. G. H. Anderson

Grand Master, 1960—M.W. Bro. E. J. Smith

Lodges, 313.

Membership, 50,762.

Gain, 318.

With the sentiments expressed in the Grand Master's Address we would all agree, when he said, "In the years behind we have had a normal healthy growth. I never would ask for more numbers and at the same time sacrifice one landmark or one ideal of our great institution".

The Fraternal Correspondent had noted that 19 Grand Lodges showed losses last year and that the next gain of the 49 Grand Lodges was only 14,015, as compared with a gain of 82,527 in 1954. The same official was appalled to find in some areas in the U.S. a growing friction between Masonry and the Church. (We have not heard of this in Canada.) He said, "This matter was openly discussed in several Grand Lodges and seems to cause great concern and rightly so for there must be no conflict here. We are all taught that Masonry is a philosophy of life—not a religion".

Approval was given by the Finance Committee and by Grand Lodge to the Grand Master's recommendation that the total personal expenses to every Annual Communication be paid for every wearer of a 50-year button but the Finance Committee would not extend this concession to all brethren over 65 years of age as had been suggested.

The incoming Grand Master was instructed to appoint a committee to investigate the possibility of giving scholarships to sons or daughters of Master Masons. These scholarships, if approved, are to be held in Junior Colleges for two years and the cost is not to exceed \$300 per annum. Two years ago a new policy was adopted and the former two Homes were combined into one. The regulations provide that no children be admitted to the Home except those with Masonic connections. The relief program for aged and disabled brethren was liberalized and the part of the per capita tax formerly assigned to the Home is now given to the Relief Fund. There are 49 children in the Home and the relief granted to aged and infirm brethren has grown to \$33,000 for one year. All this indicates that benevolence is a primary concern of the Grand Lodge of Mississippi. In many other ways, great work is being done.

The ever-recurring and all pervasive anxiety regarding lack of applicants and meagre attendance is commented on in several places in the Proceedings of this Grand Lodge as

of many others. The Grand Master wondered whether "the leaders of sister jurisdictions are cognizant of the status of this Nation should Freemasonry disappear." Another official said, "Apathy is the great problem which faces us as a people who enjoy Freemasonry because we enjoy freedom. Masonry seems to be losing ground."

But there is actually no pessimism; rather there is confidence that brighter days are ahead.

MISSOURI — 1960

139th Annual Communication — September 27-28

Grand Master, 1959-60 — M.W. Bro. H. O. Grauel

Grand Master, 1960-61 — M.W. Bro. B. H. Hunt

Lodges, 594

Loss, 759

As in previous years, the Grand Master laid many cornerstones. Indeed, on one afternoon he laid four for new buildings on the Southeast Missouri State College campus. It might be added that M.W. Bro. Grauel is head of the Division of English Speech and Modern Languages at the College. He has been on the staff for thirty-two years.

In lighter vein, the Grand Master reported on some of the unusual occurrences he had encountered.

"At 4.10 on December 12, 1959, I paid an official visit to the Brethren of Perseverance Lodge No. 92 at Louisiana, Missouri; and found one hundred and four wide-awake Master Masons to receive me. Breakfast was scheduled for 5.30 a.m. The Brethren informed me that it was customary to call a 4 a.m. meeting once a year, confer a third degree and enjoy breakfast together. This year, the Worshipful Master explained that instead of a third degree, he wanted me to talk until the breakfast bell rang. I did and the speech lasted one hour and twelve minutes."

... "In the lodge halls, I found the unusual: the old-fashioned telephone directly behind the Secretary's desk, Cunningham Lodge, No. 525 at Sumner; at Macks Creek, Lodge No. 433, a spring of clear, cool water in the basement; a huge, unusual, glazed spittoon beside the Master's pedestal, St. Francois Lodge, No. 234 at Libertyville . . ."

During the year the Grand Master made some interesting decisions, all revealing strict interpretation of the regulations of the Grand Lodge.

University Lodge, No. 649 raised its dues to \$17.00 per annum together with a resolution making all fifty-year mem-

bers life members. The amendment was ruled out of order as the Lodge was chartered only in 1920 and thus no member would be eligible for life membership before 1970.

On another occasion the Grand Master ruled that a card party for which tickets are sold and table prizes awarded is not permissible in the dining hall of a Masonic Temple.

A letter to the Grand Master enquired if the Grand Lodge could and would issue a charter to a Spanish speaking Lodge if it were possible to organize one. The decision was negative, as it has been the policy of this Grand Lodge to have all the work of the ritual delivered in English since 1918. One of the problems which would arise would be the impossibility of securing a Grand Lecturer conversant with the language.

The Grand Master, in what must have been one of the finest Grand Master's addresses given in the year under review, reminisced on his early years on a farm in Ohio. He likened his search for evidence that one can hear the corn grow after a summer rain to what he was searching for in Freemasonry. In each case he was successful. He concluded, "If we listen intently, with all our being, we can hear Freemasonry, in its calm and quiet way, express its tremendous power of love without great tumult or sound of trumpets."

M.W. Bro. Grauel must have made a real contribution to Freemasonry in Missouri, in spite of his final disclaimer: "In conclusion, may I say that only a Past Grand Master has sound understanding of what it means to act as a Grand Master. To serve well in this official position of the Fraternity is an art — an art so great and so difficult to master than one can spend a full twelve months at it without realizing much more than his limitations and mistakes and his distance from the ideal."

MONTANA—1960

96th Annual Communication—June 27-28

Grand Master, 1960-61—M.W. Bro. J. R. Hopper

Close ties between the Grand Lodge of Montana and the Grand Lodges in Western Canada are revealed in several places in this Report. A dispensation was issued to Livingston Lodge, No. 32 to hold a lodge meeting in the Civic Centre in Livingston for the purpose of having the North

West Mounted Police Lodge, No. 11, of Regina, exemplify the second degree. The request was granted as the lodge room could not accommodate the expected crowd.

Another dispensation was issued to permit a Lodge to hold an outdoor meeting in the valley of the Missouri, with all due caution exercised.

Sometimes meetings are carried out under difficulties. The Grand Master's diary, under the date November 12, 1959, records: "Official visit at Dillon Lodge, No. 16, it being their Seventy-fifth Anniversary. This visit will long be remembered. We all wore our overcoats during the entire evening—the furnace did not work and there was a bad storm outside. Your Grand Master got the thermometer to rise by holding it in his hand. Their Secretary, Fielding Graves, made a wonderful report on the early history of this Lodge (should be published)."

At the same meeting it was reported that one of the early Masonic Temples, still standing on the property of the State Historical Society, was in bad repair. The Grand Master appealed for action to repair it and it is safe to assume that something will be done if other activities described in the Report may be taken as a criterion.

The happiest note of the year grew out of a disaster. The Masonic Temple at Virginia City, the birth place of the Grand Lodge in 1866, was badly damaged by an earthquake and rendered unsafe. The Virginia City Temple Association applied for aid or a loan from Grand Lodge, for which there was no provision. Shortly afterward the Grand Master was at a Masonic Conference in Banff where he was assured that the Grand Lodges of Manitoba and Minnesota would assist. But he felt that Montana could raise the funds. A campaign produced not only the \$7,000 which the repairs cost, but a surplus of over \$4,000 which Grand Lodge is going to double to set up a permanent disaster fund. The Grand Lodge of Manitoba sent a cheque for \$400, and many Canadian names appear in the list of donors.

The Virginia City Temple was fully repaired, newly painted inside, and ended up in better shape than it was before the earthquake.

The Report of the Committee on Masonic Education and Research reported a full year of activity. One of the principal features of the Montana plan is the preparation and distribution of short papers to the Lodges in order that there will be one available for reading and discussion at every meeting. Twenty papers were supplied to the Lodges during the year, of which fifteen were written for the committee and five obtained from other sources. By action of the Grand Lodge

in 1959 it is mandatory that the essentials of the annual proceedings be read in lodge, but use of material provided by this committee is entirely optional.

Altogether the Grand Jurisdiction of Montana appears to be in a flourishing condition.

NEBRASKA—1960

103rd Annual Communication—June 7-8

Grand Master, 1959-60—M.W. Bro. J. C. Tye
Grand Master, 1960-61—M.W. Bro. J. F. Fitcher

Lodges, 275. Membership, 46,095. Loss, 46.

The Grand Master reported that Masonry in Nebraska is healthy, saying in part: "We have more certified men and more certified Lodges than we have had for many years. Our area meetings were well attended and were most enthusiastically received by those in attendance. Many of the Lodges are attracting attention because of the young men who are participating in all of the activities."

Few Grand Lodges can have equalled the number of cornerstones laid for non-Masonic buildings. In addition to those of two Masonic Temples, the cornerstones were laid for a high school and buildings on three "N.S.T.C." (presumably Nebraska State Teachers' College) campuses.

There seems to be some evidence of a shift in the attitude to publicity in Masonic matters. The following paragraph is given in its entirety without comment.

"It is hoped that you noticed numerous newspaper items with reference to the activities of your Grand Lodge, the subordinate lodges, and Masons, during the year. There has been some doubt in the minds of some concerning publicity or public relations, and very frequently Masonic activities and the activities of individual Masons have not been called to the attention of the public generally. It seems that good acts and deeds should be given proper notice. A Public Relations Committee was appointed this year and all comments have been gratifying."

The question of the eligibility of members associated with the sale of liquor came up again in a special form. A member of a Lodge was a steward in a club where liquor was not sold but members could bring and store their own bottles. Could the member remain as a member of the Craft? The ruling was "Yes". Selling seems to be the significant factor in the rule.

Another decision, and a sound one, arose from the fact that members who were candidates for public office were listing their Masonic membership on political cards and in political advertisements. The decision was that the use of Masonic membership in connection with any political advertising is in violation of Masonic law.

The greatest problem in the Grand Lodge of Nebraska is financial. The per capita tax is \$3.00, of which \$2.00 is earmarked for the Nebraska Masonic Home and .20c for the relief and care of orphans. Thus, the Grand Lodge is left with .80c per capita. This sum has proved totally inadequate and the Grand Lodge has been running in arrears for five years. The Grand Master began by proposing the elimination of his address from the printed proceedings as an economy measure, but was informed this was not permissible. He also recommended that the per capita tax be increased by \$1.00 and that each initiate be required to pay \$10.00 for the benefit of the Home. The drastic remedies proposed and the necessity for them make clear the cost of operation of Masonic Homes.

The Grand Secretary reported that he was continuing to microfilm the card files and returns to Grand Lodge as time permitted. Thus modern techniques of record preservation and storage are invading an old organization which has suffered many times in the past from loss and damage of irreplaceable records.

NEVADA—1960

96th Annual Communication—June 9-10

Grand Master, 1959-60—M.W. Bro. R. D. Crowell
Grand Master, 1960-61—M.W. Bro. S. D. Sundeen

Lodges, 29. Membership, 5,900. Gain, 113.

Although a relatively small Grand Jurisdiction, Nevada, now approaching its centennial, is extremely active. In speaking on the State of the Craft the Grand Master said: "Masonry in Nevada is generally good. The ritualistic work is improving, is more uniform and many of the Lodges exhibit work that shows considerable practice and effort towards perfection. In most areas membership is increasing, although not in proportion to our expanding population. I believe our membership will accelerate in the next few years. Interest is healthy, many Lodge officers are young men, active and interested"

"Two new Lodges are under dispensation, one in Reno, one in Las Vegas. The enthusiasm of these Brethren in forming a new Lodge is contagious and will further boost

Masonic interest. The fact these Brethren are almost entirely sojourners from other Jurisdictions means simply that now we have that many more interested active Masons in Nevada." The Grand Master continued. ". . . I would rather see five smaller lodges of 200 to 300 members than one large lodge of 1,000 members. For the reason that five lodges and five sets of officers will be more active than one lodge and one set of officers. National attendance records will prove there will be three to four times as many attending the five small lodges as attending the one large lodge."

The Grand Lodge must be well and favourably known in the State as no fewer than six cornerstones were laid. Only one was for a new Masonic Temple. The others were for a new building of the Nevada Industrial Commission, a new public school, a new high school, a fine arts building at the University of Nevada, and a National Guard Armory. The orations given on these occasions are printed in full.

At the same time the Grand Lodge did not court unwanted publicity. The Grand Master reported: "In answer to an oral request for information as to the legality and propriety of submitting an article on the history and information concerning one of the Constituent Lodges in a local newspaper running a series of articles on various organizations, I said I believed this should not be done. The matter is a delicate one, and unless very, very carefully edited could bounce back to our discredit." This would seem to be a safe and sound position.

By-Laws approved produced something new. Amity Lodge, No. 4, in Silver City, chartered in 1864, was authorized to change dues to one dollar per month, following a unanimous vote of the membership. The collection of dues might well become a major task for the secretary, except for the fact that there are only 56 members in the Lodge. Another Lodge, Mt. Moriah, No. 39, was authorized to change dues to \$18 per year.

Grand Lodge approved the raising of the per capita tax to \$2.50 to take care of the increasing costs of operating the Grand Lodge. One of the costs is the payment of \$10 per diem to Masters and Wardens of the Constituent Lodges attending Grand Lodge.

Many Grand Jurisdictions in the United States take a leading part in promoting public school development. The Grand Master, in this Grand Jurisdiction however, recommended that the "Public Schools Week program" be abolished as unworkable.

The Grand Lodge approved a stiff recommendation concerning the knowledge of the Code (our Constitution) possessed by Masters of Lodges. "I recommend each newly

installed Worshipful Master of the Constituent Lodges of the State of Nevada must within 60 days following his installation read and study the entire Masonic Code of the State of Nevada and so certify to the Grand Master in writing; or lacking suitable cause, be removed from office."

Another ruling was that although there was nothing in the Code to the contrary, only tradition, no member of any Lodge may hold more than one office in the same Lodge at one and the same time, except a Trustee.

A Committee on Centennial Celebration is at work and already has done research on the organization meeting, January 16, 1865, when the Grand Lodge was set up.

Altogether, the Grand Lodge of Nevada appears to be strong and active and building on firm foundations.

NEW BRUNSWICK—1960

93rd Annual Communication—May 26

Grand Master—M.W. Bro. F. C. Thomas

Lodges, 48. Membership, 8,961. Gain, 9

Freemasonry in New Brunswick is in good condition. The Degree work is being well done. This is due, the Grand Master believes, not only to the untiring efforts of the Ritual Committees and the District Deputies but also to the interest of the Officers. Not only do they know the ritual well but are asking to know more about Masonry. To satisfy this interest the Grand Master has enlarged the committee on Masonic Education.

The Grand Historian, R.W. Bro. A. S. Robinson, presented a full report and drew attention to showcases of valuable and interesting items, pertaining to the history of the Order in New Brunswick, in the anteroom of the Masonic Temple in Saint John. With feeling he added, "the slack hand of indifference has allowed the loss of many priceless things that could have told us of our past as nothing else could have done."

The Grand Jurisdiction is divided into seven districts. The District Deputies, who are appointed, may be continued in office for more than one year. Their reports reveal much activity on their own part. One reading the Proceedings is left with the impression that there is much solid activity in New Brunswick.

NEWFOUNDLAND—1960

District Grand Lodge of the United Grand Lodge of England

Semi-Annual Communication, November 18 and
89th Annual Communication, April 27

District Grand Master—R.W. Bro. G. R. Williams

Lodges, 18. Membership, 2,359. Gain, 28.

The District Grand Master's report, in the form of a diary, shows that few days go by without some Masonic activity. On May 2 he met with Brethren from Argentina who discussed the possibility of securing a charter. They had already secured the title deed to some land.

On May 25, the Grand Master laid the cornerstone of Gander Masonic Hall. He also conducted the annual installation. On June 30 he laid the cornerstone of Burin Masonic Hall.

The fraternal relationship between the District Grand Lodges of England and Scotland is shown by the entry: "August 25. Understand a delegation of high-ranking Grand Lodge officers are due here 1st week October to install R.W. Bro. Louis John Harnum, D.G.M. of D.G. Lodge of Scotland in Newfoundland. In view of this I asked the chairman of our 4th Biennial Conference to consider giving up his booking for the conference and hold it later to accommodate our Scottish Lodge brethren which was kindly acceded to."

Twillingate Lodge celebrated its seventieth anniversary on September 29. The District Grand Master recorded:

"Twillingate has records of men from Britain settling there in 1700 and following years, when St. John's, Bay Bulls, Placentia and Carbonear Island were attacked by the French. In 1739 Twillingate had 386 persons living there. John Slade of Poole, Devon, England, carried on a large business there in the 18th century; he died in 1792.

"The Lodge at Twillingate can be proud of its founders. They take courage from past records of the men in Masonry who have inspired their labour. Let us hope the Lodge will form a committee and record Twillingate's history of Masonry and men for coming generations."

Another contact between the two District Grand Lodges of Newfoundland is recorded on October 6:

"M.W. Lord Elgin and Kincardine, P.G.M.M. of Grand Lodge of Scotland and G.S.W. of the United Grand Lodge of

England, accompanied by Major Moncrieff, D. of C., and V. Wor. Bro. Alex F. Buchan, M.B.E., Grand Secretary, arrived about 2.30 today. Wor. Bro. Edgar P. Newman, P.M., Secretary for Botwood Lodge, met them at Gander and arrived by the same plane. Met Wor. Bro. Howard Patten, P.M. of Grand Bank, and invited him to join the D.G. Lodge delegates attending the installation of Wor. Bro. Louis John Harnum, D.G.M. of D.G. Lodge of Scotland for Newfoundland.

"October 7. With the D.G. Secretary, Wor. Bro. Miles, I had invitation to attend a luncheon today at Government House given in honour of the visiting Grand Lodge of Scotland delegation. I was seated next to Lord Elgin which gave me an opportunity to chat with him. In the evening I attended the installation of Wor. Bro. Harnum, D.G.M., by the Scottish Lodge delgation held in St. Michael's School Building, LeMarchant Road."

The entries for October 8 and March 3 tell a great story of Masonic zeal and enthusiasm over many years: "Owing to being on the toast list of the dinner in honour of the Scottish Grand Lodge delegation in Newfoundland Hotel and installation of R.W. Bro. L. J. Harnum, I missed attending annual meeting of Avalon Lodge this evening of which I am sixty-two years a member."

"March 3. My 83rd birthday. With a thankful heart I was able to be at the office as usual. Received a telephone call from my home in afternoon to return. Delegations from St. John's, Avalon, Whiteway and St. George's Lodges had called to offer birthday gifts and personal greetings as a surprise. Their good wishes were extended and tokens presented with true Masonic ceremonial. The gifts consisted of gold cuff links, desk clock and pen, slippers and silk scarf. A social hour resulted and delegation retired. Needless to say, Mrs. Williams and I were very pleased to see them and receive their good wishes."

The District Grand Lodge of Newfoundland is well served by R.W. Bro. G. R. Williams.

NEW HAMPSHIRE—1960

101st Semi-Annual Communication—November 17, 1959
and
171st Annual Communication, May 18, 19, 1960

Grand Master, 1960-61—M.W. Bro. P. H. Bennett

Lodges, 81. Membership, 17,169. Loss, 4.

In his Foreword for Fraternal Correspondence our friend, M.W. Bro. Harold O. Cady, P.G.M., asks a question which

has always puzzled this Reviewer. "Why do these many other organizations find it necessary to predicate their membership on membership in a Masonic Lodge?" (Why, may we ask, must so many fine organizations, well-meaning, philanthropic, insist on calling themselves "Masonic"?) He asks for some plan, as many others ask, by which so many suspensions and demits may be avoided.

Operation of the Masonic Home costs under \$95,000 and there were 19 men and 21 women living there, the average age of these 40 members being 80.8 years. Outside the Home were 3 men and 2 women whose average age was 85 years; these were under the care of Grand Lodge. Benevolence receives due attention.

Lodges of Instruction were held during the autumn and early winter in the eight Masonic Districts but the attendance of Wardens was not as large as expected. However, the attendance of Masters and of newly-made Master Masons was most encouraging. On each occasion the Grand Master greeted the newly raised Master Masons personally.

During the month of January six Lodges requested permission to increase the annual dues. (Almost everywhere the trend is upward for dues and fees.) In the previous month ten Lodges made the same request. The Grand Master urged that every Lodge have some funds set aside for relief which he regards as "the most fundamental obligation which each of us has voluntarily assumed at the altar." The Grand Wardens have charge of the periodic publication of a bulletin with which secretaries are asked to co-operate by sending in announcements and other items. The Grand Master expects "that increased fraternal visitation will be encouraged by such publicity."

The Masonic Education Committee, headed by the Senior Grand Warden, "has in the short space of several years achieved very impressive results and has advanced the extent of Masonic enlightenment immeasurably among the members."

Apparently, the per capita tax is \$2.00 per member; in addition it was regularly resolved and approved that 50 cents per annum be levied on all members except those in the Armed Forces, wearers of 50-year medals and those whose dues were remitted, and that ten cents be appropriated for the use of the Committee on Masonic Education and thirty-five cents be remitted to the Masonic Service Association for its hospitalization program.

It is a pleasure to read the Reviews and we gladly extend our thanks for a comprehensive outline of the Proceedings of our Grand Lodge. A perusal of the Proceedings of New Hampshire gives one the definite impression that this old, yet young, Grand Lodge is making a determined and an intelligent effort to overcome the apathy so noticeable almost everywhere in the Masonic World.

NEW JERSEY—1960

173rd Annual Communication—April 20-21

Grand Master, 1959-60—M.W. Bro. W. Davies
Grand Master, 1960-61—M.W. Bro. S. B. Brosius

Lodges, 289. Membership, 107,321. Loss, 149.

At the previous Annual Communication, Grand Lodge had authorized the setting aside of \$5,000 for use in celebrating the One Hundred and Seventy-fifth Anniversary. The Committee set up came to the conclusion that a successful celebration would cost \$15,000. Their recommendation for the appropriation of additional funds was adopted.

For the first time in the history of the Grand Lodge two members of Constituent Lodges were entitled to receive a seventy-five year diamond token. The Grand Master made both presentations.

Although the use of costumes in conferring degrees was banned many years ago the Grand Master had received many requests for permission to do so. The Grand Master therefore recommended: "The conferring of any of the three symbolic degrees of Ancient Craft Masonry by brethren wearing other than business suits, tuxedo, or conventional full dress is prohibited, but this prohibition shall not apply to brethren who are actually in military service or who are wearing a uniform which because of their daily vocation is required to be worn at that particular time." The recommendation was not adopted.

The Constitution and Code of this Grand Jurisdiction specifies: "Lodges under the jurisdiction of this Grand Lodge are expressly forbidden to introduce within their lodges any spirituous liquor, wine or beer." This legislation has been on the books since 1843. In most cases the rule is taken for granted. For many years, however, club licenses have existed, legally issued by the proper State and municipal authorities, in a number of Masonic Temples. These in no way disturbed "the peace and tranquility" of any person. Unfortunately, as the Grand Master says: "We began to serve beer with refreshments in Masonic Temples after our lodge meetings, cocktails before dinner preceding our communications. In an anteroom we offered toasts to our Worshipful Master-elect, using liquor immediately after or before the qualification ceremony . . ." Other, and indeed more flagrant, incidents were cited. As a consequence the Grand Master decreed that no spirituous liquor should be sold, served, or consumed, in any Masonic Temple, except where there were club licenses. In these cases he set up a timetable to extinguish such licenses by 1964. His recommendations were adopted by Grand Lodge.

All the regular reports show that, except for a very small decline in total membership, the Grand Lodge is in a flourishing condition.

NEW MEXICO—1960

83rd Annual Communication—March 21-22

Grand Master, 1959-60—M.W. Bro. S. W. Dennis
Grand Master, 1960-61—M.W. Bro. W. L. Ranville

Lodges, 63, Membership, 15,001. Gain, 312.

The Grand Master reported a most active and successful year. Five special communications were called, one for the constituting, dedicating and consecrating a new Lodge, two for dedicating two new Lodge Halls, one for laying the cornerstone of the First Baptist Church in Artesia, and one for conducting the Masonic Funeral services of a Past Grand Master, M.W. Bro. A. W. Pollard. The cornerstone laying suggests that Freemasonry has a public acceptance in New Mexico.

In the course of his year the Grand Master visited every Lodge in his jurisdiction at least once, travelling 28,000 miles in the process.

No fewer than twenty-five Lodges received approval of By-Laws to raise fees.

The Grand Lodges of Arizona, Arkansas, Oklahoma, Texas and New Mexico unite in a Southwest Conference. At the meeting held in Little Rock, Ark., problems common to the five grand jurisdictions were discussed. Unsatisfactory Lodge attendance seemed to be general.

NEW SOUTH WALES—1960

72nd Annual Report of two Special and four Quarterly Communications—1959 and 1960

Grand Master, 1959—M.W. Bro. H. R. Maas

Lodges, 887. Membership, 133,051. Loss, 2,075.

This tightly packed Report gives a clear picture of the Craft in New South Wales. The first Special Communication of the year was held on July 29, 1959 for the Installation of the Grand Master Elect. R.W. Bro. Harry Rickards Maas. He replaced M.W. Bro. T. L. Warren, who had held the office for four years. During his two years as Deputy Grand

Master, two years as pro Grand Master, and four years as Grand Master, he had seen over seventy new Lodges warranted.

At his first address the new Grand Master remarked that it had been brought to his attention that some Lodges meeting in suburban areas were allowing members to remain in the Temple buildings until well after midnight. He requested Worshipful Masters to ensure that Brethren leave their buildings at 11.30.

The Grand Inspector of Workings gives a full report at each quarterly communication. On September 9, 1959, he had much of interest to say.

"In many reports it is stated that the standard of work is of a high quality performed with dignity and exactness by enthusiastic brethren who have really tried to interpret the Ritual in a becoming manner which is inspiring to all members of the Craft. In a few Lodges unfortunately, report has been made that the standard of work is not up to the general standard. The D.G.I.W. should at all times endeavour to encourage the W.M. to increase their ritual efficiency not only by mere repetition but by an intelligent interpretation.

"One of the features of the D.G.I.W. reports is that attendances at Lodges appear to be slightly increasing. In most cases this appears to be due to the untiring efforts of W.M. and the raising of the standard of the Lodge work. In every case it has been found that where an excellent ceremony of installation and degree work and/or the presentation of properly prepared lectures have had a direct effect for the year on the attendances of brethren at the general Lodge meetings.

"One of the pleasing features of the reports is the number of brethren that the Lodge are receiving as Candidates who were not born in Australia. The absorption of such men is a gratifying feature of our Craft and conversely it must be of great pleasure to these new members.

"During the period under review most Lodges appear to have held many social functions and D.G.I.W.s report that they have attended in all cases and the standard of conduct had been exceedingly high.

"In addition the Masonic Choir has continued to give unselfishly of its services particularly in many Lodges and District Church Services. Their presence has on all occasions left a very favourable impression.

"The services of Brother Fred Cox of the Lodge of Australia No. 3 deserves a special mention. He celebrated

his 85th birthday during the quarter. He has been a Mason for 60 years and is still a very regular attender at all Lodge meetings particularly he has been a support to the W.M. on fraternal visits. He is an inspiration to the younger brethren of the Craft."

Unfortunately during the year the Grand Inspector of Workings, V.W. Bro. H. C. Cameron, died. His successor, V.W. Bro. W. Bailey, continued the high level of reporting set by his predecessor. On March 9, 1960 the report spoke of the high standard of work except for a few cases on Past Masters' Nights when it would appear that the Worshipful Brethren had not bothered to hold a rehearsal. The same report added: "It has been reported that in some Lodges members are still not conforming to the requirements regarding dress. Candidates for Freemasonry should give an undertaking that if they are not already in possession of dress clothes they will obtain them."

Freemasonry in Australia is evidently more formal than is generally the case in America. The importance of opening Lodge on time was stressed in a subsequent report. All over the Masonic world the same rules for success hold.

On March 9, 1960 the Grand Master referred to the good work being done by the N.S.W. Masonic Jubilee Choir at many church services held by Private Lodges throughout Sydney and metropolitan areas. He made a personal appeal for young members to replenish the ranks of the organization set up in 1938 to mark the Jubilee of the Grand Lodge.

In his next address, (during the year the Grand Master makes four) he commented on a growing tendency "at Installation Ceremonies for Brethren who are members of other organizations outside Freemasonry to wish to make a presentation of a gavel or some other token to the newly Installed Worshipful Master who is also a member of that particular organization. Whilst this is a very nice gesture on their part I feel that such a presentation does not form part of the ceremonial and that it would be more fitting for it to be made at the Festive Board either during or after the proposition of the Toast to the Worshipful Master and his Officers when there is more opportunity for the Brethren concerned to express themselves and for the Worshipful Master to acknowledge such presentation apart from giving all the Brethren present the opportunity to participate and show their feelings by acclamation."

These remarks might have a wider application than only in New South Wales.

NEW YORK—1960

179th Annual Communication—May 3-5

Grand Master, 1959-60—M.W. Bro. H. L. Jones
Grand Master, 1960-61—M.W. Bro. C. W. Peterson

Lodges, 1,064. Membership, 302,572. Loss, 2,832.

The Grand Master presented a comprehensive and well-reasoned address which might well be read with profit in all jurisdictions. In spite of a drastic reduction of membership, verging on one per cent, which is recorded, the report leaves a reader with the impression that Freemasonry is a strong force in New York State.

From the address we learn that New Yorkers move from the State in great numbers. No fewer than 45,000 of the total membership, or fifteen per cent, live outside New York. Of these 8,000 live in Florida and 5,000 in California. These Masons undoubtedly make their influence felt in the states where they are sojourning. The reports of California and Florida where increases of membership are recorded, bear out the conclusions of the Grand Master. But non-resident members cannot make a contribution in their mother Lodges and their own Grand Jurisdiction. The implication is that these members have retired and have moved to warmer climates. But the Grand Master added that many young men who otherwise would be attracted to the Fraternity at an early age are taking advantage of the opportunities offered by the professions and industry which require residence in other parts of the country and even abroad. Compulsory military training is another factor which accounts for young men deferring their applications for membership, since following completion of their service they are concerned primarily with getting established in civilian life.

The Grand Master concluded from these facts that no upturn in numbers could be expected during the next few years. In the meantime a trend toward a higher average age for new members will continue. At the same time, he said, the fact should not be ignored that there are many misconceptions held by our non-Masonic friends which should be cleared up.

“For example, the so-called secrecy of Freemasonry. True, there are certain private and confidential activities that go on in the Lodge room, just like any private organization; and there are certain Masonic Rites and ceremonies which are known only to the initiated. But there all secrecy ceases, because the real work of Masonry goes on outside the Lodge room.

"In some non-Masonic quarters, the Fraternity is regarded as a secret Order, which definitely it is not. There is no secret as to its membership, which is a matter of public record; meetings are held in public places and there is no secret as to the teachings and idealistic aims of Masonry, which can be found in public print.

"Another misconception which is general among the uninitiated is that Freemasonry is a religion, which again, it definitely is not, although it is religious in character

"What is unique about our Fraternity, which sometimes puzzles our non-Masonic friends, is the fact that there is a strict prohibition against the solicitation for membership, and that those seeking admission to the Fraternity must do so of their own volition.

"Membership in the Fraternity requires a belief in the higher purposes of life and a willingness to render service to mankind, not only through charity and benevolence, but by helping to promote the spirit of Brotherhood and Human Kindness throughout the world, as this is the great mission of Freemasonry. Masonry strives to be an effective force for good in the world and it offers no inducements to prospective candidates other than the opportunity to render service to others, in keeping with the idealistic concept of Brotherhood."

Lodge attendance is not what it might be, but is not so disturbing when the number of members living outside New York is taken into account. The Grand Master made a most reasonable appraisal of the facts which is so fundamental that it may well be rendered here.

"Now, we must be realistic and recognize that under the changed conditions which affect our way of living today, there are many new interests that are competing for our attention and support, and these counter-attractions are not all pleasurable pursuits. We have come a long way from the time when the church and the Lodge room were the centres of cultural, social and community life. In earlier years, Lodge meetings were held weekly, but in time it was found expedient to change to twice a month, and this is the general practice today.

"During the last four decades, various patriotic organizations have come into being, while the parents of young children are taking a greater interest in education through membership in Parent-Teacher Associations. Again, church and synagogue activities have been greatly expanded. As to the Fraternity, innumerable Masonic Clubs and Square Clubs have come into being, while many of the Brethren

find special interest in the work of the Concordant Bodies and the Shrine.

"The fact that Blue Lodge attendance based on two nights a month is on the low side, is not a true indication of the interest taken in Masonry by the Brethren generally. This I know from my own experience, that when some special event is being celebrated by a Lodge, or some District affair is being held, the Brethren with divided Masonic interests always rally round; furthermore, I have found that those who are particularly active in the other Bodies, also have the welfare of their respective Blue Lodges very much at heart."

The Grand Lodge of New York, in keeping with its purpose, has built a new Medical Research Laboratory on the Home Grounds, Utica, at a cost of nearly \$1,000,000. The annual cost of operation will run about \$250,000. At this Laboratory the Director and staff are conducting research in the field of Gerontology, "which has to do with the study of the chronic diseases which beset the elderly, and with the ageing process itself."

The Grand Master called attention to the limitations of the 23rd Street Masonic Temple and recommended the appointment of a special committee to survey the advantages of a new Temple.

NORTH CAROLINA—1960

173rd Annual Communication—April 19 - 20.

Grand Master—1959-60—M.W. Bro. W. E. Hand
Grand Master, 1960-61—M.W. Bro. H. W. Smith

Lodges, 357. Membership, 62,122. Gain, 758.

To read the Grand Master's Annual Address gives one an insight into the sterling character of a fine Freemason whose clear, concise, yet comprehensive and down-to-earth exhortations must have greatly benefitted his brethren. He began by stressing the necessity for Masonic Education; went on to urge definite compliance with Masonic Law; and then stressed the duty of every Freemason to give strict obedience to the Moral Law. He said that "the present moral situation throughout the world leaves much to be desired. It has reached such a point that one wonders whether individuals and nations have not lost their will to distinguish between right and wrong. In these chaotic times we need men who can be relied upon; men whose word is their bond."

Eighty-one "opinions" were given. (Some Grand Lodges would call these "rulings.") They were chiefly answers to questions sent in by Lodges and, in every case, the answer was given in clear, unmistakable language. Two requests for dispensations to waive physical disability were granted and two were refused.

During the year the Oxford Orphanage was filled to capacity with an enrolment of 312 children of whom 19 were "children of Masonic heritage." The appropriation for the year was \$50,000.

Two Lodges were given permission to erect one-storey lodge buildings. Eleven Lodges were not represented at the Annual Communication that year or the year before and they were called upon to show cause why their charters should not be arrested. The Grand Master dealt wisely and quite emphatically with a problem that crops up everywhere. A brother who had been non-affiliated (we would say "under suspension") for twenty-four years asked for his 50-year medal and another who had been "out" for two years wanted his 25-year emblem! As he said, "to further devalue these awards would make them meaningless." Of course, it is always necessary that the records be complete and that they prove the non-affiliation without question.

The Fraternal Correspondent commented as follows; "Almost all Grand Masters complain about poor attendance at Lodge meetings. Here it is noted that the percentage of attendance is much better in small Lodges than in large ones." He remarks on the formation of new Lodges and the erection of new buildings and aptly explains the "answer to the contradiction lies in the quality of leadership in the Lodges."

NORTH DAKOTA—1960

71st Annual Communication—June 20-22

Grand Master, 1959-60—M.W. Bro. B. G. Gustafson
 Grand Master, 1960-61—M.W. Bro. G. L. Paxman

Lodges, 120. Membership, 13,935. Loss, 174.

The programme for the year in North Dakota placed emphasis on lodge activity, on education and on individual and group initiative and responsibility. Although the roll showed a net loss on the year, for the first time in a number of years raisings exceeded deaths. There was a strong predominance of young Masons among the new members and among the Officers of the Constituent Lodges which boded

well for the future. The Grand Master stressed the need for quality and leadership in candidates. Membership, he declared, was a **critical matter**.

The Grand Master put forward a recommendation which brought out several timely historic facts of interest to both American and Canadian Masons. "It is further recommended that the Grand Lodge of North Dakota collaborate with the Grand Lodges of Manitoba, Montana and Minnesota in the observance of 1964 as a Masonic Memorial Year. It will be the 75th Anniversary of the Grand Lodge of North Dakota, the 100th Anniversary of the Grand Lodge of Montana, the 100th Anniversary of the first Masonic Meeting in Manitoba, and the 100th Anniversary of the first organized Masonic Lodge in what is now the State of North Dakota, the Northern Light Military Lodge (U.D.) under the Grand Lodge of Minnesota."

The entire Proceedings shows an awareness of the need for "International Masonic Relations." Starting with the presentation of the flags of the United States, Canada, Mexico and the State of North Dakota at the opening of the Grand Lodge. M.W. Bro. L. H. Bergstrom, Grand Master of Saskatchewan, in his brief remarks, also referred to the many visits which occurred between Lodges back and forth across the border.

Although the Grand Master, the Grand Secretary, and the Chairman of the Library Committee, regretted that more could not be done for the Grand Lodge Library the report was impressive. Receipts totalled more than \$14,000.00 and over 2,000 books, pamphlets, periodicals, etc., were circulated to 85 communities, several outside the State.

The Committee on the Condition of Freemasonry, established in 1946 had not reported to Grand Lodge since 1949. This year the Committee endeavoured to begin the practice anew but did encounter some difficulty in securing reports from constituent Lodges since only 77 reported. One recommendation surprising to Masons in a jurisdiction where District Deputies are required to visit every Lodge in their districts was the statement: "We encourage at least one visitation to each lodge in the district by the District Deputy Grand Lecturer and the District Deputy Grand Master each year." The implication is that such visits are not compulsory. With twenty-three District Deputies available the task would not seem to be onerous.

NOVA SCOTIA—1960

95th Annual Communication—June 13 - 14

Grand Master, 1959-60—M.W. Bro. C. H. Colwell
 Grand Master, 1960-61—M.W. Bro. W. E. Moseley

Lodges, 144. Membership, 14,794. Loss, 57.

Though our sturdy neighbour down by the sea is not yet quite one hundred years old, Freemasonry was planted, took root, and slowly grew in that Province just about 222 years ago. All this story of the day of small things M.W. Bro. Harris will tell us in the history of Freemasonry in the four Atlantic Provinces which is ready for printing.

Just a little indication of how important politics can be in the Provinces "down by the sea," the Annual Communication was to have been held on June 5th to 7th but a provincial election was called for June 7th and Grand Lodge postponed its meeting to June 12th. (No doubt, most others would do the same.)

The Grand Master did a good deal of visiting and to three Grand Lodges presented a six foot silk flag of New Scotland.

A 51-page booklet containing 255 questions and answers has been distributed to each Lodge as has a new booklet on the Masonic funeral service. By the way, modifications of the funeral service have been made recently by many Grand Lodges and in some cases there has been the suggestion that this service should be abandoned. (Most of us would agree.)

Among several suggestions made by the Grand Master were: punctual openings, early closings, personal contact with delinquent brethren before suspension, thorough ventilation in lodge rooms. (He might have added "shorter speeches".)

Everyone will agree with one of his closing paragraphs: "I have learned that of the many essentials for success three are vital—hard work, absolute integrity, and courage. I have also learned that he who reaches the top will often be misunderstood and be the target for criticism. The only policy in high office is an intense devotion to duty and a capacity to rally all Masons to a common purpose of brotherly love."

The Grand Lodge of Mississippi which broke off relations with Nova Scotia some time ago has not replied to or acknowledged the Grand Secretary's statement. The Prince Hall Grand Lodge has failed to implement the reasonable

agreement, made with Nova Scotia some years ago, to withdraw the warrant of one of its Lodges. The edict of 1948, forbidding any inter-visitation, still stands and Equity Lodge continues to prosper.

The Board of Education recommended that each Lodge have an education committee and that two talks, at least, per year be arranged on symbolism, history, etc.; also that a "newsy" summons be issued.

The authorized ritual has been revised with changes in rubrics and floorwork and the obligations have been added to in order to bring them into line with obligations used in other Canadian and British jurisdictions. (What Nova Scotia does it does well.)

OHIO — 1960

151st Annual Communication — October 14-15

Grand Master, 1959-60 — M.W. Bro. C. K. Cunningham

Grand Master, 1960-61 — M.W. Bro. C. H. Strayer

Lodges, 671

Membership, 282,397

Loss, 396

This Grand Lodge has a Grand Historian. The present holder of the office is W. Bro. James J. Tyler, who has completed twenty-five years in this post. Annually he has contributed an essay on the early years of Freemasonry in Ohio. This year is no exception. His contributions to the Proceedings provide a priceless treasure of Masonic history.

M.W. Bro. Carl W. Ellenwood, Grand Master of Ohio in 1935, was appointed to the office of Fraternal Correspondent in 1947. His reviews are full and comprehensive and this year totalled seventy. It would have been a pleasure to see his report on the Grand Lodge of Canada in the Province of Ontario. But this was not included.

The Grand Master received several requests to hold outdoor meetings for the purpose of conferring degree work. He stated: "While there is some doubt in my mind as to the value of such meetings, nevertheless, no Dispensations were refused." In each instance the D.D.G.M. having jurisdiction was required to visit the site and thoroughly satisfy himself as to the suitability and security. Dispensations were granted upon the condition that the District Deputy be present and assume full responsibility for the proper conduct and security of the meeting. Each year is bringing an increase in the requests for outdoor meetings and the Grand Master suggested the desirability of reviewing the matter.

Several years ago the Grand Lodge permitted the public installation of the officers of subordinate Lodges. Circumstances made it desirable to forbid such meetings. However, the suggestion has been put forward that public installations might again be desirable. A committee has been appointed to look into the matter.

Another committee has been appointed to study a "controversial subject". There are many Brethren in Ohio who firmly believe that a much stronger Fraternity would result if Lodges were limited to a small or moderate-sized membership. The Deputy Grand Master is chairman of the committee to make a preliminary investigation. A hasty glance over the Lodge statistics shows that almost fifty have more than 1,000 members. Five have over 2,000 members.

For the first time in twenty-one years there was a decline in total membership. The Grand Master remarked that many factors, sociological, economic, and otherwise are convincingly offered as reasons for the downward trend in candidates which has continued since 1946. He then asked the question: "Do we have any real cause for apprehension?" He went on to show that in 1890 the Masonic membership in Ohio was 0.9 per cent of the total population of the State, whereas in 1960 it was approximately 3.2 per cent of the total population. While the population of the State was increasing threefold, Masonry was increasing its membership ninefold.

He concluded: 'If the size of membership is the principal criterion for appraising the Fraternity, then the solution is simple. We have but to discard the unanimity of the ballot box, relax the investigating committee, and start a wholesale solicitation. All these would soon multiply our numbers appreciably, but at the same time we would be losing those principles which have identified our Order for centuries.

"Quality accompanied with quantity is a rarity in nature and, likewise, a rarity in human organizations.

"Masonry occupies the unique position of being the largest Fraternity in the world and at the same time it enjoys an unexcelled reputation for the honesty, integrity, moral and spiritual quality of its members."

OKLAHOMA—1960

52nd Annual Communication—February 9 - 10 - 11

Grand Master, 1959—M.W. Bro. R. K. Babb.

Grand Master, 1960—M.W. Bro. E. C. Morris

Lodges, 383. Membership, 86,883. Loss, 358.

The Grand Secretary reported that 1,075 members were unable to pay their dues and that the charter of one Lodge

had been arrested and was being held in abeyance. During the year there had been three "consolidations" of Lodges. The Home for Aged and the Children's Home carried on their good work even beyond "the call of duty." The Committee on Masonic Education was increased from three members to five and was charged with the responsibility of developing programs designed to bring needed information to the members of the Lodges. Area Institutes were operated for the instruction of officers and progress was made toward the compilation and publication of the History of Oklahoma Masonry. Good use was made of the Grand Lodge Library and Museum.

The Oklahoma Mason, the official publication of Grand Lodge, has a relatively small subscription list and a special committee was appointed to study the possibility of sending this publication free to every member of every Lodge. This committee reported that 8 pages of advertising be added and that 50 cents be added to the per capita tax. Besides, it would be necessary to spend \$50,000 on the purchase of new equipment for printing 90,000 copies of each issue. These recommendations of the committee were adopted. The cost of issuing 90,000 copies a month at 70 cents per year would total approximately \$63,000. (We shall be interested to hear how this venture succeeds.)

The Grand Master visited the Juvenile Institute in Pittsburgh and concluded, from his observations, that the Grand Lodge of Pennsylvania is rendering an excellent service to the juveniles of that area. (We wish that Grand Lodge every success in this most important work.)

During the year some interesting interpretations were given by the Grand Master, all dealing with cases connected closely or remotely with what they call "the liquor business". One of rather special interest was "that a brother whose wife goes into the liquor business is definitely connected with it" and would be required to withdraw from Masonry. All who did not comply during the year withdrew except one who was expelled. (Isn't it strange that we never hear of this sort of thing outside the United States and not always there?) One Lodge sent in a resolution to the effect that "the sale of intoxicating liquors is now just as legal as any other business in Oklahoma", and that "Masonry has no right to tell a member that he cannot enter into a legal and legitimate business". This resolution was rejected!

OREGON—1960

110th Annual Communication—June 15-17

Grand Master, 1959-60—M.W. Bro. D. W. Pearson

Grand Master, 1960-61—M.W. Bro. J. M. Swanson

Lodges, 192.

Membership, 44,370.

Loss, 176.

Since 1916 the Annual Communication had been held in Portland. But following an invitation from Eugene it was

held there. Any strangeness felt by the members was, as the Grand Master pointed out, more than outweighed by the benefits. He said: "I have long believed that it would be of real value to Freemasonry in the Grand Jurisdiction of Oregon to hold our Annual Communication in various sections of the state. It gives the Brethren in various areas, who might never have the opportunity of attending Grand Lodge, a chance to benefit by personal observation; it puts more Masons to work, and it tends to relieve the feeling, however unfounded, that Lodges from a particular section where Grand Lodge is held year after year are in the driver's seat." A tremendous amount of work was involved, however.

In the list of dispensations no fewer than four were to permit outdoor meetings, all for the purpose of conferring the Master Mason degree. One was "the 21st Annual Malheur Cave meeting"; another was "an outdoor meeting on the crown of Roman Nose Mountain near Mapleton"; the third was "in Crater Lake National Park"; while the fourth was "at Alpine Meadows on the slopes of Mt. Hood."

The all inclusive character of Freemasonry was revealed in another dispensation which permitted Harmony Lodge, No. 12, to advance their regular meeting a week "so as not to conflict with the Jewish Passover."

In Oregon, District Deputies are appointed and may remain in office for more than one year. The Grand Master had some comments to make on the practice: "There has, unfortunately, sprung up some thinking in certain areas that appointment of a Brother as a District Deputy confers an honor on the Lodge of which he is a member; that the maximum term a Deputy should serve is 3 years and that then the position should be given to a Brother of another Lodge in the district. Nothing could be further from practical facts. The Deputy is appointed for his abilities and devotion to Masonry, not to honor a Lodge which is fortunate to have him as a member While each Grand Master has freedom of choice, it has been the feeling of those immediately preceding me and of this Grand Master that as long as the best interests of Masonry are served, a good and effective District Deputy should be continued in office regardless of the number of years he may have held the position."

Annually, the elective Grand Lodge officers and immediate past Grand Masters of the Grand Jurisdictions of Washington, Idaho, and Oregon, hold a tri-state conference in one of the states. This year the meeting was held in Seattle. Each Grand Lodge officer of each Grand Jurisdiction presents a subject, which is later discussed by those present.

Although a long way from Europe, the Grand Lodge of Oregon has one Lodge, Oregon Military Lodge, U.D. at

Frankfurt, Germany. The Grand Master was convinced that the Lodge "is performing a tremendous Masonic work for American nationals in Germany."

The financial position of the Grand Lodge is exceptionally strong. The Endowment Committee considered ways and means to increase the endowment to meet the needs of maintenance of the Home, and thereby relieve the membership of the per capita levy of \$2.50.

Ways and means were discussed of publishing the history of the first fifty years of the Grand Lodge. It was decided to print five hundred copies to be sold at cost. The Grand Historian, W. Bro. John Wilkinson, was encouraged to go on with the writing of the history of the second fifty years.

-------------	--------------------	-----------

The Grand Master, according to his own words, did not offer a literary gem as his report but plunged into the middle of things immediately. His report could be simple and direct as his record spoke for itself. After a loss last year the Grand Jurisdiction showed a gain of 269. Visits to Lodges showed that the condition of Freemasonry was satisfactory. Attendance in many Lodges had improved, which indicates that the members realize what Freemasonry can mean to them. He did point out, however, that while gains were gratifying, Freemasonry in the Philippines as everywhere else is not dependent on a big membership merely. "We are concerned with qualitative quantity only."

"One salient fact," remarked the Grand Master, "that the eye can hardly miss in lodge visitation is the predominance of silver heads among the coal, if the parody may be permitted." This situation was evidence that there are too many old men and too few young men in the membership.

The Grand Jurisdiction took a step forward in standardizing the ritual in Filipino. The Grand Master explained:

"Heretofore, in the exemplification of degree work in the vernacular, our lodges have been using different versions. None has to this day been recognized as official translation of our ritual.

"Responding to the clamor of many Lodges to be provided with an official version in Filipino, I constituted a committee of vernacular writers, known and recognized for their knowledge of Tagalog, to revise all existing copies of the Tagalog version of the first, second and third degree rituals as well as of the installation and funeral ceremonies, and prepare a set for the use of our lodges preferring to exemplify work in the Filipino language. The Committee has been busy on the job and its work is almost finished."

The Grand Lodge maintains a Masonic Hospital for Crippled Children. The Hospital is supported by a per capita assessment of 3.00 pesos per year, support by those who take out a membership, life or otherwise, in the Hospital, and by donations "from big-hearted Masons and non-Masons who realize the essentially humanitarian nature of the work of the Hospital."

The Chairman of the Committee on Temples outlined a proposal to erect, co-operatively, a twelve storey building. The concept of a co-operative building is novel in the Philippines but quite feasible. According to plans the building should be the largest, in terms of floor space, in the city of Manila. It is intended also to make it "the most beautiful in the Far East." The Grand Lodge would retain ownership, for Lodge purposes, of the top four floors. The proposal is most ambitious. An important factor is that the Grand Lodge owns a most desirable site for the building.

90th Annual Communication—June 2.

Grand Master—M.W. Bro. L. J. Robb

Lodges, 107.

Membership, 17,988.

Loss, 51.

In his Address the Grand Master said. "This year, for the first time in several, our membership shows a small net loss. No undue concern, however, need be felt at this circumstance. Membership, for the sake of membership, should never be an objective in this Order. Actually, the small net loss reflects rather the desire of some Lodges to set their house in order." He commended the news letters issued by some Lodges and the Masonic Bulletin which gives pertinent facts about the Craft and the Grand Jurisdiction in particular. He had heard a good deal of discussion regarding the desirability of having a Home for senior Masonic brethren and their dependents and recommended the appointment of a committee to study this question again. An interesting report was that the Story of Masonry in Quebec had been written and would soon be published.

The Grand Secretary was appointed Custodian of the Work with the suggestion that standardization and uniformity in the ritualistic work of the Lodges was desirable. The brethren were asked by the Grand Master to give support to the Masonic Blood Bank to the best of their ability.

From the Report of a Committee the following extract is taken. "A more disturbing feature arises from the reports that attendance at lodge meetings is not what it ought to be, a problem almost every Lodge must deal with. Changing social conditions have undoubtedly contributed largely to this situation, radio and television perhaps being primarily responsible. On the other hand, capable and enthusiastic leadership in each Lodge can find ways and means of offsetting this claim on the time and interest of lodge members."

This was the Centenary year of Masonry in Queensland. On July 15 the Grand Lodge journeyed to Warwick to visit the grave of Wor. Bro. James Watkin Jackson, who was the first Worshipful Master of North Australian Lodge, No. 1. A centennial dinner was held on the same night. A centennial history has been prepared for publication.

It was reported that the Grand Master of the United Grand Lodge of England had dissolved the District Grand Lodge of England in Queensland. The District Grand Master R.W. Bro. E. Aldous had relinquished his office which he had held since 1937. He was in his 91st year. Nothing was said regarding the disposition of the Lodges in the District Grand Lodge.

A discussion of the danger inherent in Freemasons' using their membership and rank in Masonry to attain public positions drew forth a strong statement by R.W. Bro. T. Strachan, President, Board of General Purposes: "In my 30 odd years of association with the Craft, I can conscientiously say that I know of no instance where a Brother endeavoured to ingratiate himself in the eyes of the public during a political campaign. We all know that if a Brother attempts to do that, he brings upon himself the contempt of his Brethren. That is his punishment. After all, what is the basic principle of Freemasonry? When we join a Lodge we protest our lack

of mercenary objectives. Every time we go into a Lodge we are taught that basic principle, which is the essence of our ritual."

The Grand Master, Grand Secretary, and President of the Board of General Purposes made a most interesting tour of New Guinea, part of the Grand Jurisdiction. They found all Temples they visited a credit to Freemasonry. Two of them "earn quite respectable incomes through the letting of the festive halls as Court Houses."

The President of the Board of General purposes gave a good description of the appearance of a Lodge at work and also told something of the difficulties regarding dress in tropical regions. "Another matter to which I should particularly like to refer is the formal dress adopted by all Lodges. This consists of the white mess jacket, white soft shirt, black bow tie, black trousers with cummerbund, black shoes and socks. To enter a Lodge, filled to capacity, and be greeted with the sight of all present so immaculately clad, toned here and there with the light blue regalia, is an experience to be remembered and one that cannot fail to create a feeling of pride.

"To be in keeping, our official party had similar jackets made here of white synthetic material lined with a non-absorbent cloth, the idea being that they could be washed after each function and would not require starching or ironing. To our surprise we were spared the necessity of washing, as they did not absorb moisture as is the case with conventional cloths and did not show creases to the same extent. The problem of white apparel has always been the matter of laundering, but in view of the fact that these coats were subjected to equatorial conditions and stood up to the test, the time may not be far distant when similar formal dress becomes the rule rather than the exception for this Grand Lodge for the hot and humid summer months."

RHODE ISLAND—1960

Loss, 171.

Although the total number of Lodges is not large, and conflicts over date for Masonic events cannot be as numerous in Rhode Island as they are in larger Grand Jurisdictions,

the Grand Master made a most practical suggestion. In order to prevent the conflict wherein two lodges in the same district have an event on the same evening, the District Deputy Grand Masters have been directed to keep a calendar of the events in their respective districts and state-wide functions. The Masters are directed to check with the District Deputy Grand Master on events scheduled and give dates of any of their events to the District Deputy Grand Master. This will assist in preventing two lodges in a district scheduling events on the same evening.

A calendar of state-wide functions has been established in the Grand Secretary's office. All Masonic bodies having a function of state-wide importance are urged to check with the Grand Secretary's office before deciding upon a date, and when the date has been decided upon, to inform the Grand Secretary.

During the year some Lodges asked for permission to amend by-laws to permit an increase in dues. This the Grand Master believed was a step in the right direction. Along this line the Grand Master recommended that Lodges which have shown a net operating loss for a three year period be required to increase their dues, or, as an alternative, "a minimum dues" be adopted for all Lodges.

The per capita assessment is \$1.25. The feeling of the Secretaries was that the assessment should be raised to \$2.00 to avoid another increase per capita for some time. However, the Finance Committee recommended an increase to \$1.50.

SCOTLAND—1960-61

M.W. Grand Master Mason—The Right Honorable The Earl of Eglinton and Winton

R.W. Grand Secretary—Dr. Alexander Buchan

Lodges, within Scotland, 624.

Overseas, 395.

Although an old Grand Lodge, the Grand Lodge of Scotland has some new ideas. At the Quarterly Communication, February 4, 1960, the Grand Master Mason explained the extra lighting in the Lodge Room. "The Halls Committee for some time have had under consideration the necessity for more accommodation at our Grand Lodge meetings, and it has been suggested that Closed Circuit Television into the hall downstairs might solve the problem. Some weeks ago this was tried out and Grand Committee saw it in action, and to-day we have it on at the moment for the benefit of the Halls Committee to watch this meeting to see if it is going to be a success. I want to make it quite clear to Grand

Lodge that it is a closed circuit and that the Lower Hall is properly tyled.”

New Lodges proposed, among others, show the broad influence of the Grand Lodge. They were at Dunkwa-on-Offin, Ghana; at Mina-al-Ahmadi, Kuwait; and at Mzuzu, Nyassaland. The initiation fees for the new Lodges were £50, £25 and £21 respectively. An interesting provision added was specification for the Colour of Lodge Clothing. Mid-blue and Gold; Royal Blue and White, edged with Caledonia Tartan; and Hunting McMillan Tartan. Altogether eleven new Lodges were chartered, only two in Scotland, the other nine overseas.

At the Quarterly Communication on May 5, 1960, the Grand Master Mason reported on a visit, with the Grand Secretary, to Uganda, Kenya, Tanganyika, Nyassaland, Rhodesia and the Union of South Africa. At Mombasa the Temple is air-conditioned, thus making attendance at Lodge in the tropics a delight. In Johannesburg he attended a meeting and dinner with between 1,200 and 2,000 in attendance.

The Grand Master Mason concluded: “The most outstanding feature of Freemasonry in East, Central and South Africa is the quite wonderful harmony which exists between the Brethren of the four Constitutions represented there, and in a number of Districts, the brethren of these Constitutions have a joint Benevolent Fund. We were greatly impressed with the high standard of work, and the dignified manner in which all the ritual work was performed Our lodges overseas do not have unduly large memberships. When the membership exceeds one hundred, many of our Brethren ask if it is not time to petition for a new Lodge. In this way, more Brethren have an opportunity of taking part in the work of the Degrees, and generally sharing in the affairs of the Lodge.”

“I think we all know, Brethren, that at the moment South Africa is a very unhappy country. Grand Secretary and I, unfortunately, saw quite a lot of the trouble out there. We, as Freemasons, do not, within our Lodges discuss politics, but I am convinced that Freemasonry can do a great deal to help to settle the difficulties in South Africa by creating a spirit of goodwill, of tolerance, of friendliness and brotherhood. As I mentioned earlier it was simply wonderful to see the Brethren of the four Constitutions working in such perfect harmony, and I am sure that this atmosphere of goodwill and true Masonic spirit will spread out with these Lodges, and so help to bring that unhappy and lovely land back on an even keel.”

Once again the Proceedings show the great work being done by the Grand Lodge with Masonic Homes and Benevolence.

Year Book, 1960

What a treasure-house of priceless information and inspiration is the Year Book of the Grand Lodge of Antient Free and Accepted Masons of Scotland!

First to take the reader's attention is the frontispiece, an excellent picture showing the Grand Master Mason flanked by the District Grand Master of the Far East and the District Grand Master of the Middle East. In the second row, standing, are: Dr. A. F. Buchan, Grand Secretary; a Past Master from Johannesburg; a brother from Iran and a Past District Superintendent from Egypt; a District Grand Secretary from New Zealand South and a Senior District Grand Warden, a negro, from Sierra Leone; brethren, most of them officers, from Pakistan, Natal, Nyassaland, Turkey, and Peru. (Seeing our brother from Sierra Leone in this cosmopolitan group makes one wonder whether Mississippi and Oklahoma are considering breaking off relations with Scotland, as one did and the other proposed to do with Nova Scotia!) In the list of Office-Bearers there is a brief biography of the Grand Piper. (That is an office we have not yet created although we have several brethren, any one of whom might be recognized.)

There is a list of "Some Notable Masonic Dates" occupying a whole page. Among these are 1376 (earliest known use of the word "Freemason"); 1717 (England); 1725 (Ireland); 1736 (Scotland); 1781 (initiation of Robert Burns); 1860 (The Mark Degree restored to the Scottish Working). In the Grand Lodge Library there are 18 books on Robert Burns and one of them, entitled, "What Robert Burns owed to Freemasonry" is a little book which, it is said, "should be read by every Freemason". For the convenience of brethren pursuing special studies an interchange of books has been arranged among the Grand Lodge Libraries of England, Ireland, and Scotland.

In the story of Lord Elgin's visit to Canada last year, mention is made of what he called "an interesting feature" in the working of a degree. (We have all noticed occasionally some of our brethren from the United States giving a preliminary sign which they called, when asked, the "dew guard" or "due guard" (I never knew which nor took the trouble to find out.) Lord Elgin spells it "Dieu Garde" which, perhaps, may be freely translated, "The Lord protect me." (We're always learning!)

Many interesting articles fill a large part of the book. These are; "An Overseas Letter from the District Grand Lodge of the Far East"; "A Visit to Bahrain, Pakistan, India, Burma, Thailand and Ceylon" by Lord Macdonald and Dr. Buchan; "Lodge Otago Kilwinning, No. 417"; "Our Ritual"; "Saint Andrew Lodge No. 418"; "Glasgow Kilwinning Lodge No. 4". The last number in the list of Lodges is 1,568.

SOUTH AUSTRALIA — 1960

Half-yearly Communication, October, 1959 and Annual Communication, April 20, 1961.

Grand Master, 1960-61 — M.W. Bro. D. B. Ross

Lodges, 204 Membership, 27,330 Gain, 425

The Grand Jurisdiction had a successful year. Initiations, totalling 1,066, remained at a level consistent with the last two years, 1,063 and 1,066. Six new Lodges received warrants. One meeting not generally held in many jurisdictions was a Conference of Secretaries for the purpose of providing an opportunity for Lodge Secretaries to meet and discuss with the Grand Secretary problems of mutual interest and points of procedure.

During the period under review four Masonic Temples were dedicated and several others were under construction. The Grand Master commented: "In these days of high building costs, the building of a temple is a major financial project, and the building activities which have been carried on by so many Lodges seem to me to afford a good index of the healthy progress of the Craft and the zeal and the enthusiasm of the brethren of the Lodges concerned. Each of the new temples to which I have referred is commodious, well constructed and dignified in appearance, and much of the furniture and equipment has been generously donated by brethren of the respective Lodges. We pray that each one of these fine buildings may continue a lasting monument to the taste, spirit and liberality of its founders."

The question of dress at meetings again arose although the regulations had been laid down in 1951. The Grand Master once more directed: ". . . it shall be the rule that except in exceptional circumstances the dress to be worn at Lodge meetings shall consist of either full evening dress or dinner suit or under the special conditions previously laid down a white mess jacket with black trousers, socks and shoes and a white shirt and collar with a black bow tie. Determination of what are 'exceptional circumstances' for the purpose of this ruling can be safely left to the discretion of the Masters of the various Lodges. There may well be in

every Lodge elderly brethren or brethren in ill-health or poor circumstances who could not reasonably be expected to procure evening dress, and every effort should be made to avoid embarrassment to brethren who fall within these special classes. However, the vast majority of Lodge members should be able to comply with the above ruling, and it should be the responsibility of the proposer and seconder of each future candidate to clearly inform such candidate that he must equip himself with formal dress for Lodge functions."

The Grand Master appealed particularly for support of the Masonic Homes for the aged as a Masonic charity. Two pairs of homes were erected in 1929, two pairs in 1934, and two pairs in 1939, twelve in all. The cottages have three or four rooms. During the year under review an additional twelve "flatlets" were completed.

SOUTH CAROLINA—1960

223rd Annual Communication—April 28 - 29.

Grand Master, 1959-60—M.W. Bro. T. H. Pope
Grand Master, 1960-61—M.W. Bro. H. N. Layne

Lodges, 301. Membership, 57,323. Gain, 810.

For many years close relationships have existed between this outstanding, old Grand Lodge and ours and it is a pleasure to see in the Proceedings the names of several of our friends of earlier years who are still active in the councils of the Craft. Inter-visitation is constant and regular. Our Grand Master attended this Annual Communication and his remarks were "appropriate, interesting, and enthusiastically received by the brethren." Our Grand Secretary was there, too, and, as always, was among friends who received him and entertained him with the greatest cordiality; he and M.W. Bro. Henry Collins have been colleagues for years. It is pleasing to read that South Carolina's Grand Secretary is to be presented with an oil portrait of himself.

The Grand Master exhorted his brethren to avoid personalities in discussion of Masonic problems and he reported that finances were in excellent condition. Six constituent Lodges completed a century of service during 1959. No dispensations were granted for confirming degrees on more than five candidates at one meeting.

The proposal to establish a Masonic University was (fortunately, as we think) at least shelved for a time, perhaps forever. The Grand Master recommended that a trust fund be established to provide the complete four year (only four?) medical education of a deserving student who would

agree that, on completion of his internship and residence requirements, he would practise for five years in a rural community which lacks medical facilities. (This seems to be a grand idea.)

"Relief in the amount of \$62,746.50 was paid to 95 Master Masons and 183 widows of Master Masons. Each appeal for aid has been carefully investigated and every effort has been made to give help where needed and to cut it off when a need has been met."

There were six Special Communications held for the dedicating of new Masonic Temples.

The Committee on Masonic Education decided that to accomplish the desired results the instructional meetings should be held in the districts so that all could participate in a review and its presentation of Masonic law, custom, and procedure. The official bulletin edited by the Grand Secretary, showed a pleasing increase in annual and life subscriptions.

To read the Proceedings of this expertly managed Grand Lodge provides interest, inspiration, and real profit.

SOUTH DAKOTA—1960

86th Annual Communication—June 14 - 15

Grand Master, 1959-60—M.W. Bro. N. J. Doolittle
Grand Master, 1960-61—M.W. Bro. J. S. Rowe

Lodges, 168. Membership, 20,317. Loss, 98.

At the beginning of his year the Grand Master introduced a program which was a departure from the general programs which had been followed for many years. He wished to get back to "basic Masonry" and directed that emphasis should be placed on the first degree along with the selection and education of candidates. The officers of Grand Lodge co-operated and it was found that the program had merit and that it accomplished a part at least of what the Grand Master had hoped for. Then there was a series of "fellowship breakfasts" on Sunday mornings after which all those present attended church. Though all District Masters were asked to arrange these, some, strange to say, did not comply with the Grand Master's request.

Among eleven recommendations made by the Grand Master were; (a) that a suitable appropriation be set up to provide for proper distribution of the official publication of Grand Lodge, the Masonic Messenger; (b) that the Board

of Custodians be authorized to pick up and destroy any illegitimate "keys"; (c) that the Special Committee on the Grand Lodge Library building be continued in office.

The Grand Secretary reported, with regret, that in each of the last three year's there had been a loss in membership though in the previous sixteen years there had always been a gain. The per capita levy was raised to \$2.00 of which 25 cents was to be paid to the Temporary Grand Charity Fund. This was an increase of 50 cents.

During the second year of publication four issues of the Masonic Messenger were printed and copies were mailed to Masters, Senior Wardens and Secretaries. The hope was expressed that this publication may be continued and improved. A Senior Warden's Manual has been produced. The Board asked for an appropriation of \$1,200 for the promotion of Masonic Education.

Twenty-three of the twenty-eight District Masters attended the Annual Communication and were thanked by the Chairman of the Board of Custodians "for their co-operation, such as it was." They were also thanked for their efforts in securing better representation of Lodges at the Annual Communication. Constituent Lodges to the number of 114 were represented at Grand Lodge.

The Masonic Veterans' Association, which any Master Mason over 21 years of age may join, held its 59th Annual Session. Henceforth "a fine of \$1.00 is to be charged each member who does not bring and wear his Veteran's badge during the sessions of Grand Lodge."

TASMANIA — 1960

Half-yearly Communication — August 27

Lodges, 69.

Membership, 8,777

Gain, 32

Although comprising only twenty-three pages these Proceedings are full of sound opinion, reflecting the thoughtfulness of the Grand Master. He "found the heart of Freemasonry beating strongly wherever he had been."

The Grand Jurisdiction maintains two groups of homes, concerning which the Grand Master reported:

"The two chief Masonic Balls of the State, at Hobart and Launceston, were again highly successful, and our Homes

for the Aged at Lindisfarne and Peace Haven will benefit greatly from the funds raised . . .

"I had the honour of opening officially another set of cottages at Peace Haven.

"Every time I visit our Homes at Lindisfarne or Peace Haven I am led to a deeper appreciation of the wonderful work that is being done by the host of Freemasons connected with the raising of funds for, or with the running of these institutions. I thank them for this and I commend this work to every Freemason in Tasmania."

Several new Temples are being constructed and during recent years several others have been built. Much of the work in many instances is being done by the Brethren themselves.

The Grand Master stressed the importance of church-going, raised a question as to the sums being expended on refreshments, and reaffirmed his interest in Masonic Education, all in well-considered and well-chosen language.

The Grand Master also spoke at the Centenary of Pacific Lodge, No. 5. His address, printed in full, was most appropriate. A few brief excerpts must suffice here:

"Longevity of a Lodge is not unlike long life in an individual: it really means little if some worthy service has not been rendered throughout the years. To be 'Masonic' a Lodge must practice Masonry in all its fullness, not just confer degrees and conduct routine business. The excellent sketch of the story of the Lodge, compiled and read by Wor. Bro. Ern McLagan, leaves us in no doubt as to the worthy service that has been performed by the Br. of Pacific Lodge. Naturally, the only names mentioned in that story are of those who rose to leadership or performed some outstanding service, but every true Freemason gives of his best to his Lodge, and tonight we are honouring the full membership of 100 years, for they have all made a contribution to the century old foundation on which Pacific Lodge stands today. Many of the names concerned are known only to the few who occasionally scan the musty membership rolls of long ago, but tonight, as well as praising famous men, we think also of the Pacific Brethren.

Of little showing:
For their work continueth
Broad and deep continueth,
Greater than their knowing.

What changes in Tasmania, and, indeed, in the whole of the world, this Lodge has seen!

“ . . . While witnessing these epoch-making changes, Pacific Lodge passed through many vicissitudes of fortune. Like the mosaic pavement, its story has its dark as well as its light patches. Through all its vicissitudes, amongst its Brethren two lights have shone strongly, the lights of Faith and Hope, and thus the dark days were passed through quite safely. A Lodge is the better for having had to pass through difficult times. “A smooth sea can never make a skilful mariner. Neither do uninterrupted prosperity and success qualify man for usefulness and happiness. The storms of adversity, like the storms of the ocean, rouse the faculties, and excite invention, prudence, skill, and fortitude in the voyages.”

“So much for the spell of the historic past. One could play for a long time on the magic strings of history, but we must concern ourselves now with the present and future. We must not indulge any nostalgia for the past: it is a poor compliment to our fathers to camp where they fell . . . ”

69th Annual Communication—February 27

Ten brethren were “excluded” by their respective Lodges; otherwise the half-yearly gain of 19 might have been higher.

The President of the Board of General Purposes found that applications for assistance came occasionally from brethren who had only recently joined the Craft and he suggested that greater consideration should be given to prospective candidates to make sure that their financial position is such that they can afford Masonry—“which after all can only be regarded as a luxury”. They should be told that they are not “joining a benefit society”. In reply to several “approaches for guidance in allotting the work,” the same official replied that Grand Lodge “prefers” that the W.M. or a P.M. do the O.B. and the secrets.

A Grand Inspector of Lodges recommended that “prospective candidates should be advised that it will be necessary for each to have a dinner suit”—to avoid embarrassment later. He admonished some directors because “visitors are frequently left to find their own way to a seat”.

Another G.I.L. reported that “many Lodges are giving short lectures during the retirement of candidates and these are well received by the brethren”.

In his half-yearly address, six months before, the Grand Master had “stressed the importance of every brother’s being actively associated with his church” and he had noticed an encouraging response.

In an eloquent and inspiring address the Grand Master stated that the great objective is "the strengthening of the quality of Freemasonry in Tasmania". Further, he said, "The chief work of a Grand Master, as I see it, is not connected with routine and administration. The Board of General Purposes will always take care of these matters, leaving the Grand Master free to encourage and inspire his brethren to higher standards of life rather than higher standards of living—to exemplify the Masonic virtues". No wonder he is referred to frequently as "the most popular Grand Master".

Excellent service is rendered by those interested in the Masonic Homes at Lindisfarne which is well managed.

Here is an interesting excerpt from the address delivered at the consecration of a new Lodge. "The purpose of this ceremony is to consecrate the members of the Lodge to the purpose of speculative Masonry. The members of this Lodge will regard this temple as Holy Ground. They will always remove their hats before entering. They will not do or say anything profane in it. They will not smoke in it. They will not allow any intemperance or excess to bring discredit to the Craft".

TENNESSEE—1961

The Report of the Grand Secretary shows that there has been a consistent forward movement in this Grand Jurisdiction since 1940. The gain this year is larger than that two years ago.

The kind of trouble that can strike a Lodge was revealed in a report on Bigbyville Lodge No. 167. A severe windstorm completely demolished the Lodge Hall in May, 1960. This Lodge was chartered in 1849 and its membership totals 29 members. The abstract of returns shows, however, that during the year they initiated three candidates in the emergency quarters in a school house. The Grand Lodge, naturally, made a generous grant for the purpose of restoring the building. Although no statistics of Lodge attendance are available, one can hazard a guess that the attendance and enthusiasm in Bigbyville Lodge must be extremely high.

The Proceedings list the names of veteran Secretaries. Nineteen have held office for at least twenty-five years.

One was elected in 1920. One wonders how the constituent Lodges in any Grand Jurisdiction could work as they do without the devoted labours of the Secretaries.

The Report of the Committee on Fraternal Correspondence, by M.W. Bro. Phelan Douglas, contains two significant paragraphs: the first is most appropriate for quotation in any body of Fraternal Reviews, the second says something that should be said. The heading is "Is the tide turning?"

"Nothing in life is static! Everything progresses or retrogresses. One of the primary functions of the Correspondence Report or Fraternal Review is to reflect the overall picture of the condition of the Fraternity. The answer is not found entirely in statistical tables, nor is the story told fully in the amount and character of publicity given to our activities. Many writers are disturbed because attendance at Lodge meetings is not what it used to be. While this is discouraging, it does not mean that Masonry is dying. The whole situation must be considered in the light of changing times and with a finger on the pulse of the individual Mason.

"A perusal of the reviews in the succeeding pages, if read with understanding and without undue pessimism, will leave one with the feeling that the tide is turning, ever so slowly, back toward Freemasonry. Where is there another institution, even those divinely inspired, that has been able to meet successfully in the evening—night after night, month after month, in winter and in summer—in the face of so much competition from outside interests? Where else can man find fraternal fellowship free from the usual restraints of the commercial and political world? The tide of diminishing increases has been stemmed and net gains are on the rolls in some sections. With the stress of modern times, men are seeking for the quiet, peacefulness of their Lodges once again, and those who do not attend Lodge often are manifesting their interest and love for the Fraternity in various and numerous ways. This is the true test of the worth of our Order. As long as good men are proud to bear the name of 'Freemason' we have little to fear. Yes, the tide is turning our way!"

UTAH—1960

88th Annual Communication—January 25

Grand Master, 1959—M.W. Bro. C. L. Prisk
Grand Master, 1960—M.W. Bro. J. P. Coombs

Lodges, 30.

Membership, 6,832.

Loss, 7.

The Grand Secretary states: "The figure 7 looms up as a loss because several dual members in Utah dropped their

dual membership and are now counted once instead of twice. There were 193 Master Masons raised during the year, a gain of 16 over last year”.

“I am more convinced than ever”, said the Grand Master, “that to overcome the attendance and interest problem and be competitive with those forces—be what they may—competing for the time and attention of our members, Masonry must have an objective”. (The problem he mentions is in evidence almost everywhere.)

“We are again failing”, he went on, “unless we find ways and means of identifying, contacting, and interesting sojourning Masons and their families. The Church should be the first place these strangers contact, but we should be a close and firm second”.

Another worthwhile remark was: “We should have an educational program and Masters and Wardens must take an active part. We have been trying to do this by means of bulletins but that is not enough”.

Expressing concern regarding investigation committees which, he considered, were being appointed in a casual sort of way, the Grand Master commented, “If we only realize that a courteous, dignified, proper investigation would not only prevent concern and embarrassment, but would even create desire, enthusiasm, and interest in the mind of the person we are investigating, we would be better off”.

The Masonic Foundation of Utah made substantial contributions to the Shriners’ Hospital, to the York Rite Educational Fund, to Lodges for new Temples, and to various other charitable organizations.

The Grand Lecturer had his difficulties. He reported, “This year I was dismayed to discover that several of the Lodges were permitting undue roughness and comedy to creep into the second section of the Master Mason degree”. He found that this is not peculiar to Utah and he pointed out that “levity, jesting, and roughness” are entirely out of place in this work and “that proper decorum is essential in a Masonic Lodge at all times”. (This is, fortunately for us, no problem in Canada and never can be under our system.)

There is a most interesting history of early days in Camp Floyd where the first Lodge was established in 1859, and there is a fine report of the Committee on Masonic Education.

“Following a custom established in 1931,” the Proceedings state, “our Grand Master assembled his entire official family, Grand Lodge Committeemen, and our distinguished visitors all with their ladies, together with such other members of the Grand Lodge as had made it their way to be in Burlington the evening prior to the opening of our Annual Communication, on the ‘Roof’ of the Hotel Vermont at 6.30 Tuesday evening, the 14th, for an excellent dinner and the opportunity for fellowship and getting acquainted.”

Masons of this Grand Jurisdiction will take pride from the concluding paragraph: “More than one hundred were present and were inspired, strengthened, and instructed by the address of guest speaker, Bro. Clarence M. Pitts, Grand Master of the Grand Lodge of Canada in the Province of Ontario. The speaker’s inspired words and charming personality left with all his hearers a most favorable impression — one never to be forgotten.”

The Grand Master in commenting on some of the questions raised at the Grand Masters Conference, held in Washington, dealt with the question: “Should larger lodges with good talent assist the small lodges with Degree work?” His opinion would seem to be most reasonable: “There are certainly two good sides to this question. In the affirmative, perhaps better work would be presented for the benefit of the candidates. However, smaller lodges might lean too heavily upon the other, with a possible resultant of the ultimate disintegration of the smaller lodges. It has been my experience and belief that talent can be found and developed in every lodge. I do not go along with brothers in our own State who tell me they cannot get officers to fill the chairs.”

The Proceedings of the various Grand Lodges show that many of the problems arising in the jurisdictions are much alike. However, Vermont produced a new and difficult problem. The question was whether it would be permissible to use a photostat of the Charter in a Lodge Room to save wear and tear of a badly deteriorated original. Surprisingly, it would seem, the Grand Master ruled that a photostatic copy, in lieu of the original, would fully satisfy any requirement for the actual presence of a Charter in a Lodge Room during work.

Some early pages of the Proceedings are devoted to the Address given at the Dedication of a new Masonic Temple in West Rutland. The new Lodge Room in a converted church was admirably suited for its purpose. Several more pages are given to a most interesting history of George Washington Lodge, No. 51, presented on the hundredth Anniversary of the Lodge. Three other Lodges also celebrated hundredth anniversaries.

The Grand Secretary paid tribute to the often overlooked contribution of Lodge Secretaries. In Vermont, with 103 Lodges, no fewer than thirty-eight have served ten years or more. Six of these have served thirty years or more, one thirty-five years.

VICTORIA (AUSTRALIA)—1959

Quarterly Communications, March, June, September, December

Grand Master—His Excellency General Sir Dallas Brooks
Grand Secretary—R.W. Bro. C. W. Davis

Lodges, 795. Membership, 110,956. Gain, 1,444.

Having completed nine consecutive years in his high office the Grand Master was re-elected for the tenth time. There was a warm discussion over a motion to prohibit any Lodge from initiating more than eight candidates in one year because this has been a requirement imposed on all new Lodges. The idea was to prevent mass-production of Masons but the motion was lost chiefly when it was pointed out that attendance at meetings is decreasing and that the annual gain in membership had been; in 1953, 4,140; in 1954, 3,302; in 1955, 3,280; in 1956, 2,433; in 1957, 1,810; and in 1958, 1,444. This rather alarming situation was, in part, produced by "exclusions" (we say "suspensions") for non-payment of dues; there are pages of lists of names of members who were excluded and only short lists of "exclusions removed". It's the same story as elsewhere, the story of the many who lose interest and "drop out." (What are we going to do about it?) Not only was the motion lost but the Board of General Purposes was asked to remove the eight-per-year requirement on new Lodges.

The chief concern of this fine Grand Lodge is, as one might expect, the care of Masonic widows, orphans and dependents. At each Quarterly Communication grants were approved, in large numbers, for the "maintenance and education" of sons and daughters not only of deceased brethren but of some others whose financial circumstances were such that they were unable to provide advanced education for their own children.

During the year, 1958, the number of patients treated in the Freemasons' Hospital was 2,610 of whom 1,793 were Masons or relatives of Masons.

There are Reviews of twenty Grand Lodges, including Alberta, New Brunswick, Saskatchewan, and Manitoba. Ontario is not included. The Grand Secretary introduces the Fraternal Correspondence with this statement: "Reports of various Grand Lodges in fraternal recognition with the United Grand Lodge of A.F. & A. Masons of Victoria have been reviewed by the individual representatives and are published herewith. The Annual Reports of several Sister Grand Lodges have been reviewed. Our Grand Representative is R.W. Bro. W. H. Tucker of Melbourne."

VIRGINIA—1960

142nd Annual Communication—February 9 - 10 - 11

Grand Master, 1959-60—M.W. Bro. S. D. Forbes
Grand Master, 1960-61—M.W. Bro. C. M. Flintoff

Lodges, 338. Membership, 69,115. Gain, 482.

The Grand Secretary, M.W. Bro. Archer B. Gay, has written a very fine Review of the Proceedings of our Grand Lodge, not missing any important feature: and his final comment is: "The Fraternal Reviews are well done and we are grateful for the fine treatment accorded Virginia". (The Reviews to which he refers were written by the late M.W. Bro. N. C. Hart.) In his Report he has some shrewd comments on present conditions, noting that fewer young men are coming into the Craft and, naturally, the death toll among the older brethren is high and is increasing every year; he suggests that many members are allowing themselves to be suspended because they have not been given any work to do. The problem of lack of attendance is "a problem of major magnitude in every Virginia Lodge." Every member of a Lodge could be a member of some committee, he says and goes on: "Masonic education and indoctrination of our younger brethren must also go hand-in-hand with our program of activation and re-activation."

With the assistance provided by Grand Lodge through the Committee on Higher Education, one young woman graduated as a nurse and four others were ready to proceed further. The Committee on Masonic Charity disbursed nearly \$6,000 to the Lodges during the year.

An Officers' Manual has been published and has proved to be useful but there is difficulty in getting the brethren

interested in The Masonic Herald; many do not take the magazine from the post office. (It's a bad time for Masonic publications!) There is a fine library and there is also an excellent Museum and the Masonic Home is rendering most useful service.

Our Grand Master responded on behalf of the distinguished guests and, of course, performed that pleasant task admirably. Virginia's Grand Master reported a most astonishing disaster. The Secretary-Treasurer of two funds used for a Masonic Home in a sister Grand Jurisdiction embezzled \$360,000—and he was a Past Grand Master. (Fortunately, this is an isolated catastrophe.)

One Lodge asked for a ruling on this matter. A man has been given his first two degrees but, when he presented himself for his third degree, he was refused on moral fitness grounds. Can he sit in lodge in the first and second degrees? The answer was, quite properly, "No". The Grand Master ruled that a man who has lost the little finger of his right hand (or never had it) is not eligible to petition for admission.

Being the first Mason from the 33rd Masonic District to attain the office, the Grand Master was presented, by the Masons of that District, with a beautiful automobile.

To judge by the Proceedings (and what better yardstick could be used?) the Grand Lodge of Virginia is one of the outstanding Grand Lodges of North America. It is a great pleasure to read of its welfare and its progress. Long may it flourish!

WASHINGTON—1960

103rd Annual Communication—June 21 - 22.

Grand Master, 1959-60—M.W. Bro. R. J. Guthrie
Grand Master, 1960-61—M.W. Bro. A. J. Ring.

Lodges, 285. Membership, 68,992. Loss, 203.

The Grand Master visited all but one of the fifteen Lodges in Alaska and was forced to miss that one on account of weather conditions. He left for home "with the feeling that Masonry in Alaska is safe in the hands of dedicated Masons who are carrying out the design of our institution."

Commenting on general conditions, the Grand Master said "Masonry throughout our Grand Jurisdiction seems to be in a very healthy condition. Most Lodges are active with

degree work and their financial condition is excellent. It is my observation that the Lodges are endeavouring to bring to their initiates the true meaning of Masonry and not just a repetition of words. By so doing they are fulfilling the true purposes of our Craft."

Some of the study groups in constituent Lodges are making good use of the Grand Lodge Library. (The study group is, many have found, the best medium for Masonic Education.) The Grand Lecturer had a most successful year, stressing the standard "Work" in the twenty-five Districts.

A supplement to Washington Masonic Code (1930) occupies thirty-four pages of the Proceedings and records all changes made since 1953. Among these is a section which decrees that no Lodge shall confer the degrees for a sum less than \$50 and, when the petitioner has been elected for admission, an additional fee of \$20. is required as a contribution to the Masonic Home Fund. Another additional fee of \$1.00 is required as a contribution to the endowment fund of the George Washington Masonic National Memorial Association. The number initiated in 1959 was 1,761 which brought a considerable contribution. (By the way, glancing casually over the names of Lodges one is pleased and interested to note York Lodge No. 234, Queen Anne Lodge No. 242, and Robert Burns Lodge No. 243.)

The Fraternal Correspondent, M.W. Bro. Fred Winkels, P.G.M., writes forcefully as follows: "The doctrine of Universal Masonry may at some time become a reality; however, we cannot accept this doctrine if such acceptance means the recognition of all and/or any group, or groups, who may call or label themselves as Masonic. We have a time-tested and eminently satisfactory basis for recognition. All that glitters is not gold, neither is all that claims to be Masonic truly so." (A corner-stone of the Craft well and truly laid!)

The Grand Lodge meets in four Quarterly Communications. The May Communication however, draws the largest attendance, from about 400 to about 650. After meeting in country centres for some years the Grand Master thought it wise to hold these four in Perth, where the largest and most representative attendance was practicable.

Two dispensations, of forty, may bear noting. One was to initiate a candidate on the night of election. The other was to receive the nomination of a candidate under the age of 21 years. During the year the Grand Master found it necessary to exercise a power he possesses to prohibit the initiation of a candidate who had been elected. All facts of the candidate's past were not known to the Lodge. Hence the Grand Master deemed it advisable in the best interests of the Craft to preclude from membership one whose past history rendered it improbable that he could be worthy of the Institution. The Grand Master concluded: "It is opportune for me to observe that the Craft should always receive the benefit of any doubt about a candidate."

Western Australia is the only State in Australia without a Masonic Benevolent Institution. Over the years magnificent work has been done by the West Australian Widows, Orphans and Aged Freemasons' Fund (called in the Proceedings the W.A.W.O. & A.F. Fund) in granting annuities. The Grand Master felt that the time had come to do something further.

The Grand Master asked the Board of General Purposes to set up an Education Committee to which three matters were referred:

- (a) The preparation of short information pamphlets on such subjects as "What we may safely tell one who approaches us about Freemasonry," and "Three Pamphlets amplifying and explaining the ceremonial of the three degrees."
- (b) A report on the Library and on the establishment of a museum.
- (c) Music, and in the first instance the possible formation of a Masonic Choir. A beginning had already been made with this.

Of the 314 Lodges in the Grand Jurisdiction, there are 38 with a membership of 100 or over. The Lodge with the highest membership is the Wellington Lodge, No. 4, with 159 members.

This volume of Proceedings is another excellently turned out piece of printing. The total work runs to 640 pages.

Much of the size is explained by the fact that in the Grand Lodge of West Virginia it is customary to print a complete alphabetical list of all members of all Lodges. Thus, for example, Ohio Lodge, No. 1, Wheeling, Ohio County, occupies over four pages in the report. Such a service by the Grand Lodge must be helpful to members of Lodges to find the names of some of the brethren whom they do not see in Lodge and possibly do not know as members.

Although the American press intimates that many parts of West Virginia are severely depressed there is no depression in Freemasonry in the State.

In 1965 the Grand Lodge will be 100 years old and the Grand Master recommended that a committee be appointed to begin making plans for the centenary celebration. In 1946 a committee appointed to look into the matter recommended the building of a permanent headquarters for housing the offices of Grand Lodge, Museum and Library. The Grand Master put forward the idea that the building might be built to celebrate the anniversary.

The Grand Lecturer reported that a large majority of the Lodges in all parts of the State were highly skilled and readily responded to instruction.

The year saw much physical change and expansion. Three cornerstones were laid and six Masonic Temples were dedicated by the Grand Master. Much of the activity resulted from the construction of a new superhighway which caused some properties to be sold. But in addition to this forced liquidation and consequent search for new Masonic homes there was a genuine movement to acquire or build new temples or remodel older ones which have many years of life remaining.

A proposal, revolutionary in Wisconsin, but of more than one hundred years' standing in the Grand Lodge of Canada in the Province of Ontario, came with the resolution of a committee appointed in 1959 "to study the plan of having a Board of General Purposes and/or a District Deputy System." The arguments presented by the Grand Master which resulted in the withdrawal of the recommendation are interesting.

"The change in methods of operation of the Grand Lodge proposed in this study is nothing short of revolutionary in Wisconsin, although one or both of these systems are in use in quite a number of the Grand Jurisdictions of the United States. Presently, whatever policies are attempted to be established in Wisconsin have been the work of the Grand Master with the advice of his line officers and with the further aid of committees whose members are specially selected because of fitness and knowledge of the subject under consideration. This method of presenting the subject matter has proved efficient in the past and it has the advantage of eliminating all cut and dried proposals which are almost certain to pass against the unorganized opposition of those members who do not approve the proposition. It is the usual, and not the extraordinary procedure in Wisconsin to submit issues which may be controversial to the decision of the members of the Grand Lodge with the utmost sincere desire for full and complete understanding and decision by the representatives of the lodges. Experience demonstrates, and I have seen it happen when visiting other Grand Lodges operating under the Board of General Purposes System, that a Board of General Purposes in the absence of Grand Lodge and just before the annual communication, actually decides the important issues beyond much hope of change at the Grand Lodge meeting. So true is this conclusion that I have seen many members of other Grand Lodges leave the meeting because of the recognition of the futility of attempting to oppose the 'steam roller'. In my opinion and other officers join me in so believing, it is but a refined resumption of the 'Amen' corner which was discarded in Wisconsin in the early twenties. With it in operation there would be but little hope of getting a full discussion on the merits by the representatives of the lodges.

"The District Deputy System works well in many of the larger jurisdictions with a large number of lodges, for there it is necessary to maintain a contact between the Grand Lodge and the constituent lodges. In those jurisdictions the task of visiting all or most of the lodges is too great for the physical capacity of the Grand Lodge Officers to accomplish. In Wisconsin every lodge is now visited by the Grand Lecturer, while the Grand Master customarily visits every Lodge to which he is invited and, if unable to come at the time requested, either arranges for a later visit or sends another officer as his special representative to make the visitation. The success of our present custom for visitation should make us hesitate to interpose a real buffer between the lodges and the Grand Lodge Officers for this, in my opinion, is just what the District Deputy System would do. Local men duly appointed District Deputies would make the visits to lodges rather than Grand Lodge Officers."

The Grand Lodge officers clearly must have a very full year in office. Nor do their responsibilities end with the

usual duties of the Grand Lodge. In addition, the "Grand Lodge Officers are all required to attend and assist" at the centennial celebrations of all Lodges "unless a real valid excuse is presented and accepted." Since the Grand Lodge, one hundred years ago, granted more charters for the formation of constituent Lodges than it does now, each year finds a number of Lodges which attain the distinction of being one hundred years old. In the year covered here nine Lodges reached this figure. The list of active Lodges shows that this year will see seven more.

The Committee on Resolutions turned in a lengthy report. One recommendation which reveals some original thought was that all constituent Lodges in the Grand Lodge of Wisconsin should have concurrent territorial jurisdiction throughout the State of Wisconsin to receive petitions for degrees. The Grand Lodge was not ready for such a proposal, however, and it was not adopted.

Another resolution, "The terms of Masonic officers shall expire with the installation of their successors. An officer of a lodge cannot resign his office" was adopted.

WYOMING — 1960

86th Annual Communication — August 22-23

The Grand Master reported that the Grand Jurisdiction was in a healthy condition. Membership, while not increasing substantially, did not show a loss as some other Grand Jurisdictions did. The Lodges, too, were in good financial condition. During his year in office the Grand Master was able to visit every Lodge in Wyoming. All but three of these visitations were made singly. The year was harmonious. No major and few minor decisions were necessary.

The Wyoming Masonic Home Fund Foundation is being well taken care of by interest and bequests.

One need is for first mortgage loans for the erection of Masonic Temples and other allied Masonic group buildings, such as a fraternity house for Acacia Fraternity at Wyoming University. The Grand Master proposed that the Code (i.e. Constitution) be amended to allow the Wyoming Masonic Home Fund Foundation to invest in first mortgages to be used for such buildings. The matter was left for further study.

Bro. Irving E. Clark, the Grand Secretary, who had held office for nineteen years, was forced to resign on account of ill health. Brother Marcus R. Nichols was elected in his place.

Although not yet a hundred years old the Grand Lodge brought out the second volume of the history of Masonry in Wyoming, written by Bro. W. C. Reusser. The new volume covers the story from 1925 to 1956.

Altogether the Proceedings bear out the optimistic statements of the Grand Master.

APPENDIX "B"

Address delivered by R.W. Bro. Dr. C. Ritchie Bell, B.A., B.D., at the Grand Master's Banquet held in the Royal York Hotel, Toronto, on Wednesday evening July 19, 1961.

M. WOR. BRO. HARRY L. MARTYN:

M. Wor. Grand Master, Distinguished Guests and Brethren of our Grand Lodge: I hasten to rise and acknowledge the magnificent concession that the Grand Master has made in allowing me to introduce our guest speaker to-night. M. Wor. Grand Master, I certainly thank you because this is a delightful honour to have the privilege of presenting such an outstanding speaker as the Grand Master has brought to us to-night, to deliver this inspirational message to our guests and to the Masons of our Grand Lodge.

There is one thing nice about all the speakers we have had at our Grand Masters' Banquets and at Grand Lodge sessions because all through the years that follow we look upon them as wonderful Masonic friends. Now our guest speaker to-night talks about the wonderful concession that he has made. I want to draw to your attention the great disappointment I had in that I didn't get this guest speaker to be sitting here where he is now four years ago to-night. But we were just too late; I think we were about a year too late in booking him up at that time. It is a great delight to us, the Masons of the Grand Lodge of Canada in the Province of Ontario, to have Dr. Bell from our sister Province of Quebec as our speaker to-night.

Brethren, at a time like this I am sure that there are certain things about our speaker that our brethren would be interested in knowing in connection with his outstanding life in his chosen profession, his outstanding contribution in the Masonic World with our sister Grand Lodge and to everything that he has had the privilege of being associated with.

I told you that he was a native son of the Province of Quebec and he had trained for his life work at his home in Sherbrooke originally, then at Bishop's University at Lennox, University of New Brunswick, holding degrees from both. The Presbyterian College of Montreal that conferred on him the Bachelor of Divinity Degree in 1936, and the Degree of Doctor of Divinity in 1949.

Our guest has held the highest offices, pastoral charges in the Church and in the administrative offices in the wider sphere in the work of the Church. In the year 1948 he was

the youngest clergyman that ever was elected as Moderator of The Presbyterian Church in Canada—our Church, Grand Master.

At the present time Dr. Bell is a Professor of Pastoral Theology and Homiletics in The Presbyterian College in Montreal, and he has held this position, brethren, since 1950. A man so outstanding is bound to find himself in unusual situations that come to him as something that he merits from the contributions he has made.

In the year 1954 when the Governor-General, The Rt. Hon. Vincent Massey, gave a State Dinner to Her Majesty, Queen Elizabeth, The Queen Mother, at Rideau Hall in Quebec, Rt. Rev. Dr. Ritchie Bell represented the Presbyterian Church in Canada at that State Dinner. Later in the same year, in the summer of that year while serving a term as Chaplain on one of the ships of the Royal Canadian Navy, it was his privilege at that time to accompany Sir Henry Outerbridge, The Lieut. Governor of the Province of Newfoundland, on an official visit to Labrador.

Brethren, our guest to-night can be heard every Sunday in religious programmes broadcasting under the title "Life is Worth Living" over one of the radio stations in the Province of Quebec, CKL from Verdun.

Our speaker is a Past Master of Royal Arthur Lodge, No. 85, under the Grand Register of Quebec, meeting in the City of Montreal. For seven different years he has served as The District Grand Chaplain for the Province of Quebec, seven years in office in the Grand Lodge Office, and it is my great privilege to-night, brethren, to introduce and present to this wonderful congregation, the Rt. Rev. and Rt. Wor. Bro. C. Ritchie Bell, our speaker. (Applause).

DR. C. RITCHIE BELL:

M. Wor. Sirs, Distinguished Guests, and Brethren all: First of all I want to thank my very kind friend, M.W. Bro. H. L. Martyn, for his very wonderful and kind and gracious and extravagant introduction. I only hope that I can in some small way measure up to all that he has said to you and that you will not feel that the best part of this speech was the speech that he made prior to my own. (Laughter). I only wish that I could take him with me that I might get somewhere in this world. (Laughter). If I had as good a press agent, and build up in this way, it's a wonderful thing what Masonic charity will do for a fellow. (laughter) and I feel that Masonic friendship and charity have been thrown over my emaciated form.

I want to, at the outset, thank the M.W. Grand Master for his kindness, his faith and confidence, in inviting me to

give this address to-night. He was down in The Presbyterian College on business for our Church some months ago, and, after addressing the students, he came in and sat and talked with me for a little while and spoke to me about this banquet to-night and asked me if I would come and do this. I felt a debt of gratitude to him for his great gift to The Presbyterian Church in Canada, and if in any small measure I could say to him in a tangible way that we are appreciative of all that he has done, then I wanted to accept this invitation, and I did accept it. I am sorry I wasn't here two years ago, and yet I am so happy that I have this privilege and honour to-night.

You have paid tribute during the day to the M.W. the Grand Master as a group of Masons. To-night I would like to add my own humble words of appreciation to a great Canadian, a very loyal and devoted and inspiring churchman and a tremendous and distinguished brother Mason. I feel that all of us are always so much better for rubbing shoulders with Clarie Pitts, and if in this way to-night my being here can say to him, "we in our Church are very grateful to you", then I am so honoured and happy to have this opportunity.

Up to this point I have had a lovely time; I have enjoyed everything about the Grand Lodge. I am going to take tips from my brother there, the entertainer this evening, and every now and again in my sermons from now on lend life, jump to the right and jump to the left. (Laughter). That's a great thing to keep your figure—I'm a little late in starting but I'll try.

Now I am just a little disappointed, I have had a good time up till now—and I wouldn't mind being out of here right now. (Laughter). But I am disappointed in some of our guests. I had lunch to-day with a group of boys; we had a lovely time at our table, and indeed I enjoyed it very much. I should have said the Grand Master just asked me to come, you see, told me what a great congregation I'd have, he said, "you've never preached to as great a congregation in your life, and you never will again; they are intelligent; they are great in many many ways"; he built you up in a good way and I accepted with alacrity and I was glad to come.

I was very like the young Minister who had graduated not from a Presbyterian College but from some other College, and he went to a Church out in the West. He was very much concerned about the parishioners and he was concerned about one in particular, a Miss Dorothy Smith. He met her on the street one day and he said "Dorothy, I prayed for you last night." "Shucks" she said, "what did you want to do that for, why didn't you give me a ring and I'd have come right over." (Laughter).

I accepted with that same degree of alacrity because you had a good salesman and because for another reason. He never said to me "you must speak for 10 minutes, or 15 minutes, or 20 minutes". You men are, well, you are not too flattering to the clergy because when you ask them to speak at some Service Club you say "about 15 minutes will do." Clarie is a Godly man; he never suggested any time limit at all, so I took note of my programme and I see that you have nothing until 7:45 to-morrow morning, (laughter) —I have nowhere to go either, so I might as well stay here with you; it's nice and comfortable; it's all right here.

So I was pleased. It gave me a great boost. Here's a fellow who asked me to speak, no holds barred, no time limit; it's a great thing. I don't get a chance to speak to a crowd like this too often and, you know, it does something to you. I am all thrilled inside to see such a great group of men and, as the Grand Master said, so much potential power and goodness.

Now all this was fine until I had lunch. You thought I'd forgotten the lunch. Well, I never forget anything, and I'll get eventually to what I came here to do, speak. (Laughter).

Now, we had this lunch and a very fine brother from Maine, the Deputy Grand Master, was sitting opposite me, Rt. Wor. Bro. Rideout, and he began telling me stories—and I had a clerical collar on too—(laughter) and he told me quite a few. After about half-an-hour of being subjected to this, I suddenly discovered that he was trying to get through to me that the speech to-night was to be short and all his stories were pungent. In fact he said to me "we have a great custom in our Grand Lodge; we close with a good meal but no speeches. (laughter). He said, "any man that gets up to make a speech we take a bead on him (laughter)—whatever that is—and that's the end of him." He said "he can sing if he wants to. he can play the piano, he can play the pipes, but no speeches." So I said to him "brother, you are not hurting my feelings at all, I've had a good time, I'm ready to go home without making any speech. "Well" he said. "that's a bargain. As soon as you get up to-night I won't put a bead on you but I'll get up and move that the whole thing be called off and it be taken as read." (Laughter).

Now he's been sitting over there, I've been spouting all this time and wanting him to get up and do his stuff, but he hasn't delivered me from this very pleasant task. (Laughter).

I like to talk to fellows; I like to talk to a big audience because I don't get a chance to do it very often and my kind of work, you know, is in the Church, and you don't see

too many men (laughter) so I'm a little nonplussed you see, especially up close, the ones I see are always at the back and for the first time in my life I see men right up here in the front pews, and this makes me feel good too.

We have had a good dinner, it's always a good thing to feed Presbyterians well, and everybody looks as though they have been well fed.

I heard of a mother who was giving a kind of dinner party to some distinguished guests and she was very anxious that the whole thing should go off very well but her little one said that he'd like to stay up. The mother said "no, no, this is an important affair and you have got to get to bed." He pleaded with her and, being a modern mother, she lost the battle. She said to him, "all right, but one mistake, Jim, and you've had it; you'll never be at another dinner". Well, the guests sat down to dinner and they had some oysters on the half-shell from Prince Edward Island—I have just come up from there where they have great oysters and lobsters; it's a great country; it's the only place I have ever been in where I have seen signposts on the road "caution, golfers passing" (laughter)—cows are expendable down there.

Anyway, she had these oysters on the half-shell; they were luscious; they were delicious, wonderful; and Jimmy had 5 still on his plate. The maid came, started to pick up the plates, looked at his plate, went away, came back again; the oysters were still there and finally his mother said to him "Jimmy, don't you want the rest of your oysters", and Jimmy said "No, I don't, and I don't want the one I've got in my mouth either." (Laughter). Well, nothing like that has happened to us here to-night; this has been a great thing.

I read of a Medical Convention and they had a lot of speakers there, too. You can't have a convention without speakers; you may get along without soloists but not without speakers; this convention had gone on and on and on and finally towards midnight one of the neuro-specialists was invited to deliver an address. He got up and said "you know, the hour is pretty late and I think it's kind of ridiculous to start speaking now." He said "this convention reminds me very much of the two skeletons that were hanging in the closet of the doctor's office, and one skeleton said to the other, "Bud, what are we hanging around here for?" and the other skeleton said "I don't know; if we had any guts we would get up and go home." (Laughter).

Well, you know, my particular work now is the College and I have a task to perform there, Professor of Pastoral Theology and Homiletics. I'm sure you all know what that means, you all look intelligent—you are trying to let on you know but you don't. (Laughter).

Now I was at a Woman's Club here a while ago and the lady who was introducing me said "what's your job?" I told her, I said "you don't know what it means?" She said "No." I said Pastoral Theology has anything and everything to do with the parents; I think it's the greatest Chair in the College, it's everything, it's your business. And Homiletics has to do with the preparation of sermons, addresses and so on". I got up to give my address to the meeting after that. When I sat down next to her she said "you know, if you hadn't told me before you started, I never would have guessed what it was all about." (Laughter).

You will perhaps think the same thing before the night is over, or the morning comes, and if you do, keep it to yourself, don't let it get down to the College; the Principal thinks I'm doing all right and I wouldn't want to add to Diefenbaker's unemployment. (Laughter).

You see, part of my job is to listen to sermons and I listen to students preach two or three times a week—that's where I get all of my sermons—(laughter) and I say "this isn't right, I don't think you've got the right phrase, you're not using the right word and we have a lot of fun with the dictionary—the bible too—but the dictionary is very important, you know, and I keep saying "get the right word, use the right word." And I am sure that some of you must have had the same experience that I had as a boy because we had a large dictionary in our home, Noah Webster's Dictionary; it wasn't printed on very good paper but it was a formidable looking book and, as a boy, I said "my soul, what a man, what a brain" and I always had a great respect for Noah Webster.

Well, I was reading something some time ago that made me think even higher of Noah Webster; I had always thought of him as a brain, but this article that I was reading said that one day his wife opened the door of his study where he was working on the dictionary and she caught him with his arms around his secretary. She said "Noah Webster, I'm surprised." He said "Matilda, you're amazed, I'm surprised; Matilda, use the right word." (Laughter).

It's a wonderful thing using the right word, and my friend here from Maine gave me a definition of a speech here to-day. He said "I hope you will try to fashion your speech along these lines!" "Well" I said, "what's the definition?" He said "a speech should contain a little sugar, a little spice, and a lot of shortening." (Laughter).

Whether this is going to be short enough, you can use your own judgment. I have already used up the amount of time one usually gives to a sermon and I think it's about time I got on with the particular thing that I came to do. But, you know, it takes a Presbyterian a long time to get

around to doing anything (laughter) and I am no exception. I have thought about this night for a long while, in fact sometimes when I was down at the island the early part of this month I would wake up in a cold sweat. I would think about this great congregation and what in the world could a mere parson like myself say to so many distinguished craftsmen?

I am thinking to-night, too, of our very dear friend the Grand Secretary who is unavoidably detained in Hamilton because of illness. Ewart Dixon has been such a great inspiration to me for many years; he has spoken to me in season and out of season on Masonic subjects and I looked forward with great eagerness to clasping his hand and looking into his face and feeling the sympathy that he can give to a speaker when he is up on his feet. And I want to say this publicly; the Archbishop to-night did one of the kindest things that I think a man in his position could do to a fellow like myself coming here to speak to you. He came over just before coming in here to the head table and said "I want to say this to you, remember that every man out there is your friend, every one of them is sympathetic, every one of them is giving you the very best hearing he can possibly give."

I shall never forget that act of kindness so long as I live, and wherever I go I shall treasure that very kindly gracious gesture on the part of a distinguished colleague.

THE MIRACLE OF MASONRY

I have thought many times as to what I might say to you to-night. I come here not to speak as an expert, I come not to speak to you about the principles, in particular, of Masonry; I come here to speak to you and to share with you some of my thoughts on the Miracle of Masonry.

I listened this morning to that most magnificent utterance of the Grand Master, and I was touched again and again by his reference to the fact that Masonry is something that we carry around with us; Masonry is something that is caught; Masonry is something that shows forth in your face. We can't ask our friends to join Masonry as you would ask them to join many clubs, societies and organizations, but there ought to be something about a Mason, something that gives, that peculiar spirit that a man should say 'whatever that fellow has got, I would like to have.'

As a young boy I used to watch my father make ready to go to the Lodge, and I would see in his face as he left the house and as I would see him about the duties of his own home and his business afterwards in the week, something about his face, something about his life, and I vowed there and then, although he never heard me mention this

during his lifetime because he went to join the Grand Lodge Above before I gave expression to this. But I saw in him something that I desperately wanted and I felt that when the day came, I would knock at the Temple of a Masonic Lodge and I would ask to be admitted into that kind of living. And so it was in Nova Scotia that I knocked at the door of a Lodge in Truro and I first saw the light of Masonry, and it is of this Miracle of Masonry that I want to speak to-night.

Masonry takes such elemental things as an apron, and a trowel, and a 24-inch gauge, square and compass, a level, a handclasp, and these apparently insignificant and certainly not expensive gadgets are clothed with something so spiritual that they are lifted from the realm of the small and the insignificant into the great world of grandeur and greatness.

Masonry touches these simple elemental things and in some miraculous way transforms them into that which is wonderful, inspiring, helpful, ennobling, for no man can ever catch the spirit of a Lodge and be quite the same again.

We talk a great deal again about those that go out the back door. It seems to me that those who, in many cases, go out the back door are those who have never really caught that peculiar something that happens inside a lodge room; they have never seen the miracle that takes place when these apparently insignificant small things are suddenly lifted into greatness and into grandeur.

Masonry puts these very modest implements and articles into the hands of a Mason, and by bringing them to a man's mind and allowing a man's soul in some peculiar way to touch them, these things become intrinsically valuable; they become the most precious objects in a Mason's life. We discover that when this miracle takes place, the Masonic life is not a bundle of little things but rather a gathering together of big things out of small and insignificant things.

Whatever Masonry touches, Masonry brings to them a miracle of transformation. We live in a time when we are obsessed with bigness, with large things; this is the day of bigger and better high schools, the day of bigger and better universities until we have so many students in our universities that they no longer are students, they are numbers; there is no longer that great intimate touch that existed in Dr. McGreer's classes at Bishop's University where he could stand and call 'MacDonald, Smith, Riddell', name every man and say 'I want you at the Lodge to-day for lunch'.

I say that in this mad pursuit of largeness and bigness, we are losing something, losing something of intrinsic worth, and if Masonry made no other contribution than to lead us

away from a world where we are obsessed with bigness and greatness into a temple where we handle apparently insignificant things, and yet find in these small things the real bigness of life. Masonry has a tremendous task to perform in our day. We live in the time of the Supermarket; we live at the time when everything has to be bigger and—I doubt—better than it ever was before.

Frank McClure, the President of a University in the States, tells of being followed in Africa one day by a little boy who wanted to give him a shoeshine and all day long he kept pursuing Dr. Frank McClure. Finally McClure stopped and said, "what is it you really feel about your shoeshine?" "Americana" he said, "I'll give you super-duper, bigger, better shoeshine than any other boy in the community."

This is our theme-song to-day, bigger, super-duper. We have lost the art of doing small things in such a big way that these smaller things take on the touch of the miraculous. A poet has put it like this:

"Help me to do just one grand deed and die
And by that one grand deed look up and
meet me in the sky."

This seems to be the tempo to which our lives are tuned, one grand thing and die, when what this world needs desperately is for you and me in our several positions in the Lodge to do the small thing in such a big way that life catches a new dimension and a finer touch of grandeur.

How then does this miracle take place? What is involved in The Miracle of Masonry? Let me suggest to you to-night three very simple and homely things. As I have already suggested to you, I come here not as a philosopher, I come not as an expert, I come sharing with you those ideas of mine that I feel have to take place if The Miracle of Masonry is to be seen again in our day and in our time.

And I suggest to you, in the first place, that there must be something in us, something of the spirit, the spirit that Masonry would inject in our hearts and in our lives. Masonry has been defined as a philosophy; it has been defined in other ways. But Masonry is more than a philosophy, Masonry is a spirit; a spirit has to be caught, a spirit that is alive in the man who, in his every day's experience with other people, brings the teachings of Masonry to bear on the situations in which he finds himself involved.

What would we not be able to accomplish in a day of great uncertainty and insecurity if, throughout the world, we stand shoulder to shoulder and give one mighty shout

for brotherhood, and understanding, and peace? These things will never be understood in a philosophical way. Indeed I am one of those who believe they would never be understood in a theological way. They would only be understood as people catch something from us, and this Miracle of Masonry takes place when we feel the spirit of the Lodge permeating us.

I never sit in a Lodge but that there is some new thought, new idea that comes to me as I listen to the words of the ritual unfold, as I see the candidate making his perambulation about the Lodge, as I see that Volume of the Sacred Law open, as I listen to the words that have come down to us from time immemorial.

I thought of it again this morning as we sang that great old paraphrase "Unto the Hills Around do I Lift Up my Longing Eyes". Here is something that lifts us above the Bank of Canada; here is something that is bigger than the biggest building in Toronto; here is something that lends to us a sense of security when the world seems to be going mad in Germany and in other parts of the world.

This is not a philosophy; this is a spirit, a spirit that you and I can give. From the time that we were children we talked about contagious diseases until we became so obsessed with the idea that the only thing that people can catch from us is something in the way of a disease, when in reality what people can catch from us is a positive approach to life and an affirmative belief in the eternal, in an abounding faith, in immortality. These are the things that people can catch from us whether we sit in the east in our Lodge, the Grand East in the Jurisdiction, or whether we sit on the side benches. This is the Miracle of Masonry; it matters not where you sit; it matters how you live; it matters in the spirit in which you go out amongst your fellowmen and they say 'this is Masonry.' The elements which bring greatness are not the peculiar things that we happen to have in our hands.

Now often have I listened to young men in the Theological College say "if only I had somebody else's gift, if only I had the equipment, the mental equipment that somebody else has got? My brethren, wherever you sit tonight, it's not a question of your brother's gift; it's not a question of your brother's talents; it's a question of what you are doing with the talent and the gift which the Great Architect has put within your heart and your soul and your life. The Miracle of Masonry takes place when we allow the spirit of Masonry to have full sway in our lives.

I am very fond of the biography of Phillips Brooks. You will remember that almost every one of the biographers mentioned that he lived with such a lilt, that he lived in such a mood of expectancy, that whenever he walked down

Newspaper Row in Boston another man came into the Ministry of the Church. Wherever you live your greatness should be such that men who know nothing of the light of Masonry should be one of the temples by the spirit you show in your life.

And the second ingredient it seems to me in this Miracle of Masonry is the very simple ingredient of work. We have fallen upon days when work does not have the connotation it had in your boyhood and in my boyhood. All of us want to get too much for nothing; all of us are obsessed in some manner or other with trying to make ourselves believe that the world will give us the secrets of life without too much honest toil and real sweat.

And so, many of the great things in life languish because we no longer will apply ourselves and work at the tasks we have in hand. There are too many who seem to feel that work is a curse. I don't believe that work is a curse at all. Sad indeed is the day when you and I have no tasks to perform, no work to accomplish. Work is the greatest boon and blessing that could possibly be given to us. But so few of us are willing to work at this spirit of Masonry, we are too much like too many people in the churches; we come on Sunday and we come to the Lodge whenever it meets; we bow to The Great Architect and go out and leave it all until the next stated meeting of the Lodge or the Church Service. Masonry is something that you and I should put our hands to, Masonry is something to which you and I should devote our time; it demands something of us surely.

Many years ago I heard of a poet who wrote a poem of only a few lines, but it was a very graphic thing. It typifies the 3 stages of a man's life; first of all the little boy looking up at the high mountain said:

"O snow so white, O peak so high,
I shall not see thee till I die."

Then the next picture is a picture of a young man in the full blossom of manhood sitting looking up at the same mountain and saying:

"O snow so white, O peak so high,
I shall not see thee till I die."

And the last picture is a picture of an old man bowed over with the years and looking off toward the mountain saying:

"O snow so white, O peak so high,
I shall not see thee till I die."

And he never did, because he never started; he never tried.

So it is in our Masonic life. We do not see the things we believe should come from those great principles that are held amongst us, all because, like the characters in that poem, we see the peak; we see the whiteness of the snow, but we never accomplish that which we could because we do not try.

You have been remarkably patient, forbearing, and I have only one more word. I stand here to-night as a preacher; I have one commodity, the good life, God; and The Miracle of Masonry takes place when we catch the spirit, when we work and when we place what we have in the hands of The Great Architect of the Universe.

I make no apology for coming at a happy banquet hour like this and speaking to you about the greatest theme in all the world, the theme of your God and mine. I am not one bit interested in your race, your nationality or your creed. I am only grateful that I stand here with you, shoulder to shoulder, believing in a Supreme Being in all the World.

Lamb said of Samuel Taylor Coleridge, "Give your books to Samuel Taylor Coleridge and they will be returned to you with usury because he will note many things in the margin."

I say to you at the close of this memorable day, and as you look forward to the new year in Masonry, "give your lives to God in a new sense for he will give back your life to you with usury, for he will write into the margin of your living, notes that will enhance and glorify the most ordinary life amongst us", and so The Miracle of Masonry takes place again. God Bless you, each and every one of you. (Prolonged applause—Brethren rise).

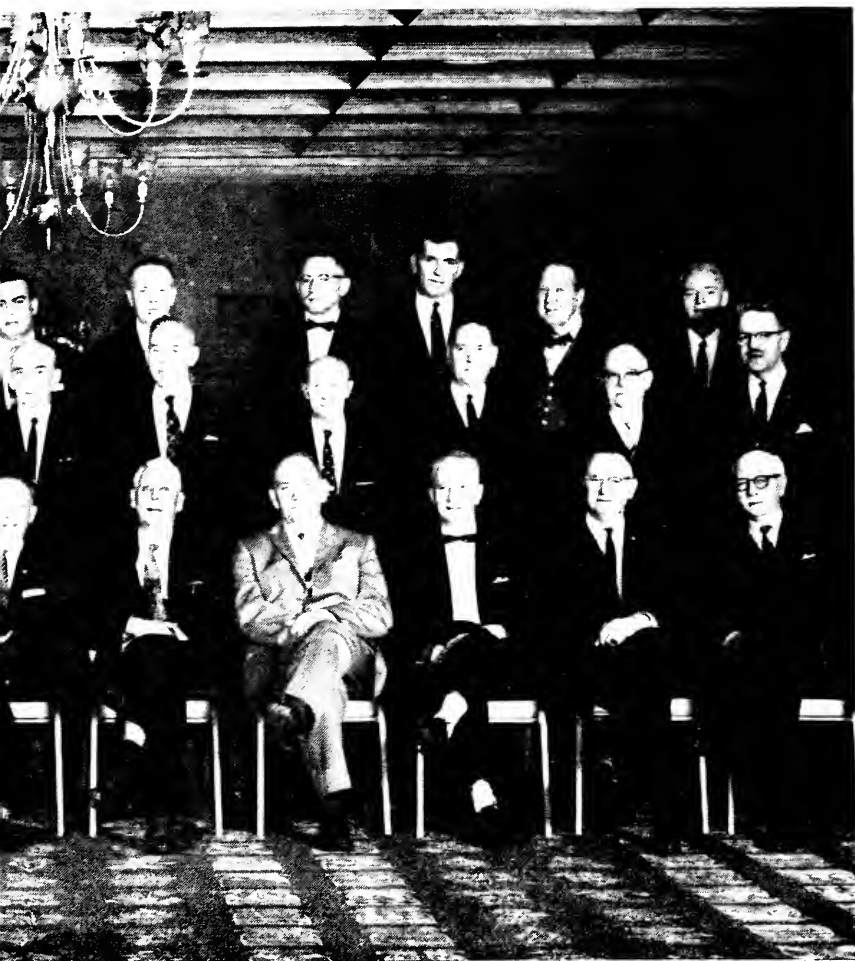

DEPUTY GRAND MASTER TRELEAVEN:

M.W. Sir, Distinguished Guests and Brethren: A very pleasant task has been assigned to me, thanking our speaker on your behalf.

Dr. Bell, I do not know whether you noticed when you were in Lodge to-day that our Grand Master, in announcing this Banquet, assured us that we would be both entertained and edified.

Now I do not believe that I need say anything more than this, that that prophecy has been amply fulfilled, we have been entertained, and we have been edified, and we are most grateful to you, sir, for this very splendid address.

Just one thing more. I noticed M.W. Bro. Roy is in the audience who spoke to us last year. I had the privilege of thanking him; I spoke shortly, and I don't want to show any difference. (Laughter). We are most grateful to you. (Applause).
